Trademarks Journal
Vol. 72 No. 3704

General Information

The *Trademarks Journal* (the "*Journal*") is published on the website of the Canadian Intellectual Property Office (http://cipo.gc.ca). The *Journal* lists trademark applications advertised under subsection 37(1) of the *Trademarks Act* (the "*Act*"), public notices of prohibited marks under section 9 of the *Act*, statements of the Minister in respect of geographical indications under subsection 11.12(2) of the *Act*, as well as erratums to previous volumes.

Electronic *Trademarks Journal*

The *Journal* is available in PDF format and can be downloaded free of charge and viewed and printed with Adobe Acrobat Reader. The *Journal* is also available in a printable HTML format as an alternate official version that contains a search function to narrow and customize the content. The electronic form of the *Journal* is the official version.

Official Languages

The *Journal* is available in English and French. The details displayed for each application are based on the language of the application. If the language of the application is English, the goods, services, or other text and description appearing in the English version of the *Journal* are in the language filed by the applicant. If the language of the application is French, the goods, services, or other text and description appearing in the English version of the *Journal* have been translated. Any registration resulting from the application will be restricted to these goods or services as described in the language of the application.

Filing Dates

The filing date of each trademark application (including those to extend the statement of goods or services of an existing registration) is shown in the YYYY-MM-DD format.

Nice Classification

Where applicable and required, the *Journal* lists the goods or services of each application grouped according to the classes of the Nice Classification, each group being preceded by the number of the class of the Nice Classification to which that group of goods or services belongs and presented in the order of the classes of the Nice Classification.

Opposition

Any person who has a valid ground of opposition (see section 38 of the *Act* for the grounds of opposition) to any application for registration of a trademark or to any application for registration of a trademark extending the statement of goods or services advertised in this *Journal* may file a statement of opposition with the Registrar of Trademarks within two months from the date of issue of this publication. The prescribed fee must accompany the statement of opposition.

Visual Representation

Colour Claim
Colour is claimed as a feature of the trademark. The mark consists of a yin-yang symbol in circle divided into two halves horizontally by a curved white line. The bottom half of the circle is green. The top portion of the circle is divided into sections which are black with white lines between each section.

Goods

Class 01

(1) Protein in raw material form for use in food, beverage and feed manufacturing; protein supplements for use in food, beverage and feed manufacturing; proteins in raw material for use in the manufacture of food and feed; proteins for industrial use, namely, for use in the manufacture of food and feed, cosmetics and pharmaceutical; proteins plastics; protein plastics, unprocessed; proteins for use in technical applications and pharmaceutical industry; protein in raw material form for scientific research; insect proteins for the food industry; raw material in the form of insect proteins for use in the manufacture of foodstuffs, supplements and feedstuffs; proteins for use in animal feed and feed supplement manufacturing processes; proteins for use in the manufacture of cosmetics; lipids used in the manufacture of cosmetics, technical applications, pharmaceutical, beverages, feed and food products and feed and food supplements; organic substances derived

from insects for improving the soil; organic soil additives derived from insects; chitin of insects for use in animal feed; insect chitin for animal feed.

Class 05

(2) Animal feed additives

Class 29

(3) Prepared insects and larvae; edible insects, not live; animal fats for food.

Class 31

(4) Live insects; edible insects, live; live insects for breeding use; foodstuffs for birds; foodstuffs for cats; foodstuffs for dogs; foodstuffs for horses; foodstuffs for livestock; foodstuffs for pets; animal feed for birds; animal feed for horses; animal feed for livestock; animal feed for poultry; animal feed for cats and dogs; animal food pellets; animal starter feed; mixed animal feed; animal feed based on fat of insects; animal feed based on proteins of insects; animal feed based on insect chitin; fish meal for animal consumption; foodstuffs for poultry; preparations for egg laying poultry; proteins for animal consumption.

Services

Class 35

(1) Market research consultancy, market research services, market research and market analysis, business and market research, market research data analysis, interpretation of market research data, collection, systemization and management of animal and insect breeding information and data into computer databases, wholesale services in the field of insect based animal feed, wholesale services in the field of insect fats, insect proteins and insect chitin, import and export of insect based animal feed, import and export of insect fats, insect proteins and insect chitin; information and consultancy in the field of market research consultancy, market research services, market research and market analysis, business and market research, market research data analysis, interpretation of market research data, collection, systemization and management of animal and insect breeding information and data into computer databases, wholesale services in the field of insect based animal feed, wholesale services in the field of insect fats, insect proteins and insect chitin, import and export of insect based animal feed, import and export of insect fats, insect proteins and insect chitin.

Class 42

(2) Computer software engineering; software engineering for embedded systems, data platforms and control platforms; computer software engineering services for data processing programs; industrial engineering design and development services; consultancy services relating to industrial engineering design and development; scientific research in the field of genetics and genetic engineering; scientific research in the field of the breeding of insects; design and development of computer software for use in the field of the animal breeding and insect breeding; design and development of software for the collection of data relating to animal breeding and insect breeding; conducting feasibility studies in the field of insect breeding; conducting feasibility studies in the field of use of insect proteins, insect fats and insect chitin for animal feed.

Class 44

(3) Insect farming services, breeding of insects, expert analysis in the field of insect breeding, expert analysis in the field of use of insect proteins, insect fats and insect chitin for animal feed; information and consultancy in the field of Insect farming services, breeding of insects, expert analysis in the field of insect breeding, expert analysis in the field of use of insect proteins, insect fats and insect chitin for animal feed.

Class 09

Clamp meters for measuring electricity; connecting electrical cables; connections for electric lines; distribution boxes for electrical power; direct electrical current monitoring modules; electric breakers; electric cables and wires; electric control panels; electric current switches; electric power converters; electric power switches; electric relays; electric resistors; electric switchboards; electric switchbox; electric transformers; electrical distribution substation; electrical fuse boxes; electrical relays and transformers; audio recorders, blank recordable DVDs, compact disc recorders, digital versatile disc recorders, digital voice recorders, digital sound processors, all of the foregoing for use in the field of agriculture, farming and weather-related information; blank magnetic disks; calculating machines, satellites for scientific purposes, computers; computer operating system software; communications software for monitoring and managing electrical charging stations and networks; computer software for monitoring and controlling electric current and torque in electric assembly tools; computer software for editing images, sound, and video; computer programs and software for image processing; computer software for administration of computer networks; computer software for creating searchable databases; computer software for database management; computer software for image processing; computer software for document management; computer software for processing digital images; computer software for use in providing multiple user access to a global computer information network; computer hardware, artificial intelligence-based robots, and downloadable computer software for collecting, processing, monitoring, analyzing, transmitting, storing and managing data relating to agriculture and farming and for making predictions about farming trends, yields, diseases, pests, and other threats to agricultural production; electronic devices, namely, mobile phones, cameras, aerial machines in the nature of meteorological balloons, weather balloons and helium balloons, and optical sensors, position sensors, pressure sensors, proximity sensors, temperature sensors, velocity sensors, vibration sensors for collecting, processing, monitoring, analyzing, transmitting, storing and managing data relating to agriculture and farming; computer software for managing agricultural farms via the internet; computer software for managing agricultural farms using blockchain technology; artificial intelligence software for managing agricultural farms; aerial and ground-based cameras and cameras with linear image sensors for use in plant-imaging in agriculture; solar panels; solar batteries.

Services

Class 35

(1) Advertising of goods and services of others via local and global computer networks; advertising the goods and services of others; advertising the goods and services of others in periodicals, brochures and newspapers; advertising the goods and services of others via social media; business management; business administration; computerised office management; office administration; database management; compilation of information relating to agriculture; retail store and online retail store services for computer software and equipment relating to agriculture; business management services in the agriculture field; business consulting services in the agriculture field; providing business information in the field of agriculture via a website; business analysis, research and information services in the agriculture field.

Class 38

(2) Providing access to databases via telecommunications networks; internet access provider services; providing access to a website containing information on agriculture and farming; providing access to on-line forums for transmission of messages among computer users; email transmission of data and documents in the field of agriculture and farming via computer terminals; streaming of audio and video content in the field of farming and agriculture via the internet, other computer networks, wireless networks and electronic communication networks; providing access to blockchain networks for secure transmission of agricultural and farming data.

Class 41

(3) Educational services, namely, providing trainings and demonstrations on the use of unmanned aerial vehicles, unmanned ground vehicles, and drones for data collection in the field of agriculture and farming; entertainment in the nature of sports competitions; education services namely, providing classes, workshops and seminars in the field of business consulting, computer consulting, data collection, data analysis and data management in the field of agriculture; training services in the field of business consulting, computer consulting, data collection, data analysis and data management relating to the agricultural industry.

Class 42

(4) Industrial analysis and research services, namely, industrial analysis in the field of agriculture and making predictions based on this analysis; design and development of computer hardware and software; Software as a Service (SaaS) services, namely, software for use in database management relating to agriculture and farming; Software as a Service (SAAS), namely, software for transmitting, accessing, receiving, uploading, downloading, encoding, decoding, broadcasting, sharing, displaying, formatting, organizing, book marking, tagging, storing, caching text, data, images, documents, files in the field of agriculture and farming via global communication networks; software as a service (SAAS) provider featuring online non-downloadable software for managing, operating and connecting third party Internet of Things (IoT) enabled agricultural equipment and implements for farming; services in the field of agriculture, namely, scientific research and industrial research in the field of agriculture; Platform as a Service (PaaS) featuring computer software platforms for use in database management in the field of agriculture and farming; design, development and maintenance of computer software for Internet of Things (IoT) relating to agriculture and farming; providing non-downloadable artificial intelligence software for managing, operating and connecting agricultural equipment and implements for farming.

Class 44

(5) Agricultural information services relating to agriculture and farming, namely, providing information on collecting, processing, monitoring, analyzing, transmitting, storing and managing

data relating to agriculture, and agricultural trends and predictions via the internet, other computer networks, wireless networks and electronic communication networks, blockchain platforms and using artificial intelligence; rental of agricultural apparatus and implements for farming.

Goods

Class 09

(1) Video games for arcade video game machines; downloadable video games for arcade video game machines; data storage devices, namely, pre-recorded electronic media devices in the form of flash memory cards featuring programs for arcade video game machines; battery chargers for cellular phones, home video game machines, mobile phones, smartphones and tablet computers; rechargeable batteries, namely, rechargeable batteries for mobile phones, smart phones, portable computers and tablet computers; accumulators being electrical storage batteries and batteries, namely, cell phone batteries and mobile phone batteries; headphones; earphones; personal digital assistants in the shape of a watch; smartphones in the shape of a watch; smartphones; cases for smartphones; covers for smartphones; protective films adapted for smartphones; computer games; downloadable computer games; programs for smartphones, namely, applications for mobile phones in the form of downloadable video games; downloadable programs for smartphones, namely, applications for mobile phones for accessing video games and game information; integrated circuit cards, namely, blank smart cards; covers for tablet computers; mouse pads; sleeves for laptops; video games for consumer video game machines; downloadable video games for consumer video game machines; data storage devices, namely, pre-recorded media devices in the form of flash memory cards featuring programs for consumer video game machines; video games for hand-held electronic game machines; downloadable video games for hand-held electronic game machines; data storage devices, namely, pre-recorded compact disks, flash memory cards containing video game programs for hand-held electronic game machines; secure digital (SD) memory cards containing video game programs for hand-held electronic game machines; electronic video games; video games; downloadable video games; spectacles, eyeglasses and goggles for sports; sunglasses; case for eyeglasses; downloadable image files containing artworks, audio and videos in the field of children's entertainment music, television shows and movies; downloadable video recordings featuring music videos; downloadable music files; downloadable musical sound recordings; CD musical sound recordings; downloadable electronic publications in the nature of magazines, booklets and manuals; cinematographic film, exposed; pre-recorded motion picture films; prerecorded DVDs featuring music, audio and video clips, cartoons, video games and movies

Class 16

(2) Bags, envelopes, and pouches of paper and plastics, for packaging; paper bags and sacks; boxes of paper and cardboard; plastic film for wrapping; wrapping paper; coasters of paper; place mats of paper; table napkins of paper; table cloths of paper; writing stationery; greeting cards; note books; pencils; stickers; pen cases; paint boxes; pens; rubber erasers; writing implements, namely writing instruments; printed matter, namely, magazines, newsletters, catalogs in the field of video games and motion picture films, children's activity books, notebooks, and memo pads; posters; calendars; books; graphic art reproductions; paintings, framed and unframed; photograph stands; office requisites, except furniture, namely, binders and paper folders; pencil sharpeners, electric or non-electric

Class 21

(3) Cosmetic and toilet utensils, namely, cosmetic brushes, cosmetic spatulas, and cosmetic sponges; tooth brushes, non-electric; kitchen utensils for serving food and drinks, namely, ladles, dishes, drinking glasses, flatware being plates and saucers, bowls, ice cream scoops, bottle openers, serving spoons and forks; kitchen containers, namely, beverage containers, food storage containers, pail containers, thermal insulated containers for food and beverages; cookie jars; glass bowls; mugs; cups; dishes and plates; soup bowls; lunch-boxes; paper plates; drinking flasks for travellers; drinking bottles for sports; vacuum bottles and insulated flasks; chopsticks; chopstick cases; drinking straws; crumb trays and serving trays for household purposes; coasters, not of paper or textile, namely, drink coasters and glass coasters; waste paper baskets; feeding vessels for pets, namely, pet feeding dishes; soap holders and dishes for soap

Class 25

(4) Clothing, namely dresses, shirts, shorts and hoodies; tee-shirts; polo shirts; sweat shirts; parkas; jackets; raincoats; trousers; sweat pants; smocks; skirts; pajamas; underwear and underclothing; swimwear and bathing suits; knitted underwear; hosiery; socks; neck scarfs and mufflers; ear muffs; gloves; mittens; leggings and leg warmers; headgear for wear, namely, hats, caps, head scarves, head sweatbands; cap peaks; belts for clothing; footwear, namely, athletic footwear, casual footwear, children's footwear, exercise footwear, infant footwear, rain footwear; sports shoes; rain boots; beach shoes; slippers; masquerade costumes; costumes for use in role-playing games; Halloween costumes

Class 30

(5) Tea; tea-based beverages; prepared coffee and coffee-based beverages; prepared cocoa and cocoabased beverages; confectionery, namely, candy, jelly beans, confectionery fruit jellies, chocolate confectionery, fruit confectionery and sugar confectionery; pastries; candy; ice cream; cookies; chocolate; popcorn; chewing gums; bread and buns; sandwiches; hamburger sandwiches; pizzas; pies; western-style confectionery, namely, hard candy, fruit jelly candy, candy drops, gummy candies; condiments, namely, mayonnaise, mustard and seasonings; ketchup; dressings for salad; ice cream mixes; sherbet mixes; cereal preparations, namely, breakfast cereals, cereal bars, cereal-based snack food; oatmeal; corn flakes; pasta; noodles; instant confectionery mixes, namely, cake mixes and dessert mixes; instant jelly powder mixes; instant pancake mixes; pasta sauce

Claims

Priority Filing Date: November 9, 2018, Country or Office: JAPAN, Application No: 2018-139709 in association with the same kind of goods (1), (2), (4), (5)

Goods

Class 07

(1) Machinery and processing equipment, namely, packaging machines, industrial label printing and applying machines being robotic arms for applying printed labels, sorting machines for sorting food products for use in food packaging industry, portioning machines being food cutting machines for commercial use, printing machines for printing on labels and packaging, and structural parts therefore.

Class 09

(2) Apparatus and instruments for packaging, labelling, sorting, portioning, weighing (including weighbridges), measuring, signalling, checking, identification namely, bench weighing scales for cargo handling purposes, platform and floor weighing scales for cargo handling purposes, overhead track weighing scales for cargo handling purposes, hopper weighing scales for cargo handling purposes, flow weighing scales for cargo handling purposes, check weighers being automated computer hardware for measuring weight, weight graders and batchers being automated computer hardware and operating system software for measuring product weight on conveyors, multi-head weighers being combination weighing scales for cargo handling purposes , marine weighing scales for boats and ships, marine flow weighers being weighing system comprised of computer hardware and operating system software for measuring fish flow on conveyor belts, marine grader systems comprised of computer hardware and operating system software for weighing and sorting fish sizes, computer hardware and embedded operating software for operating and managing machines for packaging, labelling, sorting, portioning, weighing namely, weighbridges, measuring, signalling, checking, identification; Metal detectors; industrial X-ray apparatus; computer hardware and embedded operating software and computer hardware for

data processing; Bar code readers; electric control panels and computer hardware for use in the monitoring, control analysis and remote control of industrial working processes.

Services

Class 37

(1) Installation, repair and maintenance of machines, namely packaging, labelling, sorting machines for sorting food products for use in food packaging industry, portioning being food cutting machines for commercial use and printing machines for printing on labels and packaging, and of computer hardware for packaging, labelling, sorting, portioning, weighing; Installation, repair and maintenance of metal detectors, industrial X-ray apparatus, computer hardware for data processing, bar code readers, and electric control panels and computer hardware for use in monitoring, control analysis and remote control of industrial working processes.

Class 42

(2) Scientific and technological services and research and design relating thereto, namely scientific research and design in the field of computer hardware and software and machinery and processing equipment, namely, packaging machines, industrial label printing and applying machines being robotic arms for applying printed labels, sorting machines for sorting food products for use in food packaging industry, portioning machines being food cutting machines for commercial use, printing machines for printing on labels and packaging, and structural parts therefore; Industrial analysis and research services in the field of custom design and development of automated machinery for use in the food industry; Design and development of computer hardware and software.

Services

Class 35

(1) business consulting services for the electric energy industry; business management of electricity generation, electricity conversion and electricity storage facilities, including those that produce hydrogen; business consulting services for the electric, solar, and hydrogen energy industry, namely, energy generation and energy conversion; management of electricity generation and storage facilities;

Class 36

(2) Commodity trading; electricity trading; providing funding for research and development in the field of electricity generation, electricity storage and hydrogen production technology;

Class 37

(3) construction, and maintenance of electricity generation, electricity conversion and storage facilities, including hydrogen production; construction of hydrogen generation installations for generating electricity; hydrogen fueling services; hydrogen fueling stations for vehicles; installation and maintenance of hydrogen fuel cells for vehicles; installing, servicing and repairing of hydrogen generators; maintenance and installation of hydrogen refueling stations for vehicles; construction and maintenance of electricity generation and storage facilities;

Class 39

(4) storage, transportation and distribution of natural gas; public utility services in the form of electricity distribution, namely, transmission and distribution of electrical and solar energy; distribution of hydrogen to residential and commercial users; technical operation of hydrogen refueling stations; distribution of electrical, solar, and hydrogen energy;

Class 40

(5) generation of electrical, solar, and hydrogen energy; generation electricity hydrogen power generation services; manufacture of hydrogen fuel cells for vehicles for others; manufacture of

hydrogen fuel cells for vehicles to the order and specification of others; rental of hydrogen generators; operation of electricity generating facilities; operation of electricity generation and storage facilities;

Class 42

(6) development and commercialization of technology related to electricity generation, electricity conversion and storage facilities, including hydrogen production; technical assistance services in the field of electricity generation, electricity conversion and storage facilities; consultation in the research and development of hydrogen power; design consulting in the field of fuel cells and hydrogen energy systems; designing and testing of new fuel cell systems and hydrogen generators for others; designing industrial and commercial hydrogen systems; engineering project management services in the field of fuel cells and hydrogen energy systems; project design development in the field of fuel cells and hydrogen energy systems; providing information in the design and development of fuel cells and hydrogen energy systems; quality assurance testing of fuel cell products of others; research and development in the field of electricity storage and hydrogen technology; research and development of hydrogen power; technical design and planning of pipelines for hydrogen; testing of new products of others in the field of hydrogen power; engineering services in the field of network technologies for providing advanced energy storage and distribution to electric vehicles; research and development of technology in the field of electric vehicle energy storage and distribution; Inspection of electric, solar, and hydrogen energy generating and electric, solar, and hydrogen energy conversion facilities; development of electricity generation and storage facilities;

Class 45

(7) emergency planning services in relation to electric, solar, and hydrogen energy generating and electric, solar, and hydrogen energy conversion facilities.

Goods

Class 04

(1) Fuels and illuminants, namely alcohol, benzene, butane, ethanol, methanol, propane, wood chips, xylene; butane Gas cartridges sold filled; Barbecue fuels, namely propane, natural gas, fuel pellets; Charcoal fuel; Charcoal briquettes; Firelighters; Firelighters; all-purpose lubricating oils and lubricants

Class 07

(2) Electric motors for blinds and screens, awnings, shutters, curtains, fly screens, sun, light and heat shields, parts, accessories and fittings for all the aforesaid goods; Compressed air pumps, parts, accessories and fittings for all the aforesaid goods; Electrical centrifugal pumps, electrical pumps for boats, for cars, for trucks, electrical vacuum pumps, electrical heat pump, parts and fittings for all the aforesaid goods; marine propulsion engines and parts therefor, parts, accessories and fittings for all the aforesaid goods; marine drive components, namely marine engines, drive units, steering units, engine controller, alternators, brush holders for use in rotating electrical machinery, gear kits, trim senders, bushings, clutch dogs, magnet starters, gas lift support brackets, prop shafts, trim reservoirs and parts therefor; Lawn mowers, parts, accessories and fittings for all the aforesaid goods; Lawn trimming and hedge cutting equipment, namely electric lawn, grass and hedge trimmers, parts and fittings for all the aforesaid goods; Digging, weeding, hoeing and pruning implements, namely, power operated trench diggers, power operated weed cutters, power operated pole pruners, back hoes, parts and fittings for all the aforesaid goods; Lawn mower blades and Knives for equipment, parts, accessories and fittings for all the

aforesaid goods; Fuel filters, parts, accessories and fittings for all the aforesaid goods; Control cables for machines, engines and motors, for marine vessels, land vehicles, personal watercraft, parts and fittings for all the aforesaid goods; Control mechanisms for machines, engines and motors, for marine vessels, land vehicles, personal watercraft, parts and fittings for all the aforesaid goods; mechanical control cables and mechanical controls for controlling motion of marine vessels, land vehicles, personal watercraft, parts and fittings for all the aforesaid goods; Parts of motors and engines for marine and land vehicles, personal watercraft; lawnmowers parts; clamping devices being parts of machine tools, namely, duct clamps for use in the precision clamping of work pieces parts, accessories and fittings for all the aforesaid goods; hand-held tools except cleaning tools, other than hand-operated, namely, air-operated power tools, electric drills, electric hammers, parts and fittings for all the aforesaid goods; Engines and motors for land and marine vehicles and personal watercrafts, parts and fittings for all the aforesaid goods; electric, hydraulic and mechanical marine controls, namely pull shift and throttle controls, parts and fittings for the afore-mentioned goods; foot throttle pedals for marine steering systems and marine controls, parts and fittings for the afore-mentioned goods; control cables for marine steering systems and marine controls, parts and fittings for the afore-mentioned goods; brake cables, drive control cables, deck engagement clutch cables for lawn mowers, parts and fittings for the afore-mentioned goods; Mechanical control cables and systems for controlling speed, direction of motion, braking, and engine operation in marine vessels, parts and fittings for the afore-mentioned goods

Class 08

(3) Hand tools and implements, namely hand tools for construction, repair and maintenance

Class 09

(4) Electronically powered controllers for blinds and screens, Awnings, Shutters, curtains, fly screens, sun, light and heat shields, parts, fittings and accessories for the afore-mentioned goods; downloadable digital content in the form of electronic publications, of brochures, handbooks, magazines, newsletters, pamphlets; Computer software for controlling heating, ventilating, air conditioning systems, water heaters, water chillers, defrosters, electric cool boxes, refrigerators, freezers, electric wine coolers and wine cellars, minibars, toilets, furnaces, vacuum systems, lighting systems, inverters for power supplies, electric power generators, battery usage, gas ranges and gas cooktops, gas detectors, alarm systems, safes, metal strong boxes, security boxes, security locks, rear view cameras for vehicles, dashboard cameras for vehicles, video surveillance cameras for use in vehicles; computer application software for electric control panels, namely, software for controlling heating, ventilating, air conditioning systems, water heaters, water chillers, defrosters, electric cool boxes, refrigerators, freezers, electric wine coolers and wine cellars, minibars, toilets, furnaces, vacuum systems, lighting systems, inverters for power supplies, electric power generators, battery usage, gas ranges and gas cooktops, gas detectors, alarm systems, safes, metal strong boxes, security boxes, security locks, rear view cameras for vehicles, dashboard cameras for vehicles, video surveillance cameras for use in vehicles; Software and applications for mobile devices for controlling heating, ventilating, air conditioning systems, water heaters, water chillers, defrosters, electric cool boxes, refrigerators, freezers, electric wine coolers and wine cellars, minibars, toilets, furnaces, vacuum systems, lighting systems, inverters for power supplies, electric power generators, battery usage, gas ranges and gas cooktops, gas detectors, alarm systems, safes, metal strong boxes, security boxes, security locks, rear view cameras for vehicles, dashboard cameras for vehicles, video surveillance cameras for use in vehicles; Software and applications for mobile devices for electric control panels, namely, software for controlling heating, ventilating, air conditioning systems, water heaters, water chillers, defrosters, electric cool boxes, refrigerators, freezers, electric wine coolers and wine cellars, minibars, toilets,

furnaces, vacuum systems, lighting systems, inverters for power supplies, electric power generators, battery usage, gas ranges and gas cooktops, gas detectors, alarm systems, safes, metal strong boxes, security boxes, security locks, rear view cameras for vehicles, dashboard cameras for vehicles, video surveillance cameras for use, parts, fittings and accessories for the afore-mentioned goods; downloadable digital instruction manuals; Pre-recorded DVDs containing instruction manuals; pressure gauge, pressure meter, pressure sensors, pressure absorbers, pressure switches, humidity detectors, humidity sensors, meters for testing humidity, temperature gauges, temperature indicators, temperature sensors, temperature transmitter, temperature monitors for household purposes, temperature monitors for industrial purposes, temperature meters for household purposes, temperature meters for industrial purposes, temperature switches, gas flow meters, gas flow monitors, gas leak alarms, gas meters, gas sensors, parts and fittings for the afore-mentioned goods; Weight measuring instruments, namely, truck scales, weighing scales for cargo handling purposes, parts and fittings for the afore-mentioned goods; Gas detecting apparatus, namely gas leak alarms, gas sensors, gas alarms, parts and fittings for the afore-mentioned goods; Electrical conductors, parts, fittings and accessories for the afore-mentioned goods; current, differential, dimmer and light switches, electric, parts and fittings for the afore-mentioned goods; Electricity transformers, parts, fittings and accessories for the afore-mentioned goods; Galvanic cells, parts, fittings and accessories for the afore-mentioned goods; Regulating apparatus, electric, namely voltage regulators, regulators for use in turbo engines in boats, cars, trucks, parts and fittings for the afore-mentioned goods; Electricity control panels, parts, fittings and accessories for the afore-mentioned goods; Converters, electric, parts, fittings and accessories for the afore-mentioned goods; Condensers, namely, capacitors, parts and fittings for the afore-mentioned goods; Electric cable adapters, namely, electric plug adapters, parts and fittings for the afore-mentioned goods; Chargers for electric batteries, namely, chargers for electric batteries for electric vehicles, parts and fittings for the afore-mentioned goods; power Inverters, parts and fittings for the afore-mentioned goods; thermal sensors, timing sensors, velocity sensors, water level sensors, acceleration sensors, distance sensors, parts and fittings for the afore-mentioned goods; Electric cables, parts and fittings for the afore-mentioned goods; , parts and fittings for the afore-mentioned goods; Global positioning system [GPS] consisting of computers, computer software, transmitters, receivers, and network interface devices, parts and fittings for the afore-mentioned goods; scanners systems for diagnosing the performance of marine engines diagnostics, parts, fittings and accessories for the afore-mentioned goods; downloadable computer software for performing diagnostics on marine engines; protective and carry cases for marine engine diagnostic equipment, parts, fittings and accessories for the afore-mentioned goods; data transmission cables for marine engine diagnostic equipment, parts and fittings for the afore-mentioned goods; Dongles being computer hardware for marine engine diagnostic equipment, parts and fittings for the afore-mentioned goods; electric measuring devices for measuring temperature, voltage, electric current in marine vessels, namely, parts and fittings for the afore-mentioned goods; Marine navigational apparatus, namely, chart plotters, sonar depth sounders, satellite navigation devices, compasses, depth gauges, depth finders, parts and fittings for the afore-mentioned goods; Electronic temperature regulating and temperature control apparatus for household and industrial purposes, parts and fittings for the afore-mentioned goods; electronic controls and remote controls mechanisms for controlling motion of a vehicle, of a marine vessel, parts and fittings for the afore-mentioned goods; electronic control apparatus for land and marine vehicles and equipment, personal watercraft, land and marine engines, and lawn and garden equipment, for throttle control, for push-pull control, for steering control, parts and fittings for the afore-mentioned goods; downloadable digital files being training guides in the field of marine navigational, parts, fittings and accessories for the afore-mentioned goods; Graphical user interface software; downloadable multimedia files being audio and video files containing recordings

in the field of marine navigational; Electric current, cut-out, differential, dimmer, light, rotary, tactile and toggle switches and multiplexers, parts and fittings for the afore-mentioned goods; Scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments , namely optical transceivers, optical cables, marine compasses, depth gauges, trailer and tow vehicle lighting sensors for measuring electricity, emergency led signaling flares, rescue laser signaling flares, non-explosive and non-pyrotechnic rescue flares, electronic warning horns, signaling whistles, signaling lights for land and marine vehicles and equipment, personal watercraft, and radar reflectors for marine vehicles and personal watercraft, water sensors for detecting leaks, parts and fittings for the aforementioned goods; water sensors for detecting water levels, parts and fittings for the afore-mentioned goods

Class 10

(5) Refrigerating containers for medical use, for organ and tissue transportation and preservation

