

Research for a HEALTHIER CANADA

At CIHR, we believe research has the power to change lives.

As the Government of Canada's health research investment agency, we fund world-class research across the country. Led by talented teams at universities and hospitals, this research is helping to:

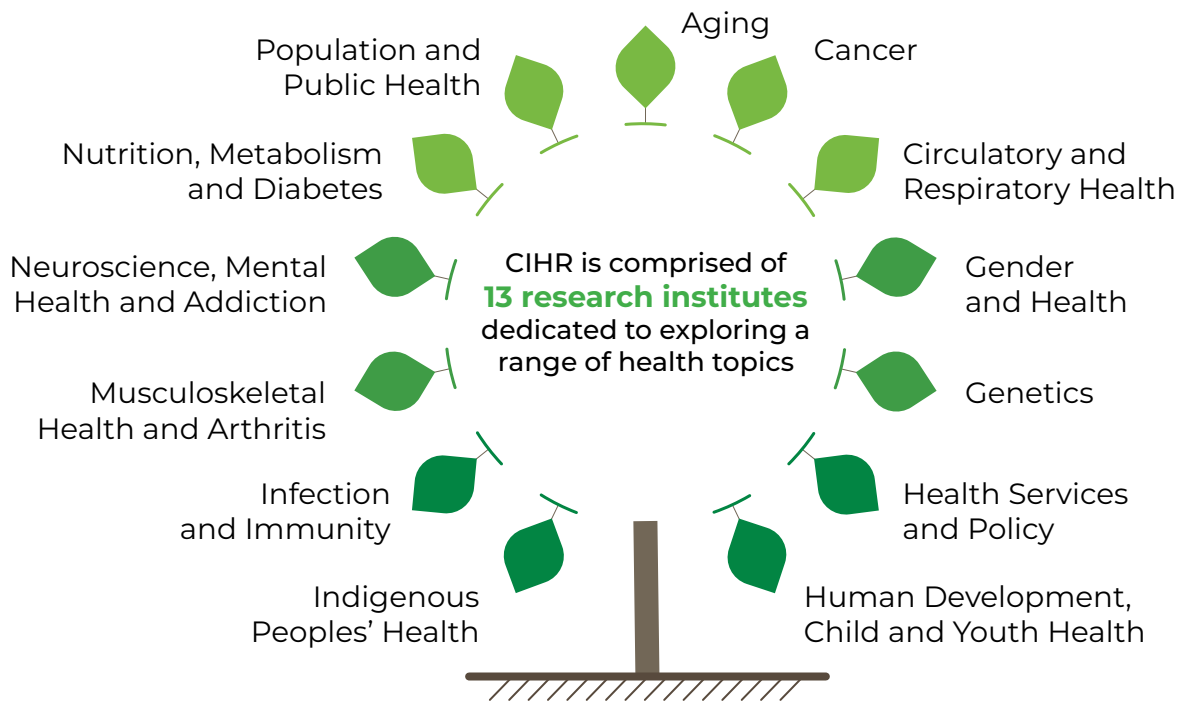

DEVELOP
NEW MEDICINES
AND TREATMENTS

STRENGTHEN
OUR HEALTH
CARE SYSTEM

IMPROVE
THE HEALTH OF CANADIANS AND
PEOPLE AROUND THE WORLD

EVERY YEAR, WE INVEST:

\$ 1 BILLION

of taxpayer money

+

\$ 200 MILLION

of partner funding

into grants and awards that support

15,000

independent health researchers and trainees across Canada.

Our investments help fund research across four primary pillars:

1

BIOMEDICAL RESEARCH

Understanding how the body works to better prevent, diagnose, and treat disease.

2

CLINICAL RESEARCH

Exploring how to improve patient care and overall quality of life.

3

HEALTH SERVICES RESEARCH

Finding ways to strengthen the effectiveness and efficiency of our health care system.

4

SOCIAL, CULTURAL, ENVIRONMENTAL AND POPULATION HEALTH RESEARCH

Understanding how social, cultural and environmental factors affect our health.

The best health for all, powered by outstanding research.
