REPORT ON THE *ACCESS TO INFORMATION ACT*

1. INTRODUCTION

The *Access to Information Act* enhances the accountability and transparency of federal government institutions to promote an open and democratic society, and to enable public debate on the conduct of those institutions. Part 1 of the act provides the right to access information found within federal government institutions' records, subject to certain specific and limited exceptions. Part 2 of the act sets out requirements for the proactive publication of various types of information located within federal government institutions that are of interest to the public.

This report is prepared in accordance with section 94 of the act, which requires that the head of the Atlantic Canada Opportunities Agency (ACOA) prepare, for tabling in Parliament, an annual report on the administration of the act. This report is also prepared and tabled in accordance with section 20 of the *Service Fees Act*.

ACOA's mandate is to create opportunities for economic growth in Atlantic Canada by helping businesses become more competitive, innovative and productive, by working with diverse communities to develop and diversify local economies, and by championing the strengths of Atlantic Canada. Additional information is available on [ACOA's website](#).

2. ORGANIZATIONAL STRUCTURE

The Access to Information and Privacy (ATIP) Directorate oversees the administration of the *Access to Information Act* and the *Privacy Act*. It consists of a director (ATIP coordinator), an ATIP analyst and an administrative specialist located at ACOA's head office in Moncton, N.B. The ATIP Directorate is responsible for processing all access and privacy requests and for the development, coordination and implementation of effective policies, guidelines and procedures to manage the Agency's compliance with the ATIP acts.

ACOA ensures compliance with the legislation through a collaboration between the ATIP Directorate and the branch and regional levels. Each sector and corporate branch has a liaison officer (generally reporting to the deputy minister or an assistant deputy minister) who coordinates the records-retrieval process.

The ATIP Directorate works in collaboration with departmental officials within the Finance and Corporate Services Branch and the Policy, Programs and Communications Branch to fulfill the proactive disclosure requirements found in Part 2 of the act. For a breakdown of the groups responsible for meeting each applicable proactive publication requirement under Part 2 of the act, see section 8 below.

During the reporting period, the ATIP Directorate also reviewed records prepared in response to 143 written parliamentary questions.

The Agency did not enter into any service agreements with another government institution under section 96 of the act during the reporting period.

3. DELEGATION ORDER

For the purpose of the *Access to Information Act*, the President delegated full authority to the Vice-President, Finance and Corporate Services and Corporate Secretary, and partial authority to the ATIP Coordinator.

A copy of the signed delegation instrument for the *Access to Information Act* is attached as [Annex A](#).