Class 11

(6) Food and beverage cooking, heating, cooling and treatment equipment, namely, electric refrigerators, freezers, cool boxes, electric, ice making machines, battery-operated portable coolers and heater for food and beverage, gas stoves, gas cooktops, induction cooktops, parts, components and fittings for all the aforesaid goods; Barbecues, Parts, components and fittings for all the aforesaid goods; Camping stoves, parts, components and fittings for all the aforesaid goods; Cooking rings for household purposes, parts, components and fittings for all the aforesaid goods; Kitchen ranges; Cooking utensils, electric, namely, slow cookers, toaster, microwave ovens, rice cookers, parts, components and fittings for all the aforesaid goods; Electric coffeepots, parts, components and fittings for all the aforesaid goods; Electric broilers, parts, components and fittings for all the aforesaid goods; Electric hotplates, parts, components and fittings for all the aforesaid goods; Electric indoor grills, parts, components and fittings for all the aforesaid goods; Electric kettles for household purposes, parts, components and fittings for all the aforesaid goods; electric tea kettles, parts, components and fittings for all the aforesaid goods; Electric ranges, parts, components and fittings for all the aforesaid goods; Electric roaster ovens, parts, components and fittings for all the aforesaid goods; Gas fired broilers, parts, components and fittings for all the aforesaid goods; Gas grills, parts, components and fittings for all the aforesaid goods; gas hobs; Heating plates, parts, components and fittings for all the aforesaid goods; Microwave ovens, parts, components and fittings for all the aforesaid goods; Ovens, namely, pizza oven, convection ovens, electric toaster ovens, gas cooking ovens for household purposes, parts, components and fittings for all the aforesaid goods; structural plates for stoves, parts, components and fittings for all the aforesaid goods; structural plates for ovens, parts, components and fittings for all the aforesaid goods; Rotisseries, parts, components and fittings for all the aforesaid goods; Electric refrigerators [for household purposes], parts, components and fittings for all the aforesaid goods; Beverage cooling dispensing machines, parts, components and fittings for all the aforesaid goods; Wine cellars, electric, parts, components and fittings for all the aforesaid goods; Ice boxes, parts, components and fittings for all the aforesaid goods; Ice boxes, parts, components and fittings for all the aforesaid goods; Freezers, parts, components and fittings for all the aforesaid goods; Combinations of refrigerators and freezers, parts, components and fittings for all the aforesaid goods; Ice machines and ice dispensing machines, parts, components and fittings for all the aforesaid goods; Portable refrigerators, parts, components and fittings for all the aforesaid goods; Refrigerating appliances and installations, namely, refrigerators and freezers, refrigerated beverage dispensing units, refrigerating containers, refrigerating display cabinets, refrigerating display cabinets, parts, components and fittings for all the aforesaid goods; Refrigerating cabinets, parts, components and fittings for all the aforesaid goods; Refrigerators, parts, components and

fittings for all the aforesaid goods; Gas lighters, parts, components and fittings for all the aforesaid goods; ; Sinks, parts, components and fittings for all the aforesaid goods; Kitchen sinks, parts, components and fittings for all the aforesaid goods; indoor and outdoor lighting fixtures, parts, components and fittings for all the aforesaid goods; Apparatus for heating, namely, electric heating fans, heating modules, heating radiators, parts, components and fittings for all the aforesaid goods; electric clothes drying machines for household purposes, parts, components and fittings for all the aforesaid goods; Aeration apparatus, namely, air exchangers for cleaning and purifying air, parts, components and fittings for all the aforesaid goods; Water supply apparatus, namely, tap water faucets, water faucet adapters, parts, components and fittings for all the aforesaid goods; Sanitary installations, namely toilettes, urinals, wash-hand basins being parts of sanitary installations, parts, components and fittings for all the aforesaid goods; Friction lighters for igniting gas, parts, components and fittings for all the aforesaid goods; Bicycle lights, parts, components and fittings for all the aforesaid goods; Searchlights, parts, components and fittings for all the aforesaid goods; Electric torches, parts, components and fittings for all the aforesaid goods; Diving lights, parts, components and fittings for all the aforesaid goods; Searchlights; LED lamps; Gas lamps; Oil lamps; Safety lamps, parts, components and fittings for all the aforesaid goods; Ceiling lights, parts, components and fittings for all the aforesaid goods; Lamp reflectors, parts, components and fittings for all the aforesaid goods; Pocket warmers, parts, components and fittings for all the aforesaid goods; Immersion heaters, parts, components and fittings for all the aforesaid goods; Ultraviolet ray lamps, not for medical purposes, parts, components and fittings for all the aforesaid goods; Water filtering units for domestic use, parts, components and fittings for all the aforesaid goods; Water sterilizers, Storage water heaters, parts, components and fittings for all the aforesaid goods; Electric boilers, parts, components and fittings for all the aforesaid goods; Gas fired water heaters, parts, components and fittings for all the aforesaid goods; Solar water heaters, parts, components and fittings for all the aforesaid goods; Water heaters (portable), parts, components and fittings for all the aforesaid goods; Ice boxes, parts, components and fittings for all the aforesaid goods; Refrigerating containers, parts, components and fittings for all the aforesaid goods; Gas patio heaters, gas water heaters, parts, components and fittings for all the aforesaid goods; Gas-fired heat spreaders for use in tents, caravans and motorhomes, parts, components and fittings for all the aforesaid goods; portable electric heaters for use in tents, caravans and motorhomes, parts, components and fittings for all the aforesaid goods; Electric blankets, parts, components and fittings for all the aforesaid goods; Dehumidifiers, parts, components and fittings for all the aforesaid goods; Toilets, portable, parts, components and fittings for all the aforesaid goods; Gas pressure regulators for gas stoves, gas cooktops, barbecues, gas fired broilers, gas grills, gas patio heaters, gas-fired heat spreaders, gas cooking ovens, gas hobs, parts, components and fittings for all the aforesaid goods; charcoal barbecues, parts, components and fittings for all the aforesaid goods; portable gas stoves, parts, components and fittings for all the aforesaid goods; Gas cooking ovens for household purposes, parts, components and fittings for all the aforesaid goods; portable cooking gas ovens for household purposes, parts, components and fittings for all the aforesaid goods; Gas hobs, parts, components and fittings for all the aforesaid goods; Electric cooking ovens for household purposes, parts, components and fittings for all the aforesaid goods; portable electric hobs, parts, components and fittings for all the aforesaid goods; Toasters, parts, components and fittings for all the aforesaid goods; Electric toasters, parts, components and fittings for all the aforesaid goods; Electric kettles, parts, components and fittings for all the aforesaid goods; electric hot and cold water dispensers, parts, components and fittings for all the aforesaid goods; Heaters for vehicles, parts, components and fittings for all the aforesaid goods

Class 12

(7) Sunlight and heat shields for motor cars, parts and fittings for all the aforesaid goods; namely, tool trolleys, two-wheeled trolleys, boat launching trolleys, parts and fittings for all the aforesaid goods; Car covers, parts and fittings for all the aforesaid goods; fitted covers for caravans, parts and fittings for all the aforesaid goods; fitted covers for trailers, parts and fittings for all the aforesaid goods; fitted covers for trailer tents, parts and fittings for all the aforesaid goods; Marine vehicle parts, namely, steering wheels, steering brakes, fuel tanks and equipment therefor, ship ballast tanks, grease pouches, clamps, seats, steering shafts; mechanical and hydraulic steering wheels and gears for marine vehicles and parts thereof; Sun, light and heat shields of textile material for recreational vehicles (RV), motor homes, Caravans, Yachts, Boats, passenger vehicles, Vans (vehicles) and Lorries/trucks, parts, fittings and accessories for all the aforementioned goods; electronic, hydraulic and mechanical marine steering systems and parts for the aforementioned marine steering systems; Hydraulic marine controls for controlling speed and direction of motion in marine vessels, namely steering gear for ships, pull shift and throttle controls, parts and fittings for the afore-mentioned goods; Electronic marine controls for controlling speed and direction of motion in marine vessels, namely steering gear for ships, pull shift and throttle controls, parts and fittings for the afore-mentioned goods; Mechanical marine controls for controlling speed and direction of motion in marine vessels, namely steering gear for ships, pull shift and throttle controls, parts and fittings for the aforementioned goods; Marine steering gears and parts for marine steering gears

Class 16

(8) Printed recipe cards; Menu cards; Cookery books; Calendars; Catalogues; Coupon books; Greeting cards; Informational sheets in the field of outdoor equipment and apparatuses; Manuals for instructional purposes; Magazines [periodicals]; Newsletters; Printed calendars; Printed coupons; Paper bags; Bags of plastics for lining refuse bins; Bags of paper for roasting purposes; Garbage bags of paper or of plastics; Food waste bags of paper for household use; Plastic food storage bags for household use; Freezer bags; Hygienic hand towels of paper; Bags for microwave cooking; Coasters of cardboard; Coasters of paper; Kitchen towels of paper; Napkin paper; Paper coffee filters; Tablecloths of paper; Table napkins of paper; Place mats of paper; Manuals (not in electronic format)

Class 17

(9) watering hoses, air hoses, marine steering hoses; O-rings

Class 18

(10) Leather and imitation leather; Animal skins; luggage and carrying bags; Umbrellas and parasols; Walking sticks; Whips, harness and saddlery; Collars, leads and clothing for animals; Insulated backpacks

Class 20

(11) window roller blinds for use indoors, parts and components for all the aforesaid goods; Venetian blinds of textile or plastic, parts and components for all the aforesaid goods; Workbenches, parts and components for all the aforesaid goods; outdoor furniture, patio furniture, motor cars furniture, parts and components for all the aforesaid goods; folding furniture, namely, folding tables, folding beds, folding chairs, folding seats, folding stools, folding chests, parts and components for all the aforesaid goods; Beds and cots, parts and components for all the aforesaid goods; Airbeds, not for medical purposes, parts and components for all the aforesaid goods; Inflatable pillows, parts and components for all the aforesaid goods; Inflatable pillows and Air mattresses, parts and components for all the aforesaid goods; Sleeping mats for camping [mattresses], parts and components for all the aforesaid goods; Pillows, parts and components for all the aforesaid goods; Mattresses, parts and components for all the aforesaid goods; tent poles,

not of metal, parts and components for all the aforesaid goods; Foldaway beds, parts and components for all the aforesaid goods; Camp beds, parts and components for all the aforesaid goods; Air mattresses, parts and components for all the aforesaid goods; Foam mattresses, parts and components for all the aforesaid goods; containers made of plastics for carrying water, parts and components for all the aforesaid goods; portable waste water carriers (containers) made of plastics, parts, components and accessories for all the aforesaid goods; Non-metal wheel chocks, parts, components and accessories for all the aforesaid goods; Folding chairs, parts, components and accessories for all the aforesaid goods; Folding tables, parts, components and accessories for all the aforesaid goods; Indoor window blinds [shades] [furniture], parts and components for all the aforesaid goods; Window furniture, namely, window handles, not of metal, window hinges, not of metal, window trims, not of metal, decorative window finials, parts and components for all the aforesaid goods; Window fittings, not of metal, parts and components for all the aforesaid goods; Furniture for camping, parts, components and accessories for all the aforesaid goods; Chests, not of metal, parts and components for all the aforesaid goods

Class 21

(12) Household and kitchen utensils, namely, spatulas for kitchen use, basting spoons for kitchen use, cooking spoons, mixing spoons, serving spoons, serving tongs, manual garlic peelers, manual whisks, pizza peels, turners being kitchen utensils, potato mashers, cheese graters, bottle openers, jar opener, wine opener, rolling pins, mushroom brushes, basting brushes, salad spinners, colanders, ice cream scoops, kitchen mortars and pestles and food storage containers, plastic storage containers for household or domestic use, parts and fittings for the aforementioned goods; Cooking pots and pans; Corkscrews, electric and non-electric, parts and fittings for the aforementioned goods; Earthenware, Dishes; glasses and drinking vessels, namely, cocktail glasses, coffee glasses, liqueur glasses, pint glasses, table glassware, wine glasses, shooter glasses; Insulating flasks; Lunch boxes; picnic baskets with dishes, parts, fittings and accessories for the aforementioned goods; Portable cool boxes, non-electric, parts and fittings for the aforementioned goods; Ice buckets (non-electric containers), parts and fittings for the aforementioned goods; Insulated food and drink storage containers, parts and fittings for the aforementioned goods; Pitchers; lunch boxes, portable cool boxes, non-electric, parts and fittings for the aforementioned goods; Mugs; Cups; Basins, namely, bowls, parts and fittings for the aforementioned goods; Plastic bowls; washing-up bowls, parts and fittings for the aforementioned goods; Picnic boxes and bags (fitted), parts and fittings for the aforementioned goods; Picnic crockery; Insulating flasks and decanters of steel, parts and fittings for the aforementioned goods; insulated carafes and cafetieres, parts and fittings for the aforementioned goods; beverage glassware; Cooking or household utensils and containers, parts, fittings and accessories for the aforementioned goods; reusable water bottles sold empty, thermally insulated beverage bottles; drinking flasks and Receptacles; Containers for ice, parts and fittings for the aforementioned goods; utensils for dispensing liquids, namely dispensers for liquid soap for household purposes, parts and fittings for the aforementioned goods; Glass stoppers; Tea infusers, parts and fittings for the aforementioned goods; Teapots, parts and fittings for the aforementioned goods; non-electric coffee percolators, parts and fittings for the aforementioned goods; Clothes drying racks, parts, fittings and accessories for the aforementioned goods; ice pails, parts and fittings for the aforementioned goods; Plastic buckets for general purposes, plastic wine buckets, parts and fittings for the aforementioned goods; cleaning brushes for household use, parts and fittings for the aforementioned goods; Oven mitts, parts and fittings for the aforementioned goods; whistling kettles, parts and fittings for the aforementioned goods; Kettles, non-electric, parts and fittings for the aforementioned goods; Tableware, other than knives, forks and spoons, namely, dishes and plates, bowls, serving plates, saucers, cream and sugar sets, salt and pepper shakers, egg cups,

parts, fittings and accessories for the aforementioned goods; Bakeware, parts and fittings for the aforementioned goods; Beverage coolers [containers], parts and fittings for the aforementioned goods; Heat-insulated containers for beverages, parts and fittings for the aforementioned goods; Camping grills, parts and fittings for the aforementioned goods; Ceramics for household purposes, namely, ceramic figurines, ceramic ornaments, ceramic sculptures parts; ornament of porcelain; Deep fryers, non-electric, parts and fittings for the aforementioned goods; Cooking pots, parts and fittings for the aforementioned goods; Cooking pot sets, parts and fittings for the aforementioned goods; Isothermic bags; non-electric coolers for food and drinks, parts and fittings for the aforementioned goods; Portable cool boxes, non-electric, parts and fittings for the aforementioned goods; Earthenware; Food storage containers, parts and fittings for the aforementioned goods; Heat-insulated containers for food and beverages, parts and fittings for the aforementioned goods; Ice cube molds; Cooking pots and pans [non electric], parts and fittings for the aforementioned goods; Food steamers, non-electric, parts and fittings for the aforementioned goods; Fireproof dishes; Portable cooking kits, namely, portable pots and pans, for outdoor use, parts and fittings for the aforementioned goods; Pots; Potholders, parts and fittings for the aforementioned goods; Reusable ice cubes; Roasting dishes; Saucepans, parts and fittings for the aforementioned goods; Thermal insulated bags for food or beverages; Thermal insulated containers for food or beverage, parts and fittings for the aforementioned goods; Trays for household purposes, namely, baking trays, cabaret trays, serving trays, parts and fittings for the aforementioned goods; Dustbins, parts and fittings for the aforementioned goods; Cleaning articles, namely, cleaning rags, household cleaning towelettes, kitchen cleaning sponges, brooms, mops, parts and fittings for the aforementioned goods; Insulated bottle bags, parts and components for all the aforesaid goods; picnic baskets, parts and components for all the aforesaid goods; Tap water purifying apparatus, parts, components and fittings for all the aforesaid goods; Plastic oven cooking bags

Class 22

(13) Tarpaulins, parts and fittings for the aforesaid goods; Tents, parts, fittings and accessories for the aforesaid goods; Covers, not fitted, for land and marine vehicles, personal watercraft, covers for boats, not fitted, unfitted vehicle covers parts and fittings for the aforesaid goods; Caravan awnings, parts, fittings and accessories for the aforesaid goods; awnings for vehicles, parts, fittings and accessories for the aforesaid goods; awnings for motorhomes, parts, fittings and accessories for the aforesaid goods; Canopies of textile, parts and fittings for the aforesaid goods; Groundsheets, parts and fittings for the aforesaid goods; shaped waterproof covers specifically adapted to protect tents, parts and fittings for the aforesaid goods; Washing lines, parts, fittings and accessories for the aforesaid goods; shaped waterproof coverings specifically adapted to protect camping camps, parts and fittings for the aforesaid goods; Waterproof tarpaulins, parts and fittings for the aforesaid goods; Hammocks, parts, fittings and accessories for the aforesaid goods; Rope ladders, parts and fittings for the aforesaid goods; Cordage; Strings; fabric and polyester mesh nets used for storing household items, parts and fittings for the aforesaid goods; Windbreaks in the nature of awnings, parts and fittings for the aforesaid goods; Sails, parts, fittings and accessories for the aforesaid goods; Sacks of textile for packaging, parts, fittings and accessories for the aforesaid goods; Bags for storage purposes, parts and fittings for the aforesaid goods; Fillings for pillows; Tents [awnings] for vehicles, parts, fittings and accessories for the aforesaid goods; window awnings parts, fittings and accessories for the aforesaid goods

Class 24

(14) Curtains, parts, fittings and accessories for all the aforementioned goods; Fly screens in the nature of insect protection nets for household purposes, parts, fittings and accessories for all the aforementioned goods; Textile fabrics, accessories for all the aforementioned; covers of textiles for use in tents, Sun awnings, Tarps, Covers, not fitted, parts, fittings and accessories for all the

aforementioned goods; Sleeping bags; Fly netting of plastic in the nature of insect protection nets for household purposes parts, fittings and accessories for all the aforementioned goods

Services

Class 35

(1) Retailing, including online sale, relating to products and accessories for recreational vehicles (RV), motor homes, Caravans, Yachts, Boats, passenger vehicles, Vans (vehicles) and Lorries /trucks, Camping purposes, advisory, consultancy and information services for all the aforementioned services; Retailing, including online sale, relating to awnings, Curtains and blinds, Venetian blinds, minibars, refrigerating cabinets for hotel rooms, security boxes (safes), food and beverage, cooking, heating, cooling and treatment equipment, Equipment for cooking food, refrigerating equipment for food, advisory, consultancy and information services for all the aforementioned services; Retail services relating to housewares, namely food preparation implements, electric equipment for household use, freezing equipment, tableware, Kitchen utensils and containers, Downloadable electronic publications, advisory, consultancy and information services for all the aforementioned services

Class 37

(2) Installation, maintenance and repair of heating installations and air conditioning installations, Ventilating systems, advice, consultancy and information services relating to any of the aforesaid services; Installation and manufacture advice relating to blinds, screens, awnings, Drapes, Shutters, fly screens, light, sun and heat shields, window fittings, windows and door trims for recreational vehicles (RV), motor homes, Caravans, Yachts, Boats, passenger vehicles, Vans (vehicles) and Lorries/trucks, advice, consultancy and information services relating to any of the aforesaid services

Class 40

(3) Manufacturing of marine vessels steering systems and components thereof for others, advice, consultancy and information services relating to any of the aforesaid services

Class 41

(4) Education, entertainment and sport services in the field of outdoor activities, vehicles and outdoor equipment, advise, consultancy and information services relating to all the aforesaid services; Education and instruction services in the field of outdoor activities, vehicles and outdoor equipment, advise, consultancy and information services relating to all the aforesaid services; Education services in the field of outdoor cooking, advise, consultancy and information services relating to all the aforesaid services; Providing on-line electronic publications, not downloadable in the field of outdoor activities, vehicles and equipment, advise, consultancy and information services relating to all the aforesaid services; Publishing services and Reports in the field of outdoor activities, vehicles and equipment, advise, consultancy and information services relating to all the aforesaid services; Organisation of events for cultural, entertainment and sporting purposes in the field of outdoor activities, vehicles and equipment, advise, consultancy and information services relating to all the aforesaid services; Organisation of educational events in the field of outdoor activities, vehicles and equipment advise, consultancy and information services relating to all the aforesaid services

Class 42

(5) Design relating to blinds, screens, awnings, curtains, shutters, light, sun and heat shields, window fittings, windows and door trims, consultancy, advisory and information services relating to the aforesaid services; Design relating to blinds, screens, awnings, curtains, shutters, light, sun and heat shields, window fittings, windows and door trims available from a computer database and

via the internet consultancy, advisory and information services relating to the aforesaid services; Design of marine vessels steering systems and components thereof for others, the aforesaid services also provided on-line from a computer database and the Internet, advice, consultancy and information services relating to the aforesaid services

Claims

Priority Filing Date: February 13, 2019, Country or Office: EUIPO (EU), Application No: 018022761 in association with the same kind of goods and in association with the same kind of services

Goods

Class 04

(1) Fuels and illuminants, namely alcohol, benzene, butane, ethanol, methanol, propane, wood chips, xylene; butane Gas cartridges sold filled; Barbecue fuels, namely propane, natural gas, fuel pellets; Charcoal fuel; Charcoal briquettes; Firelighters; Firelighters; all-purpose lubricating oils and lubricants

Class 07

(2) Electric motors for blinds and screens, awnings, shutters, curtains, fly screens, sun, light and heat shields, parts, accessories and fittings for all the aforesaid goods; Compressed air pumps, parts, accessories and fittings for all the aforesaid goods; Electrical centrifugal pumps, electrical pumps for boats, for cars, for trucks, electrical vacuum pumps, electrical heat pump, parts and fittings for all the aforesaid goods; marine propulsion engines and parts therefor, parts, accessories and fittings for all the aforesaid goods; marine drive components, namely marine engines, drive units, steering units, engine controller, alternators, brush holders for use in rotating electrical machinery, gear kits, trim senders, bushings, clutch dogs, magnet starters, gas lift support brackets, prop shafts, trim reservoirs and parts therefor; Lawn mowers, parts, accessories and fittings for all the aforesaid goods; Lawn trimming and hedge cutting equipment, namely electric lawn, grass and hedge trimmers, parts and fittings for all the aforesaid goods; Digging, weeding, hoeing and pruning implements, namely, power operated trench diggers, power operated weed cutters, power operated pole pruners, back hoes, parts and fittings for all the aforesaid goods; Lawn mower blades and Knives for equipment, parts, accessories and fittings for all the aforesaid goods; Fuel filters, parts, accessories and fittings for all the aforesaid goods; Control cables for machines, engines and motors, for marine vessels, land vehicles, personal watercraft, parts and fittings for all the aforesaid goods; Control mechanisms for machines, engines and motors, for marine vessels, land vehicles, personal watercraft, parts and fittings for all the aforesaid goods; mechanical control cables and mechanical controls for controlling motion of

marine vessels, land vehicles, personal watercraft, parts and fittings for all the aforesaid goods; Parts of motors and engines for marine and land vehicles, personal watercraft; lawnmowers parts; clamping devices being parts of machine tools, namely, duct clamps for use in the precision clamping of work pieces parts, accessories and fittings for all the aforesaid goods; hand-held tools except cleaning tools, other than hand-operated, namely, air-operated power tools, electric drills, electric hammers, parts and fittings for all the aforesaid goods; Engines and motors for land and marine vehicles and personal watercrafts, parts and fittings for all the aforesaid goods; electric, hydraulic and mechanical marine controls, namely pull shift and throttle controls, parts and fittings for the afore-mentioned goods; foot throttle pedals for marine steering systems and marine controls, parts and fittings for the afore-mentioned goods; control cables for marine steering systems and marine controls, parts and fittings for the afore-mentioned goods; brake cables, drive control cables, deck engagement clutch cables for lawn mowers, parts and fittings for the afore-mentioned goods; Mechanical control cables and systems for controlling speed, direction of motion, braking, and engine operation in marine vessels, parts and fittings for the afore-mentioned goods

Class 08

(3) Hand tools and implements, namely hand tools for construction, repair and maintenance

Class 09

(4) Electronically powered controllers for blinds and screens, Awnings, Shutters, curtains, fly screens, sun, light and heat shields, parts, fittings and accessories for the afore-mentioned goods; downloadable digital content in the form of electronic publications, of brochures, handbooks, magazines, newsletters, pamphlets; Computer software for controlling heating, ventilating, air conditioning systems, water heaters, water chillers, defrosters, electric cool boxes, refrigerators, freezers, electric wine coolers and wine cellars, minibars, toilets, furnaces, vacuum systems, lighting systems, inverters for power supplies, electric power generators, battery usage, gas ranges and gas cooktops, gas detectors, alarm systems, safes, metal strong boxes, security boxes, security locks, rear view cameras for vehicles, dashboard cameras for vehicles, video surveillance cameras for use in vehicles; computer application software for electric control panels, namely, software for controlling heating, ventilating, air conditioning systems, water heaters, water chillers, defrosters, electric cool boxes, refrigerators, freezers, electric wine coolers and wine cellars, minibars, toilets, furnaces, vacuum systems, lighting systems, inverters for power supplies, electric power generators, battery usage, gas ranges and gas cooktops, gas detectors, alarm systems, safes, metal strong boxes, security boxes, security locks, rear view cameras for vehicles, dashboard cameras for vehicles, video surveillance cameras for use in vehicles; Software and applications for mobile devices for controlling heating, ventilating, air conditioning systems, water heaters, water chillers, defrosters, electric cool boxes, refrigerators, freezers, electric wine coolers and wine cellars, minibars, toilets, furnaces, vacuum systems, lighting systems, inverters for power supplies, electric power generators, battery usage, gas ranges and gas cooktops, gas detectors, alarm systems, safes, metal strong boxes, security boxes, security locks, rear view cameras for vehicles, dashboard cameras for vehicles, video surveillance cameras for use in vehicles; Software and applications for mobile devices for electric control panels, namely, software for controlling heating, ventilating, air conditioning systems, water heaters, water chillers, defrosters, electric cool boxes, refrigerators, freezers, electric wine coolers and wine cellars, minibars, toilets, furnaces, vacuum systems, lighting systems, inverters for power supplies, electric power generators, battery usage, gas ranges and gas cooktops, gas detectors, alarm systems, safes, metal strong boxes, security boxes, security locks, rear view cameras for vehicles, dashboard cameras for vehicles, video surveillance cameras for use, parts, fittings and accessories for the afore-mentioned goods; downloadable digital instruction manuals; Pre-recorded DVDs containing

instruction manuals; pressure gauge, pressure meter, pressure sensors, pressure absorbers, pressure switches, humidity detectors, humidity sensors, meters for testing humidity, temperature gauges, temperature indicators, temperature sensors, temperature transmitter, temperature monitors for household purposes, temperature monitors for industrial purposes, temperature meters for household purposes, temperature meters for industrial purposes, temperature switches, gas flow meters, gas flow monitors, gas leak alarms, gas meters, gas sensors, parts and fittings for the afore-mentioned goods; Weight measuring instruments, namely, truck scales, weighing scales for cargo handling purposes, parts and fittings for the afore-mentioned goods; Gas detecting apparatus, namely gas leak alarms, gas sensors, gas alarms, parts and fittings for the afore-mentioned goods; Electrical conductors, parts, fittings and accessories for the afore-mentioned goods; current, differential, dimmer and light switches, electric, parts and fittings for the afore-mentioned goods; Electricity transformers, parts, fittings and accessories for the afore-mentioned goods; Galvanic cells, parts, fittings and accessories for the afore-mentioned goods; Regulating apparatus, electric, namely voltage regulators, regulators for use in turbo engines in boats, cars, trucks, parts and fittings for the afore mentioned goods; Electricity control panels, parts, fittings and accessories for the afore-mentioned goods; Converters, electric, parts, fittings and accessories for the afore-mentioned goods; Condensers, namely, capacitors, parts and fittings for the afore-mentioned goods; Electric cable adapters, namely, electric plug adapters, parts and fittings for the afore-mentioned goods; Chargers for electric batteries, namely, chargers for electric batteries for electric vehicles, parts and fittings for the afore-mentioned goods; power Inverters, parts and fittings for the afore-mentioned goods; thermal sensors, timing sensors, velocity sensors, water level sensors, acceleration sensors, distance sensors, parts and fittings for the afore-mentioned goods; Electric cables, parts and fittings for the afore-mentioned goods; Global positioning system [GPS] consisting of computers, computer software, transmitters, receivers, and network interface devices, parts and fittings for the afore-mentioned goods; scanners systems for diagnosing the performance of marine engines diagnostics, parts, fittings and accessories for the afore-mentioned goods; downloadable computer software for performing diagnostics on marine engines; protective and carry cases for marine engine diagnostic equipment, parts, fittings and accessories for the afore-mentioned goods; data transmission cables for marine engine diagnostic equipment, parts and fittings for the afore-mentioned goods; Dongles being computer hardware for marine engine diagnostic equipment, parts and fittings for the afore-mentioned goods; electric measuring devices for measuring temperature, voltage, electric current in marine vessels, namely, parts and fittings for the afore-mentioned goods; Marine navigational apparatus, namely, chart plotters, sonar depth sounders, satellite navigation devices, compasses, depth gauges, depth finders, parts and fittings for the afore-mentioned goods; Electronic temperature regulating and temperature control apparatus for household and industrial purposes, parts and fittings for the afore-mentioned goods; electronic controls and remote controls mechanisms for controlling motion of a vehicle, of a marine vessel, parts and fittings for the afore-mentioned goods; electronic control apparatus for land and marine vehicles and equipment, personal watercraft, land and marine engines, and lawn and garden equipment, for throttle control, for push-pull control, for steering control, parts and fittings for the afore-mentioned goods; downloadable digital files being training guides in the field of marine navigational, parts, fittings and accessories for the afore-mentioned goods; Graphical user interface software; downloadable multimedia files being audio and video files containing recordings in the field of marine navigational; Electric current, cut-out, differential, dimmer, light, rotary, tactile and toggle switches and multiplexers, parts and fittings for the afore-mentioned goods; Scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments, namely optical transceivers, optical cables, marine compasses, depth gauges, trailer and tow vehicle lighting sensors for measuring electricity, emergency led signaling flares, rescue

laser signaling flares, non-explosive and non-pyrotechnic rescue flares, electronic warning horns, signaling whistles, signaling lights for land and marine vehicles and equipment, personal watercraft, and radar reflectors for marine vehicles and personal watercraft, water sensors for detecting leaks, parts and fittings for the aforementioned goods; water sensors for detecting water levels, parts and fittings for the afore-mentioned goods

Class 10

(5) Refrigerating containers for medical use, for organ and tissue transportation and preservation

