INTRODUCTION

The *Privacy Act* (Revised Statutes of Canada, Chapter P-21, 1985) was proclaimed on July 1, 1983. It extends the present laws of Canada that protect the privacy of individuals, and provides individuals with a right of access to personal information about themselves. It also protects the privacy of individuals by denying third parties access to personal information relating to them and enabling them to exercise strict control over the collection, disclosure and use of such information. Necessary exceptions should be limited and specific.

Bill C-58, *An Act to amend the Access to Information Act and the Privacy Act and to make consequential amendments to other Acts*¹ received royal assent on June 21, 2019. This resulted in the most significant amendments to the Act since it came into force in 1983.

The new legislation amends the *Privacy Act* to, among other things:

- create a new exception to the definition of “personal information” with respect to certain information regarding an individual who is a ministerial adviser or a member of ministerial staff
- authorize government institutions to provide to other government institutions services related to requests for personal information
- expand the Governor in Council’s power to amend the schedule to the Act and to retroactively validate amendments to that schedule¹

This annual report is tabled in Parliament in accordance with section 72 of the *Privacy Act* and describes how the Pacific Economic Development Agency of Canada (PacifiCan) administered its responsibilities for the reporting period.

■ DEPARTMENTAL MANDATE

Support the growth and diversification of British Columbia’s economy and advance the interests of the region in national economic policy, programs and projects.

PacifiCan is overseen by the Minister of Emergency Preparedness and Minister responsible for the Pacific Economic Development Agency of Canada.

The Agency operates under the provision of the *Western Economic Diversification Act*, which came into force on June 28, 1988. An Order in Council created PacifiCan, by way of the *Public Service Rearrangement and Transfer of Duties Act*². PacifiCan retained its complement of executives, managers and staff who were previously employees of the BC Regional Office of Western Economic Diversification Canada.

PacifiCan's mandate allows the agency to deliver a wide range of initiatives across British Columbia and make strategic investments to build on regional competitive advantages. Its presence enables the cultivation of strong partnerships with business and community organizations, researchers, academia, Indigenous peoples, provincial governments and municipal governments. These connections help PacifiCan reflect the region's perspectives in national decision-making.

ADMINISTRATION OF THE ACT

PacifiCan employs 215 individuals in British Columbia and in Ottawa, including economists, commerce officers and policy analysts. Specialists in such areas as communications, corporate administration, financial management, human resources, information management & technology, and procurement, provide the policy and programs analysts with support.

PacifiCan is headquartered in Vancouver, British Columbia, and will establish headquarters in Surrey with additional service locations in Victoria, Kelowna, Prince George, Cranbrook, Fort St. John, Prince Rupert and Campbell River. The agency will also have an office in Ottawa.

Privacy and personal information services are currently provided to PacifiCan by way of an Internal Services Agreement (ISA) with Prairies Economic Development Canada (PrairiesCan). Costs for these services are reimbursed to PrairiesCan.

As per the August 2021 Order in Council, the President of PacifiCan is the head of the organization for the purpose of the *Privacy Act*.

- Vice President, Programs and Partners
- Access to Information and Privacy Coordinator

The ATIP Centre of Expertise (ACoE) oversees the development, coordination and implementation of policies, guidelines, systems and procedures to manage the Agency's compliance with the Acts. Compliance is also facilitated by an ATIP Liaison Officer, in Vancouver, who works with the ACoE concerning requests and enquiries.

The ATIP Liaison Officer works with the business and program areas to search and retrieve records that are responsive to privacy requests received under the *Privacy Act*. The ACoE however, administers the privacy and personal information services for PacifiCan, including the provision of advice and recommendations concerning privacy matters.

■ POLICIES, PROCEDURES AND BUSINESS PROCESSES

No new, revised institution-specific policies, guidelines, procedures, or initiatives related to privacy were implemented at PacifiCan during the reporting period.

The ATIP unit monitors its compliance with request deadlines via AccessPro software. A weekly report is created and disseminated, on a need-to-know distribution list, up to the Vice President level.
