Trademark Description

The mark consists of the stylized text "JAXXON". The second "X" in the mark is highly stylized, and consists of a diagonal slash traveling from top left to bottom right, with an upwards pointing triangle with horizontal base in the bottom left corner of the letter, and a downwards pointing triangle with a horizontal base in the upper right of the letter. Negative space to the left and right of the diagonal slash create an illusion that the triangles in the letter are connected, all so that the two triangles and slash together form the image of a highly stylized letter "X".