Class 11

(6) Food and beverage cooking, heating, cooling and treatment equipment, namely, electric refrigerators, freezers, cool boxes, electric, ice making machines, battery-operated portable coolers and heater for food and beverage, gas stoves, gas cooktops, induction cooktops, parts, components and fittings for all the aforesaid goods; Barbecues, Parts, components and fittings for all the aforesaid goods; Camping stoves, parts, components and fittings for all the aforesaid goods; Cooking rings for household purposes, parts, components and fittings for all the aforesaid goods; Kitchen ranges; Cooking utensils, electric, namely, slow cookers, toaster, microwave ovens, rice cookers, parts, components and fittings for all the aforesaid goods; Electric coffeepots, parts, components and fittings for all the aforesaid goods; Electric broilers, parts, components and fittings for all the aforesaid goods; Electric hotplates, parts, components and fittings for all the aforesaid goods; Electric indoor grills, parts, components and fittings for all the aforesaid goods; Electric kettles for household purposes, parts, components and fittings for all the aforesaid goods; electric tea kettles, parts, components and fittings for all the aforesaid goods; Electric ranges, parts, components and fittings for all the aforesaid goods; Electric roaster ovens, parts, components and fittings for all the aforesaid goods; Gas fired broilers, parts, components and fittings for all the aforesaid goods; Gas grills, parts, components and fittings for all the aforesaid goods; gas hobs; Heating plates, parts, components and fittings for all the aforesaid goods; Microwave ovens, parts, components and fittings for all the aforesaid goods; Ovens, namely, pizza oven, convection ovens, electric toaster ovens, gas cooking ovens for household purposes, parts, components and fittings for all the aforesaid goods; structural plates for stoves, parts, components and fittings for all the aforesaid goods; structural plates for ovens, parts, components and fittings for all the aforesaid goods; Rotisseries, parts, components and fittings for all the aforesaid goods; Electric refrigerators [for household purposes], parts, components and fittings for all the aforesaid goods; Beverage cooling dispensing machines, parts, components and fittings for all the aforesaid goods; Wine cellars, electric, parts, components and fittings for all the aforesaid goods; Ice boxes, parts, components and fittings for all the aforesaid goods; Ice boxes, parts, components and fittings for all the aforesaid goods; Freezers, parts, components and fittings for all the aforesaid goods; Combinations of refrigerators and freezers, parts, components and fittings for all the aforesaid goods; Ice machines and ice dispensing machines, parts, components and fittings for all the aforesaid goods; Portable refrigerators, parts, components and fittings for all the aforesaid goods; Refrigerating appliances and installations, namely, refrigerators and freezers, refrigerated beverage dispensing units, refrigerating containers, refrigerating display cabinets, refrigerating display cabinets, parts, components and fittings for all the aforesaid goods; Refrigerating cabinets, parts, components and fittings for all the aforesaid goods; Refrigerators, parts, components and fittings for all the aforesaid goods; Gas lighters, parts, components and fittings for all the aforesaid goods; Sinks, parts, components and fittings for all the aforesaid goods; Kitchen sinks, parts, components and fittings for all the aforesaid goods; indoor and outdoor lighting fixtures, parts, components and fittings for all the aforesaid goods; Apparatus for heating, namely, electric heating fans, heating modules, heating radiators, parts, components and fittings for all the aforesaid goods; electric clothes drying machines for household purposes, parts, components and fittings for

all the aforesaid goods; Aeration apparatus, namely, air exchangers for cleaning and purifying air, parts, components and fittings for all the aforesaid goods; Water supply apparatus, namely, tap water faucets, water faucet adapters, parts, components and fittings for all the aforesaid goods; Sanitary installations, namely toilettes, urinals, wash-hand basins being parts of sanitary installations, parts, components and fittings for all the aforesaid goods; Friction lighters for igniting gas, parts, components and fittings for all the aforesaid goods; Bicycle lights, parts, components and fittings for all the aforesaid goods; Searchlights, parts, components and fittings for all the aforesaid goods; Electric torches, parts, components and fittings for all the aforesaid goods; Diving lights, parts, components and fittings for all the aforesaid goods; Searchlights; LED lamps; Gas lamps; Oil lamps; Safety lamps, parts, components and fittings for all the aforesaid goods; Ceiling lights, parts, components and fittings for all the aforesaid goods; Lamp reflectors, parts, components and fittings for all the aforesaid goods; Pocket warmers, parts, components and fittings for all the aforesaid goods; Immersion heaters, parts, components and fittings for all the aforesaid goods; Ultraviolet ray lamps, not for medical purposes, parts, components and fittings for all the aforesaid goods; Water filtering units for domestic use, parts, components and fittings for all the aforesaid goods; Water sterilizers, Storage water heaters, parts, components and fittings for all the aforesaid goods; Electric boilers, parts, components and fittings for all the aforesaid goods; Gas fired water heaters, parts, components and fittings for all the aforesaid goods; Solar water heaters, parts, components and fittings for all the aforesaid goods; Water heaters (portable), parts, components and fittings for all the aforesaid goods; Ice boxes, parts, components and fittings for all the aforesaid goods; Refrigerating containers, parts, components and fittings for all the aforesaid goods; Gas patio heaters, gas water heaters, parts, components and fittings for all the aforesaid goods; Gas-fired heat spreaders for use in tents, caravans and motorhomes, parts, components and fittings for all the aforesaid goods; portable electric heaters for use in tents, caravans and motorhomes, parts, components and fittings for all the aforesaid goods; Electric blankets, parts, components and fittings for all the aforesaid goods; Dehumidifiers, parts, components and fittings for all the aforesaid goods; Toilets, portable, parts, components and fittings for all the aforesaid goods; Gas pressure regulators for gas stoves, gas cooktops, barbecues, gas fired broilers, gas grills, gas patio heaters, gas-fired heat spreaders, gas cooking ovens, gas hobs, parts, components and fittings for all the aforesaid goods; charcoal barbecues, parts, components and fittings for all the aforesaid goods; portable gas stoves, parts, components and fittings for all the aforesaid goods; Gas cooking ovens for household purposes, parts, components and fittings for all the aforesaid goods; portable cooking gas ovens for household purposes, parts, components and fittings for all the aforesaid goods; Gas hobs, parts, components and fittings for all the aforesaid goods; Electric cooking ovens for household purposes, parts, components and fittings for all the aforesaid goods; portable electric hobs, parts, components and fittings for all the aforesaid goods; Toasters, parts, components and fittings for all the aforesaid goods; Electric toasters, parts, components and fittings for all the aforesaid goods; Electric kettles, parts, components and fittings for all the aforesaid goods; electric hot and cold water dispensers, parts, components and fittings for all the aforesaid goods; Heaters for vehicles, parts, components and fittings for all the aforesaid goods

Class 12

(7) Sunlight and heat shields for motor cars, parts and fittings for all the aforesaid goods; namely, tool trolleys, two-wheeled trolleys, boat launching trolleys, parts and fittings for all the aforesaid goods; Car covers, parts and fittings for all the aforesaid goods; fitted covers for caravans, parts and fittings for all the aforesaid goods; fitted covers for trailers, parts and fittings for all the aforesaid goods; fitted covers for trailer tents, parts and fittings for all the aforesaid goods; Marine vehicle parts, namely, steering wheels, steering brakes, fuel tanks and equipment therefor, ship

ballast tanks, grease pouches, clamps, seats, steering shafts; mechanical and hydraulic steering wheels and gears for marine vehicles and parts thereof; Sun, light and heat shields of textile material for recreational vehicles (RV), motor homes, Caravans, Yachts, Boats, passenger vehicles, Vans (vehicles) and Lorries/trucks, parts and components for all the aforesaid goods; electronic, hydraulic and mechanical marine steering systems and parts for the aforementioned marine steering systems; Hydraulic marine controls for controlling speed and direction of motion in marine vessels, namely steering gear for ships, pull shift and throttle controls, parts and fittings for the afore-mentioned goods; Electronic marine controls for controlling speed and direction of motion in marine vessels, namely steering gear for ships, pull shift and throttle controls, parts and fittings for the afore-mentioned goods; Mechanical marine controls for controlling speed and direction of motion in marine vessels, namely steering gear for ships, pull shift and throttle controls, parts and fittings for the aforementioned goods; Marine steering gears and parts for marine steering gears

Class 16

(8) Printed recipe cards; Menu cards; Cookery books; Calendars; Catalogues; Coupon books; Greeting cards; Informational sheets in the field of outdoor equipment and apparatuses; Manuals for instructional purposes; Magazines [periodicals]; Newsletters; Printed calendars; Printed coupons; Paper bags; Bags of plastics for lining refuse bins; Bags of paper for roasting purposes; Garbage bags of paper or of plastics; Food waste bags of paper for household use; Plastic food storage bags for household use; Freezer bags; Hygienic hand towels of paper; Bags for microwave cooking; Coasters of cardboard; Coasters of paper; Kitchen towels of paper; Napkin paper; Paper coffee filters; Tablecloths of paper; Table napkins of paper; Place mats of paper; Manuals (not in electronic format)

Class 17

(9) watering hoses, air hoses, marine steering hoses; O-rings

Class 18

(10) Leather and imitation leather; Animal skins; luggage and carrying bags; Umbrellas and parasols; Walking sticks; Whips, harness and saddlery; Collars, leads and clothing for animals; Insulated backpacks

Class 20

(11) window roller blinds for use indoors, parts, fittings and accessories for all the aforementioned goods; Venetian blinds of textile or plastic, parts fittings and accessories for all the aforementioned goods; Workbenches, parts fittings and accessories for all the aforementioned goods; outdoor furniture, patio furniture, motor cars furniture, parts fittings and accessories for all the aforementioned goods; folding furniture, namely, folding tables, folding beds, folding chairs, folding seats, folding stools, folding chests, parts fittings and accessories for all the aforementioned goods; Beds and cots, parts fittings and accessories for all the aforementioned goods; Airbeds, not for medical purposes, parts fittings and accessories for all the aforementioned goods; Inflatable pillows, parts fittings and accessories for all the aforementioned goods; Inflatable pillows and Air mattresses, parts fittings and accessories for all the aforementioned goods; Sleeping mats for camping [mattresses], parts fittings and accessories for all the aforementioned goods; Pillows, parts and accessories for all the aforementioned goods; Mattresses, parts and accessories for all the aforementioned goods; tent poles, not of metal, parts fittings and accessories for all the aforementioned goods; Foldaway beds, parts fittings and accessories for all the aforementioned goods; Camp beds, parts fittings and accessories for all the aforementioned goods; Air mattresses, parts fittings and accessories for all the aforementioned goods; Foam mattresses, parts and accessories for all the aforementioned goods; containers made of plastics for carrying water, parts fittings and accessories for all the aforementioned goods; portable waste water carriers

(containers) made of plastics, parts, fittings and accessories for all the aforementioned goods; Non-metal wheel chocks, parts, fittings accessories for all the aforementioned goods; Folding chairs, parts, fittings and accessories for all the aforementioned goods; Folding tables, parts, fittings and accessories for all the aforementioned goods; Indoor window blinds [shades] [furniture], parts fittings and accessories for all the aforementioned goods; Window furniture, namely, window handles, not of metal, window hinges, not of metal, window trims, not of metal, decorative window finials, parts fittings and accessories for all the aforementioned goods; Window fittings, not of metal, parts fittings and accessories for all the aforementioned goods; Furniture for camping, parts, fittings and accessories for all the aforementioned goods; Chests, not of metal, parts fittings and accessories for all the aforementioned goods

Class 21

(12) Household and kitchen utensils, namely, spatulas for kitchen use, basting spoons for kitchen use, cooking spoons, mixing spoons, serving spoons, serving tongs, manual garlic peelers, manual whisks, pizza peels, turners being kitchen utensils, potato mashers, cheese graters, bottle openers, jar opener, wine opener, rolling pins, mushroom brushes, basting brushes, salad spinners, colanders, ice cream scoops, kitchen mortars and pestles and food storage containers, plastic storage containers for household or domestic use, parts and fittings for the aforementioned goods; Cooking pots and pans; Corkscrews, electric and non-electric, parts and fittings for the aforementioned goods; Earthenware, Dishes; glasses and drinking vessels, namely, cocktail glasses, coffee glasses, liqueur glasses, pint glasses, table glassware, wine glasses, shooter glasses; Insulating flasks; Lunch boxes; picnic baskets with dishes, parts, fittings and accessories for the aforementioned goods; Portable cool boxes, non-electric, parts and fittings for the aforementioned goods; Ice buckets (non-electric containers), parts and fittings for the aforementioned goods; Insulated food and drink storage containers, parts and fittings for the aforementioned goods; Pitchers; lunch boxes, portable cool boxes, non-electric, parts and fittings for the aforementioned goods; Mugs; Cups; Basins, namely, bowls, parts and fittings for the aforementioned goods; Plastic bowls; washing-up bowls, parts and fittings for the aforementioned goods; Picnic boxes and bags (fitted), parts and fittings for the aforementioned goods; Picnic crockery; Insulating flasks and decanters of steel, parts and fittings for the aforementioned goods; insulated carafes and cafetieres, parts and fittings for the aforementioned goods; beverage glassware; Cooking or household utensils and containers, parts, fittings and accessories for the aforementioned goods; reusable water bottles sold empty, thermally insulated beverage bottles; drinking flasks and Receptacles; Containers for ice, parts and fittings for the aforementioned goods; utensils for dispensing liquids, namely dispensers for liquid soap for household purposes, parts and fittings for the aforementioned goods; Glass stoppers; Tea infusers, parts and fittings for the aforementioned goods; Teapots, parts and fittings for the aforementioned goods; non-electric coffee percolators, parts and fittings for the aforementioned goods; Clothes drying racks, parts, fittings and accessories for the aforementioned goods; ice pails, parts and fittings for the aforementioned goods; Plastic buckets for general purposes, plastic wine buckets, parts and fittings for the aforementioned goods; cleaning brushes for household use, parts and fittings for the aforementioned goods; Oven mitts, parts and fittings for the aforementioned goods; whistling kettles, parts and fittings for the aforementioned goods; Kettles, non-electric, parts and fittings for the aforementioned goods; Tableware, other than knives, forks and spoons, namely, dishes and plates, bowls, serving plates, saucers, cream and sugar sets, salt and pepper shakers, egg cups, parts, fittings and accessories for the aforementioned goods; Bakeware, parts and fittings for the aforementioned goods; Beverage coolers [containers], parts and fittings for the aforementioned goods; Heat-insulated containers for beverages, parts and fittings for the aforementioned goods; Camping grills, parts and fittings for the aforementioned goods; Ceramics for household purposes,

namely, ceramic figurines, ceramic ornaments, ceramic sculptures parts; ornament of porcelain; Deep fryers, non-electric, parts and fittings for the aforementioned goods; Cooking pots, parts and fittings for the aforementioned goods; Cooking pot sets, parts and fittings for the aforementioned goods; Isothermic bags; non-electric coolers for food and drinks, parts and fittings for the aforementioned goods; Portable cool boxes, non-electric, parts and fittings for the aforementioned goods; Earthenware; Food storage containers, parts and fittings for the aforementioned goods; Heat-insulated containers for food and beverages, parts and fittings for the aforementioned goods; Ice cube molds; Cooking pots and pans [non electric], parts and fittings for the aforementioned goods; Food steamers, non-electric, parts and fittings for the aforementioned goods; Fireproof dishes; Portable cooking kits, namely, portable pots and pans, for outdoor use, parts and fittings for the aforementioned goods; Pots; Potholders, parts and fittings for the aforementioned goods; Reusable ice cubes; Roasting dishes; Saucepans, parts and fittings for the aforementioned goods; Thermal insulated bags for food or beverages; Thermal insulated containers for food or beverage, parts and fittings for the aforementioned goods; Trays for household purposes, namely, baking trays, cabaret trays, serving trays, parts and fittings for the aforementioned goods; Dustbins, parts and fittings for the aforementioned goods; Cleaning articles, namely, cleaning rags, household cleaning towelettes, kitchen cleaning sponges, brooms, mops, parts and fittings for the aforementioned goods; Insulated bottle bags, parts and components for all the aforesaid goods; picnic baskets, parts and components for all the aforesaid goods; Tap water purifying apparatus, parts, components and fittings for all the aforesaid goods; Plastic oven cooking bags

Class 22

(13) Tarpaulins, parts and fittings for the aforesaid goods; Tents, parts, fittings and accessories for the aforesaid goods; Covers, not fitted, for land and marine vehicles, personal watercraft, covers for boats, not fitted, unfitted vehicle covers parts and fittings for the aforesaid goods; Caravan awnings, parts, fittings and accessories for the aforesaid goods; awnings for vehicles, parts, fittings and accessories for the aforesaid goods; awnings for motorhomes, parts, fittings and accessories for the aforesaid goods; Canopies of textile, parts and fittings for the aforesaid goods; Groundsheets, parts and fittings for the aforesaid goods; shaped waterproof covers specifically adapted to protect tents, parts and fittings for the aforesaid goods; Washing lines, parts, fittings and accessories for the aforesaid goods; shaped waterproof coverings specifically adapted to protect camping camps, parts and fittings for the aforesaid goods; Waterproof tarpaulins, parts and fittings for the aforesaid goods; Hammocks, parts, fittings and accessories for the aforesaid goods; Rope ladders, parts and fittings for the aforesaid goods; Cordage; Strings; fabric and polyester mesh nets used for storing household items, parts and fittings for the aforesaid goods; Windbreaks in the nature of awnings, parts and fittings for the aforesaid goods; Sails, parts, fittings and accessories for the aforesaid goods; Sacks of textile for packaging, parts, fittings and accessories for the aforesaid goods; Bags for storage purposes, parts and fittings for the aforesaid goods; Fillings for pillows; Tents [awnings] for vehicles, parts, fittings and accessories for the aforesaid goods; window awnings parts, fittings and accessories for the aforesaid goods

Class 24

(14) Curtains, parts and components for all the aforesaid goods; Fly screens in the nature of insect protection nets for household purposes, parts and components for all the aforesaid goods; Textile fabrics ; covers of textiles for use in tents, Sun awnings, Tarps, Covers, not fitted, parts and components for all the aforesaid goods; Sleeping bags; Fly netting of plastic in the nature of insect protection nets for household purposes parts, and components for all the aforesaid goods

Services

Class 35

(1) Retailing, including online sale, relating to products and accessories for recreational vehicles (RV), motor homes, Caravans, Yachts, Boats, passenger vehicles, Vans (vehicles) and Lorries /trucks, Camping purposes, advisory, consultancy and information services for all the aforementioned services; Retailing, including online sale, relating to awnings, Curtains and blinds, Venetian blinds, minibars, refrigerating cabinets for hotel rooms, security boxes (safes), food and beverage, cooking, heating, cooling and treatment equipment, Equipment for cooking food, refrigerating equipment for food, advisory, consultancy and information services for all the aforementioned services; Retail services relating to housewares, namely food preparation implements, electric equipment for household use, freezing equipment, tableware, Kitchen utensils and containers, Downloadable electronic publications, advisory, consultancy and information services for all the aforementioned services

Class 37

(2) Installation, maintenance and repair of heating installations and air conditioning installations, Ventilating systems, advice, consultancy and information services relating to any of the aforesaid services; Installation and manufacture advice relating to blinds, screens, awnings, Drapes, Shutters, fly screens, light, sun and heat shields, window fittings, windows and door trims for recreational vehicles (RV), motor homes, Caravans, Yachts, Boats, passenger vehicles, Vans (vehicles) and Lorries/trucks, advice, consultancy and information services relating to any of the aforesaid services

Class 40

(3) Manufacturing of marine vessels steering systems and components thereof for others, advice, consultancy and information services relating to any of the aforesaid services

Class 41

(4) Education, entertainment and sport services in the field of outdoor activities, vehicles and outdoor equipment, advise, consultancy and information services relating to all the aforesaid services; Education and instruction services in the field of outdoor activities, vehicles and outdoor equipment, advise, consultancy and information services relating to all the aforesaid services; Education services in the field of outdoor cooking, advise, consultancy and information services relating to all the aforesaid services; Providing on-line electronic publications, not downloadable in the field of outdoor activities, vehicles and equipment, advise, consultancy and information services relating to all the aforesaid services; Publishing services and Reports in the field of outdoor activities, vehicles and equipment, advise, consultancy and information services relating to all the aforesaid services; Organisation of events for cultural, entertainment and sporting purposes in the field of outdoor activities, vehicles and equipment, advise, consultancy and information services relating to all the aforesaid services; Organisation of educational events in the field of outdoor activities, vehicles and equipment advise, consultancy and information services relating to all the aforesaid services

Class 42

(5) Design relating to blinds, screens, awnings, curtains, shutters, light, sun and heat shields, window fittings, windows and door trims, consultancy, advisory and information services relating to the aforesaid services; Design relating to blinds, screens, awnings, curtains, shutters, light, sun and heat shields, window fittings, windows and door trims available from a computer database and via the internet consultancy, advisory and information services relating to the aforesaid services; Design of marine vessels steering systems and components thereof for others, the aforesaid services also provided on-line from a computer database and the Internet, advice, consultancy and information services relating to the aforesaid services

Claims

Priority Filing Date: February 13, 2019, Country or Office: EUIPO (EU), Application No: 018022765 in association with the same kind of goods and in association with the same kind of services

Goods

Class 04

(1) Fuels and illuminants, namely alcohol, benzene, butane, ethanol, methanol, propane, wood chips, xylene; butane Gas cartridges sold filled; Barbecue fuels, namely propane, natural gas, fuel pellets; Charcoal fuel; Charcoal briquettes; Firelighters; Firelighters; all-purpose lubricating oils and lubricants

Class 07

(2) Electric motors for blinds and screens, awnings, shutters, curtains, fly screens, sun, light and heat shields, parts, accessories and fittings for all the aforesaid goods; Compressed air pumps, parts, accessories and fittings for all the aforesaid goods; Electrical centrifugal pumps, electrical pumps for boats, for cars, for trucks, electrical vacuum pumps, electrical heat pump, parts and fittings for all the aforesaid goods; marine propulsion engines and parts therefor, parts, accessories and fittings for all the aforesaid goods; marine drive components, namely marine engines, drive units, steering units, engine controller, alternators, brush holders for use in rotating electrical machinery, gear kits, trim senders, bushings, clutch dogs, magnet starters, gas lift support brackets, prop shafts, trim reservoirs and parts therefor; Lawn mowers, parts, accessories and fittings for all the aforesaid goods; Lawn trimming and hedge cutting equipment, namely electric lawn, grass and hedge trimmers, parts and fittings for all the aforesaid goods; Digging, weeding, hoeing and pruning implements, namely, power operated trench diggers, power operated weed cutters, power operated pole pruners, back hoes, parts and fittings for all the aforesaid goods; Lawn mower blades and Knives for equipment, parts, accessories and fittings for all the aforesaid goods; Fuel filters, parts, accessories and fittings for all the aforesaid goods; Control cables for machines, engines and motors, for marine vessels, land vehicles, personal watercraft, parts and fittings for all the aforesaid goods; Control mechanisms for machines, engines and motors, for marine vessels, land vehicles, personal watercraft, parts and fittings for all the aforesaid goods; mechanical control cables and mechanical controls for controlling motion of marine vessels, land vehicles, personal watercraft, parts and fittings for all the aforesaid goods; Parts of motors and engines for marine and land vehicles, personal watercraft; lawnmowers parts; clamping devices being parts of machine tools, namely, duct clamps for use in the precision

clamping of work pieces parts, accessories and fittings for all the aforesaid goods; hand-held tools except cleaning tools, other than hand-operated, namely, air-operated power tools, electric drills, electric hammers, parts and fittings for all the aforesaid goods; Engines and motors for land and marine vehicles and personal watercrafts, parts and fittings for all the aforesaid goods; electric, hydraulic and mechanical marine controls, namely pull shift and throttle controls, parts and fittings for the afore-mentioned goods; foot throttle pedals for marine steering systems and marine controls, parts and fittings for the afore-mentioned goods; control cables for marine steering systems and marine controls, parts and fittings for the afore-mentioned goods; brake cables, drive control cables, deck engagement clutch cables for lawn mowers, parts and fittings for the afore-mentioned goods; Mechanical control cables and systems for controlling speed, direction of motion, braking, and engine operation in marine vessels, parts and fittings for the afore-mentioned goods;

Class 08

(3) Hand tools and implements, namely hand tools for construction, repair and maintenance

Class 09

(4) Electronically powered controllers for blinds and screens, Awnings, Shutters, curtains, fly screens, sun, light and heat shields, parts, fittings and accessories for the afore-mentioned goods; downloadable digital content in the form of electronic publications, of brochures, handbooks, magazines, newsletters, pamphlets; Computer software for controlling heating, ventilating, air conditioning systems, water heaters, water chillers, defrosters, electric cool boxes, refrigerators, freezers, electric wine coolers and wine cellars, minibars, toilets, furnaces, vacuum systems, lighting systems, inverters for power supplies, electric power generators, battery usage, gas ranges and gas cooktops, gas detectors, alarm systems, safes, metal strong boxes, security boxes, security locks, rear view cameras for vehicles, dashboard cameras for vehicles, video surveillance cameras for use in vehicles; computer application software for electric control panels, namely, software for controlling heating, ventilating, air conditioning systems, water heaters, water chillers, defrosters, electric cool boxes, refrigerators, freezers, electric wine coolers and wine cellars, minibars, toilets, furnaces, vacuum systems, lighting systems, inverters for power supplies, electric power generators, battery usage, gas ranges and gas cooktops, gas detectors, alarm systems, safes, metal strong boxes, security boxes, security locks, rear view cameras for vehicles, dashboard cameras for vehicles, video surveillance cameras for use in vehicles; Software and applications for mobile devices for controlling heating, ventilating, air conditioning systems, water heaters, water chillers, defrosters, electric cool boxes, refrigerators, freezers, electric wine coolers and wine cellars, minibars, toilets, furnaces, vacuum systems, lighting systems, inverters for power supplies, electric power generators, battery usage, gas ranges and gas cooktops, gas detectors, alarm systems, safes, metal strong boxes, security boxes, security locks, rear view cameras for vehicles, dashboard cameras for vehicles, video surveillance cameras for use in vehicles; Software and applications for mobile devices for electric control panels, namely, software for controlling heating, ventilating, air conditioning systems, water heaters, water chillers, defrosters, electric cool boxes, refrigerators, freezers, electric wine coolers and wine cellars, minibars, toilets, furnaces, vacuum systems, lighting systems, inverters for power supplies, electric power generators, battery usage, gas ranges and gas cooktops, gas detectors, alarm systems, safes, metal strong boxes, security boxes, security locks, rear view cameras for vehicles, dashboard cameras for vehicles, video surveillance cameras for use, parts, fittings and accessories for the afore-mentioned goods; downloadable digital instruction manuals; Pre-recorded DVDs containing instruction manuals; pressure gauge, pressure meter, pressure sensors, pressure absorbers, pressure switches, humidity detectors, humidity sensors, meters for testing humidity, temperature gauges, temperature indicators, temperature sensors, temperature transmitter, temperature

monitors for household purposes, temperature monitors for industrial purposes, temperature meters for household purposes, temperature meters for industrial purposes, temperature switches, gas flow meters, gas flow monitors, gas leak alarms, gas meters, gas sensors, parts and fittings for the afore-mentioned goods; Weight measuring instruments, namely, truck scales, weighing scales for cargo handling purposes, parts and fittings for the afore-mentioned goods; Gas detecting apparatus, namely gas leak alarms, gas sensors, gas alarms, parts and fittings for the afore-mentioned goods; Electrical conductors, parts, fittings and accessories for the afore-mentioned goods; current, differential, dimmer and light switches, electric, parts and fittings for the afore-mentioned goods; Electricity transformers, parts, fittings and accessories for the afore-mentioned goods; Galvanic cells, parts, fittings and accessories for the afore-mentioned goods; Regulating apparatus, electric, namely voltage regulators, regulators for use in turbo engines in boats, cars, trucks, parts and fittings for the afore-mentioned goods; Electricity control panels, parts, fittings and accessories for the afore-mentioned goods; Converters, electric, parts, fittings and accessories for the afore-mentioned goods; Condensers, namely, capacitors, parts and fittings for the afore-mentioned goods; Electric cable adapters, namely, electric plug adapters, parts and fittings for the afore-mentioned goods; Chargers for electric batteries, namely, chargers for electric batteries for electric vehicles, parts and fittings for the afore-mentioned goods; power Inverters, parts and fittings for the afore-mentioned goods; thermal sensors, timing sensors, velocity sensors, water level sensors, acceleration sensors, distance sensors, parts and fittings for the afore-mentioned goods; Electric cables, parts and fittings for the afore-mentioned goods; Global positioning system [GPS] consisting of computers, computer software, transmitters, receivers, and network interface devices, parts and fittings for the afore-mentioned goods; scanners systems for diagnosing the performance of marine engines diagnostics, parts, fittings and accessories for the afore-mentioned goods; downloadable computer software for performing diagnostics on marine engines; protective and carry cases for marine engine diagnostic equipment, parts, fittings and accessories for the afore-mentioned goods; data transmission cables for marine engine diagnostic equipment, parts and fittings for the afore-mentioned goods; Dongles being computer hardware for marine engine diagnostic equipment, parts and fittings for the afore-mentioned goods; electric measuring devices for measuring temperature, voltage, electric current in marine vessels, namely, parts and fittings for the afore-mentioned goods; Marine navigational apparatus, namely, chart plotters, sonar depth sounders, satellite navigation devices, compasses, depth gauges, depth finders, parts and fittings for the afore-mentioned goods; Electronic temperature regulating and temperature control apparatus for household and industrial purposes, parts and fittings for the afore-mentioned goods; electronic controls and remote controls mechanisms for controlling motion of a vehicle, of a marine vessel, parts and fittings for the afore-mentioned goods; electronic control apparatus for land and marine vehicles and equipment, personal watercraft, land and marine engines, and lawn and garden equipment, for throttle control, for push-pull control, for steering control, parts and fittings for the afore-mentioned goods; downloadable digital files being training guides in the field of marine navigational, parts, fittings and accessories for the afore-mentioned goods; Graphical user interface software; downloadable multimedia files being audio and video files containing recordings in the field of marine navigational; Electric current, cut-out, differential, dimmer, light, rotary, tactile and toggle switches and multiplexers, parts and fittings for the afore-mentioned goods; Scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments, namely optical transceivers, optical cables, marine compasses, depth gauges, trailer and tow vehicle lighting sensors for measuring electricity, emergency led signaling flares, rescue laser signaling flares, non-explosive and non-pyrotechnic rescue flares, electronic warning horns, signaling whistles, signaling lights for land and marine vehicles and equipment, personal watercraft, and radar reflectors for marine vehicles and personal

watercraft, water sensors for detecting leaks, parts and fittings for the aforementioned goods; water sensors for detecting water levels, parts and fittings for the afore-mentioned goods

Class 10

(5) Refrigerating containers for medical use, for organ and tissue transportation and preservation

Class 11

(6) Food and beverage cooking, heating, cooling and treatment equipment, namely, electric refrigerators, freezers, cool boxes, electric, ice making machines, battery-operated portable coolers and heater for food and beverage, gas stoves, gas cooktops, induction cooktops, parts, components and fittings for all the aforesaid goods; Barbecues, Parts, components and fittings for all the aforesaid goods; Camping stoves, parts, components and fittings for all the aforesaid goods; Cooking rings for household purposes, parts, components and fittings for all the aforesaid goods; Kitchen ranges; Cooking utensils, electric, namely, slow cookers, toaster, microwave ovens, rice cookers, parts, components and fittings for all the aforesaid goods; Electric coffeepots, parts, components and fittings for all the aforesaid goods; Electric broilers, parts, components and fittings for all the aforesaid goods; Electric hotplates, parts, components and fittings for all the aforesaid goods; Electric indoor grills, parts, components and fittings for all the aforesaid goods; Electric kettles for household purposes, parts, components and fittings for all the aforesaid goods; electric tea kettles, parts, components and fittings for all the aforesaid goods; Electric ranges, parts, components and fittings for all the aforesaid goods; Electric roaster ovens, parts, components and fittings for all the aforesaid goods; Gas fired broilers, parts, components and fittings for all the aforesaid goods; Gas grills, parts, components and fittings for all the aforesaid goods; gas hobs; Heating plates, parts, components and fittings for all the aforesaid goods; Microwave ovens, parts, components and fittings for all the aforesaid goods; Ovens, namely, pizza oven, convection ovens, electric toaster ovens, gas cooking ovens for household purposes, parts, components and fittings for all the aforesaid goods; structural plates for stoves, parts, components and fittings for all the aforesaid goods; structural plates for ovens, parts, components and fittings for all the aforesaid goods; Rotisseries, parts, components and fittings for all the aforesaid goods; Electric refrigerators [for household purposes], parts, components and fittings for all the aforesaid goods; Beverage cooling dispensing machines, parts, components and fittings for all the aforesaid goods; Wine cellars, electric, parts, components and fittings for all the aforesaid goods; Ice boxes, parts, components and fittings for all the aforesaid goods; Ice boxes, parts, components and fittings for all the aforesaid goods; Freezers, parts, components and fittings for all the aforesaid goods; Combinations of refrigerators and freezers, parts, components and fittings for all the aforesaid goods; Ice machines and ice dispensing machines, parts, components and fittings for all the aforesaid goods; Portable refrigerators, parts, components and fittings for all the aforesaid goods; Refrigerating appliances and installations, namely, refrigerators and freezers, refrigerated beverage dispensing units, refrigerating containers, refrigerating display cabinets, refrigerating display cabinets, parts, components and fittings for all the aforesaid goods; Refrigerating cabinets, parts, components and fittings for all the aforesaid goods; Refrigerators, parts, components and fittings for all the aforesaid goods; Gas lighters, parts, components and fittings for all the aforesaid goods; Sinks, parts, components and fittings for all the aforesaid goods; Kitchen sinks, parts, components and fittings for all the aforesaid goods; indoor and outdoor lighting fixtures, parts, components and fittings for all the aforesaid goods; Apparatus for heating, namely, electric heating fans, heating modules, heating radiators, parts, components and fittings for all the aforesaid goods; electric clothes drying machines for household purposes, parts, components and fittings for all the aforesaid goods; Aeration apparatus, namely, air exchangers for cleaning and purifying air, parts, components and fittings for all the aforesaid goods; Water supply apparatus, namely, tap water faucets, water faucet adapters, parts, components and fittings for all the aforesaid goods;

