# 2023-2024 ANNUAL REPORT PRIVACY ACT

Published by: National Film Board of Canada © National Film Board of Canada, 2024 ISSN 2816-2633 Cat.No. NF1-9E-PDF

#### 1. INTRODUCTION

The *Privacy Act* (the "Act") gives Canadian citizens as well as individuals and corporations present in Canada the right to access records under the control of federal government institutions, subject to limited and specific exceptions. The Act is intended to complement existing procedures for access to government information and not to limit in any way information that is normally available to the public.

Section 72 of the Act requires the head of every federal government institution to submit a report to Parliament on the administration of the Act at their institution each fiscal year.

This report was prepared pursuant to section 72 of the Act and describes how the National Film Board of Canada (the "NFB") administered the Act in fiscal year 2023–2024.

The NFB's mandate is to create relevant and innovative audiovisual content that interprets Canada and its diversity to Canadians and people around the world. The NFB works with filmmakers and artists from every region of Canada to produce exceptional documentaries, animated films, and interactive/immersive works rooted in Canadian experiences and realities. The NFB has long been a champion of technological and film innovation, both nationally and internationally. The NFB seeks to reflect the perspectives and experiences of communities that are systematically underrepresented in the media and to develop innovative new storytelling forms and approaches.

#### 2. ADMINISTRATION OF THE ACT

In accordance with section 73 of the Act, the Minister of Canadian Heritage appoints the following individuals to administer the Act:

- > the Government Film Commissioner;
- > the Privacy Coordinator;
- the Legal Counsel.

The NFB has no official entity tasked with processing access to personal information requests. The requests are forwarded to the Privacy Coordinator, who is part of the Business Affairs and Legal Services department.

The Privacy Coordinator is also responsible for coordination pursuant to the Access to Information Act. There are no other ATIP (Access to Information and Privacy) officers at the NFB.

The NFB was not party to any service agreement under section 73.1 of the Act during the period covered by this report.

#### 3. DELEGATION ORDER

A copy of the Delegation Order is attached as Appendix A.

#### 4. 2023–2024 PERFORMANCE

The 2023–2024 Statistical Report on the *Privacy Act* and the Supplemental ATIP Statistical Report for 2023–2024 are attached as Appendix B.

#### Percentage of requests responded to within legislated timelines

From April 1, 2023, to March 31, 2024, the NFB received 1 personal information request, which was withdrawn within 30 days (100%).

#### Release of records

No records released; the only request was withdrawn.

#### Number of active requests that are outstanding from previous reporting periods

There are no active requests outstanding from previous reporting periods.

#### Number of active complaints that are outstanding from previous reporting periods

There are no active complaints outstanding from previous reporting periods.

#### Consultations

In 2023–2024, the NFB did not receive any consultation requests from other Government of Canada institutions or organizations.

#### 5. TRAINING AND AWARENESS

To foster a deep understanding of privacy and equip our teams with essential skills, we conducted a robust series of training and awareness activities throughout the reporting period. These initiatives aimed to cultivate a culture of privacy awareness within our workforce, emphasizing the critical role of safeguarding personal information.

Informal briefings were led by the Privacy Coordinator and covered best practices for handling personal information. They targeted both the IT department and the production team. These sessions were tailored to their specific roles and responsibilities, focusing on privacy policies, data-handling procedures and security measures.

All new NFB employees are required to take the online course "Access to Information and Privacy Fundamentals" (COR502), from the Canada School of Public Service.

#### 6. POLICIES, GUIDELINES, PROCEDURES AND INITIATIVES

To address privacy concerns related to the use of cookies, the NFB has updated its privacy policies. These policies provide clear guidelines on the collection, use and management of information obtained through cookies.

The NFB is working to improve consent mechanisms, particularly in the digital realm, to ensure that individuals have a clear understanding of how their personal information will be used and have the ability to provide informed consent.

The NFB has improved its security measures to protect personal information, including encryption, anonymization and access controls.

The NFB took proactive steps to develop comprehensive privacy policies for various web applications, including Google Analytics.

Furthermore, we have updated our privacy policy to reflect our ongoing efforts to protect personal information collected through equity, diversity and inclusion (EDI) self-declaration questionnaires.

#### 7. SUMMARY OF KEY ISSUES AND ACTIONS TAKEN ON COMPLAINTS

The NFB was not the subject of any complaints to the Office of the Privacy Commissioner of Canada during the period covered by this report.

#### 8. MONITORING COMPLIANCE

No tracking of the time required to process access to information requests was conducted during the period covered by this report.

#### 9. MATERIAL PRIVACY BREACHES

No material privacy breaches occurred during the reporting period.

