### JASPER NATIONAL PARK - BEHIND THE MOUNTAINS AND GLACIERS

Co-published with Hurtig Publishers, Edmonton, Alberta. This guide to Jasper National Park does far more than describe the scenery. It takes you on a conducted tour of the park, telling you where you can get the most spectacular view of any mountain or glacier and explaining why the mountain is that particular shape, how the glacier came to be there and what effect it has had on the landscape. It also suggests side trips which you can take by car or on foot to places of special interest. Gives a wealth of information about the massive forces that created the Rocky Mountains. Index. Fold-out map, numerous colour & black and white photos. 160 pp.