Sanitary installations, namely toilettes, urinals, wash-hand basins being parts of sanitary installations, parts, components and fittings for all the aforesaid goods; Friction lighters for igniting gas, parts, components and fittings for all the aforesaid goods; Bicycle lights, parts, components and fittings for all the aforesaid goods; Searchlights, parts, components and fittings for all the aforesaid goods; Electric torches, parts, components and fittings for all the aforesaid goods; Diving lights, parts, components and fittings for all the aforesaid goods; Searchlights; LED lamps; Gas lamps; Oil lamps; Safety lamps, parts, components and fittings for all the aforesaid goods; Ceiling lights, parts, components and fittings for all the aforesaid goods; Lamp reflectors, parts, components and fittings for all the aforesaid goods; Pocket warmers, parts, components and fittings for all the aforesaid goods; Immersion heaters, parts, components and fittings for all the aforesaid goods; Ultraviolet ray lamps, not for medical purposes, parts, components and fittings for all the aforesaid goods; Water filtering units for domestic use, parts, components and fittings for all the aforesaid goods; Water sterilizers, Storage water heaters, parts, components and fittings for all the aforesaid goods; Electric boilers, parts, components and fittings for all the aforesaid goods; Gas fired water heaters, parts, components and fittings for all the aforesaid goods; Solar water heaters, parts, components and fittings for all the aforesaid goods; Water heaters (portable), parts, components and fittings for all the aforesaid goods; Ice boxes, parts, components and fittings for all the aforesaid goods; Refrigerating containers, parts, components and fittings for all the aforesaid goods; Gas patio heaters, gas water heaters, parts, components and fittings for all the aforesaid goods; Gas-fired heat spreaders for use in tents, caravans and motorhomes, parts, components and fittings for all the aforesaid goods; portable electric heaters for use in tents, caravans and motorhomes, parts, components and fittings for all the aforesaid goods; Electric blankets, parts, components and fittings for all the aforesaid goods; Dehumidifiers, parts, components and fittings for all the aforesaid goods; Toilets, portable, parts, components and fittings for all the aforesaid goods; Gas pressure regulators for gas stoves, gas cooktops, barbecues, gas fired broilers, gas grills, gas patio heaters, gas-fired heat spreaders, gas cooking ovens, gas hobs, parts, components and fittings for all the aforesaid goods; charcoal barbecues, parts, components and fittings for all the aforesaid goods; portable gas stoves, parts, components and fittings for all the aforesaid goods; Gas cooking ovens for household purposes, parts, components and fittings for all the aforesaid goods; portable cooking gas ovens for household purposes, parts, components and fittings for all the aforesaid goods; Gas hobs, parts, components and fittings for all the aforesaid goods; Electric cooking ovens for household purposes, parts, components and fittings for all the aforesaid goods; portable electric hobs, parts, components and fittings for all the aforesaid goods; Toasters, parts, components and fittings for all the aforesaid goods; Electric toasters, parts, components and fittings for all the aforesaid goods; Electric kettles, parts, components and fittings for all the aforesaid goods; electric hot and cold water dispensers, parts, components and fittings for all the aforesaid goods; Heaters for vehicles, parts, components and fittings for all the aforesaid goods

Class 12

(7) Sunlight and heat shields for motor cars, parts and fittings for all the aforesaid goods; namely, tool trolleys, two-wheeled trolleys, boat launching trolleys, parts and fittings for all the aforesaid goods; Car covers, parts and fittings for all the aforesaid goods; fitted covers for caravans, parts and fittings for all the aforesaid goods; fitted covers for trailers, parts and fittings for all the aforesaid goods; fitted covers for trailer tents, parts and fittings for all the aforesaid goods; Marine vehicle parts, namely, steering wheels, steering brakes, fuel tanks and equipment therefor, ship ballast tanks, grease pouches, clamps, seats, steering shafts; mechanical and hydraulic steering wheels and gears for marine vehicles and parts thereof; Sun, light and heat shields of textile material for recreational vehicles (RV), motor homes, Caravans, Yachts, Boats, passenger

vehicles, Vans (vehicles) and Lorries/trucks, parts and components for all the aforesaid goods; electronic, hydraulic and mechanical marine steering systems and parts for the aforementioned marine steering systems; Hydraulic marine controls for controlling speed and direction of motion in marine vessels, namely steering gear for ships, pull shift and throttle controls, parts and fittings for the afore-mentioned goods; Electronic marine controls for controlling speed and direction of motion in marine vessels, namely steering gear for ships, pull shift and throttle controls, parts and fittings for the afore-mentioned goods; Mechanical marine controls for controlling speed and direction of motion in marine vessels, namely steering gear for ships, pull shift and throttle controls, parts and fittings for the aforementioned goods; Marine steering gears and parts for marine steering gears

Class 16

(8) Printed recipe cards; Menu cards; Cookery books; Calendars; Catalogues; Coupon books; Greeting cards; Informational sheets in the field of outdoor equipment and apparatuses; Manuals for instructional purposes; Magazines [periodicals]; Newsletters; Printed calendars; Printed coupons; Paper bags; Bags of plastics for lining refuse bins; Bags of paper for roasting purposes; Garbage bags of paper or of plastics; Food waste bags of paper for household use; Plastic food storage bags for household use; Freezer bags; Hygienic hand towels of paper; Bags for microwave cooking; Coasters of cardboard; Coasters of paper; Kitchen towels of paper; Napkin paper; Paper coffee filters; Tablecloths of paper; Table napkins of paper; Place mats of paper; Manuals (not in electronic format)

Class 17

(9) watering hoses, air hoses, marine steering hoses; O-rings

Class 18

(10) Leather and imitation leather; Animal skins; luggage and carrying bags; Umbrellas and parasols; Walking sticks; Whips, harness and saddlery; Collars, leads and clothing for animals; Insulated backpacks

Class 20

(11) window roller blinds for use indoors, parts and components for all the aforesaid goods; Venetian blinds of textile or plastic, parts and components for all the aforesaid goods; Workbenches, parts and components for all the aforesaid goods; outdoor furniture, patio furniture, motor cars furniture, parts and components for all the aforesaid goods; folding furniture, namely, folding tables, folding beds, folding chairs, folding seats, folding stools, folding chests, parts and components for all the aforesaid goods; Beds and cots, parts and components for all the aforesaid goods; Airbeds, not for medical purposes, parts and components for all the aforesaid goods; Inflatable pillows, parts and components for all the aforesaid goods; Inflatable pillows and Air mattresses, parts and components for all the aforesaid goods; Sleeping mats for camping [mattresses], parts and components for all the aforesaid goods; Pillows, parts and components for all the aforesaid goods; Mattresses, parts and components for all the aforesaid goods; tent poles, not of metal, parts and components for all the aforesaid goods; Foldaway beds, parts and components for all the aforesaid goods; Camp beds, parts and components for all the aforesaid goods; Air mattresses, parts and components for all the aforesaid goods; Foam mattresses, parts and components for all the aforesaid goods; containers made of plastics for carrying water, parts and components for all the aforesaid goods; portable waste water carriers (containers) made of plastics, parts, components and accessories for all the aforesaid goods; Non-metal wheel chocks, parts, components and accessories for all the aforesaid goods; Folding chairs, parts, components and accessories for all the aforesaid goods; Folding tables, parts, components and accessories for all the aforesaid goods; Indoor window blinds [shades] [furniture], parts and components for all the aforesaid goods; Window furniture, namely, window handles, not of metal, window hinges, not of

metal, window trims, not of metal, decorative window finials, parts and components for all the aforesaid goods; Window fittings, not of metal, parts and components for all the aforesaid goods; Furniture for camping, parts, components and accessories for all the aforesaid goods; Chests, not of metal, parts and components for all the aforesaid goods

Class 21

(12) Household and kitchen utensils, namely, spatulas for kitchen use, basting spoons for kitchen use, cooking spoons, mixing spoons, serving spoons, serving tongs, manual garlic peelers, manual whisks, pizza peels, turners being kitchen utensils, potato mashers, cheese graters, bottle openers, jar opener, wine opener, rolling pins, mushroom brushes, basting brushes, salad spinners, colanders, ice cream scoops, kitchen mortars and pestles and food storage containers, plastic storage containers for household or domestic use, parts and fittings for the aforementioned goods; Cooking pots and pans; Corkscrews, electric and non-electric, parts and fittings for the aforementioned goods; Earthenware, Dishes; glasses and drinking vessels, namely, cocktail glasses, coffee glasses, liqueur glasses, pint glasses, table glassware, wine glasses, shooter glasses; Insulating flasks; Lunch boxes; picnic baskets with dishes, parts, fittings and accessories for the aforementioned goods; Portable cool boxes, non-electric, parts and fittings for the aforementioned goods; Ice buckets (non-electric containers), parts and fittings for the aforementioned goods; Insulated food and drink storage containers, parts and fittings for the aforementioned goods; Pitchers; lunch boxes, portable cool boxes, non-electric, parts and fittings for the aforementioned goods; Mugs; Cups; Basins, namely, bowls, parts and fittings for the aforementioned goods; Plastic bowls; washing-up bowls, parts and fittings for the aforementioned goods; Picnic boxes and bags (fitted), parts and fittings for the aforementioned goods; Picnic crockery; Insulating flasks and decanters of steel, parts and fittings for the aforementioned goods; insulated carafes and cafetieres, parts and fittings for the aforementioned goods; beverage glassware; Cooking or household utensils and containers, parts, fittings and accessories for the aforementioned goods; reusable water bottles sold empty, thermally insulated beverage bottles; drinking flasks and Receptacles; Containers for ice, parts and fittings for the aforementioned goods; utensils for dispensing liquids, namely dispensers for liquid soap for household purposes, parts and fittings for the aforementioned goods; Glass stoppers; Tea infusers, parts and fittings for the aforementioned goods; Teapots, parts and fittings for the aforementioned goods; non-electric coffee percolators, parts and fittings for the aforementioned goods; Clothes drying racks, parts, fittings and accessories for the aforementioned goods; ice pails, parts and fittings for the aforementioned goods; Plastic buckets for general purposes, plastic wine buckets, parts and fittings for the aforementioned goods; cleaning brushes for household use, parts and fittings for the aforementioned goods; Oven mitts, parts and fittings for the aforementioned goods; whistling kettles, parts and fittings for the aforementioned goods; Kettles, non-electric, parts and fittings for the aforementioned goods; Tableware, other than knives, forks and spoons, namely, dishes and plates, bowls, serving plates, saucers, cream and sugar sets, salt and pepper shakers, egg cups, parts, fittings and accessories for the aforementioned goods; Bakeware, parts and fittings for the aforementioned goods; Beverage coolers [containers], parts and fittings for the aforementioned goods; Heat-insulated containers for beverages, parts and fittings for the aforementioned goods; Camping grills, parts and fittings for the aforementioned goods; Ceramics for household purposes, namely, ceramic figurines, ceramic ornaments, ceramic sculptures parts; ornament of porcelain; Deep fryers, non-electric, parts and fittings for the aforementioned goods; Cooking pots, parts and fittings for the aforementioned goods; Cooking pot sets, parts and fittings for the aforementioned goods; Isothermic bags; non-electric coolers for food and drinks, parts and fittings for the aforementioned goods; Portable cool boxes, non-electric, parts and fittings for the aforementioned goods; Earthenware; Food storage containers, parts and fittings for the aforementioned goods;

Heat-insulated containers for food and beverages, parts and fittings for the aforementioned goods; Ice cube molds; Cooking pots and pans [non electric], parts and fittings for the aforementioned goods; Food steamers, non-electric, parts and fittings for the aforementioned goods; Fireproof dishes; Portable cooking kits, namely, portable pots and pans, for outdoor use, parts and fittings for the aforementioned goods; Pots; Potholders, parts and fittings for the aforementioned goods; Reusable ice cubes; Roasting dishes; Saucepans, parts and fittings for the aforementioned goods; Thermal insulated bags for food or beverages; Thermal insulated containers for food or beverage, parts and fittings for the aforementioned goods; Trays for household purposes, namely, baking trays, cabaret trays, serving trays, parts and fittings for the aforementioned goods; Dustbins, parts and fittings for the aforementioned goods; Cleaning articles, namely, cleaning rags, household cleaning towelettes, kitchen cleaning sponges, brooms, mops, parts and fittings for the aforementioned goods; Insulated bottle bags, parts and components for all the aforesaid goods; picnic baskets, parts and components for all the aforesaid goods; Tap water purifying apparatus, parts, components and fittings for all the aforesaid goods; Plastic oven cooking bags

Class 22

(13) Tarpaulins, parts and fittings for the aforesaid goods; Tents, parts, fittings and accessories for the aforesaid goods; Covers, not fitted, for land and marine vehicles, personal watercraft, covers for boats, not fitted, unfitted vehicle covers parts and fittings for the aforesaid goods; Caravan awnings, parts, fittings and accessories for the aforesaid goods; awnings for vehicles, parts, fittings and accessories for the aforesaid goods; awnings for motorhomes, parts, fittings and accessories for the aforesaid goods; Canopies of textile, parts and fittings for the aforesaid goods; Groundsheets, parts and fittings for the aforesaid goods; shaped waterproof covers specifically adapted to protect tents, parts and fittings for the aforesaid goods; Washing lines, parts, fittings and accessories for the aforesaid goods; shaped waterproof coverings specifically adapted to protect camping camps, parts and fittings for the aforesaid goods; Waterproof tarpaulins, parts and fittings for the aforesaid goods; Hammocks, parts, fittings and accessories for the aforesaid goods; Rope ladders, parts and fittings for the aforesaid goods; Cordage; Strings; fabric and polyester mesh nets used for storing household items, parts and fittings for the aforesaid goods; Windbreaks in the nature of awnings, parts and fittings for the aforesaid goods; Sails, parts, fittings and accessories for the aforesaid goods; Sacks of textile for packaging, parts, fittings and accessories for the aforesaid goods; Bags for storage purposes, parts and fittings for the aforesaid goods; Fillings for pillows; Tents [awnings] for vehicles, parts, fittings and accessories for the aforesaid goods; window awnings parts, fittings and accessories for the aforesaid goods

Class 24

(14) Curtains, parts and components for all the aforesaid goods; Fly screens in the nature of insect protection nets for household purposes, parts and components for all the aforesaid goods; Textile fabrics; covers of textiles for use in tents, Sun awnings, Tarps, Covers, not fitted, parts and components for all the aforesaid goods; Sleeping bags; Fly netting of plastic in the nature of insect protection nets for household purposes parts, and components for all the aforesaid goods

Services

Class 35

(1) Retailing, including online sale, relating to products and accessories for recreational vehicles (RV), motor homes, Caravans, Yachts, Boats, passenger vehicles, Vans (vehicles) and Lorries /trucks, Camping purposes, advisory, consultancy and information services for all the aforementioned services; Retailing, including online sale, relating to awnings, Curtains and blinds, Venetian blinds, minibars, refrigerating cabinets for hotel rooms, security boxes (safes), food and beverage, cooking, heating, cooling and treatment equipment, Equipment for cooking food,

refrigerating equipment for food, advisory, consultancy and information services for all the aforementioned services; Retail services relating to housewares, namely food preparation implements, electric equipment for household use, freezing equipment, tableware, Kitchen utensils and containers, Downloadable electronic publications, advisory, consultancy and information services for all the aforementioned services

Class 37

(2) Installation, maintenance and repair of heating installations and air conditioning installations, Ventilating systems, advice, consultancy and information services relating to any of the aforesaid services; Installation and manufacture advice relating to blinds, screens, awnings, Drapes, Shutters, fly screens, light, sun and heat shields, window fittings, windows and door trims for recreational vehicles (RV), motor homes, Caravans, Yachts, Boats, passenger vehicles, Vans (vehicles) and Lorries/trucks, advice, consultancy and information services relating to any of the aforesaid services

Class 40

(3) Manufacturing of marine vessels steering systems and components thereof for others, advice, consultancy and information services relating to any of the aforesaid services

Class 41

(4) Education, entertainment and sport services in the field of outdoor activities, vehicles and outdoor equipment, advise, consultancy and information services relating to all the aforesaid services; Education and instruction services in the field of outdoor activities, vehicles and outdoor equipment, advise, consultancy and information services relating to all the aforesaid services; Education services in the field of outdoor cooking, advise, consultancy and information services relating to all the aforesaid services; Providing on-line electronic publications, not downloadable in the field of outdoor activities, vehicles and equipment, advise, consultancy and information services relating to all the aforesaid services; Publishing services and Reports in the field of outdoor activities, vehicles and equipment, advise, consultancy and information services relating to all the aforesaid services; Organisation of events for cultural, entertainment and sporting purposes in the field of outdoor activities, vehicles and equipment, advise, consultancy and information services relating to all the aforesaid services; Organisation of educational events in the field of outdoor activities, vehicles and equipment advise, consultancy and information services relating to all the aforesaid services

Class 42

(5) Design relating to blinds, screens, awnings, curtains, shutters, light, sun and heat shields, window fittings, windows and door trims, consultancy, advisory and information services relating to the aforesaid services; Design relating to blinds, screens, awnings, curtains, shutters, light, sun and heat shields, window fittings, windows and door trims available from a computer database and via the internet consultancy, advisory and information services relating to the aforesaid services; Design of marine vessels steering systems and components thereof for others, the aforesaid services also provided on-line from a computer database and the Internet, advice, consultancy and information services relating to the aforesaid services

Goods

Class 01

(1) Anti-foaming agents for use in the manufacture of pharmaceuticals; adhesives for use on transdermal drug patches; excipients for use in the manufacture of pharmaceutical preparations, namely, silicone-based excipients for the delivery of active pharmaceutical ingredients in topical forms including creams, lotions, gels, ointments, sprays or sticks; unprocessed silicone elastomer resins; silicones for use in the manufacture of cosmetic compositions; unprocessed silicones resins; silicone for use in the manufacture of personal care and cosmetic compositions; silicone used in the manufacture of orthopedic devices; unprocessed siloxane resins.

Class 05

(2) Transdermal patches for hormone therapy, central nervous pathologies, pain relief; medicated acne treatment patches; medicated transdermal patches for relief of aches; nicotine patches for use as aids to stop smoking; transdermal patches containing cannabis for the relief of pain; transdermal patches for use in the treatment of vitamin deficiency; transdermal patches that facilitate the delivery of anesthetic; drug delivery agents in the form of transdermal patches that facilitate the delivery of pharmaceutical preparations; adhesive skin patches for the transdermal delivery of pharmaceuticals for use with hormone therapy, central nervous pathologies, pain relief, anesthetic, vitamin deficiency; adhesive tapes and plasters for medical use; medical adhesives for binding wounds; medical adhesives for binding internal tissue; silicone-based adhesive bands, tapes, gels and plasters for medical purposes; silicone-based personal lubricants; topical gels sold as a base or vehicle for medicine or active ingredients, namely, ultrasound gel; topical first aid gels; preparations, namely, gel, cream, lotion, and spray for use in the pharmaceutical industry as a vehicle for medical, therapeutic or pharmaceutical ingredients; silicone gel treatment of scars; adhesives for use with ostomy bags; wound suture strips.

Class 10

(3) Elastomeric material, namely, rubbers, soft filing elastomers and silicone elastomer membranes for medical use, for use with implanted devices, medical diagnostic devices and components, non-implant external devices; silicone orthopedic implants; silicone prosthetic implants, hip implants, dental implants, contraceptive implants, breast implants, bone implants;

silicone subdermal surgical implants for replacing human tissue; silicone rubber prosthetic surgical implants for replacing human tissue; silicone subdermal implants for use in tendons, bone grafting, facial surgery, jaw surgery, oral surgery; silicone rubber prosthetic implants for use in tendons bone grafting, facial surgery, jaw surgery, oral surgery; silicone prosthetic implants; ostomy pouches; ostomy bags; clips adapted for use with ostomy bags; ligation clips for medical use; suture material; inhalers for medical purposes sold empty.

Class 17

(4) Silicone rubber; silicone rubber sealant; silicone sealants; adhesives sealants; silicone adhesives, namely, amine-compatible silicone adhesive, reduced-silanol silicone adhesives, pressure sensitive adhesives and two-part, platinum-catalyzed, soft, filler-less elastomeric adhesives for wound care applications not for medical use; flexible plastic and silicone tubing used for transport of liquids and biologicals for use in the pharmaceutical and medical industries; flexible plastic and silicone tubing used for transport of liquids and biologicals for use in the pharmaceutical and medical industries; O-rings; non-metallic connectors for tubes; non-metallic couplings for rubber tubes.

Goods

Class 02

(1) Anti-corrosive paints, conductive paints, acrylic varnishes, bitumen varnish, lacquers for use in painting, paint and lacquer glazes; non-stick coatings in the nature of paint, paint primers, intermediate coat and top coat paints for concrete floors and for use in industrial building construction, paints and coating compositions in the nature of interior and exterior paints for architectural applications with added pigments, colouring matters, dyestuffs; primer paints and pigmented primers for building construction, in particular for masonry and concrete; floor paints, in particular for concrete, plaster and screed surfaces; epoxy resin lacquers for coating wood, metal and stone floors; paints for coating floors, consisting of polyurethane and epoxy resins; anti-static paints; stone preservatives namely, oil coatings to protect stone from water; paints for use on traffic areas of all kinds namely parking garages, stadium concourses, pedestrian walkways and bridges, balconies and parking lots, preservatives against rust and anti-corrosive preparations, in particular for the anti-corrosive protection of concrete and concrete maintenance; pigmented protective agents for stone namely, paint coatings to protect stone from water; thinners, namely paint thinners, thinners for dyes, thinners for dyestuffs, thinners for lacquers, thinners for varnishes; preparations for preventing the deterioration of wood; wood preservatives, all also coloured; antifungal varnish, namely floor protection varnish; raw natural resins; metals in foil and powder form for painters, decorators, printers and artists; paints for sealing cement and concrete, namely paints coatings to protect cement and concrete from water

Class 17

(2) Plastics in extruded form for use in manufacture; plastic seals, namely plastic sheeting used in the construction industry as a vapour barrier, sealing strips of plastics for use in the construction industry; insulating materials produced from plastics; plastic film for insulating purposes; stuffing of plastic; semi-finished products namely extruded plastics; plastic foam in the form of sheets and blocks; double profile tubes and expansion joint fillers of plastic for use in manufacturing; reinforcing rails of plastic for pipes; fibreglass fabrics, glass mesh fabric, glass-fibre nonwovens for insulation; glass insulating sheets for buildings, acoustical insulation barrier panels; packing, stopping and insulating materials, namely thermal insultation for insulating buildings and for facades of buildings; insulating materials of all kinds, namely fiberglass insulation materials for

buildings, foam insulation materials for use in building, vulcanized fiber for use in the manufacture of building insulation materials; elasticised insulating materials namely insulating bands, insulating tapes, rubber sheets for insulating purposes; sound absorbing, sound control and sound reflecting building materials, namely soundproofing materials made of mineral wool; insulating panels in the form of heat insulation materials of rigid foam, mineral wool made of rock, glass wool, mineral fibres, mineral foam, PU foam, PIR foam, phenolic resin, cork, hemp, softwood fibres; sealing profiles, namely expansion joint fillers; joint packings for pipes; joint closures, namely insulating splice covers for electrical cables; sealants for buildings; sealing compounds, crack filling compounds, sealants for joints; flexible plastic pipes for plumbing purposes; sealing and adhesive tapes for use in building, namely adhesive anti-slip tape for flooring applications, construction adhesive tape, rubberized construction adhesive tape, adhesive sealants, adhesive rubber based waterproofing sealant tape; adhesive tapes double-sided waterproofing adhesive sealant tape; adhesive masking tapes for industrial purposes; sealing and joint tapes for pipes.

Class 19

(3) Non-metallic building materials, namely concrete construction blocks, fireproof tiles, asphalt for building purposes, concrete beams, concrete paving blocks, glass panels, non-metallic paving tiles and paving slabs, marble used as building material, granite; non-metallic building products namely plaster used for building purposes, mortar for building, stone for building and construction; non-metallic textured wall surfacings, namely wall panels, not of metal; woven fabrics in rolls, pieces and prefabricated forms for use in building, namely fabric angles and corners; decorative ornaments and decorative profiles in particular of rigid foam and foamed glass beads, namely, plastic decorative moldings and decorative trim for use in building construction; string cornice profiles, not of metal; termination strips, namely building seam tape; bumper strips, namely railings, not of metal; frames and surrounds for wall openings, namely window frames, not of metal, non-metal door frames; sills, not of metal; rigid pipes of polyethylene for building; beams, bars, rails, strips, profiles, brackets and corners, not of metal, for use in building, namely concrete beams, wood beams, glass bars, PVC railings, wooden railings, building strips of plastic, multi-chamber plastic profiles, concrete brackets, vinyl brackets, wood brackets, drywall corner beads, not of metal; window sills, window frames, door lintels, door sills, door frames, not of metal; fiberglass building panels, in particular panels for cladding walls and facades; facade cladding for building, partly made of stone, artificial stone and with coatings visually reminiscent of stone; building boards, wall panels, and panels for facade claddings made of glass, stone veneer, ceramic for construction purposes; front-hung, back-ventilated exterior wall cladding, not of metal, for buildings, including carrier sheets for various coating variants; ceiling and wall coatings with rigid foam granules; mouldings of composite plastic, composite wood, polymer composite, resin composite for use in building; natural stone, artificial stone; building stone; refractory materials, namely refractory bricks, refractory cement, refractory clay, refractory concrete, refractory mortars; natural ashlar stone, calcareous stone, sandstone, granite, marble being building material; natural ashlar stone in blocks, slabs; massive stones, namely building stones; ceramics, namely ceramic tiles; stone façade panels for construction purposes, stone-bonded facade panels for construction purposes, stone rear-ventilated curtain walls, stone walls; interior and exterior stone floors, namely floor tiles of natural stone, floor tiles of artificial stone; works of stonemasonry, namely natural ashlars stone, masonry blocks of concrete, stone paving blocks, concrete curbs, ceramic tiles; bricks; filling cement for mosaics; granulated marble being building material, sand, and gravel; spackling compound, grouting compounds and quick-repair mortar; mortar, screed, concrete; finishing and base coats for indoor and outdoor applications, namely, asphalt-based coatings and sealants for roofing, walls and pavements, decorative plaster for indoor and outdoor applications; artificial resin plaster, silicate plaster, silicone resin plaster, dry plaster in powder form; lime for

building, cement mixes, plaster of paris; reinforcing compounds, namely wood-fiber reinforced cement boards, reinforcing compounds namely reinforced glass for building, asphalt-based wall coating for spraying, painting and spreading; filling foam, namely filling cement; decorative compositions for floor coatings, namely decorative tiles, not of metal, for hearth extensions; non-metallic pipes, namely cement pipes, concrete pipes, clay pipes, plastic pipes, PVC pipes for construction purposes; building auxiliaries for use in wall drainage, namely non-metal drain pipes, drainage mat for exterior wall systems being a rainscreen; drilling hole filling compounds, namely cement, asphalt, pitch, bitumen; rendering base, concrete repair materials for repairing concrete parts in structural and civil engineering, namely concrete mixes; asphalt, pitch, bitumen; space frame modular units, not of metal, namely modular non-metal structures with flexible covers for agricultural, commercial or industrial storage; non-metallic building sections, namely building panels of concrete, glass and plastic; floor coatings, namely floor tiles of cement, screed, mortar and concrete, including in combination with epoxy resins and polyurethanes; ventilated curtain facade systems comprised of panels of concrete, glass and plastic for construction purposes; levelling compounds namely grouting compounds and spackling compounds; expansion joints of fabric for pipes; parts, profiles and rails of plastic for installation in thermal insulation composite devices, namely building panels of plastic, the aforesaid goods including prefabricated thermal insulation composite devices consisting substantially of plastic.

Services

Class 37

(1) Civil construction services, namely bridge construction services, building construction services, harbour construction services, home building construction services, pipeline construction services, road construction services; consultancy relating to the structure and colour design of building coatings namely building construction.

Class 41

(2) Training courses in the field of bridge construction, building construction, harbour construction, home building construction, pipeline construction and road construction; preparation, arranging and conducting of workshops in the field of bridge construction, building construction, harbour construction, home building construction, pipeline construction and road construction; conducting of further training events relating to the artistic, functional and technical-economic aspects of designing building surfaces, in particular walls, interior and exterior, and floors and ceilings.