#### 10. PRIVACY IMPACT ASSESSMENTS (PIA)

The NFB completed and submitted two PIAs for evaluation during the reporting period. Below are brief summaries outlining the scope of each PIA.

#### <u>SELF-IDENTIFICATION QUESTIONNAIRE IN THE CONTEXT OF THE HIRING PROCESS:</u>

The NFB launched a voluntary self-identification questionnaire that allows job applicants to self-identify themselves as members of the four designated groups under the Employment Equity Act: women, Indigenous Peoples, persons with disabilities and visible minorities. Applicants also have the option not to answer the questions, an option that, when used, may also provide relevant data. This questionnaire will result in a more accurate overview of representation in the entire workforce, not just in the self-identifying segment.

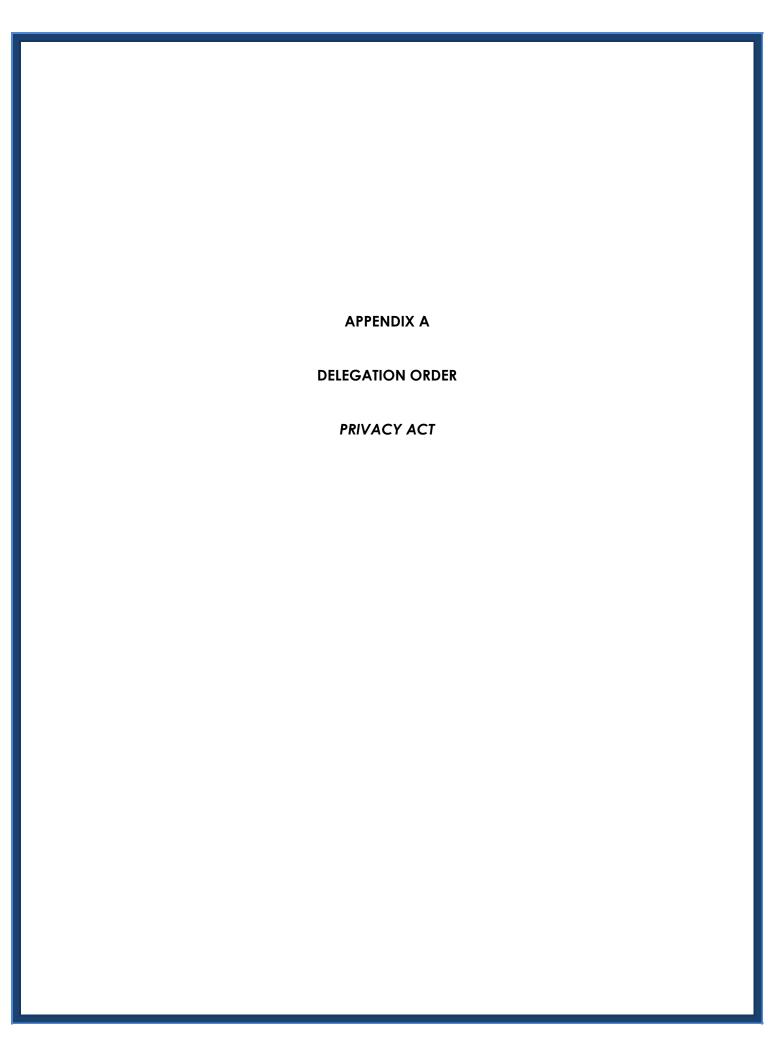

#### SELF-DECLARATION QUESTIONNAIRE FOR FILMMAKERS AND PRODUCTION TEAMS:

This initiative aims to collect personal information on a voluntary basis from the members of creative teams, including producers, writers, directors, digital creators, lead performers, directors of photography, editors, sound designers, composers, animators, technical directors, user-experience designers and art directors/designers. The information may include but is not limited to first and last name, email address, role occupied (function) on a project, Indigenous identity, racial/ethnic identity, disability status, gender identity/expression, 2SLGBTQI+ status and official-language minority status. By gathering this information, we can create a plan of action whose goal is to ensure that underrepresented groups are included in future projects, in the audiovisual productions selected for distribution and in the co-productions we decide to proceed with.

In addition, the NFB prepared three other PIAs to assess the potential privacy risks and implications associated with specific projects and initiatives. The PIAs involved comprehensive consultations with relevant stakeholders, including project teams, IT teams and our legal advisors. These PIAs will also be submitted for evaluation.

#### 11. PUBLIC INTEREST DISCLOSURES

No personal information was disclosed in compliance with clause 8(2)m) of the Act.

#### National Film Board of Canada
