Information and Privacy Statistical Report))*

TAB A

Introduction

The *Privacy Act* (the “Act”) provides Canadian citizens and permanent residents with the right to access personal information held by government institutions and protection of that information against unauthorized use and disclosure. This annual report, covering the period from April 1, 2022, to the end of the financial year, March 31, 2023, is prepared and submitted by Canada Deposit Insurance Corporation (“CDIC”) for tabling in Parliament in accordance with section 72 of the *Privacy Act*.

Mandate and Governance

CDIC was established in 1967 by the *Canada Deposit Insurance Corporation Act*. The objects of the Corporation are:

- a) to provide insurance against the loss of part or all of deposits;
- b) to promote and otherwise contribute to the stability of the financial system in Canada;
- c) to pursue the objects set out in paragraphs (a) and (b) for the benefit of persons having deposits with member institutions and in such manner as will minimize the exposure of the Corporation to loss; and
- d) to act as the resolution authority for its members.

CDIC is administered by a Board of Directors headed by the Chairperson, who is appointed by the Governor in Council. There are six *ex officio* Directors (the President and Chief Executive Officer of CDIC, the Governor of the Bank of Canada, the Deputy Minister of Finance, the Superintendent of Financial Institutions, a Deputy Superintendent of Financial Institutions or an officer of the Office of the Superintendent of Financial Institutions appointed by the Minister, and the Commissioner of the Financial Consumer Agency of Canada), as well as up to six private sector Directors appointed by the Governor in Council. For more information about CDIC, please refer to www.cdic.ca.

Organizational Structure/Administration of the Act

CDIC is a relatively small Crown corporation that typically receives very few requests for personal information in any given year. As a result, CDIC does not have a formalized Access to Information and Privacy (“ATIP”) office with staff dedicated to ATIP matters on a full-time basis. Rather, the Chief Legal Officer, Corporate Secretary and Head, Policy Integration assumes the role of ATIP Coordinator and is supported in this capacity by the Director, Legal Services as primary contact. The Law Clerk/ATIP Officer in conjunction with Senior Legal Counsel supports the Director, Legal Services in reviewing requests for access to information (collectively referred to as the “ATIP Office”). The Law Clerk/ATIP Officer is responsible for processing requests and consultations under the Act and supporting all other ATIP responsibilities.

To ensure timely and accurate responses to ATIP requests, CDIC has one standby agreement with an external ATIP consultant who is available to assist as needed.

CDIC did not enter into any service agreements for ATIP services for and from other government institutions as described under section 73.1 of the Act during the reporting period.

Delegation by Head of Corporation

The Delegation Order dated October 17, 2022 (the “2022 Delegation Order”) designates the President & CEO, Chief Legal Officer, Corporate Secretary and Head, Policy Integration /Access to Information and Privacy Coordinator and Director, Legal Services to exercise certain powers and perform certain duties and functions of the Chairperson under the Act and is attached and forms part of this annual report (Tab B).

Privacy Act**Performance 2022-2023: Statistical Report and Interpretation**

CDIC's statistical report for fiscal year 2022-2023 is attached and forms part of this annual report (Tab C). During this reporting period, CDIC received a total of twelve formal requests. This represents a 300% increase when compared to the four requests received the previous year. In addition, the number of requests received over the reporting period represents a sizable increase when compared with the average annual volume received by CDIC the preceding four reporting periods (as depicted in the table below, CDIC received a low of 0 formal requests to a high of 4 formal requests). Despite the increase in personal information requests, formal personal information requests have been responded to within the legislated timeframes.

Five-Year Trend

		2018-2019	2019-2020	2020-2021	2021-2022	2022-2023
No. of Formal Requests Received		0	1	2	4	12
No. of Formal Requests Closed		0	1	2	4	12

In terms of requests received during this reporting period, ten were received electronically and two by regular mail under the provisions of the Act. With respect to all twelve formal requests, CDIC responded to the requesters, within the 30 day legislative timeframe, that no records existed (i.e. 100% of the formal requests were responded to within the legislated timeframe). No extensions were claimed.

With respect to the percentage of requests for which records were “all disclosed” or “disclosed in part”, 0% were “all disclosed” and 0% were “disclosed in part”. As of March 31, 2023, there are no active requests and no active complaints.

CDIC received ten additional requests for personal information that were not formal requests as they were missing adequate identification of the requester. CDIC requested further information from the requesters, but the requesters did not respond.

No requests were carried forward from the previous reporting period. No consultations were received.

COVID-19-related measures

Throughout the fiscal year, CDIC was able to receive personal information requests via mail, email and through the digital request service, and to process all electronic requests with any classification level. Since the requests related to personal information that CDIC does not collect or hold, CDIC was able to respond without searching for paper records.

Training and Awareness

In fiscal year 2022-2023, all 197 CDIC employees completed annual declarations of compliance with CDIC policies, including CDIC's Privacy Policy. During fiscal year 2022-2023, all current and new CDIC employees received training regarding their responsibilities under the Act. This training is provided on an annual basis to all employees and to new employees shortly after they join. An additional ATIP training session, including Part 2 Proactive Publication, was provided to the Legal Services Department. In addition to the above, information concerning ATIP is available to all employees on CDIC's intranet portal. Employees who have functional or delegated responsibility for the administration of the *Privacy Act* and *Privacy Regulations* are encouraged to attend additional in-depth training which is offered by external providers, including the Access to Information and Privacy Communities Development Office.

New/Revised Policies, Guidelines and Procedures

CDIC did not implement any new or revised policies, guidelines, and procedures, related to privacy during this reporting period.

Initiatives and Projects to Improve Privacy

Technology Improvements: In this reporting period, CDIC updated its ATIP Online Request Service ("AORS") with version 3.0 which allows for the following improvements:

- Institutions receive requests via the ATIP Online Management Tool ("AOMT") dashboard;
- 2 factor authentication;
- Completed request packages sent electronically through AOMT; and
- Institutions can track requests through the AOMT dashboard.

Complaints, Investigations and Appeals

As at March 31, 2023, no complaint, investigation, or appeal was brought to the attention of CDIC in relation to the processing and outcome of privacy requests.

Material Privacy Breaches

During this reporting period covered by this report, no material privacy breaches occurred at CDIC.

Privacy Impact Assessments (PIA)

During this reporting period covered by this report, CDIC did not complete any PIAs.

Disclosures under Paragraph 8(2)(m) of the Act

During this reporting period covered by this report, CDIC did not disclose personal information pursuant to paragraph 8(2)(m) of the Act.

Monitoring Processing Time of Privacy Requests

Processing Time - CDIC has established procedures to monitor the time to process personal information requests by completing an internal tracking log spreadsheet, which is updated monthly to reflect key dates and activities for all requests, including deadlines, and automated reminders are set. The ATIP Coordinator oversees the ATIP program at CDIC, and receives reports from the Director, Legal Services as the status of any requests change.

Consultations - As CDIC is a small Crown corporation and given the low volume of requests as described above, this inherently serves to limit the need for inter-institutional consultations, of which there were none during the reporting period. Therefore, no monitoring was conducted during the reporting period.

Frequently Requested Information - Due to the nature of personal information requests and the moderate number of such requests received by CDIC there are limited, if any, requests for the same information and the information would not generally be made publicly available for privacy reasons.

Measures Supporting Right of Public Access - To further ensure the right of public access to personal information, the majority of CDIC's contracts, agreements and arrangements contain language regarding the potential disclosure of information pursuant to personal information requests (subject to any applicable exemptions under the Act).
