The translation provided by the applicant of the word(s) PARTHAVA is "a name which refers to the Parthian Empire, a former imperial power that ruled large parts of Central and West Asia. The Parthians made significant contributions to ancient coinage, particularly in the Near East and along trade routes such as the Silk Road. While they were not the earliest civilization to mint coins, the name evokes strong ties to a rich and prestigious numismatic legacy."

Colour Claim

Colour is claimed as a feature of the trademark. Colour is claimed as a feature of the trademark. There is a large, semi-transparent letter "A" overlaid on the image, which is part of the brand name "PATIRU" written in bold, uppercase letters. The word "PATIRU" is in black. Beneath the brand name, there is the slogan "FORWARD TO NATURE," which is also in black. The backdrop consists of a mountain with snowy peaks, a lake reflecting the scenery, and a clear blue sky. The dominant colors of the background are blues, whites, and browns from the natural landscape. However, since the colors of the trademark elements themselves (the text "PATIRU" and the slogan) are black, the description for the purpose of a trademark application should focus on those elements.
