Francophone Integration Pathway

- **Constant increases in the percentage of French-speaking immigrants served** by Francophone service providers: 57% in 2021-2022, versus 44% in 2018-2019.
- **In 2020-2021, Francophone organizations were the first point of service of 50% of French-speaking immigrants**, versus 32% in 2017-2018.
- **New Francophone service providers in the Resettlement Assistance Program funded by IRCC:** 2 new centres, in Edmundston and Bathurst (New Brunswick), in January 2022.
- One-time funding from IRCC to a partnership of 3 Francophone organizations that work to improve the capacity of FMCs (directly involved in sponsoring refugees).
- **February 2022: Series of strategic dialogues led by the National Francophone Settlement Advisory Committee**, which made it possible to identify courses of action for 7 Francophone programming themes, including workforce integration and the needs of particular client groups.

Language training

In 2022, IRCC continued to offer adult newcomers opportunities to improve their language skills with a view to living and working in Canada.

- In 2021-2022, **over 76,000 clients** received language training services from over **200 service providers**.
- **Since the pandemic began, French and English language training services have been offered remotely, online, in a hybrid format or in person** to meet newcomer needs and demand.
- In addition to planning the activities for the next Action Plan for Official Languages, IRCC continues to offer **language training services adapted to the needs of French-speaking newcomers** who settle in French language minority communities. This also includes specific support for organizations to improve their ability to provide second language training in French.
