## ANNUAL REPORT PRIVACY ACT FOR REPORTING PERIOD OF APRIL 1, 2024, TO MARCH 31, 2025

---

### 1. INTRODUCTION

In accordance with the provisions of section 72 of the *Privacy Act* (the “*Act*”), the Copyright Board of Canada has prepared its annual report on the administration of this *Act*.

The *Act* extends the present laws of Canada to protect the privacy of individuals with respect to personal information about themselves held by a government institution and that provide individuals with a right of access to that information. It is based on the principles that the collection and use of personal information is essential to the performance of many federal government activities and programs. However, individuals have the right to a reasonable expectation of privacy, including a basic right to exercise control over their own personal information.

The Board is an independent administrative tribunal and economic regulatory body empowered to establish the tariffs which set the royalties to be paid for the use of copyrighted works when the copyright in such works is administered collectively by a society. The Board also issues licences which set the royalties to be paid for the use of copyrighted works when the copyright owner cannot be located. By issuing fair and equitable tariffs and licences, the Board ensures that rights owners are remunerated in a timely manner, while supporting prosperity and innovation in the Canadian economy. Its work also promotes confidence in Canada’s tariff and licensing processes.

### 2. ORGANIZATION OF PRIVACY ACTIVITIES

The administration of the *Act* is the responsibility of the Secretariat of the Board. All requests are received and processed by the Secretary General who acts as Access to Information and Privacy coordinator.
