

CANADIAN WILDLIFE SERVICE  
WESTERN REGIONAL LIBRARY

A CHECKLIST OF PLANTS COLLECTED  
ON THE  
PEACE-ATHABASCA DELTA

by

Gary Gentle  
CANADIAN WILDLIFE SERVICE  
Saskatoon, Saskatchewan

From mid-summer 1968 to fall 1971, the Canadian Wildlife Service carried out landform/vegetation classification and plant successional trend studies in the Peace-Athabasca Delta. In the course of the field research carried out, vascular plants and Bryophytes were collected throughout the 1,700 square mile (4403 Km.<sup>2</sup>) Delta complex.

The following list is derived from 543 collections which include 56 families, 143 genera and 252 species of vascular plants. Bryophyte collections have not been listed pending identification verification.

Identification of the vascular plants have been verified by Dr. V. L. Harms of the Fraser Herbarium, University of Saskatchewan, Saskatoon. Dr. G. Argus, Department of Environment, Forestry Branch, verified identification of the numerous Salix species collected. Voucher specimens are deposited in the Prairie Migratory Bird Research Centre, University of Saskatchewan, Saskatoon.

Scientific and common nomenclature are according to Moss (1959) and Cormack (1967).

#### ALISMACEAE

|                             |   |
|-----------------------------|---|
| Broad-leaved water plantain | <u>Alisma plantago</u> - <u>aquatica</u> L. |
| Arrowhead                   | <u>Sagittaria cuneata</u> Sheld.            |

#### ARACEAE

|            |                           |
|------------|---------------------------|
| Water arum | <u>Calla palustris</u> L. |
|------------|---------------------------|

#### ARALIACEAE

|                   |                             |
|-------------------|-----------------------------|
| Wild sarsaparilla | <u>Aralia nudicaulis</u> L. |
|-------------------|-----------------------------|

## BETULACEAE

|             |  |
|-------------|--|
| Alder       | <u>Alnus incana</u> (L.) Moench.                                   |
| River alder | <u>A. tenuifolia</u> Nutt.   |
| Alder       | <u>A. viridis</u> (Chaix.) D.C.                                    |
| Dwarf birch | <u>Betula glandulosa</u> Michx.                                    |
| Canoe birch | <u>B. papyrifera</u> Marsh. Var.<br><u>neolaskana</u> (Sarg.) Raup |

## BORAGINACEAE

|              |  |
|--------------|--|
| Beggar-ticks | <u>Lappula redowskii</u> (Hornem.)<br>Greene Var. <u>occidentalis</u><br>(Wats.) Rydb. |
| Bluebells    | <u>Mertensia paniculata</u> (Ait.)<br>G. Don   |

## CALLITRICHACEAE

|                |                                 |
|----------------|---------------------------------|
| Water starwort | <u>Callitriche palustris</u> L. |
|----------------|---------------------------------|

## CAMPANULACEAE

|                 |                                  |
|-----------------|----------------------------------|
| Common bluebell | <u>Campanula rotundifolia</u> L. |
|-----------------|----------------------------------|

## CAPRIFOLIACEAE

|                     |  |
|---------------------|--|
| Twin-flower         | <u>Linnaea borealis</u> L. Var.<br><u>americana</u> (Forbes) Rehd. |
| Twining honeysuckle | <u>Lonicera dioica</u> L. Var.<br><u>glaucescens</u> (Rydb.)       |
| Butters             | <u>Symphoricarpos occidentalis</u><br>Hook.                        |
| Wolfberry           | <u>Viburnum edule</u> (Michx.) Raf.                                |
| Low bush cranberry  |  |

## CARYOPHYLLACEAE

|                        |  |
|------------------------|--|
| Sandwort               | <u>Arenaria lateriflora</u> L.                                 |
| Sandwort               | <u>A. stricta</u> (Michx.) ssp.<br><u>dawsonensis</u> (Britt.) |
| Maguire                | <u>Cerastium arvense</u> L.                                    |
| Mouse-ear chickweed    | <u>Spergularia marina</u> L.                                   |
| Sand spurry            | <u>Stellaria crassifolia</u> Ehrh.                             |
| Chickweed              | <u>S. longipes</u> Goldie                                      |
| Long-stalked chickweed |  |

## CERATOPHYLLACEAE

|          |                                  |
|----------|----------------------------------|
| Hornwort | <u>Ceratophyllum demersum</u> L. |
|----------|----------------------------------|

## CHENOPODIACEAE

|                        |   |
|------------------------|---|
| Lamb's quarters        | <u>Chenopodium album</u> L.   |
| Oak-leaved goosefoot   | <u>C. glaucum</u> L. ssp. <u>salinum</u><br>(Standl.) Aellen            |
| Maple-leaved goosefoot | <u>C. hybridum</u> L. Var.<br><u>gigantospermum</u> (Aellen)<br>Rouleau |
| Red goosefoot          | <u>C. rubrum</u> L.   |