Class 42

(3) Providing information via a database containing colour, structure and material concepts for building coatings of all kinds, interior and exterior, for individual buildings and groups of buildings, namely providing information relating to the design of colour and material concepts for exterior coverings and interior spaces of individual buildings and groups of buildings via an interactive database; programming of computer software for creating colour and material concepts for interior design; architecture, namely selection and determination of colour tones, surfaces and materials for parts of buildings, individual buildings and cityscape designs; product development services, namely development of colour and material concepts; preparation of reports relating to technical project studies for construction projects; construction project engineering consultancy services; civil engineering design consultancy; civil engineering design consultancy regarding material selection, colour selection, architecture, construction in stone, building design services, energy efficiency (saving) and environmental planning; development and testing of technical and design solution in the field of building construction; development and providing of colour schemes for the

purposes of interior and exterior design; design and development of computer hardware and software; computer services, namely providing search engines for finding the information, resources and websites of others on a global computer network

Class 09

(1) Electronic acceleration sensors, electronic coolant-temperature sensors, electronic distance sensors, electronic oil level sensors, electronic pressure sensors, electronic proximity sensors, electronic temperature sensors, electronic timing sensors, electronic velocity sensors; Electronic shock sensors; electronic customized engine control sensors for automobiles, namely, Air-fuel Ratio Meters, Engine Speed Sensors, Throttle Position Sensors, Crank Position Sensors, Cam Position Sensors, Knock Sensors, Engine Coolant Temperature Sensor, Manifold Absolute Pressure (MAP) Sensors, Mass Air Flow (MAF) Sensors, Oxygen Sensors, Fuel Pressure Sensors, and Vehicle Speed Sensors; Electronic speed regulators for automobiles, electronic regulators for use in turbo engines in vehicles, electronic voltage regulators for vehicles; electronic meters namely, electronic ampere-hour meters, electronic gas meters, electronic tachometers; Relays, electric; Electronic components namely electric accumulators for vehicles, electric super capacitors, fuel cell electrodes; Electronic controllers for measuring, monitoring and controlling suspension, speed, road grip, shock absorbers, dampers, brakes, engine behavior and throttle response of cars; Electronic tags namely active tire temperature tire pressure monitoring electronic tags, passive tire temperature tire pressure monitoring electronic tags; Electronic computer chips; Integrated electronic circuits; Electronic high-frequency switching power supplies for automobiles; Optical electronic components namely, optical laser lens pick-ups; Electronic burglar alarms; Transmitters of electronic signals namely radio frequency transmitters, optical transmitters, keyless car entry transmitters, keyless ignition switch transmitters; computer game software; cruise controls for motor vehicles; Electronic power transformers; Downloadable electronic game programs; Car navigation computers; Electronic sports racing vehicle training simulators; Electronic components used in machines namely, capacitors, electric resistors, semiconductor diodes, diode arrays, transistors, and electronic relays; Electronic data processing equipment namely notebook computers, cell phones, MP3 players, MP4 players and computers; Programmed-data-carrying electronic circuits; Information carriers namely, blank USB fobs, blank USB keys, blank USB flash drives, blank USB cards, blank CDs, blank CD-ROMs, blank flash memory cards, blank integrated circuits cards; Electrical remote control apparatus namely radar and beacons for vehicle remote guidance; Testing apparatus for electronic equipment namely probes for testing integrated circuits, probes for testing semi-conductors; Electronic control systems for machines

being computers to monitor the status of the electronic components used in machines namely, capacitors, electric resistors, semiconductor diodes, diode arrays, transistors, and electronic relays; Optical sensors; speed detectors, namely speed meters, automobile slip detectors, road condition detectors; Liquid level sensors; automobile speed sensors; Spectacles; Anti-glare glasses; Goggles for motorists; Goggles for sports; Fire extinguishing apparatus; measuring apparatus namely electromagnetic measuring detectors, multimeters, electronic distance meters, dynamometers; Electronic distance meters; Pressure measuring apparatus namely tire pressure measurers; Dynamometers; Audio amplifiers; Audio speakers for automobiles; Car televisions; Car telephones; Car aerials; Fire extinguishing apparatus for automobiles; Car audio headphones, car audio equalizers, car audio crossovers and speaker housing, car audio cables; Car stereos; Protective helmets for sports; Fireproof automobile racing suits for safety purposes; Traffic sign image recognition systems; Image recognition software; Electronic keys for automobiles; Protective helmets for motorists; Car automatic driving control devices namely autocollimators, and software to permit automatic driving in traffic conditions and to control engine operation at intersections; Computer applications for the operation of car audio navigation and car video navigation computers, transmitters, receivers, and network interface devices; Automated car parking assistance systems consisting of computers, receivers, transmitters, proximity sensors and network interface devices; Tablet holders adapted for use in cars; electronic collision avoidance systems for automobiles consisting of computers, receivers, transmitters, proximity sensors and network interface devices; Car navigation computers; Telemetry apparatus namely telemetry instruments for the recording and transmitting the readings of electronic acceleration sensors, electronic coolant-temperature sensors, electronic distance sensors, electronic oil level sensors, electronic pressure sensors, electronic proximity sensors, electronic temperature sensors, electronic timing sensors, electronic velocity sensors; Car batteries; Rechargeable electric batteries for powering electric automobiles; Power packs being batteries, electric, for automobiles; Battery testers; Anode lithium ion batteries; Batteries for electric vehicles; Battery booster cables; Solar-powered rechargeable batteries; Battery charging devices for motor vehicles; Electric batteries for powering electric vehicles; Computer gaming software; Computer software that permits games to be played; Pre-recorded DVDs featuring games; Game programs for arcade video game machines; Cell phone covers;

Class 12

(2) Cars; Electric cars; Automobile tyres; Spray prevention mud flaps for vehicles; Automobile hoods; Steering wheels for vehicles; Anti-theft devices for vehicles; Bumpers for automobiles; Horns for motor cars; Automobile bodies; Motor Car seats; Automobile engines; Motor racing cars; Automobile chassis; Shock absorbers for automobiles; Upholstery for automobiles; Electric motors for motor cars; Driverless cars [autonomous cars]; Wheel rims for automobiles; Automobiles and structural parts therefor; Racing seats for automobiles; Interior trim parts of automobiles; Automatic gearboxes for motor cars; Gear shifts for automobiles; Powerboats; Cycle cars; Bicycles; Electric cars; Hybrid cars; Brakes for motor cars; Disc brake pads for land vehicles; Spoilers for vehicles; Spoilers for water vehicles; Spoilers for land vehicles; Air flow spoilers for vehicles; Spoilers for air vehicles; Hydraulic brake pressure regulators for vehicles; aerodynamic attachments for vehicle bodies, namely air splitters for vehicles, front nose for vehicles, airscopes for vehicles, rear diffuser for vehicles, rear fin for vehicles, airfoil wings for vehicles, louvers for vehicles; Self-balancing boards; Civilian drones; Camera drones; Delivery drones

Class 28

(3) Toy cars; Scale model vehicles; Racing car games; Toy pedal cars; Toy vehicle tracks; Kits of parts [sold complete] for making toy model cars; Radio controlled toy model cars; sports equipment, namely, rackets for tennis, badminton, racquetball and squash, protective covers for

rackets, ski sticks, snow skis, ski poles, ski bags, golf clubs, golf tees, golf balls, golf club bags; Arcade game machines; Sports games being racing and car games; handheld electronic games namely computer game consoles, handheld electronic games; Electronic hand-held game units; Hand-held electronic games; Electronic educational game machines for children; Toys, games, playthings namely children's ride-on toy vehicles, craft model kits, model cars, scale model vehicle; Mosaic puzzles; toy Drones

Visual Representation

Colour Claim
Colour is claimed as a feature of the trademark. The base of the body is a peachy-grey colour. The overlaid portions on the left-facing side of the body representing muscles and tendons consist of the colours red, orange and light red. The organs displayed on the upper right-facing side of the body consist of red, blue and yellow. The organs displayed on the lower right-facing side of the body consist of the colours red and pink. The starburst radiating from the top of the head transitions from white to yellow to peach. The pyramid is the colour grey. The outline of the pyramid transitions left to right from a dark gold to a light gold. The words are the colour black.

Goods
Class 25
Hats, baseball hats, and caps; clothing, namely, t-shirts, sweaters, hooded sweatshirts, pullovers, tights, jogging pants, jogging suits, athletic wear, and yoga pants

Services

Class 41

(2) providing online resources, namely, non-downloadable publications in the nature of articles in the field of clinical mental health counselling via an interactive website;

Class 44

(1) Mental health counseling services; providing information in the field of clinical mental health counselling via an interactive website; counselling relating to holistic psychology; individual and group psychology services; psychotherapy services; public health counselling

Downloadable software in the nature of a mobile application for food delivery and ordering; Downloadable software in the nature of a mobile application for dark kitchen delivery and ordering; Downloadable software in the nature of a mobile application for parking and transportation logistics, management, and optimization, parking space reservation, parking space rental and locating parking space availability; Downloadable software in the nature of a mobile application for management and optimization of real estate, commercial property, smart cities, parking garages, parking spaces, automobiles, vehicles, retail services, and last mile delivery, fulfillment of orders, and warehousing

Services

Class 35

(1) Mobile retail sale of food; Online ordering services in the field of food, restaurants, restaurant take-out, and restaurant delivery; Providing consumer information in the field of food, restaurants, restaurant take-out, and restaurant delivery; Food ordering services, namely, telephone and online ordering services in the field of restaurant and dark kitchen take-out and delivery services

Class 36

(2) Real estate management services; Real estate services, namely, rental, leasing, management and optimization being the assessment and evaluation of commercial property, retail space, office space, fitness facilities, shared meeting space, and parking garages

Class 39

(3) Delivery of food prepared by restaurants; delivery of food prepared in dark kitchen facilities; parking space reservation services; parking space rental; rental of parking spaces; vehicle parking; vehicle parking services relating to the availability of on-street or off-street parking spaces; car valet parking services; valet parking services; personal valet services for the parking of vehicles; logistics services, namely, last mile delivery of goods and warehousing; Logistics management

services, namely, order fulfillment services, namely order processing for shipping; Transportation logistics services, namely, arranging the transportation of goods for others; Food delivery services

Class 42

(4) Planning and design of kitchens; Proximity as a service, platform as a service (PAAS), and software as a service (SAAS) featuring non-downloadable software for management and optimization of real estate, commercial property, smart cities, parking garages, automobiles, vehicles, retail services, consumer products, and last mile delivery, fulfillment, and warehousing; Proximity as a service, platform as a service (PAAS), and software as a service (SAAS) featuring non-downloadable software for food delivery and ordering, dark kitchen delivery and ordering, parking and transportation logistics, management, and optimization, and parking space reservation, parking space rental and locating parking space availability

Class 43

(5) Providing temporary kitchen facilities; Providing dark kitchen facilities; Rental of facilities for food preparation; Leasing and rental of kitchen facilities; Meal preparation services for others

Class 45

(6) Security guard services; Security guarding for facilities; Security guarding services for building and parking garages; personal security guard and surveillance services

Class 03

(1) Abrasive blasting materials made of silicon carbide; abrasive sand; abrasive shot; general use abrasives; diamantine used as abrasive; metal particles for shot peening; silicon carbide abrasives

Class 06

(2) Couplings and joints of metal for pipes; adjustable pipe collars of metal; metal vent covers for HVAC ducts; vent covers of metal; metal roof vents; grilles of metal; air ducts of metal for buildings; air grilles of metal; reels of metal, non-mechanical, for air hoses; reels of metal, non-mechanical, for the storage of hoses; air pipes of metal for buildings; air vents of metal for buildings; attachment collars of metal for pipes; blasting mats of metal; building fittings of metal; building panels of metal; pre-fabricated houses of metal; non electric conduit swivels of metal; connectors of metal for hoses; connectors of metal for pipes; connectors of metal for tubes; metal valves for controlling the flow of gases in pipelines; couplings of metal for hoses; couplings of metal for pipes; couplings of metal for tubes; couplings of metal for use with high pressure hoses; doors of metal for use in industrial buildings; ducts of metal for housing ventilation pipes; ducts of metal for ventilating installations; elbows of metal for pipes; fastening collars of metal for pipes and tubes; fittings of metal for compressed air ducts; fittings of metal for pipes; fittings of metal for flexible pipes; steel grinding beads for use in wet milling; hose clamps of metal; hose clips of metal; hose connections of metal; hose couplings of metal; hose fittings of metal (parts of machines or engines); hose pipes, of metal; junctions for pipes of metal; metal fittings for air ducts; machine couplings (pipe) of metal; metal blasting mats; metal hoses and metal tubes for machinery; metal hoses for machinery; metal hoses for plumbing use; metal joint connectors for pipes; metal junctions for pipes (other than parts of machines, engines or sanitary installations); metal panels for walls; metal pipe fittings; metal fittings for compressed air lines; metal water pipes; sewer pipes of metal; metal valves for shut-off application (other than parts of machines); moulded building materials of metal; nozzles of metal; pipe connections of metal; pipe couplings of metal; pipe collars of metal; stop collars of metal; metal collars for fastening pipes; pipe fittings of metal; metal prefabricated garages; prefabricated houses of metal; prefabricated hangars of metal; prefabricated soundproof cabins of metal; prefabricated warehouses of metal; transportable buildings of metal, namely, metal sheds; cylinders of metal for gas; cylinders for compressed gas

or liquids, sold empty; door locks of metal; locks of metal for windows; metal valves for water pipes; metal valves for controlling the flow of gases in pipelines; ventilator flaps of metal for buildings; ventilating ducts of metal; ducts of metal for ventilating installations

Class 07

(3) Abrasive disks for power operated grinders; abrasive disks for power operated sanders; abrasive wheels for power operated grinders; abrasive wheels for power operated sanders; abrasive belts for power operated sanders; angle grinder machines; grinders, namely, right angle grinders and die grinders; sanders, electric; floor sanders; hydraulic valve actuators; pneumatic valve actuators; axial flow blowers; centrifugal blowers; rotary blowers; blower motors for heating, ventilation and air conditioning systems; blowing machines for the compression, exhaustion and transport of gases; air compressor systems sold as unit for industrial, agricultural and commercial usage; compressed air dryers for vehicle engines; compressed air guns for the extrusion of mastics; air compressor pumps; air compressors; air condensers; angle valves for use with machines; automatic inlet control valves for reciprocating air compressors; check valves; clack valves being parts of machines; control valves for regulating the flow of gases and liquids; air filters being parts of engines; air filters being parts of machines; air filters for use in industrial and commercial air purifiers; filters and purifiers for removing contaminants from gases used in the semiconductor industry; air-operated power tools; air powered tools; commercial and industrial vacuum cleaners; electric vacuum cleaners; blowing machines for the compression, exhaustion and transport of gases; cleaning machines for industrial installations; compressed air control mechanisms; compressed air pumps; compressed air switch valves; air hammers; air screwdrivers; axial-flow compressors; centrifugal compressors; compressors for industrial machinery; gas compressors; rotary compressors; reciprocating compressors; compressors for air conditioners; dust collecting machines for chemical processing; suction pumps; suction filters as machine components; extracting machines for chemical processing; pumps for the extraction of gases; axial-flow fans for industrial purposes; centrifugal fans; filter housings being parts of engines; filtering machines for chemical processing; air filters for use in industrial and commercial air purifiers; filters being parts of engines for cleaning air; hand held power operated tools; high pressure washers; components for pressure washers; high-pressure pumps for washing appliances and installations; multi-purpose high-pressure washers; pressure regulating valves; power operated valves being parts of machines; pressure control valves being parts of machines; centrifugal pumps; circulating pumps; axial pumps; safety valves (parts of machines); sand blasting machines; servo-control valves; servo-valves; alternating current servo motors; tools operated by compressed air; specially adapted parts for centrifugal compressors; specially adapted parts for compressors for industrial machinery; unloading check valves for the outlets of air compressors; valves being parts of compressors for industrial machinery

Class 09

(4) Add-on circuit boards; anti-dust headsets; anti-pollution masks for respiratory protection; apparatus for monitoring vacuum pumps; footwear for protection against accidents; chemical exposure protective footwear; fire protective footwear; safety footwear for protection against accident or injury; apparatus for the testing air quality; articles of clothing for protection against accident; protective headgear, namely, hard hats; articles of industrial clothing for protection against injury; articles of protective clothing for wear by automobile racing drivers for protection against accident or injury; clothing for protection against accidents; clothing to protect from abrasion and impacts; automatic timing switches; boots for protection against accidents; safety boots; steel-toe boots; anti-pollution masks for respiratory protection; dust masks; dust protective masks; dust protective goggles; gas masks; respiratory mask filters; respiratory masks for the prevention of accident or injury; encoded credit cards; encoded debit cards; embedded SIM cards;

encoded integrated circuit cards; battery cases; camera cases; carrying cases for cell phones; carrying cases adapted for computers; computer chips; electronic chips for the manufacture of integrated circuits; circuit boards; computer add-on boards; electricity distribution consoles; controller circuit boards; controller interface modules; ducts for electrical wiring; aspirators for laboratory use; dust emission monitors; dust measuring apparatus; electric circuit boards; automatic valves; electric valve actuators; electromagnetic valves; electrical actuators; electrical circuit boards; electrical control circuits; electrical current switches; electrically operated servo-position controllers; electrically operated valve actuators; electronic circuit boards; electronic circuits; electronic integrated circuits; electronic servo motor controllers; face-shields for protection against fire; protective face masks for the prevention of accident or injury; filters for respiratory masks; footwear for protection against injury; gloves for protection against injury; goggles for protection against injury; helmets for protection against injury; housings for printed circuit boards; industrial boots for protection against injury; industrial safety helmets; integrated circuit boards; integrated circuits; lenses for protective masks for workmen; fireproof garments; garments and clothes for protection against fire; clothing for protection against accidents; clothing for protection against injury; peepholes for doors; printed circuit boards; printed circuit expansion boards; printed circuits for use with timing mechanisms; programmable logic controllers; protective face shields for workers (against accident or injury); protective footwear for the prevention of accident or injury; protective helmets; protective helmets for industrial use; safety goggles; safety glasses; industrial safety glasses; safety helmets incorporating breathing apparatus; safety valves for flow shutoff in well construction being solenoid valves; automatic electronic control valves for regulating the flow of gases and liquids; solenoid valves (electromagnetic switches); biohazard suits

Class 11

(5) Air cleaning units; air filters for air cleaning units; air control dampers; air coolers; air handlers; air filter panels, being part of air filtering units for removing dust, smoke and allergens from the air; air filtering units for removing dust, smoke and allergens from the air; air filters for air cleaning units; air impellers for ventilation; air purification units for commercial use; air purification units for industrial purposes; air sterilisers; commercial air purifiers; commercial air purifiers, incorporating an air filter; air handling units; electrically powered air blowers for ventilation purposes; electrically powered blowers for dust extraction from the air; electrically powered blowers for ventilation; electrically powered fans for ventilation purposes; electrostatic precipitators for cleaning air; industrial ceiling fans; filters for air purifiers; filters for air purifying units; filters for air extractor hoods; filters for the purification of flue gases; chimney flues; exhaust hoods for industrial purposes; industrial air cleaners; industrial air purifiers; portable air cleaning units; portable air purifying units; separators for the cleaning and purification of air; separators for the cleaning and purification of gases; ventilating fans; ventilating hoods; ventilation grilles being parts of extractor fans; ventilation hoods

Services

Class 37

(1) Advisory services relating to the maintenance of buildings; advisory services relating to the alteration of buildings; advisory services relating to the construction of buildings; building construction and repair; building maintenance and repair; installation, maintenance and repair of air filters; installation, maintenance and repair of air purification systems; project management services in the field of building construction and renovation; project management in the field of residential and commercial construction and renovation; construction project management services; providing information on building construction, and repair; providing advice on the alteration of building structures; providing advice on the repair and maintenance of building

structures; provision of information in relation to building construction; providing information on building construction and repair; providing information on building maintenance and repair; rebuilding engines that have been worn or partially destroyed; rebuilding of machines for building construction that have been worn or partially destroyed; installation, maintenance and repair of internal combustion engines; maintenance and repair of turbines, compressors, impellers, conveyor belts, mining shovels

Class 40

(2) Custom manufacture of specially adapted parts for compressors for industrial machinery; custom manufacture of specially adapted parts for internal combustion engines, other than for land vehicles; custom manufacture of heating, ventilating, and air conditioning equipment and systems for others; cutting of metal; abrasive polishing of metal surfaces; metal cutting; metal finishing; metal fabrication and finishing services; metal moulding; metal pressing; metal stamping; rental of metal-treating machines and tools; rolling of metals; steel cutting

Class 42

(3) Advisory services relating to building design; advisory services relating to industrial design; custom design and development of heating, ventilating, and air conditioning equipment and systems for others; design and development of air purification systems; civil engineering; civil engineering design services; civil engineering design consultancy; design and development services in metallurgy; custom design and engineering of material handling machines, namely, palletizers, case elevators, and conveyors; design and development of automated machinery for use in the industrial sector; design of protective clothing; design and development of projects involving ventilating and air conditioning equipment and systems for residential, commercial and industrial applications; residential and commercial building design services; technological industrial design services; electrical engineering; environmental hazard assessment; quality control testing services for industrial machinery; mechanical engineering services (design); mechanical engineering services (construction); research and design in the field of civil engineering; research and design in the field of electrical engineering; research and design in the field of mechanical engineering; consultancy relating to consumer product safety testing; structural engineering services (construction)

Class 09

(3) Smart phones; Television receivers; Monitors for computers; Commercial monitors, namely, digital signage monitors; Lap Top computers; Convertible computers; Wearable computers, namely, smart phones, digital personal assistants (PDAs), MP3 players, MP4 players; Computers; Keyboards, namely, keyboards for use with mobile phones, tablet computers, desktop computers, laptop computers; Bags adapted for carrying keyboards for computers; Bags adapted for carrying keyboard for mobile phones; Bags adapted for carrying keyboard for tablet devices; Digital pressure and touch sensors for sensing the presence or absence of individuals or objects by contact or pressure; Electronic sensors, namely, inertial sensors being sensors for detecting and measuring motion, altitude, gravity forces, velocity, and rotation, electric motion detecting sensors,

electronic motion recognizing sensors, electric and electronic position measuring and controlling sensors, sensors for detecting noise, pressure sensors, temperature sensors, biometric sensors for authenticating fingerprints, motion sensors for computer touch-screen, electric rotation angle sensors, camera sensors, light sensors, sensors for detecting moisture; Computer network attached storage [NAS] hardware; Portable hard disk drives; Apparatus for recording, transmission or reproduction of sound or images, namely, CD players, DVD players, digital audiotape players, audio tape recorders, DVD recorders, audio speakers, and audio cassette recorders; Audio components, namely, home theatre surround sound loudspeakers, loudspeakers, stereo tuners, sound mixers, audio equalizers, audio recorders, radio receivers; Audio component systems composed of home theatre surround sound loudspeakers, loudspeakers, stereo tuners, sound mixers, audio equalizers, audio recorders, radio receivers; Application software, namely, computer application software for operating mobile phones, computer application software for operating televisions, computer application software for operating personal computer monitors; Computer application software for mobile phones for use in database management, for use in electronic storage of data, for use operating set-top boxes and digital video recorders and players; Computer application software for smart watches for the wireless communication with electronic terminals, namely, smartphones, tablet computers, personal digital assistants and computers; Audio receivers; Colour printers; Tablet personal computers; Set-top boxes; Mouses for computers; Cameras; Smart phones in glasses form; Wearable smart phones; Leather cases for mobile phone; Leather cases for smart phone; Leather cases for tablet computer; Wristband for holding portable digital electronic media players, namely, MP3 players, mobile phones, and smart watches; Computer software for receiving, processing, transmitting and displaying information in the field of exercise, body fat and body mass index (BMI) via wireless communications networks; Portable computer terminals for personal use for recording, organizing, transmitting, controlling, and reviewing user's personalized health and wellness information and receiving text messages, digital image, and audio files; Electronic apparatus with interactive functions, namely, smart glasses, smart watches, wearable activity trackers, video display monitors; Scanners, namely, computer scanners, image scanners, and mouse scanners; Projectors, namely, cine projectors, video projectors; Network monitoring cameras; Digital signage; Audio speakers for cars; Universal serial bus (USB) flash drives; Telephone sets; Wireless Telephone sets; Portable communications apparatus, namely, telephone handsets, walkie-talkies, satellite telephones and personal digital assistants [PDA]; Portable communications apparatus, namely, mobile telecommunications handsets, walkie-talkies, satellite telephones and personal digital assistants [PDA]; Television remote controllers; Electronic chips for improvement of television image quality; Computer chips for improvement of television image quality; LED Displays; LED display for television; Digital media broadcasting players [DMB]; Headsets for mobile phones; Portable chargers for electric batteries for mobile phones, smart phones, and tablet computers; Liquid crystal protective films for smart phone; Smart phone rings; Power supplies for smart phone; Holders for mobile phones; Electronic photo album; Digital picture frames; Telecommunications apparatus and instruments, namely, smart watches, smart glasses, CD players, digital music players, DVD players, and optical disc players; Electric audio and visual apparatus and instruments, namely, LCD monitors, light emitting diode (LED) monitors, organic light emitting diode (OLED) monitors, television monitors, video monitors, liquid crystal display (LCD) panels, light emitting diode (LED) displays, organic light emitting diode (OLED) displays, computer speakers, sound amplifiers, sound bars, sound projectors, sound processors, headphones, earbuds, microphones; Computer application software for operating televisions; Computer application software for operating personal computer monitors; Computer application software for the remote control, monitoring, and command of home appliances; Computer application software for operating refrigerators; Computer application software for operating clothes washing machines; Computer application software for operating

vacuum cleaners; Computer application software for operating dishwashers; Computer application software for operating electric kitchen ovens; Computer application software for operating microwave ovens; Computer application software for operating clothes dryers; Computer application software for operating household and industrial air purifiers; Computer application software for operating water purifiers for household and industrial purposes; Digital Versatile Disc players for home theaters; Personal portable devices, namely, mobile phones, computers, electronic book readers, personal digital assistants (PDAs), MP3 players, MP4 players and radio sets, for recording, organizing, transmitting, manipulating, reviewing and receiving text, data, images and audio files relating to health and wellness; Audio-Video receivers for home theaters; Projectors for home theaters; Integrated circuits; Electronic terminals for highway toll collection; Electronic terminals equipped in vehicles for electronic commercial transactions; Closed-Circuit Television Cameras; Thermal printers; Laser printers; Ink jet printers; Recorded computer software for controlling and managing household appliances; Downloadable computer software for controlling and managing household appliances; Personal computer cameras; Digital voice recorders; Videocassette recorders; Network monitors in the nature of network access server hardware; Downloadable computer software for hosting web-based educational classes; Digital notepads; Interactive whiteboards; Downloadable image files containing artwork, written text, sound, video, games and Internet Web links relating to sports games and cultural events accessible via the Internet; Electronic downloadable publications in the nature of magazines, newspapers, books, manuals in the field of electronics; Video conference system comprised of computer monitors, audio speakers, web cameras, and conference microphone speakers; Computer monitors for use in video conferencing; Cameras for video conference; Audio speakers for use in video conferencing; Three dimensional eyeglasses for television receivers; Car broadcasting tuners; Car cassette players; Modules for photovoltaic power generation; Inverter used in solar power generation; Electrical control systems for ventilation, heating and air conditioning temperature systems; Electronics security system for home network, namely, personal security alarms; Smart home hubs using artificial intelligence comprised of voice-activated speakers, computer hardware, and downloadable software for controlling networked devices in the internet of things (IoT); Interactive computer software based on artificial intelligence for connecting, operating and managing networked home and kitchen appliances in the internet of things (IoT); Software as an artificially intelligent personal assistant, namely, computer chatbot software for simulating conversations; Set-top box having sound recognition properties; Communication hubs, namely, smart home hubs and computer network hubs; Computer network server for home automation; Audio speakers with artificial intelligence for use in voice recognition and natural language processing

Class 11

(4) Air conditioners; Hot air apparatus, namely, hot-air space heaters for household use; Humidifiers; Electric dehumidifier for household use; Electric ranges; Water purifiers for household purposes; Water ionizers for household purposes; Membrane apparatus for purifying water, namely, reverse osmosis membrane filters for water treatment and membrane filtration units for water treatment apparatus; Solar thermal collectors [heating]; Air cleaners, namely, air cleaning units, air purifiers for household purposes, industrial air cleaners; Ventilation apparatus for heating and air conditioning, namely, ventilating fans, fans for air conditioning units, air purifying units; Light Emitting Diode [LED] lighting fixtures; Gas ranges; Electric cooking ovens for household purposes; Apparatus or installations for cooking, namely, baker's ovens, convection ovens, gas cooking ovens for household purposes, induction ovens; Electric refrigerators; Electric clothes dryers; Electric clothes management machines for drying clothes for household purpose; Clothing management machines having the function of deodorizing and steaming garments for household

purposes, namely, garment steamers; Electric clothes drying machines with sterilization, deodorization and crease-resistant treatment functions for household purposes; Sinks; Wine refrigerators; Microwave ovens; Range hoods; Freezers

Goods

Class 11

(1) temperature-controlled portable insulated shipping containers

Class 18

(2) Backpacks

Class 20

(3) Cushions; Outdoor furniture

Class 21

(4) Picnic baskets sold empty; Portable household containers for ice, food, and beverages, and parts therefor; non-electric water and beverage coolers, all for household use; portable coolers for beverages and water; lunch kits consisting of portable containers housing one or more smaller utility containers such as plastic sandwich boxes and bottles, all for the temporary storage of food, beverages or other consumable liquids; refrigerating bottles sold empty; thermal insulated containers for food and beverage; water containers; non electric portable coolers for food and beverage; non-electric portable ice chests for food and beverages; non electric insulated coolers for water, food and beverage

Services

Class 35

(1) Online retail store services featuring Backpacks, Cushions, Outdoor furniture, Picnic baskets sold empty, Portable containers for ice, food, and beverages, and parts therefor, Water and beverage coolers, all for household use, Portable coolers for beverages and water, Lunch kits consisting of portable containers housing one or more smaller utility containers such as plastic sandwich boxes and bottles, all for the temporary storage of food, beverages or other consumable liquids, refrigerating bottles sold empty, Thermal insulated containers for food and beverage,

Water containers, Portable coolers, Portable ice chests for food and beverages, Insulated coolers for water, food and beverage and Insulated shipping containers.

Class 38

(2) Computer services, namely, providing access, through a traditional website and also through social media platforms, to online computer databases featuring consumer product reviews and comparisons on goods meant for the household temporary storage of food, beverages and other consumable liquids; Computer services, namely, providing access, through a traditional website and also through social media platforms, to online computer databases featuring merchandise descriptions and information on goods meant for the household temporary storage of food, beverages and other consumable liquids

Goods

Class 01

(1) Chemicals for use in the building construction industry; chemical agents for manufacturing dyestuffs; chemical compositions for waterproofing masonry; chemical compositions for use in building construction namely chemical additives for concrete; chemical preparations to prevent mildew; condensation-preventing chemicals; chemicals for use in the manufacture of paints; synthetic resin adhesives for laminating purposes; catalysts for synthetic resins; synthetic resins, unprocessed; unprocessed plastics; plastic molding compounds for the manufacture of plastic sheets and films; granulated carbon for water treatment; absorbing carbons, activated carbon; polyurethane granulate; polystyrene in granular form for extrusion; chemical auxiliaries and additives for processing concrete and repairing concrete; adhesives used in industry, in particular in the construction industry; adhesives for applying wall coverings; adhesives for ceramic coating; adhesives for cement manufactured products; polyurethane adhesives; adhesives for use in building construction, adhesives for the building industry, synthetic resin adhesives for industrial purposes; chemicals for use in the manufacture of solvents; gum solvents; wallpaper removing preparation; wallpaper removing compositions; spreadable plastic compounds for manufacturing joint-free wall claddings through painting, smoothing, spreading and spraying.

Class 02

(2) Dyestuffs; acrylic varnish, acrylic varnish for painting, polymer varnish, varnishes for protection of watercolour painting, acrylic paints, aluminum paints, anti-corrosion paints, ceramic paints, interior and exterior paints, acrylic primers, primer paint, intermediate coat and top coat paints, paints and coating compositions (including with added pigments), namely interior paints, exterior paints, colourants for use in the manufacture of paint, acid dyes, alizarin-based dyes, dye-wood, dyes for use on plastics; primer paints and pigmented primers for building construction, in particular for masonry and concrete; floor paints, in particular for concrete, plaster and screed surfaces; epoxy resins for use in covering floors [coatings]; epoxy coating for use on concrete industrial floors; paints for coating floors, consisting of polyurethane and epoxy resins; anti-static paints; preservatives against deterioration of stone; paints for use on traffic areas of all kinds, preservatives against rust and anti-corrosive preparations namely for the anti-corrosive protection

of concrete and concrete maintenance namely corrosion inhibiting paint type coatings, anti-corrosion paint, anti-corrosion oils, anti-corrosive greases; pigments for protective coatings namely organic and inorganic pigments, carbon black for use as a pigment; metallic inks; dyestuffs; thinners for lacquers, thinners for paint, thinners for varnish, thinners for wax; thinners for colours paint; thinners for dyestuffs; preservatives against rust and against deterioration of wood; raw natural resins; wood fillers for painters, metals in foil and powder form for use in painting, decorating, printing and art; priming paint for putty.

Class 03

(3) Wood treatment preparations for polishing; all purposes polishing preparation; polishing preparation for carpet; grease-removing preparations; grinding preparations namely abrasive sand, metal buffing compounds; hand-cleaning preparations for manual workers; bar soap, bath soap, hand soap, body soaps; cleaning preparations for building construction, in particular for concrete maintenance and for removing paint and plaster residues from glass, tiles, ceramic, stone panels, masonry.

Class 06

(4) Building materials wholly and partly of metal namely reinforcing materials for building, building boards, pillars for building; reinforcing materials of metal for building; wire rope; wire rope; metal cable wire; window sills of metal, window frames of aluminum, window frames of metal, lintels of metal, door jambs of metal, door frames of metal; frames of metal for buildings, in particular window frames of metal; metal fastening anchors; structural steels; aluminium; sheets of aluminium; facade facings of metal; metal cladding; curtain walling of metal; metal hardware for fixing namely metal screws, metal hinges; mechanical fasteners of metal namely dowels of metal, garment hooks of metal, spacer brackets of metal, ceiling supports of metal, metal holders for signs, anchors, door fasteners of metal, screws of metal, nuts of metal, washers of metal and flat washers of metal, nails, metal hose clamps, metal hardware and small items of metal hardware namely metal screws, metal hinges; holding strips of metal for building panels namely building panels of metal, floor panels of metal, wall panels of metal, pillars of metal, prefabricated metal walls for building; base rails of metal and corner protection rails of metal; metal ceiling supports; support profiles and wall linings of metal for wall and facade claddings; packaging containers of metal, transport containers of metal, shipping containers of metal, all the aforesaid containers being empty and filled with non-metallic building materials namely non-metallic minerals for building, non-metallic roof flashing, non-metal door frames, non-metal ceiling panels; common metals, metals and metal alloys, profiles and rails for installation in thermal insulation composite devices namely ducts and pipes of metal, insulated pipe supports of metal.

