CANADA YEAR BOOK 1975

The annual review of economic, social and political developments in Canada. This edition covers more fully Canada's relations with the United Nations and its specialized institutions; a new section has been added to the education chapter to reflect the increased involvement of governments in the arts, and to describe the role of national museums; the chapter on scientific research has an expanded section describing government programs to aid industrial research. Index. List of books about Canada. Tables, graphs, maps. 935 pp. Separate French edition.

Co-published titles

All co-published books should be ordered directly from the co-publisher indicated.

BIRDS HAZARDS TO AIRCRAFT

Co-published with Clarke, Irwin & Company Limited, Toronto. Problems and prevention of bird/aircraft collisions. This book deals with all aspects of bird strikes by 1) providing information about birds in general, relevant to the problem, 2) reviewing published bird strike statistics to indicate how widely they occur, 3) discussing present techniques to deal with the problem, 4) supplying a list of publications and other references, and 5) providing a list of names of individuals and organizations which the reader may consult for further information. Serves as a reference book and guide for those directly concerned with bird strikes: pilots, air traffic controllers, airport managers, aircraft designers, administrators, biologists and environmentalists. Also of interest to the layman whose hobby is birds or aircraft. Index, references. Photos. 236 pp.

GENERATIONS: A HISTORY OF CANADA'S PEOPLES

Co-published with McClelland and Steward Ltd., Toronto. A series of histories dealing specifically with the background, contributions and problems of various cultural groups in Canada. Objective, analytical, and readable, these histories are directed toward the general reading public, as well as students at the senior high school and the college and university levels, and teachers in the elementary schools.

A FUTURE TO INHERIT - THE PORTUGUESE COMMUNITIES OF CANADA

The authors of this volume have employed historical research and personal interviews to define the shape of Portuguese-Canadian life in its varied aspects - social, educational, religious and folkloric. The book's broad perspective provides the first cohesive survey of the subject and offers a firm base for further research. Bibliographies. Index. Illustrations. 202 pp.

THE SCOTTISH TRADITION IN CANADA

To show what effect Scottish participation has had on our nation, this volume brings together the work of thirteen authors: historians, sociologists, literary critics and others - who trace the history of the Scots in fourteen different areas of Canadian life. The book concentrates on the years prior to 1900, with a final chapter sketching the part played by Scots in all aspects of Canadian life over the last seven decades. Index. Illustrations. 324 pp.