## CISTACEAE

|              |  |
|--------------|--|
| Sand heather | <u>Hudsonia tomentosa</u> Nutt. Var.<br><u>intermedia</u> Peck |
|--------------|--|

## COMPOSITAE

|                            |   |
|----------------------------|---|
| Common yarrow              | <u>Achillea millefolium</u> L. Var.<br><u>nigrescens</u> E. Meyer   |
| Common yarrow              | <u>A. millefolium</u> L. ssp.<br><u>lanulosa</u> (Nutt.) Piper  |
| Pussy-toes                 | <u>A. sibirica</u> Ledeb.   |
| Everlasting                | <u>Antennaria microphylla</u> Rydb.   |
| Small-flowered everlasting | <u>A. neglecta</u> Greene   |
| Rosy everlasting           | <u>A. nitida</u> Greene   |
| Arnica                     | <u>A. rosea</u> Greene  |
| Biennial sagewort          | <u>Arnica lonchophylla</u> Greene   |
| Pasture sagewort           | <u>Artemisia biennis</u> Willd.   |
| Rayless aster              | <u>A. frigida</u> Willd.  |
| Western willow aster       | <u>Aster brachyactis</u> Blake  |
| Purple stemmed aster       | <u>A. hesperius</u> A. Gray   |
| Nodding beggar-ticks       | <u>A. puniceus</u> L.   |
| Fleabane                   | <u>Bidens cernua</u> L.   |
| Arrow-leaved coltsfoot     | <u>Erigeron philadelphicus</u> L.<br><u>Petasites sagittatus</u> (Pursh)<br>A. Gray                       |
| Marsh ragwort              | <u>Senecio congestus</u> (R.Br.) DC.<br><u>S. eremophilus</u> Richards.<br><u>S. cymbalarioides</u> Nutt. |
| Goldenrod                  | <u>Solidago canadensis</u> L.<br><u>S. graminifolia</u> (L.) Salisb.                                      |
| Perennial sowthistle       | <u>Sonchus arvensis</u> L.  |
| Common dandelion           | <u>Taraxacum officinale</u> Weber   |

## CORNACEAE

|                   |                              |
|-------------------|------------------------------|
| Bunchberry        | <u>Cornus canadensis</u> L.  |
| Red osier dogwood | <u>C. stolonifera</u> Michx. |

## CRUCIFERAE

|              |                                     |
|--------------|-------------------------------------|
| Rock cress   | <u>Arabis hirsuta</u> (L.) Scop.    |
| Rock cress   | <u>A. lyrata</u> L.                 |
| Winter cress | <u>Barbarea orthoceras</u> Ledeb.   |
| Bitter cress | <u>Cardamine pensylvanica</u> Muhl. |

|                     |   |
|---------------------|---|
| Green tansy mustard | <u>Descurainia pinnata</u> (Walter)<br>Britton                            |
| Tansy mustard       | <u>D. pinnata</u> (Walt.) Britt. Var.<br><u>brachycarda</u> (Rich.) Fern. |
| Draba               | <u>D. sophia</u> (L.) Webb  |
| Yellow cress        | <u>Draba nemorosa</u> L. Var.<br><u>leiocarpa</u> Lindbl.                 |
|                     | <u>Rorippa islandica</u> (Oeder)<br>Borbas                                |

## CYPERACEAE

|                  |  |
|------------------|--|
| Sedge            | <u>Carex aenea</u> Fern.                                     |
| Sedge            | <u>C. aquatilis</u> Wahl.                                    |
| Sedge            | <u>C. atherodes</u> Spreng.                                  |
| Sedge            | <u>C. concinna</u> R.Br.                                     |
| Sedge            | <u>C. crawfordii</u> Fern.                                   |
| Sedge            | <u>C. diandra</u> Schrank                                    |
| Sedge            | <u>C. foenea</u> Willd.                                      |
| Sedge            | <u>C. obtusata</u> Lilj.                                     |
| Sedge            | <u>C. richardsonii</u> R.Br.                                 |
| Sedge            | <u>C. rostrata</u> Stokes                                    |
| Sedge            | <u>C. stipata</u> Muhl.                                      |
| Sedge            | <u>C. synchnocephala</u> Carey                               |
| Spike rush       | <u>Eleocharis acicularis</u> (L.)<br>R. & S.                 |
| Spike rush       | <u>E. palustris</u> (L.) R. & S.                             |
| Cotton grass     | <u>Eriophorum chamissonis</u><br>C.A. Mey                    |