Class 17

(5) Plastic sheet materials for use in manufacture; adhesive-coated plastic sheets for use in manufacture; rubber rings for use as pipe connection seals; insulating materials produced from plastics; insulating materials produced from plastics; plastic film for insulating purposes; stuffing materials of plastics; plastic material in extruded form for use in production extruded plastics in the form of sheets for use in manufacture; plastics in the form of sheets, films, blocks, rods and tubes; extruded plastic in the form of bars, blocks, pellets, rods, sheets and tubes for use in manufacturing; expansion joint, expansion joint fillers; thermoplastic resins reinforced with natural fibers; reinforcing materials, of plastic for pipes namely vulcanized fiber for use in the manufacture of building insulation materials; reinforcing materials, of plastic for pipes namely polyurethane films for use in sealing and insulating buildings; fiberglass for insulation; fiberglass fabrics for insulation; glass fiber insulation for use in construction; glass insulating sheets of all kinds namely foam glass for use as an insulating material, glass fibers for insulation, glass fibers for use in the manufacture

of building insulation materials, acoustic insulating panels; packing, stopping and insulating materials, in particular thermal insulating materials for insulating buildings and for facades of buildings; insulating materials namely insulating materials made of polyethylene foam, insulating fabrics, insulation materials for pipes, insulating paper, insulating tape, insulating plaster, insulating felt, insulating paints; elasticized insulating materials namely insulating gloves, insulating washers, rubber sheets for insulating purposes; sound-absorbing metal panels, sound-absorbing metal plates, sound dampening blankets, sound-absorbing metal discs, soundproofing foam, acoustical insulation, bark coverings for sound insulation; insulating panels in the form of heat insulation materials of rigid foam, mineral wool made of rock; glass wool, carbon fibers, mineral wool for building insulation, glass fiber filtering materials, foam sheeting for use as building insulation, foam insulation materials for use in building and construction, polyurethane foam sheeting, polyurethane foam sheeting for use as building insulation, low-density polyurethane foam for insulation, phenolic resin, rubber stoppers for sinks, stoppers of rubber for showers, hemp fibers, softwood fibers namely bamboo fibers for insulation; seals for pipe connections, joint packings for pipes, pipe joint sealants; sealing compounds for cement and concrete; adhesive sealants, silicone sealants, polyurethane sealants, general purpose sealants; sealant compounds for joints, adhesive sealant compounds, adhesive caulking compounds, sealant compounds for joints; flexible pipes, not of metal namely flexible plastic pipes for plumbing purposes, plastic junctions for flexible pipes; insulating tapes, duct tapes, masking tape, strapping tape; adhesive masking tapes; expansion joints of fabric for pipes, sealing and joint tapes; flexible tubes, not of metal namely flexible plastic hoses for use with ventilation systems, flexible plastic conduits for plumbing purposes; semi-finished acrylic molded plastic; semi-finished goods of plastic in the form of chips, decorative ornaments and decorative profiles of foam rubber namely foam rubber, plastic foam, silicone rubber, rubber latex, acrylic rubber, synthetic rubber.

Class 19

(6) Building materials namely clays, concrete poles, tuff, serpentine, rock crystal, marble for use as building material, pvc conduit pipes for building; fired refractory materials, not of metal namely fired bricks, fire burrs; damp course materials namely asphalt, plastic water pipes, asphalt felt for building purposes; woven fabrics in rolls, pieces and prefabricated forms for use in building, namely fabric angles and corners; decorative ornaments and decorative profiles of stone, concrete and marble namely garden ornaments, stone lantern garden ornaments, decorative glass for building, figurines of marble, figurines of stone; wooden cornices; timber mouldings; dado rails; rubber cove bases namely polymer composite manhole covers, rubber flooring; wooden window sills, vinyl window sills; pvc rigid pipes for construction purposes; wood beams, wooden structural beams, concrete structural beams, wood bars, bars of plastic, dado rails, vinyl siding, wooden railings, building strips of plastic, shaped timber, vinyl brackets for gutters, plastic drywall corner beads; wooden window frames, plastic window frames, vinyl window frames, lintels of cement, concrete, wood, door sills of stone, marble and concrete, wood door sills, plastic door sills, non-metal door frames; panels for building, namely panels for cladding walls and facades of concrete, glass, plastic, wood, prefabricated walls and facades containing integrated heat and sound absorbing plates and slabs of fibre-cement, prefabricated walls for installation in the front of a commercial establishment; facade sheets, partly made of stone, artificial stone and with coatings visually reminiscent of stone; building panels of concrete, glass, plastic, wood, wall panels of concrete, glass, plastic, wood, slates for wall cladding; front-hung, back-ventilated exterior wall cladding for buildings, namely plywood sheets for various coating variants, namely walls coatings; non-metallic facade elements and non-metallic fixing and bordering elements therefor; ceiling and wall coatings with rigid foam granules namely wood ceiling tiles, ceramic wall tiles; ceramic, plastic mouldings of composite materials for use in building; artificial stone, building stone, grave slabs of

stone; non-metallic refractory blocks; refractory construction materials, not of metal namely refractory bricks, refractory concrete, refractory mortars; calcareous stone; sandstone; granite; marble; natural ashlar in blocks, slabs, massive stones; pottery stone; ceramic tiles; ceramic roofing tiles; stone veneer building material namely stone facades, stone-bonded facades, curtain-type, rear-ventilated facades, walls stone; interior and exterior stone floors; works of stonemasonry namely stone paving tiles; masonry blocks; marble tile flooring, tiles of ceramic for floors; bricks; spackling compound; glass mosaics for use in building construction; ceramic tiles for tile floors and coverings; marble, sand and gravel; filling compounds, levelling compounds namely grouting compounds, spackling compounds, jointing cement and quick repair mortar; mortar, screed, concrete; fireproof cement coatings for indoor and outdoor applications, decorative plaster for indoor and outdoor applications; artificial resin plaster, silicate plaster, silicone resin plaster, dry plaster (in powder form); lime as a construction material, asbestos cement, cement blocks, cement chimneys, cement partitions for buildings, filling cement, jointing cement, plaster; concrete, glass, plastic, wood reinforcing materials, not of metal, for building construction, wall coatings [building materials] namely clay wall tiles, ceramic wall tiles; building material namely floor coatings of bituminous, fireproof cement; pvc rigid pipes for construction purposes; non-metallic pipes for roof drainage installations; drains, not of metal, for use in construction of basement waterproofing systems; building materials for filling the drilling holes namely filling cement; prime coatings being building materials for use under plaster; asphalt, pitch and bitumen; pitch, tar, bitumen and asphalt; modular non-metal structures, not of metal namely concrete structural beams, flagpole structures of concrete, wooden structural beams; building sections made from foamed plastics; building sections made from thermoplastic plastics for use in heat insulating applications; space frame modular units, not of metal namely wooden partitions for building; floor coatings based on cement, screed, mortar and concrete, epoxy resins and polyurethanes; ventilated curtain facade systems with support panels of concrete, glass, wood; self-leveling concrete for use in building construction.

Class 24

(7) Woven fabrics; knitted fabrics, cotton fabrics, silk fabrics, polyester fabrics, knitted fabrics, curtain fabrics, satin fabrics; fabrics made of synthetic materials; synthetic fiber fabrics; waterproof textile fabrics; woven fabrics and knitted fabrics, cotton fabrics, silk fabrics, polyester fabrics, knitted fabrics, curtain fabrics, satin fabrics, namely in industry for prefabricating end products.

Class 27

(8) Vinyl wall coverings, wallpaper in the nature of room-size decorative adhesive wall coverings, vinyl floor coverings, carpet tiles for covering floors and ceiling tiles for coverings and coatings (except of textile materials); textile wallpaper; wallpaper; floor and ceiling coverings of textile namely fabric wall coverings, cloth wall coverings; wall coverings of textile.

Services

Class 37

(1) Building construction; building construction services, in particular installation of thermal insulation and refurbishing for buildings and painting for buildings; providing of information relating to building construction, including online; information concerning rental of equipment for building construction; rental of machines, tools and apparatus for building construction namely rental of battery chargers, rental of building scaffolds, working and building platforms, rental of bulldozers, rental of excavators, rental of drilling platforms; consultancy on the use of sustainable materials in building construction.

Class 42

(2) Scientific and technological services and design relating to building construction, development of computer programs recorded on software designed for use in construction and automated manufacturing (cad/cam); design services relating to civil engineering namely construction project engineering in the field of sustainable building products; database design services in the field of refurbishing and color; graphic design services in the field of refurbishing and color; computer hardware design services in the field of refurbishing and color; development and providing of colour designs, colour guide plans and urban planning designs, creating and presentation of construction documentation and design plans for buildings, and studies relating thereto, namely project initiation and resolution of computer hardware design problems, project initiation and resolution of graphic design problems, project initiation and resolution of database design problems; development and testing of technical and design solution in the field of building construction; architectural services, namely selection and determining of colour tones, surfaces and materials for building parts, individual buildings and urban planning designs; engineering surveying services namely construction project engineering in the field of sustainable building products; engineering consultancy services in the field of building construction namely construction project engineering in the field of sustainable building products; engineering design and consultancy in the field of building construction, construction project engineering namely construction project engineering in the field of sustainable building products; consultancy in the field of architecture relating to material selection, colour selection, constructional stone structure, building design services, energy efficiency (saving) and environmental planning; preparation of reports in the field of urban planning designs; assessment and evaluation of inventions in the field of 2D plan views and 3D representations; conducting feasibility studies in the field of 2D plan views and 3D representations; creating colour print-outs and electronically processed concepts, as well as presentation data, colour designs, colour guide plans and urban planning designs; research activities relating to technology namely product and software research and development services in cooperation with universities; research in the field of building construction; industrial research in the field of building construction; design and development of computer hardware in the field of sustainable building products; computer services, namely providing search engines for finding the information, resources and websites of others on a global computer network in the field of sustainable building products; providing information relating to the design of colour and material concepts for exterior coverings and interior spaces of individual buildings and groups of buildings via an interactive database; programming for creating colour and material concepts for urban design namely colour analysis for purposes of urban planning; programming for creation of colour and material concepts for facades and interiors of individual buildings and groups of buildings namely graphic design, interior design services, architectural design and colour analysis for purposes of interior design; architecture for building design; advisory services relating to testing and research services in the field of pollution control; technical consultancy in the field of environmental science; consultancy services in the field of environmental protection.

Class 09

(2) Downloadable computer software for wireless data communication for receiving, processing, transmitting, aggregating, analyzing, and displaying information relating to fitness, wellness, medical or health conditions, vital signs, heart rate, breathing, motion, and blood oxygen levels; Downloadable computer software for managing health and fitness tracking, compliance and motivation with a health and fitness program; Downloadable computer software to collect, analyze, aggregate, manage, report, display, and transmit medical and health data locally and over a network; Downloadable computer software to enable the transfer of data from in-home health devices, portable health devices, health-related mobile applications, and medical monitoring devices to medical personnel, consumer applications, and health and wellness related programs; Downloadable computer software for the use in managing, organizing, analyzing, aggregating, displaying, and reporting personal medical, health and wellness data collected via medical and consumer devices, mobile applications, and sensors; Downloadable computer software for monitoring a patient's health and wellness by collecting data; Downloadable computer software for tracking fitness, health and wellness goals and statistics; Downloadable computer software for displaying, aggregating, analyzing, displaying, and organizing data and information in the fields of health, wellness, medical or health conditions, fitness, physical activity, motion, weight

management, sleep, and nutrition; Downloadable computer software and downloadable mobile application software for collecting, tracking and accessing personal healthcare information; Downloadable computer software and downloadable mobile application software for creating and managing treatment plans, patient schedules, patient data flow, and remote device data aggregation thereof; Downloadable computer software and downloadable mobile application software that utilizes, aggregates, analyzing, displays, and updates patient information based upon patient-reported data and physiological data; Downloadable software for remote monitoring patient's health and wellness data; Software portal in the nature of downloadable software that collects, aggregates, analyzes, manages, and reports population-level health data to medical professionals and clinicians; Downloadable computer software for enabling display and control of a medical device through a smartphone, tablet computer, laptop, e-reader and smartwatch; Downloadable computer software and hardware for controlling medical devices and for displaying, aggregating, analyzing, and displaying data from these devices; Downloadable computer software for configuring network settings for bedside medical devices, namely oxygen monitors, heart rate monitors, pulse rate monitors, respiration monitors, blood pressure monitors; Downloadable computer software, namely, computer software for viewing, analyzing, aggregating, and displaying patient data; Wearable activity trackers; Smartwatches; Dongles being wireless network adaptors; Personal electronic devices, namely, wearable activity trackers, cameras, computer peripheral devices in the nature of smartwatches, fitness trackers, health monitors, computer hardware for data processing, and portable global positioning system (gps) device consisting of position sensors used to track fitness goals and statistics; Portable, handheld, and personal digital devices, namely, tablets, monitors, trackers, for recording, organizing, transmitting, manipulating, reviewing, aggregating, analyzing, displaying, and receiving text and electronic data files; Wearable electronic devices, namely, wearable activity trackers, cameras, computer peripheral devices in the nature of smartwatches, fitness trackers, health monitors, computer hardware for data processing, and global positioning system (GPS) apparatus in the form of bracelets, wrist bands, and clip-on monitors that are comprised of software that communicates data to personal digital assistants, smart phones, and personal computers through worldwide global networks and other computer and electronic communication networks; Wearable electronic devices, namely, monitors, sensors and cables for monitoring persons under the influence of opioids and sedatives and software sold therewith as a unit; Wearable digital electronic devices in the nature of wearable activity trackers, cameras, computer peripheral devices in the nature of smartwatches, fitness trackers, health monitors, computer hardware for data processing, and portable global positioning system (gps) device consisting of position sensors integrated with software for alerts, messages, emails, and reminders, and for recording, organizing, transmitting, manipulating, reviewing, and receiving text, electronic data files and display screens; Electronic health monitoring devices for displaying, measuring, and uploading health data, such as vital signs, medical conditions, activity level, heart rate, calories burned, blood pressure, breathing, motion, blood oxygen levels, and quality of sleep, to a worldwide computer network; Electronic apparatus, namely, a communication hub that provides wireless and wired connectivity to medical devices, receives health data, such as vital signs, medical conditions, activity level, heart rate, calories burned, blood pressure, breathing, motion, blood oxygen levels, and quality of sleep from those medical devices, and transmits the data to a central monitoring, electronic health records system and alarm system devices; Computer hardware, namely, circuit boards for use in medical and health monitoring devices; Downloadable software as a medical device [SaMD] for measuring vital signs, medical or health conditions, heart rate, calories burned, blood pressure, breathing, motion, and blood oxygen levels; Downloadable software as a medical device [SaMD] for measuring vital signs, medical or health conditions, heart rate, calories burned, blood pressure, breathing, motion, and blood oxygen levels; Downloadable software as a medical device [SaMD] for monitoring persons under the

influence of anesthesia, opioids, and sedatives; downloadable software as a veterinary medical device [SaMD] for measuring and monitoring blood properties and respiratory events

Class 10

(3) Medical devices, namely medical monitors and sensors for measuring vital signs, medical or health conditions, heart rate, calories burned, blood pressure, breathing, motion, and blood oxygen levels; General wellness instruments and apparatus, namely, medical wellness devices in the nature of monitors for storing, relaying, tracking, measuring, aggregating, analyzing, and displaying biometric data, body movement, sleep, vital signs, heart rate, medical or health conditions, calories burned, blood pressure, breathing, motion, and blood oxygen levels; General wellness instruments and apparatus, namely, medical wellness devices in the nature of monitors for estimating oxygen consumption; Medical devices, namely, monitors, sensors and cables for monitoring and measuring blood properties, tissue properties, organ properties, respiratory properties, pulse rate and brain function; Medical devices, namely, monitors, sensors and cables for monitoring persons under the influence of anesthesia, opioids, and sedatives; Medical devices, namely, cannulas, tubes, connectors, and adapters for gas analysis; Medical devices, namely, respiratory gas analyzers and monitors; Medical monitors, namely, sedation monitors; Medical monitors for measuring brain activity for medical diagnostic purposes, namely magnetic resonance imaging (MRI) diagnostic apparatus, electroencephalography [EEG] helmets for monitoring and measuring brain activity for medical diagnostic purposes; In vivo sensors for measuring physiological conditions within the human body, namely, glucose monitoring implants, cardiac monitors, cochlear implants, pressure sensors, temperature sensors, oxygen saturation sensors, pH sensors, and neurostimulators; Medical devices, namely, thermometers for medical use; Monitoring systems comprised of software and computer hardware for viewing, monitoring, and controlling medical equipment from a smartphone, tablet, laptop, e-reader and smartwatch; Veterinary medical apparatus, namely, monitors, sensors, and cables for measuring and monitoring blood properties and respiratory events

Services

Class 35

(1) Information management services, namely, computerized management of medical records and files containing health and medical information and data

Class 42

(2) Non-downloadable computer software for wireless data communication for receiving, processing, transmitting, aggregating, analyzing, and displaying information relating to fitness, wellness, medical and health conditions, heart rate, breathing, motion, and blood oxygen levels; Non-downloadable computer software for managing information regarding tracking, compliance and motivation with a health and fitness program; Non-downloadable computer software to collect, analyze, aggregate, manage, report, and transmit medical and health data locally and over a network; Non-downloadable computer software to enable the transfer of data from in-home health devices, portable health devices, health-related mobile applications, and medical monitoring devices to medical personnel, consumer applications, and health and wellness-related programs; Non-downloadable computer software for the use in viewing, managing, organizing, aggregating, analyzing, displaying, and reporting medical, health and wellness data collected via medical and consumer devices, mobile applications, and sensors; Non-downloadable computer software in the field of monitoring a person's health and wellness; Providing online non-downloadable computer software for tracking fitness, health and wellness goals and statistics; Providing online non-downloadable computer software for displaying, aggregating, analyzing, and organizing data and information in the fields of health, wellness, fitness, medical or health conditions, physical activity,

motion, weight management, sleep, and nutrition; Cloud-based patient engagement and remote care automation platform in the nature of providing temporary use of non-downloadable computer software platforms for utilizing, aggregating, analyzing, displaying, and updating medical and health information based upon reported data, physiological data, and patient-provider communications; Application service provider (ASP) services featuring temporary use of non-downloadable computer software for remote monitoring of medical and health care data; Computer software and computer application software, namely, providing temporary use of non-downloadable computer software for creating and managing treatment plans, patient schedules, patient data flow, or remote device data aggregation; Computer software and computer application software, namely, providing temporary use of non-downloadable computer software that utilizes, aggregates, analyzes, displays, and updates medical and health information based upon patient-reported data and physiological data; Software as a service (SaaS) for use in providing users with access to a website portal to access remote monitor home care; Software as a service (SaaS) for use in providing medical professionals and clinicians with access to a website portal to collect, manage, and report on population-level health data; Software as a service (SAAS) services featuring software for controlling multiple medical devices and for displaying, aggregating, and analyzing data from these devices; Cloud-based platform as a Service (PAAS) offering software for collecting, tracking and accessing healthcare data

Class 44

(3) Providing information in the field of general health and wellness via a website

Services

Class 35

(1) Business feasibility studies; business strategic planning; business management planning; profit survey and analysis services, namely preliminary profitability analysis; business project management services for construction and engineering projects; conducting marketing studies and financial auditing, business performance benchmarking, economic analysis; business management consultancy as well as development of processes for the analysis and the implementation of strategy plans and management projects; business project management; business process reengineering services; Business management in the fields of engineering, procurement, and construction; Administrative assistance in responding to calls for tenders; consultancy services relating to the monitoring of procurement of goods and services; Procurement services in the form of purchasing electric supplies and materials; Negotiation of business contracts for others; business organization and operation consultancy; business risk assessment services; business risk management services; business auditing; carbon market analysis.

Class 36

(2) Financial asset management; financial analyses; estimating construction costs and arranging finance for construction and engineering projects; consultancy services in relation to the financing of civil works and infrastructure projects; financial due diligence and assessment; assessment of real estate.

Class 37

(3) Building construction supervision; installation and maintenance of electrical distribution and emergency systems; construction, repair and maintenance of wind and hydroelectric power plants; wind and hydroelectric power plant rehabilitation services; plumbing and heating equipment installation and repair; installation and repair of industrial ventilation, air conditioning and humidification equipment; installation and repair of compressed air production system and vacuum pump, dust extraction and filtration of air and water equipment namely, air and water filters; Installation of industrial process furnaces, electrical and thermal systems; electrical substation construction; electrical contracting services; repair and maintenance of wind power plants; mining services; mine closure services, namely decommissioning and reclamation services; mine restoration services.

Class 40

(4) Water recycling; waste water treatment services; water and sewer management; mine waste management namely, destruction of hazardous waste; hazardous waste management namely, destruction of hazardous waste; generation of gas and electricity; production of energy; destruction of waste; petroleum refining, gas processing and gas treating; decontamination of soil; decontamination of hazardous materials; mineral processing.

Class 41

(5) Training in the field of electrical engineering; training in the field of mining engineering; training in the field of chemical engineering, training in the field of civil engineering; training in the field of structural engineering, training in the field geological engineering; training in the field of automation and software engineering; training in the field of mechanical engineering; training in the field of project management; training in the field of environmental design and sustainability; training in the field of metallurgical engineering; training in the field of telecommunication namely, communication development; training in the field of cybersecurity; training in the field of geotechnical engineering; training in the field of digital transformation of businesses; training in the field of asset management.

Class 42

(6) Engineering, namely electrical engineering, chemical engineering, mechanical engineering, environmental engineering, civil engineering, geotechnical engineering, sanitary engineering, hydraulic engineering, mining engineering, metallurgical engineering, telecommunications software and hardware engineering, automation engineering; cybersecurity engineering services, Software engineering services in the field of digital transformation, structural engineering, geotechnical engineering; geological engineering; rock mechanic engineering; computer software engineering; engineering project management services in the field of mining industry; water resources engineering; power engineering; acoustical engineering; thermal engineering; Energy engineering; Building engineering; industrial engineering; railway engineering; conducting feasibility studies; consulting in the field of alternative energy generation, storage, transmission and distribution; consulting in the field of mining engineering and surveying and metallurgy, electrical engineering, digital transformation, oil and gas, petrochemicals, biofuels, carbon capture, pulp and paper, agricultural chemistry, data centres and environmental science; computer software project management; project management and technical coordination for geotechnical engineering and

environmental engineering projects; energy audit services; conducting electrical safety audits; testing of apparatus in the field of electrical engineering namely, electric circuit boards, electrical power sources, electrical control panels; technical consulting services in the field of alternative energy generation; design in the field of electrical engineering; maintenance assessment of the performance and reliability of electrical systems namely, electric circuit boards, electrical power sources, electrical control panels and water and hydroelectric power plants; industrial design; water and hydroelectric power plant and power stations design; hydraulic turbine design; remote monitoring of the functioning and use of electrical equipment namely, industrial machinery; testing and evaluation of electrical equipment namely, industrial machinery; materials testing and evaluation; laboratory testing of materials; design of models for electrical engineering, chemical engineering, mechanical engineering, environmental engineering, civil engineering, geotechnical engineering, sanitary engineering, hydraulic engineering, mining engineering, metallurgical engineering, telecommunications software and hardware engineering, automation engineering and hydraulic modeling; geological prospecting; geological surveying; technical supervision and inspection in the field of geological mining; technical assistance and studies in the field of mining engineering; mineral exploration services; mining surveying; environmental monitoring measures in the field of mining; maintenance assessment of the performance and reliability of mining equipment; technical consulting and research in the field of geology and hydrology; water quality control services; hydrological research; dam safety auditing and inspections; planning and management of bench and pilot tests in the field of metallurgy; consulting and technical assistance in the field of metallurgy and mineral processing engineering; design in the field of mechanical engineering; design and modelling in the field of mechanical engineering; design of computer-simulated models; Mechanical testing of materials; technical supervision and inspection in the field of mechanical engineering namely compliance inspection and equipment certification; consulting in the field of energy efficiency and power optimization; audit and technical expertise of thermal systems namely, conducting energy audits and providing technical support of heating systems for others; civil engineering drawing services; engineering surveying services; urban planning; construction planning; software design and development; industrial analysis of the performance of computer software systems; design, configuration and administration of computer networks; computer systems and network integration services; computer network security services; installation, maintenance and repair of software for computer systems; providing quality assurance in the field of computer software; installation and configuration of hardware infrastructures namely, computer hardware; cloud computing provider services for general storage of data; providing virtual computer systems and virtual computer environments through cloud computing; technical support in the nature of troubleshooting to diagnose computer hardware and software problems; implementation of computer hardware and software systems for others in the form of control rooms and server rooms ; Computer Systems risks and vulnerability assessment; maintenance of computer software relating to computer security and prevention of computer risks; consulting services in the field of design, selection, implementation and use of computer hardware and software systems; environmental impact assessment and risk analysis; greenhouse gas emission measuring and analysis; installation and programming of facilities management hardware and software to control environmental authorizations; provision of consultancy in relation to carbon offsetting, namely transaction of carbon credits; air quality control and improvement services; soil analysis; analysis of stream water quality; technical consulting in the field of pollution detection; soil sampling for analysis purposes; measurement evaluations in the field of olfactometry; consulting in the field of acoustics, sound, noise, and vibration for scientific purposes; geomatics and spatial analysis services; cartography services; technical management services, namely provision of management services in the integration of supervision and remote information management systems; consulting in the field of petroleum; process engineering services, namely

petroleum process design, gas processing and treating design, design of hydrocarbon processes, design of water treatment processes; water characterization services namely, analysis of water characterization to measure biological and environmental data for scientific purposes.

Class 45

(7) Regulatory compliance namely reviewing standards and practices to assure compliance with regulations; inspection of factories for safety purposes; accident investigation.

Goods

Class 06

(1) Moveable metal storage and bulk dispenser units for small protective clothing items, namely, rubber gloves, cotton liners, skull caps, hard hat covers, hoods, rubber shoes, nylon shoe covers and arm sleeves.

Class 09

(2) Nuclear, radiological and industrial safety apparel, namely, protective clothing, radiofrequency (RF) protective clothing, flame resistant protective clothing, waterproof protective clothing, namely, waterproof suits, waterproof protective suits, waterproof supplied-air protective suits, waterproof coveralls and disposable waterproof coveralls, heat stress management clothing, launderable garments, namely, coveralls, and accessories, namely, hoods for use in nuclear, radiological and industrial environments, and flame resistant, launderable garments, namely, coveralls, and accessories, namely, hoods for use in nuclear, radiological and industrial environments; nuclear, radiological and industrial respirators, namely, heat stress respirators; flame resistant tarpaulins; launderable safety gloves, namely, chemical resistant safety gloves, abrasion, cut, blade cut, tear and puncture resistant safety gloves, cut-resistant high-performance polyethylene (HPPE) safety gloves, high visibility nitrile safety gloves, and nitrile safety gloves for general use; protective nuclear, radiological and industrial face shields; security products, namely, radioactive apparel monitoring system, namely radiation detectors equipped with audible and visible alarms, for use at nuclear, radiological and industrial facility exits; flame resistant shoe covers and fitted protective coverings for shoes for use in nuclear, radiological and industrial facilities to protect the shoes from contacting harmful materials; clothing for protection against accidents, irradiation and fire, namely garment seals for use with cuffs and sleeves.

Class 11

(3) Foreign material exclusion (FME) covers, in particular, fitted launderable covers specially adapted for use with open pipe ends being parts of air systems or sanitary installations and with valves being plumbing fittings to protect from foreign material intrusion.

Class 18

(4) Belt bags.

Class 19

(5) Foreign material exclusion (FME) covers, namely, fitted launderable covers specially adapted for use with open non-metal rigid pipe ends and non-metal water-pipe valves to protect from foreign material intrusion.

Class 20

(6) Portable laundry containers, not of metal, for storage and transport of protective clothing for nuclear, radiological and industrial facilities.

Class 21

(7) Launderable cleaning mitts and wipers, namely, cloths for cleaning; Rubber gloves for general use.

Class 22

(8) Launderable bags, namely, bags for contaminated laundry; Launderable tarpaulins; Nylon storage bags, namely, cage bags, clean respiratory protective equipment (RPE) bags, scaffold bags, lead blanket bags, insulation bags, tool and equipment bags, all of the aforesaid goods being for use in nuclear, radiological and industrial facilities, none of the aforesaid goods being for agricultural purposes.

Class 24

(9) Launderable cleaning towels, namely, microfiber towels.

Class 25

(10) Clothing, namely, scrub tops and scrub pants not for surgical purposes, namely, moisture-wicking scrub tops and scrub pants, undergarments in the form of scrub tops and scrub pants not for surgical purposes, namely, moisture-wicking scrub tops and scrub pants; shoe covers for use when wearing shoes, namely, cloth overshoes; glove liners; rubber shoes.

Services

Class 35

(1) On-line and mobile retail store services featuring a wide variety of nuclear, radiological and industrial safety apparel, accessories, consumable items and products, namely, protective clothing, radiofrequency (RF) protective clothing, flame resistant protective clothing, waterproof protective clothing, namely, waterproof suits, waterproof protective suits, waterproof supplied-air protective suits, waterproof coveralls and disposable waterproof coveralls, heat stress management clothing, launderable garments, namely, coveralls, and accessories, namely, hoods for use in nuclear, radiological and industrial environments, and flame resistant, launderable garments, namely, coveralls, and accessories, namely, hoods for use in nuclear, radiological and industrial environments; tool and equipment inventory management for nuclear, and radiological and industrial facilities, namely Nuclear Generating Stations, Nuclear Waste Management Facilities, Nuclear Waste Storage Facilities, and Nuclear Research Laboratories; administrative management services for nuclear and radiological and industrial facilities, namely Nuclear Generating Stations, Nuclear Waste Management Facilities, Nuclear Waste Storage Facilities, and Nuclear Research Laboratories.

Class 37

(2) Decontamination services, namely, laundering nuclear, radiological and industrial protective clothing and accessories for others; materials processing and waste management services for nuclear, radiological and industrial facilities, namely, cleaning of waste in nuclear and radiological facilities.

Class 39

(3) Providing storage facilities for others, namely, storage services for tools and equipment used in nuclear, radiological and industrial facilities.

Class 40

(4) Custom manufacturing of specialty bags, covers and caps.

(5) Tool and equipment decontamination services for nuclear, radiological and industrial facilities, namely, decontamination of hazardous materials and nuclear waste found on tools and equipment.

Class 42

(6) Custom design of specialty bags, covers and caps.

Class 45

(7) Rental of nuclear, radiological and industrial safety apparel, accessories, consumable items and products, namely, protective clothing, radiofrequency (RF) protective clothing, flame resistant protective clothing, waterproof protective clothing, namely, waterproof suits, waterproof protective suits, waterproof supplied-air protective suits, waterproof coveralls and disposable waterproof coveralls, heat stress management clothing, launderable garments, namely, coveralls, and accessories, namely, hoods for use in nuclear, radiological and industrial environments, and flame resistant, launderable garments, namely, coveralls, and accessories, namely, hoods for use in nuclear, radiological and industrial environments; consulting services in the field of nuclear, radiological and industrial safety compliance and protection; radiological emergency response coordination services for nuclear, radiological and industrial facilities.

Scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments, namely, microscopes, pipettes, flasks, test tubes, cameras, photographic lenses, camera filters, photometers, slide plates, slide projectors, telescopes, eyeglasses and sunglasses, magnifying glasses, video viewers, namely, video monitors and video tape players, flash lamps for photography, television screens, picture enlarger projectors, video tape recorders, loadmeters, namely, ammeters, speed indicators, namely, speedometers, fuel level gauges, temperature gauges; apparatus and instruments for conducting, switching, transforming, accumulating, regulating and controlling the distribution and use of electricity, namely, electric wires, electric switches, namely, automatic transfer switches, dimmer switches, electric flasher switches, electric light switches and power switches, electric fences; apparatus and instruments for recording, transmitting, reproducing and processing sound and images, namely, computers, computer screens, computer keyboards, printers, telephones, telecopiers, televisions; magnetic data carriers, namely, blank magnetic tape, recording discs, namely, blank floppy discs, blank audio compact discs, blank audio digital discs, blank compact discs, blank hard discs, blank laser discs, blank digital audio discs, blank digital versatile discs, pre-recorded floppy disks and CD ROMS containing information in the field of electronic commerce in the field of retail store and wholesale store services, online trading in which seller posts products to be auctioned and bidding is done via the Internet, data management, namely, processing, updating, storing, retrieving and maintenance of data in computer databases, telecommunications, namely, television and radio broadcasting, entertainment, namely, movies, television shows and music videos, education, namely, educational videos in the field of computers, finance, insurance, property development, property management and computer technology information; mechanisms for coin-operated vending

machines; cash registers, calculators, electronic data processing equipment, namely, computers and printers for use with computers; computer peripherals, namely, external disk drives, printers, scanners, speakers, microphones and webcams; diving suits, divers' masks, ear plugs for divers, nose clips for divers and swimmers, gloves for divers, breathing apparatus for underwater swimming; computer programs for use in electronic commerce in the field of retail store and wholesale store services for processing electronic payments to and from others and authenticating the identity of payer; software for processing electronic payments to and from others; authentication software for verification of online payment and transfer of funds; downloadable computer software for facilitating online trading in the field of e-commerce in the field of retail store and wholesale store services in which seller posts products to be sold and purchased via the Internet; computer software for facilitating online trading in the field of e-commerce in the field of retail store and wholesale store services in which seller posts products to be sold and purchased via an application for mobile devices and computers; computer software for interactive entertainment, which allows users to customize the viewing, listening, and playing experience by selecting and arranging the display and performance of audio, video and audiovisual elements, namely, audio books, podcasts, voice messages, films, videos featuring films, music videos, clips of movies and television programs, and user uploaded video clips; instant messaging software; file sharing software for electronically exchanging data, namely, email messages, text messages, photographs, graphics, music, audio books, podcasts, voice messages and video in the nature of movies, music videos, television programs, clips of movies and television programs, video messages and user uploaded video clips via computer, mobile, wireless and telecommunications networks; computer software for electronically exchanging text messages, photographs, graphics, music, audio books, podcasts, voice messages via an application for mobile devices and computers; computer software for processing images, graphics, audio, video, and text; downloadable computer software to facilitate the electronic transmission of information and data, namely, data collected from public opinion polls, customer transaction records, membership records, product inventory records, customer preference, customer credit rating and sellers' credit rating, in the field of electronic commerce, namely, operation and management of online retail stores and wholesale stores, online trading services in which seller posts products to be auctioned and bidding is done via the Internet, user generated documents, voice messages, and photographs namely, email messages, text messages, photographs, graphics, music, audio books, podcasts, voice messages and video in the nature of movies, music videos, television programs, clips of movies and television programs, video messages and user uploaded video clips to mobile phones and computers over the Internet; downloadable computer software which allows users to participate in web-based meetings and classes, with access to data, documents, images and software applications through a web browser; downloadable computer software for accessing, viewing and controlling remote computers and computer networks; downloadable cloud-computing software for deploying virtual computer systems to a cloud computing platform, managing virtual computer systems on a cloud computing platform for general storage of data, database management, accessing databases and internet security; downloadable cloud-based software for general storage of data, database management, accessing databases and internet security; downloadable cloud-computing software for deploying virtual computer systems to a cloud computing platform, managing virtual computer systems on a cloud computing platform for general storage of data, database management, accessing databases and internet security in the field of business management, e-commerce, retail store and wholesale store services, transportation, accommodation, and travel agency services; downloadable computer software for accessing, viewing, and controlling remote computers and computer networks; computer applications for streaming audio materials featuring music, audio books, podcasts and voice messages, video materials featuring films, movies, music videos, television programs, clips of movies and television

programs, and user uploaded video clips, music and images; downloadable computer game programs, pictures, motion pictures, movies and music; digital music downloadable from the Internet; downloadable audio, visual, and audiovisual files and recordings, featuring multimedia entertainment, namely, movies, television programs and music videos and digital content in the field of travel and leisure activities, namely, for streaming podcasts and webcasts in the field of travel, for accessing websites in the field of travel, and for checking airline schedules; online electronic publications, namely, books, magazines, newsletters, journals, directories, catalogues and information pamphlets downloadable from the Internet, computer network, computer database and instant messaging software for electronically exchanging text messages, photographs, graphics, music, audio books, podcasts, voice messages via computer, mobile, wireless and telecommunications networks; downloadable electronic publications, namely, newspaper and magazine articles, essays and academic papers, and instructional books, charts, diagrams and video files in the fields of telecommunications, namely, television and radio broadcasting, navigating the Internet, training, namely, arranging and conducting of instructional courses, computer training, correspondence courses, conferences, workshops, seminars, webinars, business assistance, namely, facilitating business transactions via an electronic marketplace for the buyers and sellers and goods and services via local and global computer networks, sales methods, sales management, social selling, sales improvement, developing sales promotional campaigns for others, lead generation sales, sales training, and marketing in the field of business management and e-commerce in the field of retail store and wholesale store services; computer software for image, graphics and word processing, semi-conductors; semi-conductor integrated circuits; semi-conductor memory chips; semi-conductor memory controllers; semi-conductor memory integrated circuits; semi-conductor processor chips; semi-conductor processors; microcontrollers; microcontroller units; low power microcontrollers; circuit chips, namely, electronic chips for manufacture of integrated circuits; computer chips; CPU (central processing unit); RISC-V computer chips and central processing units; computer chips and central processing units with instruction set architecture; notebook computers; laptop computers; portable computers; handheld computers; tablet computers; personal digital assistants; personal media players, namely, portable and handheld audio and video players, namely, MP3 players, MP4 players, CD players and DVD players; mobile telephones; smart phones; digital cameras; batteries and battery chargers for notebook computers, laptop computers, portable computers, personal digital assistants, personal media players, namely, portable and handheld audio and video players, namely, MP3 players, MP4 players, CD players, DVD players mobile telephones, smart phones and digital cameras; computer workstations, comprised of computer, monitor and printer; computer servers; computer and telecommunications networking hardware, namely, computer network adaptors, switches, routers and hubs; wireless and wired modems and communication cards (encoded or magnetic) and devices, namely, long distance calling cards, cell phones, telephones; cases adapted for laptop computers and computers; computer hardware and firmware; compact discs containing music; telecommunications apparatus, namely, network telephone, electronic facsimile machines, handheld computers, personal digital assistants and mobile phones; mouse mats; mobile phone handsets; mobile phone parts and fittings; alarm systems, namely, personal security alarms, burglar alarms, fire alarm systems; security cameras; mobile radios and DMB (Digital Multimedia Broadcasting) televisions; television broadcasting equipment, namely, transmitters, amplifiers, television cameras and monitors, camcorders, namely, video camera recorders and video teleprompters; cameras; cameras; video cameras; headphones; telephone earpieces; stereo and computer speakers; Global Positioning System (GPS) apparatus and equipment, namely, computer software, transmitters, receivers and hand held units, for automotive, aviation and marine uses and vehicle tracking; computer, electronic and video games programs and software (including software downloadable from the Internet); liquid crystal displays for telecommunications

and electronic equipment; set top box; remote controls, namely, remote controls for televisions, remote controls for home audio sets, remote controls for video players, namely, CD players, DVD players and MP4 players; downloadable cloud computing software for deploying virtual machines to a cloud computing platform, managing virtual machines on a cloud computing platform for general storage of data, database management, accessing databases and internet security in the field of business management, e-commerce, retail store and wholesale store services, transportation, accommodation, and travel agency services; Downloadable cloud-based software for general storage of data, database management, accessing databases and internet security; fire-extinguisher; spectacles and sunglasses; outdoor signboards of metal (luminous); encoded and magnetically encoded bank credit, debit, cash and identification cards; automatic teller machines, cash dispensers; electronic book readers; toner cartridges, unfilled, for printers and photocopiers; baby monitors; video baby monitors; lens hoods; encoded key cards; 3D spectacles; memory cards for video game machines; digital media streaming devices, namely, set-top boxes, digital video recorders, MP3 players, MP4 players, computers, laptops, tablets, smart phones

Services

Class 42

Scientific and technological services and research and design relating to semi-conductor, semi-conductor integrated circuits, semi-conductor memory chips, semi-conductor memory controllers, semi-conductor memory integrated circuits, semi-conductor processor chips, semi-conductor processors, microcontrollers, microcontroller units, low power microcontrollers, circuit chips, computer chips, CPU (central processing unit), RISC-V computer chips and central processing units, computer chips and central processing units with instruction set architecture; on-line authentication of electronic signatures; industrial analysis and research services in the field of computer hardware and software systems of others; technical project studies in the field of troubleshooting of computer hardware and software problems provided online, by email and by telephone; hosting a website featuring technology that enables users to share information and advice; design and development of computer hardware and software; research and development relating to semi-conductor, semi-conductor integrated circuits, semi-conductor memory chips, semi-conductor memory controllers, semi-conductor memory integrated circuits, semi-conductor processor chips, semi-conductor processors, microcontrollers, microcontroller units, low power microcontrollers, circuit chips, computer chips, CPU (central processing unit), RISC-V computer chips and central processing units, computer chips and central processing units with instruction set architecture; software as a service (SaaS) provider, namely, computer software applications for others for facilitating business transactions in the field of electronic commerce software for retail store services, wholesale store services and online trading services in which seller posts products to be auctioned and bidding is done via the Internet, SaaS provider for technical support services in the form of troubleshooting of computer hardware and software, and troubleshooting of telecommunications, namely, satellite network, wireless computer network, telephone communications network, cable network and cellular network, electronic billing and payment processing services, providing virtual computer systems and virtual computer environments through cloud computing, namely, management of cloud computing systems and applications for others, cloud design and architecture maintenance and software for cloud storage and network management; computer support services, namely, programming and software installation, repair and maintenance services in connection with transmitting information, data, documents, and images over the Internet, in relation to design, maintenance and updating of computer system software; application service provider (ASP) services, namely, hosting computer software applications of others; web portal services, namely, hosting an internet website portal containing an interactive computer database featuring movies programming, previews, trailers, sports,

concerts, celebrity and entertainment news and other related information; application service provider (ASP) services for providing software in the fields of web-based conferencing, audio conferencing, electronic messaging, document collaboration, video conferencing, and voice and call processing; providing online non-downloadable software for facilitating the interoperability of multiple software applications in the field of electronic commerce in the nature of retail store and wholesale store services, consultancy, information and advisory services relating to the aforesaid services; computer software technical support services, namely, programming and software installation, repair and maintenance services provided online, by email and by telephone; computer support services, namely, programming and software installation, repair and maintenance services in relation to creating an online community for registered users to participate in discussions, get feedback from their peers, form virtual communities, engage in social networking, and exchange documents, in relation to design, maintenance and updating of computer system software; computer technology advice on programming and software installations, repair and maintenance provided to Internet users by means of a support hotline; computer support services, namely, programming and software installation, repair and maintenance services relating to creating indexes of information, sites and resources on computer networks in relation to design, maintenance and updating of computer system software; providing search engines; design of computers, notebook computers, laptop computers, portable computers and handheld computers; design of personal digital assistants and personal media players; design of mobile telephones and smart phones; design of digital cameras; information technology (IT) services, namely, assisting others with the implementation, use and operation of computer hardware, computer software, computer hardware and software design, and consumer electronics; computer software technical support services, namely, programming and software installation, repair and maintenance services; computer programming; computer system integration services; computer system analysis services; computer programming in relation to the defence against virus; programming, installation, repair and maintenance of computer system software; providing direct connection computer network services between computer users for exchanging data, namely, providing temporary use of online non-downloadable software for the exchange of data, namely, digital currencies, digitized assets, and computer security data; computer software design; computer system design; design and development of webpages; hosting webpages for others; hosting computer application software for searching and retrieving information from databases and computer networks; cloud computing provider services for general storage of data; providing on-line non-downloadable computer software and computer applications for streaming audio materials, video materials, videos, music and images; providing technical support services, namely, providing backup computer programs, troubleshooting of computer software installation, repair and maintenance problems to end-users by means of telephone or global computer network; consultancy services in relation to computer software; design and development of search engines; design of computer codes; development of computer codes; computer programming, coding and decoding; conversion of physical data and documents into electronic media format; material testing and evaluation services; information services relating to information technology in the fields of Internet, world wide web and computerized communication network security and the secure transmission of data and information; computer security services (testing and risk assessment of computer programs); computer security services (testing and risk assessment of computer networks); providing quality assurance services in the field of computer and data security; computer technological services in relation to the verification of online business transactions; computer security services relating to providing access control to computers, electronic networks and databases; data security services (firewalls) relating to data transmission and of transactions via computer networks; consultancy in the field of computer security; technological consultancy in the field of computer security relating to securing computer network

communications by means of a global computer network; computerized communication network security services; providing information in the fields of Internet, world wide web and computerized communication network security and computer security for the transmission of data and information; consulting services in the fields of Internet, world wide web and computerized communication network security services, information security services, computer security for the transmission of data and information; authentication services for computer security; online authentication of electronic signatures; off-site data backup; electronic data storage, namely, archiving business documents, personal documents and corporate documents; providing information on computer technology and programming via a website; cartography services; rental of entertainment software; architectural design services; interior designing of buildings, offices and apartments; consultancy, information and advisory services relating to the aforesaid services

Goods

Class 01

(1) Cell culture reagents for research purposes; biological, chemical and biochemical reagents for scientific and research use namely cell culture media for cultivating and augmentation of human and animal cells for scientific and research use; chemical substances, namely transcription factors and ligands for scientific and industrial use in the field of cell and gene therapies; stem cells for scientific and research use in the field of cell and gene therapies.

Class 05

(2) Medical and veterinary preparations for therapeutic purposes, namely pharmaceutical, biopharmaceutical and veterinary preparations for use in cell therapy to maintain cell identity and to support the reprogramming of cells in chemically defined media; pharmaceutical and biopharmaceutical preparations for cell and gene therapy; biological preparations for modifying human and animal cells for medical and therapeutic purposes, namely transcription factors, ligands and cell surface receptors for use in cell therapy to maintain cell identity and to support the reprogramming of cells in chemically defined media; biological, chemical and biochemical reagents for medical use in maintaining cell identity and to support the reprogramming of cells in chemically defined media; cells for medical and clinical use in the field of cell and gene therapies; human and veterinary vaccines.

Class 09

(3) Bioinformatics software; downloadable computer software platforms for epigenomic data analysis in the field of cell and gene therapies; bioinformatics platforms; scientific apparatus for measuring and analysing scientific study data, namely, computer hardware and downloadable software for receiving, processing, transmitting, and displaying data from in vitro and in vivo diagnostic analytic devices; data analysis apparatus, namely, printed circuits and computers and downloadable operating computer software sold as a unit for use in laboratory data analysis operations; downloadable scientific genetic and epigenetic data analysis software.

Services

Class 40

(1) Treatment and processing of biological materials, namely cells, stem cells, and induced pluripotent stem cells for the custom manufacture of biopharmaceuticals; custom manufacture of pharmaceuticals for use in cell and gene therapies; custom manufacture of pharmaceuticals for modifying transcription factors, ligands, cell surface receptors, and cells in the field of cell therapies and gene therapies; information, advisory and consultancy services in relation to the manufacture of pharmaceutical cell and gene therapies.

Class 42

(2) Scientific and technological research and design in the field of cell and gene therapies; industrial research services in the field of cell and gene therapies; medical and veterinary laboratory research services namely, the manipulation of cells within a laboratory and research facility to enable the cells to be used for medical and therapeutic purposes in the field of cell and gene therapies; scientific research in human and animal cell therapy and gene therapy; scientific research into preparations for manipulating and adapting human and animal cells; design and development of new cell and gene therapies for others; scientific laboratory research services in the field of cell and gene therapies; medical laboratory services; medical research laboratory services, in the field of cell and gene therapies; software as a service (SaaS) services featuring software for use in epigenomic data analysis in the field of cell and gene therapies; platform as a service (PaaS) services featuring a bioinformatics software platform for use in manufacturing therapeutics; providing an online non-downloadable bioinformatics software platform for identifying transcription factors, ligands and cell surface receptors to turn one cell type into another cell type; providing an online non-downloadable bioinformatics platform for identifying transcription factors, ligands and cell surface receptors to maintain cell conversion; advisory and consultancy relating to scientific and technological research and design in the field of cell and gene therapies.

Class 44

(3) Veterinary services; medical services, namely, cell and gene therapy services for the treatment of conditions of the human and animal body; cell and gene therapy services for the manipulation of human and animal cells for therapeutic purposes; medical cell and gene therapy services for the reinsertion of cells into human and animal patients for therapeutic purposes; providing advice and consultancy in the field of medical and veterinary cell and gene therapies.

Software, namely downloadable software and multi-platform computer solutions for the storage, saving, management and sharing of digital data on a set of virtualized servers; software, namely downloadable software for accessing a remote computer in the cloud or a computer server in the cloud; software for the transmission of audio and video messages to other addresses, namely electronic mail software; search engine software; cloud servers; computers and computer peripherals, namely printers, computer screens, computer keyboards, modems, photographic apparatus, computer monitors, headsets, smartphones, computer routers; mice [computer peripherals]; mouse pads; computer hardware; interface cards for computers; computer programs for user interface design; downloadable computer software for use as an application programming interface (api) for use in the fields of database integration and management; photocopiers; computer printers; intercommunication apparatus, namely mobile telephones, headsets with built-in microphones; electronic organizers; headphones; virtual reality headsets; portable chargers; video screens; projection screens; connected loudspeaker enclosures; portable loudspeaker enclosures; speakers; radio transmitters, satellite transmitters, global positioning system (GPS) transmitters; cases for smart phones; covers for portable computers; smart watches; satellite navigation devices; smartphones; earpieces; slide and photograph projection apparatus.

Services

Class 35

(1) Advertising for others on the Internet in the field of cloud computing; management, organizational consulting and business administration in the field of cloud computing; business management assistance; business organization and management advice; commercial project management; commercial administration of licences for the goods and services of others; office functions in the nature of filing documents; newspaper subscription services for others;

subscriptions to telecommunication services, namely wireless videoconferencing and voice messaging for others; computerized file management services; updating and maintenance of data in computer databases; search engine optimization; website traffic optimization; consultant services for data processing; computer data entry services; provision of information and advice for consumer products in the field of software and computers; compilation of customer data and computer database management; systematization of data and information into computer databases.

Class 38

(2) Telecommunication services in the nature of the provision of computer network access by means of fibre optic networks; provision of information related to telecommunications, namely provision of remote Internet access; rental of telecommunication apparatus in the nature of radios and landline telephones, portable telephones, telephone microphones, modems, answering machines; provision of access to databases; provision of user access to global computer networks; provision of online electronic notice boards for the transmission of messages among computer users; provision of online notice boards for the transmission of messages among computer users; communications via computer and through fibre optic networks, namely electronic mail services; communications via radio, namely radio program broadcasting and transmission; telephone communications; computer communications and Internet access, namely provision of secure remote access via the Internet to private computer networks; telecommunication services between computer networks, namely provision of secure remote access via the Internet to private computer networks; audio and video content broadcasting services by means of wireless communication networks in the field of cloud computing; provision of online discussion forums; electronic voice messaging services; wired and wireless electronic mail services; paging services; wireless digital messaging services; transmission of electronic mail; radio broadcasting; teleconferencing services; videoconferencing services; television broadcasting; rental of access time to global computer networks; services providing access to computer networks; streaming of data via the Internet, namely streaming of videos via the Internet and via wireless and cellular networks in the field of cloud computing; streaming of podcasts in the field of cloud computing; computer transmission services for digital documents via a global computer network; transmission of digital files, namely digital animations defined by the user via a cellular telephony network in the field of cloud computing; transmission of voice messages and text messages among computer users in the field of cloud computing; transmission of podcasts, namely distribution of podcasts via a global computer network; transmission of information via computer networks in the field of cloud computing; electronic transmission of computer programs via the Internet in the field of cloud computing; transmission of educational audiovisual content and multimedia content via the Internet relating to cloud computing; dissemination educational audiovisual content and multimedia content via the Internet relating to cloud computing; provision of access to online multimedia content in the field of cloud computing; streaming of audio and video content on the Internet; provision of access to content, websites and portals providing users with information in the field of cloud computing; provision of online chat rooms for transmitting messages, comments and multimedia content among users.

Class 41

(3) Education in the nature of the development and provision of educational courses in the fields of cloud computing; training in the design and development of cloud computing software; training in the field of cloud computing; entertainment, namely organization of math and computer competitions in the context of promotional and social events; sporting and cultural activities consisting of appearances by sports or cultural celebrities, music concerts and sports competitions; organization of exhibitions for cultural or educational purposes in the field of cloud

computing; organization and conduct of conferences, conventions, colloquia in the field of cloud computing; gambling services; publishing of books, magazines and online periodicals; publishing of multimedia material, books, magazines and online periodicals; organization and conduct of training workshops in the field of cloud computing; coaching in the field of cloud computing; organization and conduct of math and computer competitions for educational or entertainment purposes; organization of electronic sports competitions; desktop publishing; provision of non-downloadable electronic publications online in the field of cloud computing; computer training; education in the field of computers; training in the use of computer programs; training relating to the development of computer programs; software training courses, namely design and development of cloud computing software and in the fields of software development and software publishing.

Class 42

(4) Scientific and technological services and research and design relating thereto in the field of cloud computing; design and development of computers and software; provision of software as a service (SaaS) featuring software for running cloud computing applications; computer software and system design; installation of software; rental of computer software; maintenance of computer software; updating of software; software development in the framework of software publishing; software development [design]; computer software design and development for cloud computing; design of office equipment; programming, design and development of operating software enabling access to a cloud computing network and its use; provision of a computer platform as a service [PaaS] enabling computer software developers to collaboratively develop software via a website; platform as a service (PaaS) offering operating software for a cloud computing platform; computer virus protection services; data encryption services; computer systems analysis; user authentication services using single sign-on technology for online software applications; conversion of data or computer programs to electronic media; website creation and maintenance for others; development of computer platforms for accessing a remote computer in the cloud or a computer server in the cloud; development of video and computer games; writing of computer code; hosting of websites of others on a computer server; hosting of websites; temporary online provision of non-downloadable computer operating software providing access to a cloud computing network; temporary online provision of non-downloadable operating software enabling access to, and the use of, a cloud computing network; temporary provision of non-downloadable computer software for the design and development of computers, software and computer hardware; temporary provision of non-downloadable software for accessing a remote computer in the cloud or a computer server in the cloud; temporary provision of web software for the design and development of computers, software and computer hardware; temporary provision of web software for accessing a remote computer in the cloud or a computer server in the cloud; provision of Internet search engines; management of search engines, namely provision and operation of Internet search engines; scanning of documents; computer programming; recovery of computer data; external data backup; rental of web servers; software engineering services for data processing; computer programming services for data processing; electronic data storage for archiving business records, personal documents, corporate documents and electronic messages; remote monitoring of access to data in computer systems; provision of software expertise services in the field of computer engineering; conduct of technical project studies related to design and development of computers, design and development of software; computer software engineering; research and development of new products for others; research in the field of artificial intelligence technology; software project management services in the field of computer engineering; software project management services in the field of information technology; computer project management in the field of electronic data processing [EDP]; artificial intelligence consulting; data security

consultancy; Internet security consultancy; website design consulting; computer technology consultancy; software consulting; consultancy in the field of cloud computing applications and networks; rental of operating software enabling access to a cloud computing network and its use; rental of computer hardware and software; rental of computers.

Class 45

(5) Licensing of computer games and computer programs; computer programs licensing; software licensing; consultant services related to software licensing; registration of domain names for identifying users on a global computer network; online social networking services; online social networking services accessible by means of downloadable mobile applications.

Goods

Class 06

(1) Safes and metal strong boxes; traps for wild animals; nails; bells for animals; steel wire; clothes hooks of metal, hooks of metal for roofing slates, metal cup hooks, towel hooks of metal; wall hooks of metal for pipes; reinforcing materials of metal for pipes; elbows of metal for pipes; junctions of metal for pipes; fittings of metal for furniture; fittings of metal for windows, doors, furniture and pipes; labels of metal; metal valves for controlling the flow of gases in pipelines; weather- or wind-vanes of metal; tool chests of metal, empty; metal padlocks; ducts of metal for ventilating installations; ducts of metal, for central heating installations; metal pipes for liquefied natural gas transfer; pipes of metal for compressed air transfer; metallic connections for metal pipes, tubes and casings in the oil and gas industry; rods of metal for welding; hinges of metal pulleys of metal for blinds; window pulleys of metal; monuments of non-precious metal; metal building materials, namely, metal awning, soffits, garden sheds of metal, storage shelters of metal, metal storm shelters, fascia; angle irons of metal; scaffolding of metal; staircases of metal; screws of metal; non-electric door bells of metal; wall plugs of metal, namely, bolts of metal; ropes of metal; locks of metal for bags; locks of metal for windows; spring locks of metal; padlocks of metal, other than electronic; locks of metal for vehicles; door locks of metal, non-electric; metal expanding sleeves for affixing screws; keys of metal for locks; fences of metal; metal brackets for use in the construction and assembly of decking; identification bracelets of metal; collars of metal for fastening pipes; greenhouses of metal, transportable; mobile homes [transportable buildings] of metal; bands of metal for tying-up purposes; clips of metal for cables and pipes; anchors; fasteners of metal for scaffolds; machine belt fasteners of metal; metal clasps for door security hardware; works of art of common metal; tree protectors of metal; iron ores; railway crossovers, turntables, sleepers of metal; unwrought or semi-wrought common metals; small hardware of common metal, namely, springs, washers, nuts, common mental pulls, pulls, drywall screw, chipboard screw, self-tapping screw, self-drilling screw, screw plug, wedge anchor, heavy duty shell anchor, screw plug sets, screw plug sets with hook screw.

Class 07

(2) Packaging machines; pneumatic pumps; reverse osmosis pumps; circulating pumps; suction pumps; rotary pumps; glass cutting machines; glassware manufacturing machines; glass polishing machines; mine borers; agricultural machinery, namely, forage harvesters; electric kitchen machines, namely, coffee grinders, electric, flour mill machines, ice crushers, electric, mixers, juicers, fruit washing machines, vegetable washers [machines]; machine tools for breaking up road surface, press dies for metal forming, rivet guns; machine tools for processing semi-finished plastic products; machines for making electric batteries; electric shoe polishers; electric hair clipping machines for animals; electric door openers; electric machines and apparatus for cleaning, namely, electric steam cleaning machines, electric floor, carpet, and compressor cleaning machines; electroplating machines; electric welding machines; machines for electronic industry, namely, machines for washing electronic components in chemicals; machines for electronic industry, namely, machines for the production of circuit boards, computer hardware; machines for electronic industry, namely, machines for use in the manufacture of semiconductors, memory chips, liquid crystal display devices; engraving machines; dynamos; valves being parts of machines; driving belts for motors, other than for land vehicles; motors for elevators; hydraulic motors for excavators; starters for motors and engines; cylinders for motors and engines; fans for motors and engines; belts for motors and engines; automotive engine blocks; ramjet engines, other than for land vehicles;; hand-held power and machine tools, other than hand-operated in the nature of power-operated grinders, shock absorbers for machines, boring machines for metalworking, milling cutters, drilling machines for metalworking, electrical drills, screwdrivers, hammer drills, metal cutting machines, saws, sanders, glass polishing machines, wrenches, electric planers, routers, engraving machines, hot melt glue guns, hot adhesive guns, spray guns for paint, staple guns disintegrators for chemical processing; wind-powered installations for generating electricity, namely, wind-powered electricity generators; stitching machines; high pressure washers; lawnmowers; machines for the production of optical apparatus, namely, optical lenses; fertilizer making machines; electromechanical machines for chemical industry, namely, industrial mixer for mixing liquids in chemical industries; saw machines; belts for machines; sliding mount for metalworking machines; milking machines; power-operated angle grinders; immersion blenders; agitators for chemical processing; bar blenders, electric; food mixers, electric, for household purposes; bending, broaching, boring, cutting, drilling, milling, tubing mill, and honing machines for metalworking; air compressors; machines for making zippers; centrifugal mills; machines for making coal briquettes; woodworking machines, namely, saw-tooth setting machines, sanding machines, circular saws; ignition devices for internal combustion engines of land vehicles; agricultural machines, namely, harvesters, combines, threshers, cultivators, disk harrows, seeders, watering machines in the nature of pumps for irrigation units, power-operated grass trimmers; floor polishing machines; floor polishers; polishing machines for use in grinding and polishing metal, wood, ceramics and plastics; paint spraying machines; cranes for lifting and hoisting; pneumatic hammers; machines for separating gas; pneumatic cylinder being part of machines; fiber cutting machines; rebar cutting machines; key cutting machines; metal cutting machines; machines for cutting plywood; food cutting machines for commercial use; textile sizing machines; oil-well pumping machines; aerating pumps for aquaria; laundry washing machines being clothes washing machines; filter presses in the nature of machines for separating solids and liquids for industrial purposes; tobacco processing machines; industrial label printing machines; digital printing machines for textile industry; printing machines for printing on packaging; printing machines for use on sheet metal; gluing machines, namely, plywood gluing machines, electric glue guns; vacuum cleaners; steam engines, not for land vehicles; trimming machines, namely, paper trimming machines for commercial or industrial use, electric lawn trimmers, electric hedge

trimmers; looms, namely, automatic looms, power looms; corrugated paperboard making machines; machines for making diaper-pants of paper; tea processing machines; light bulb making machines; leather tanning machines; leather shearing machines; leather finishing machines; cord making machines; electromechanical food preparation machines in the nature of electric food processors; enamel making machines; electric wire and cable manufacturing machines; machines for making needles; bearings being parts of machines; foundry machines in the nature of casting machines; bicycle assembling machines; drilling heads in the nature of power drill bits; brick making machines.

Class 08

(3) Table cutlery, namely, knives, forks and spoons; perforating drill bits for hand drills; sculptors' chisels; engraving drills [hand drills, hand-operated]; hand-operated knife, scrapers, pliers for skinning animals; hand tools, namely, riveters; hand-operated abrading tools; hand-operated agricultural implements, namely, broadforks, chicken pluckers, cider presses; sabres; hand-operated hand tools, namely, penknives, miter cutters being hand tools, multi-tool knives, riveting and chiseling hand tools, drills, screwdrivers, saws, wrenches, pincers, hammers, planers, bolt cutters, pliers, punches, riveters, shovels, hex keys wrenches, crimp wrenches, hand jacks, manually-operated grinding wheels; hand-operated guns for the extrusion of mastics; hand-operated lifting jacks; handles for hand-operated hand tools; secateurs; manicure sets; harpoons for commercial fishing; hand-operated garden tools, namely, trowels, weeding forks, spades, hoes, pruning knives; trowels for mason; bits for hand drills; metal vice jaws and bench vices being hand-operated implements.

Class 09

(4) Semi-conductors; fire, smoke, gas, burglar alarms; lightning rods; surveying instruments; square rulers for measuring; laser rangefinders; electronic distance meters; radiometers; radiometers for use in research; actinometers; tire pressure gauges; pressure gauges; ultrasonic thickness gauge; measuring rulers; optical, pressure, temperature sensor; navigation computers for cars; software for GPS navigation systems; electric measuring devices, namely, clamp meters for measuring electricity, electric current meters, meters for measuring electric current, clamp meters for measuring electricity, digital multimeter, voltage testers, resistance meters, and capacitance meter; electric plugs; electric sockets; electric batteries for portable computers, electric batteries for smartphones, electric batteries for cameras, rechargeable batteries for portable computers, rechargeable batteries for smart phones, dry cells, wet cell batteries, electric batteries for vehicles, batteries for cell phones, solar batteries for lighting devices, AA batteries for lighting devices, rechargeable batteries for powered hand tools, rechargeable batteries for household kitchen appliances, batteries for household kitchen appliances, batteries for powered hand tools; cell phone battery chargers for use in vehicles, chargers for batteries for cell phones, chargers for general purpose electric batteries for lighting devices, chargers for electric batteries for powered hand tools, chargers for electric batteries for household kitchen appliances; electronic video surveillance apparatus, namely, cameras, security mirrors for surveillance, security surveillance robots; industrial contactor starters being switches and relays, electrical; electrolysis apparatus for producing hydrogen and oxygen from water; electric switches, namely, electric current switches, electric light switches, cut-out switches; electric door bells; fibre optic couplings; capacitors in the nature of condensers; padlocks, electronic; electronic door locks; electrical power door lock switches for motor vehicles; electrical wires and cables; covers for electric outlets; electric theft prevention installations, namely, theft alarms, burglar alarms, electronic door locks; electronic notice boards; electronic chip cards, namely, blank smart cards, encoded electric chip cards for identifying particular users of computers and mobile telephones; electronic slide calipers; downloadable animated cartoons; videodiscs recorded with animated cartoons; pre-recorded

DVDs featuring animated cartoons; intercoms; protective face masks for the prevention of accident or injury; clothing for protection against accidents, irradiation and fire; gloves for protection against accidents; laser printers; laser doppler for measuring purposes, laser measuring tapes; photographic, electrostatic, thermic photocopiers; protection devices for personal use against accidents, namely, protection face masks, clothing for protection against accidents, garments and clothes for protection against fire, protective work gloves, protective glasses, and protective shoes for protection against accidents and fire; knee-pads for workers; protective safety boots for industrial use; radiological apparatus for industrial purposes, namely, X-ray security screening machines, x-ray fluorescent analyzers; industrial endoscope cameras; optical apparatus and instruments, namely, optical sensors, lamps, scanners, filters, fibers; light conducting filaments, namely, optical fibers; tachographs; marking gauges for joinery purposes; chemistry apparatus and instruments, namely, laboratory glassware, laboratory chemical reactors, chromatography columns for laboratory use; thread counters, geiger counters, and air quality measurement apparatus, namely, particle counters; downloadable computer software for use as a digital wallet; computer e-commerce software to allow users to perform electronic business transactions via a global computer network; software for the integration of artificial intelligence and machine learning in the field of Big Data; computer network switches; computer network bridges; tape measures; video phones; air ratio gauges; electricity control panels; measures, namely, angle finders, laser distance meters, water temperature gauges, measuring spoons, measuring cups, pocket calipers for measuring; fire extinguishing apparatus; dial gauges; micrometer gauges; ear plugs for divers; heat regulating apparatus, namely, electronic control circuits for electric heaters; facial recognition software; facial analysis software; biometric retinal scanners; fingerprint scanners; biometric fingerprint door locks; video monitor; video screens; surveyor's levels; voting machines; internet network router; radio receivers and transmitters; radio signal tuners; wireless routers; eyeglasses; counterfeit coin detectors; cabinets for loudspeakers; security systems for vehicles in the nature of electronic key fobs being remote control apparatus; remote controls for air-conditioning apparatus; power banks; slide calipers; document printers for use with computers; speed indicators for vehicles; rearview cameras for vehicles; cameras for photography; electronic ticket dispensers, namely, lottery and parking lot ticket dispensers, ticket issuing, reading and recording machines.

Class 11

(5) Electric pocket warmers for warming hands; extractor hoods for kitchens; light bulbs; electric hair dryers; electric lamps; electric heating apparatus in the nature of boilers for heating installations, solar collectors for heating, electric heating fans electric radiators; electrically heated vests; electrically heated gloves; electric kettles; ventilating fans; electric window fan; pipes for heating boilers; flues for heating boilers; flexible pipes being parts of basin plumbing installations; water purifying machines, namely, electric water purifier for household purposes; humidifiers for household purposes; air purifier for household purposes; germicidal lamps for purifying air; air purifying machines and units for household purposes; air-conditioning units; electric freezer; cooling appliances and installations, namely, cooling evaporators, water coolers, beverage cooling and ice dispensing machines; taps being faucets for washstands and bidets; gas burners; cooking apparatus and installations, namely, electric cooktops, gas cooktops, microwave ovens, cooking ranges; cooking apparatus and installations, namely, cooking machines ranges, electric coffee machines, electric rice cookers, bread making machines, electric appliances for making yoghurt, electric toaster ovens; friction lighters for igniting gas; heat guns; fluorescent lamp tubes; electric torches for lighting; water purifiers for household purposes; waste water purification units; rainwater purification installations; water purifiers for industrial purposes; searchlights; sanitary apparatus and installations, namely, hot air bath fittings, urinals being sanitary fixtures, and hand wash basins being parts of sanitary installations; fog machines; disinfectant apparatus, namely,

disinfectant dispensers for toilets, sterilizers for medical instruments, water sterilizers; cocks for pipes and pipelines being parts of sanitary installations; lava rocks for use in barbecue grills; oil lamps; bath installations; lights for vehicles; electric luminaires; indoor lighting fixtures; industrial lighting fixtures; outdoor lighting fixtures; automatic watering installations, namely, automatic faucets, membrane filtration units for water treatment apparatus, watering machines for agricultural purposes.

Services

Class 35

Office machines and equipment rental; advertising the goods and services of others; book-keeping; systematization of information into computer databases; advertising on the Internet for others; personnel management consultancy; business administrative services for the relocation of businesses; rental of sales stands; sponsorship search; retail store services featuring pharmaceutical, veterinary and sanitary preparations and medical supplies; wholesale store services featuring pharmaceutical, veterinary and sanitary preparations and medical supplies; employment agency services; rental of vending machines.

Goods

Class 07

(1) Machines and machine tools for treatment of materials and for manufacturing, namely, milling machines and power operated milling tools; manufacturing machines, namely, machines for producing, manufacturing, and assembling furniture, wood panels and wood components; machines for use in assembling furniture, wood panels and wood components; machines for handling cargo and goods, namely, cargo handling robots for use in warehouses, unmanned transportation conveyors being cargo handling machines; robots [machines], namely, unmanned robots being cargo handling machines, industrial robots for working wood, industrial robots for shaping plastic material; variable speed drives for machines and electric motors for machines; electrical variable speed drives for machines; machine tools, namely, metal, plastic, glass and wood drilling machines and power operated drilling tools, power tools, saws, edgebenders, jig saws, planes, sanders, routers, lathes, table saws, jointers, band saws; hydraulic and pneumatic valves being parts of machines; control mechanisms parts of machines, namely, valves being parts of machines; tools [parts of machines], namely, machine beds, machine frames, holders and carriers for machines and machine installations.

Class 09

(2) Interactive downloadable computer operating system software using artificial intelligence for unifying, accessing, hosting, managing, maintaining, operating, connecting, controlling and sharing cloud based networked Internet of Things (IoT) for product design machines and services and manufacturing machines; electronic data loggers and electronic data recorders for logging and recording machine data such as temperature, downtime, tool sharpening cycles, output with a view to gathering data for predictive maintenance and to avoid downtime; downloadable computer software for authorizing access to digital content and databases; intelligent gateways for real-time data analysis, namely, downloadable software for collecting and transmitting real-time data, namely, text, image, audio and video files to pre-analyze product pricing and sales strategies; local area networks [LAN] access points for connecting users of a computer network; computer network and data communication equipment, communication networks, namely, computer network hubs, switches and routers, computer network server computer network-attached storage [NAS]

hardware, and computer network bridges and adaptors; operating system programs and network operating system programs; computer utility programs for data compression; computer programs for accessing, browsing and searching online databases; computer programs and programs for data processing, data transmission and data evaluation, namely computer operating programs for use with database management and storage; computer software for database management; computer software for administration of computer networks for communication between computers over a local network; computer software for administration of local area networks; computer software to enable the searching of online databases; computer software for authorising access to databases; downloadable computer software for the transmission of electronic communications, namely, user-generated text messages, audio-video messages, between two points; blank compact discs; blank DVDs; downloadable computer communications software for connecting remote computers for machines and computers networks with other computers and computer networks in order to transmit data; data network servers and data transmission network servers; data storage media and data storage devices, namely, computer hardware for data processing and storage; computer programmes for database management; digital recording media, namely, blank optical discs, blank computer discs; electronic sensors and control devices for sensors, for determining temperature, position, proximity, acceleration, pressure, and light; computer network hardware and computer hardware; data processing installations, namely computers, data loggers, and data point-of-sale terminals, computer database servers, data input devices and data output devices, namely, keyboards, computer mice, scanners, microphones, barcode readers, computer monitors, printers, speakers, and headphones, data storage devices, namely, computer hardware for data processing and storage, data acquisition devices, namely, computer hardware for collecting and transmitting data with a certain intelligence to pre-analysis data, data transmission devices and data communication devices, namely, computers, terminals being computer hardware, network routers, and computer access servers, data encryption devices , namely, electronic encryption units, computer hardware for data reproduction; communication interface units, namely Human Machine Interface (HMI) devices in the nature of computer monitors, touchscreens, electromechanical relays and devices in the nature of computer processing units to convert data harvested from machines into a form readable by computers; downloadable industrial software for collecting, manipulating and managing information and data in manufacturing processes, namely, software to integrate manufacturing machine operations, track problems and generate production reports; interactive computer software enabling exchange of information, namely, computer application software that gives computer users the ability to upload, exchange and share videos, text messages, and voice messages via the internet; communication software for connecting computer network users, namely, computer software for administration of computer local area networks; communication software for connecting global computer networks, namely, Internet access software; LAN (local area networks) hardware; computer network-attached storage [NAS] hardware; computer-aided manufacturing software, namely, computer software for computer-aided manufacturing [CAM]; computer-aided design (CAD) software; software for automated manufacturing [CAM], namely, computer software for computer-aided design/computer-aided manufacturing [CAD/CAM]; mechanical engineering software, namely, downloadable software for use in connection with industrial processes and for production planning, namely, numerical control programs and machine tool operating programs; data compression software; cloud network monitoring software; downloadable software for tracking and managing predictive maintenance of machines and machine tools for wood, metal and plastic processing, namely, milling machines and power operated milling tool; graphical user interface software; downloadable operating system software and operating system application software in the nature of a mobile application for controlling IoT devices; industrial process control software; downloadable software for use in connection with industrial production and for production planning, in particular numerical

control programs and machine tool operating programs; computer software for the management of access authorizations to data bases; software for creating data security keys; network management control apparatus, namely computer hardware and embedded operation software for network management; computer operating system software for automatic dispensing of consumables; computer software for tracking the inventory of consumables namely, for inventory management; downloadable computer operating system software for use in managing digital tool; quick response code readers; bar code scanners; software for generating quick response codes.

Services

Class 35

(1) Database marketing services in the form of compiling customer specific databases of others; collection of data, namely, compilation of tool predictive maintenance statistics into computer databases; business management of orders via cloud- based software; billing; commercial administration of the licensing of software licenses for others; business administration of accounts for software licenses; data ownership management, in the nature of business management; billing related to data retrieval and use.

Class 38

(2) Provision of access to an electronic marketplace [portal] on computer networks; remote data access services, namely, providing access to databases; streaming of audio and video content via the internet, other computer networks, wireless networks and electronic communication networks; providing access to global computer networks and other computer networks; provision of access to databases containing documents stored electronically in central files for remote consultation; television and radio broadcasting services; electronic data transmission and electronic exchange of data, namely, electronic exchange of messages using chat lines, chatrooms and Internet forums; telecommunications by computer terminals, namely, email transmission of data and documents via computer terminals,, satellites, namely, broadcasting of radio and television programmes by satellite, telegraphs, namely, telegraph services, telephones, namely, wireless telephone services; telematics services, namely, telematic in-vehicle communication service providing wireless vehicle navigation and tracking; provision of access to internet platforms for online marketplace data.

Class 42

(3) Analysis of large amounts of data with regard to the relationships between the data, targeted data search namely data mining and data warehousing; industrial analysis of data for the planning and operation of commercial and industrial plants; consultancy in the field of computer software and computer technology consultancy; consultancy and information services in the field of computer architecture and computer hardware infrastructure; advisory services relating to human-machine interfaces and machine-machine interfaces for computer software, namely computer software engineering advisory services; consulting in the field of cloud computing networks and applications; providing online non-downloadable operating software for accessing and using a cloud computing network; providing use of online non-downloadable computer software applications for unifying, accessing, hosting, managing, maintaining, operating, connecting, collecting and analyzing device and user data for manufacturers and users of IoT devices; providing online non-downloadable software for the operation and maintenance of computer networks and servers; providing online non-downloadable software for software development and website development; development and testing of computing methods, algorithms and software; technical data analysis of computer related materials in the field of visual data collection of the location and condition of computer hardware and software features; design and development of electronic data security systems; computer security services in the nature of administering digital

certificates; data migration services; data security services; software engineering; data encryption services; software design and development; design and development of networks and network software and applications; design of homepages and websites; application service provider (ASP) services featuring computer software and providing online non-downloadable software, namely, computer software for accessing, browsing and searching online databases; computer hardware and software consultancy; development of computer programs recorded on data media (software) designed for use in construction and automated manufacturing (CAD/CAM); development of computer based networks; development of computer hardware and software for data processing; design and development of computer hardware for the manufacturing industry; design and development of computer software for controlling and operating numerically controlled machine tools; design of configurations for computer groups, hosting, server hosting, web hosting, namely, computer hardware and software design; provision of information in the field of computer technology via a global computer network; research in the field of design and development of computer hardware and software for data processing; designing and implementing network web pages for others; hosting online marketplaces for sellers of goods and / or services; implementation, installation, maintenance and updating of computer software; computer hardware and software engineering services relating to information technology; engineering services relating to the design of machine tools and the design of data processing programs and software for use on or in connection with numerically controlled machine tools; mechanical engineering services for the analysis of machinery; computer software programming services; computer software and hardware project management services for data centers; custom creation of computer software; custom design and development of computer hardware and software; providing non-downloadable software for database management; programming of operating software for accessing and using a cloud computing network; process monitoring for quality assurance, namely, providing quality assurance in the field of computer software; software as a service [SaaS] featuring computer operating software for computer network configuration and integration; software as a service [SaaS] featuring computer operating software platforms for the management and connection of third-party Internet of Things (IoT) enabled home entertainment systems; software as a service [SaaS] featuring internet access software; software engineering services for data processing programs; leasing computer facilities; platform as a service [PaaS] featuring computer software platforms for unifying, accessing, hosting, managing, maintaining, operating, connecting, collecting and analyzing device and user data for manufacturers and users of IoT devices; platform as a service (PAAS) featuring computer software platforms for controlling of IoT enabled industrial machinery of third parties accessible via a website; platform as a service (PAAS) featuring computer operating system software platforms to provide access to databases from websites, mobile applications, and smart phones; design and development of computer hardware and software for documenting information on an object, a tool and a machine; design and development of software for the management of access rights to information, design and development of data security systems; design and development of software for creating data security keys; design and development of software for recording and regulating the use of consumables; design and development of software for digital tool and material management including the tool life cycle; electronic storage of files, documents and databases, namely, electronic data storage for archiving business, corporate, and personal records; cloud data storage, namely, providing cloud storage facilities for order management and tracking for others; providing computer systems for the electronic storage and organization of digital data, namely, application service provider (ASP) featuring software for managing electronic data storage for archiving business, corporate, and personal records and documents.

Class 10

(4) Medical apparatus and instruments for use in cardiovascular procedures, namely, diagnostic catheters, balloon catheters, stent delivery systems, guidewires, vascular access sheaths, and cardiac monitoring devices, surgical instruments for cardiovascular applications, namely, vessel clamps, heart retractors, cannulas, stents, artificial heart valves, and pacemakers; electronic monitoring instruments for medical use, namely, electronic temperature monitors for medical use; clothing for medical use, namely, medical gloves and gowns; patient monitoring sensors and alarms for monitoring patient movement; apparatus for monitoring vital signs, namely, patient medical monitors for monitoring vital signs; pulse meters.

Class 11

(5) Apparatus for lighting, heating, refrigerating, drying, ventilating, water supply and sanitary purposes and parts and fittings for the same, namely, lighting fixtures, water heaters, refrigerators, electric air dryers, ventilation hoods, water fountains, wash basins being parts of sanitary installations; lighting panels for vehicles, namely, land vehicles, air vehicles and rail vehicles, light-emitting diodes (LED) lighting apparatus, namely, LED lighting for vehicles being headlights, taillights, interior lighting, and indicator lights and parts and fittings for the same; food and beverage cooking, heating, cooling and preservation equipment, namely, cooking ranges, hot water heating installations namely heaters, beverage-cooling dispensing machines, fridges; freezers; refrigerators; kitchen stoves and hot plates; kitchen ovens; gas kitchen machines for cooking, namely, gas stoves; coffee machines; electric kettles.

Class 12

(6) Land vehicles and conveyances, namely automobiles, passenger trains, subway trains and trams; air vehicles, namely, airplanes; water vehicles, namely, boats; rail vehicles, namely, trams and trains; structural parts and fittings for land, air, water and rail vehicles, namely, injection-molded plastic units, namely, plastic parts for vehicles which are embedded with printed circuits and electronic components, used for interior and exterior paneling, steering apparatus, door handles, bumpers, vehicle sensors, and vehicle antennas; automobile dashboards; upholstery for land, air, water and rail vehicles; covers for vehicle steering wheels; doors and bumpers for land, air, water and rail vehicles; bodywork parts for land, air, water and rail vehicles; body panels for land, air, water and rail vehicles; interior and exterior panels for land, air, water and rail vehicles; door panels and roof panels for land, air, water and rail vehicles; vehicle seats and parts and fittings therefor.

Class 14

(7) Precious metals; precious metal alloys.

Class 17

(8) Acoustical insulation barrier sheets made of sound-absorbing textile materials; acoustical insulation barrier panels; acoustic insulation panels for buildings; semi-processed plastic materials in the form of panels; semi-worked plastic substances in the nature of semi-processed plastics; polymeric membranes, namely, pellets for use as filling material for synthetic grounds; electrical insulation articles and materials; carbon fibre; fibreglass fabrics of organic fibres for use as insulation.

Class 19

(9) Veneers, namely, veneers for floors, wood veneers and stone veneers; non-metallic cladding panels for building; non-metallic wall panels for building; building panels, not of metal, namely, concrete, glass, plastic and wood; door panels, not of metal; doors, not of metal, namely, glass, plastic and wood.

Class 21

(10) Beverage coolers.

Class 24

(11) Textiles and substitutes for textiles, namely, for linings of clothes; household textiles, namely textile curtains; natural and synthetic fabrics and textiles, namely, polyester textiles; polymer coated fabrics, namely acrylic fabrics and woven fabrics; fabrics of organic fibres, other than for insulation, namely, cotton fabrics.

Class 25

(12) Clothing, namely, pants, shirts, tops, namely, athletic tops, crop tops, fleece tops, sweat tops, tank tops, jackets and shorts; headgear, namely, hats, caps, sun visors, headbands, toques; footwear, namely, shoes, boots, sandals, casual footwear; sports clothing; sports shoes; wristbands.

Class 28

(13) Sporting articles and equipment, namely, athletic wrist and joint supports, ball pitching screens, golf clubs, tennis rackets and skis and structural parts and fittings for the same; covers for sporting articles and equipment in the nature of fitted protective covers specially adapted for sports equipment, namely, golf clubs, tennis rackets and skis; toys, games, playthings, namely, construction toys, toy planes, cars and boats, board games, video game consoles, swing sets and structural parts and fittings for the same; covers for toys, games, playthings in the nature of fitted covers specially adapted for toy planes, cars and boats, fitted covers specially adapted to protect video game consoles for use with an external display screen or monitor, and protective fitted covers for swing sets; sports training apparatus, namely, pitching machines; footballs; golf clubs; protective paddings for playing football.

Services

Class 40

(1) Custom manufacture of electric computer and electronic computer components, motor vehicle parts and fittings, manufacturing of electronic components for medical equipment, plastic panels for building, and plastic molded components for the manufacture of molded plastic; custom assembly services, namely, custom manufacturing of plastic injection-molded parts for others; custom assembly of products and parts and fittings of products, namely, custom manufacturing of

plastic injection-molded parts for others; custom manufacture and assembly of vehicle bodies and chassis and parts and fittings for the same; custom manufacture and assembly of electronic components to the order and specification for vehicles in the nature of custom manufacturing of electronic components for vehicles; custom manufacture and assembly of electronic components to the order and specification of medical devices for others; custom manufacture and assembly of electronic components to the order and specification for sporting articles and equipment; custom manufacture and assembly of plastic panels for building; custom manufacture and assembly of plastic molded components for building.

Class 42

(2) Scientific and technological services and research, namely, research and design in the field of computers and engineering and research and design relating thereto; industrial analysis and research services in the field of computers and engineering; design and development of computer hardware and software; research and development of new products for others; technological research analysis services in the field of computers; technical measuring and testing, namely, measurement evaluations in the field of computers and engineering; hosting services and software as a service (SaaS) services featuring software for use in database management and rental of software for use in database management; providing software as a service (SaaS) featuring software for the creation of products and the management of product manufacturing processes; software maintenance and upkeep in the nature of updating of software.

Goods

Class 06

(1) Small items of metal hardware, namely, springs, screws, nuts, washers, pulls, bolts and rivets; metal drainage pipes, metal gutter pipes, metal branching pipes, metal downpipes, metal pipes for transfer of oil and gas; pipe joints of metal; metal expanding sleeves of metal; common metals, unwrought and semi-wrought; sheet metal; building materials of metal, namely claddings of metal, composite panels, soffits of metal, fascia of metal, floor panels of metal; unprocessed and semi-processed metal materials not adapted for a specific use, namely, ores of metal; transportable buildings of metal, namely portable mobile metal office buildings, portable mobile metal residential buildings, prefabricated metal houses, prefabricated metal garages, prefabricated metal storage sheds, portable mobile metal storage buildings; containers of metal for storage, transport and packaging; transport and packaging objects of metal, namely, transport pallets; parts and fittings for all the aforesaid goods; metal roofs with integrated solar cells.

Class 07

(2) Machines and machine tools for material treatment and production, namely, bending machines for metalworking, grinders being power tools for use with metal; metalworking machines; machines for metal production; machinery for use in agriculture, earthworks, construction, oil and gas exploration and mining; transport devices, namely, industrial lift transporters for the transport of metal, pneumatic tube conveyors; motors, other than motors for land vehicles, namely, motors for air conditioners, hydraulic motors for excavators, electric motors for machines; machine coupling and transmission components [other than for land vehicles]; parts and fittings for all the aforesaid goods; machines and installations for bottling and packaging beverages; machines for shoe manufacturing; garbage disposal and recycling machines; wind power generators; hydroelectric installations for generating electricity [hydroelectric power stations]; electric generators.

Services

Class 40

(1) Recycling of metals; material treatment, namely cold forming of metal, tempering of metals; generation of power; custom fabrication and assembly of metal goods, namely, filament winding, heat treating, machining and assembly, metal forming, metallurgical testing, non destructive product analysis, painting and coating, pressure testing, structure analysis, implementing vacuum technology for insulation of metal and steel products and welding; metalworking, namely embossing, enamelling, hardening, forging, stamping, forming; 3d printing for others; metal tempering [metalworking]; color coating in the nature of applying decorative and protective coatings to metal by means of galvanization; coating of metals [treatment of materials]; providing material treatment information in the field of waste water treatment services and recycling of waste and trash; rental of metal treatment machinery; consultancy and information in relation to metal treating and casting; treatment of contaminated soils and sediments; sandblasting, welding, welding, wood preservation; customer-specific contract manufacturing in the field of pipe construction; preparation and improvement of soil; waste water treatment services; waste processing; generation of gas and electricity.

Class 42

(2) Scientific and technological services, namely, scientific research in the field of manufacturing, processing and application of metallic materials and the products manufactured on the basis of these materials, namely analysis and evaluation of product design and development, metallurgical and microstructure analysis, non-destructive and destructive testing, microstructure analysis, damage investigation, heat treatment, material analysis, welding technology analysis, corrosion testing, coating testing, component strength and pressure testing and analysis, alloy design, and laboratory testing of materials; engineering services, namely mechanical engineering, metallurgical engineering; physicist services, namely, physics research; chemist services; providing technical reports, materials testing, building and construction planning, technological consultancy and providing expert opinions; design services, namely, design of computer hardware and software; development, programming and implementation of software; development of computer hardware; material testing; authentication in the field of works of art; quality control of steel; it consultancy relating to installation, maintenance and repair of computer software; information and information services in the field of information technology architecture and infrastructure; industrial analysis and research services, namely development of new products, and development of new uses and applications for metallic materials; electronic data backup; electronic data storage for archiving business records, emails, personal documents and corporate documents; conversion of electronic data [other than physical alteration], namely, document data transfer and conversion from one media to another; investigations, research in databases and on the internet for science and research; user authentication services using biometric hardware and software technology for

password management; rental of software; lending, rental and leasing of objects in connection with providing the aforesaid services in the nature of rental of laboratory instruments; consultancy and information in the field of metallurgy; energy auditing; technological consultancy in the field of energy generation and energy use; technical advice on energy saving; technical verification of efficient use of energy; technical analysis of the energy and power needs of others; design and development of renewable energy systems.

Services

Class 35

(1) administration and management of research grants; administration of cultural and educational exchange programs; advertising research; advertising services for promoting public awareness in the fields of migraine prevention, migraine management and migraine research; advertising services to promote public awareness on educational issues; analysis of market research data and statistics; analyzing, interpreting and advising others regarding polls and market research data; arranging and conducting food trade fairs and trade show exhibitions; association services for promoting the public interest and awareness in cancer research and education; business consultation in the field of education leadership development; business data analysis for the compilation of Big data for use in machine learning; business management advice relating to construction manufacturing; business management advice relating to manufacturing business; business research investigations; business research services; collection of market research information; compilation of statistical data for use in scientific or medical research; computerised market research services; computerized market research services; computerized, on-line ordering services in the field of food, groceries and supermarkets; conducting business and market research services for others; conducting business and market research surveys for others; conducting on-line business management research surveys; conducting polls and market research for others; consulting and advising services provided to others regarding the design of polls and market research studies; consulting services in the field of higher education administration; consumer research services; enrolling students in the educational programs of others; food concession stands; food kiosk services being retail store services featuring foodstuffs; in store and online food and grocery product demonstrations; interpretation of market research data; mail order services in the field of food; mobile food and beverage concessions in airports; mobile food cart services featuring organic cupcakes and milkshakes; mobile retail sale of food; mobile retail sale of mushroom-based food and non-alcoholic beverages; mobile street vendor services featuring food and drink; on-line retail store services featuring food cooking equipment; on-line retail store services featuring food preparation implements; online retail sale of food; online retail sale of food for pick-up; online retail store services featuring food items; operation of grocery store featuring the sale of prepared fresh and cooked indian food for takeout; operational services for food stores; organization of exhibitions for cultural or educational purposes in the fields of computer game design, virtual reality, cloud computing, graphic design and computer software development; promotion of skilled trades and technologies through educational awareness programs; providing information on respondents for opinion polling and market research polling purposes via an online database; providing information on the online retail sale of food for pick-up via a website; public policy research services; retail grocery store services, and the sale of packaged food products; retail of ready-to-eat foods and prepared meals; retail services featuring snack foods; retail services featuring vegetable-based snack foods; retail services for educational supplies; retail store services located within airports featuring food and beverages; street vending of food; subscription services, namely, subscriptions to receive boxes filled with assorted items in the fields of fashion, health and beauty, home décor, technology, fitness and food products; tracking

customer food and grocery preferences to provide feedback to suppliers in the field of food and groceries; wholesale and retail sale of food; wholesale distributorship of food products; wholesale services featuring vegetable-based snack foods

Class 39

(2) delivery of food and drinks by restaurant; delivery of food by courier; delivery of food by grocery stores and supermarkets; delivery of food by restaurants; delivery of food by vehicles; food delivery services; on-demand delivery of food and beverages; on-demand delivery of food and beverages prepared for immediate consumption; providing information in the field of food delivery by grocery stores and supermarkets

Class 40

(3) custom manufacture of biopharmaceuticals; custom manufacture of computers for others; custom manufacture of heating, ventilating, and air conditioning equipment and systems for others; custom manufacturing of carbon and stainless steel pressure vessels; custom manufacturing of plumbing fittings and plumbing fixtures for others; custom manufacturing of steel tubes for HVAC, automotive, oil and gas, fluid power, power generation and recreational vehicle industries; food canning services; freezing of foods; irradiation of food

Class 41

(4) analyzing educational tests scores and data for others; analyzing of educational test scores and data for others; arranging and conducting educational courses for students in the field of intellectual property; arranging and conducting educational courses for youth and students in the field of welding; arranging and conducting of instructional courses, computer training, correspondence courses, conferences, workshops, seminars, webinars in the field of business management; arranging and conducting postgraduate training courses groups in the field of mechanical engineering, chemical engineering and electrical engineering; arranging and conducting tours of cruise ships for educational purposes; arranging and conducting workshops for educational purposes in personal growth in the field of self-awareness; arranging and conducting workshops for educational purposes in the field of entrepreneurship; arranging and conducting workshops for educational purposes in the fields of computers; arranging and conducting workshops for educational purposes in the fields of graphic arts; arranging and conducting workshops for educational purposes in the fields of video games; arranging and providing education, instruction, coaching, workshops, courses, and conferences, all in the fields of personal branding, leadership and professional development, interpersonal communications, team-building, advertising, marketing and distribution of training material in connection therewith; arranging professional workshops and leadership training courses for medical staff; art-based educational program for teaching mindfulness, stress management, and creativity to boost mental health, provided via a website; computer-based simulation instruction for children and adolescents to teach educational topics and subjects in the fields of team dynamics; conducting courses of instruction at the college level; conducting courses of instruction at the high school level; conducting courses of instruction at the primary level; conducting courses of instruction in the area of financial planning and financial management; conducting distance learning at the College level; conducting distance learning at the high school level; conducting distance learning instruction at the college level; conducting distance learning instruction at the primary level; conducting distance learning instruction at the university level; conducting guided tours of caves for educational purposes; conducting of educational courses in the fields of mechanical engineering, chemical engineering and electrical engineering; conducting online instruction and courses in the field of computer technology; conducting training programs, educational support programs and skill development workshops in the field occupational health and safety; conducting training programs,

educational support programs and skill development workshops in the field of employee mental wellness; consultancy in the field of learning difficulties; consultation in the field of educational programs dealing with issues of concern for families of veterans suffering from mental health conditions; consultation in the field of educational programs dealing with issues of concern for veterans suffering from mental health conditions; correspondence courses at the high school level; correspondence courses in the field of language training; correspondence courses in the field of law enforcement; correspondence courses in the field of technical writing; creating educational and psychological support programs aimed at promoting and fostering partnerships between patients, families, researchers and service providers; cultural, educational or entertainment services provided by art galleries; developing educational manuals; driver education training; education and training for personnel, team and organizational development in the field of sports competition organization; education and training in the field of business management; education and training in the field of diversity; education and training in the field of food safety; education and training in the field of occupational health and safety; education and training in the field of welding; education and training in the fields of civic engagement; education and training in the fields of community service; education and training in the fields of employment and professional development; education and training in the fields of humanitarian service and volunteerism; education courses in the field of risk management services; education courses in the field of the travel industry; education courses of instruction in the field of medicine; education services in the field of quantum computing; education services in the nature of courses at the university level; education services in the nature of early childhood instruction; education services, namely conducting classes, workshops, training seminars, and discussion forums in the fields of medical devices; education services, namely providing classes, seminars, workshops, tutoring, and mentoring in the field of middle and high school reform; educational and entertainment services, namely, providing on-line interactive children's stories; educational and training programs in the field of risk management; educational book writing; educational consultancy services in the fields of mechanical engineering, chemical engineering and electrical engineering; educational counseling services to assist students in planning and preparing for further education; educational demonstrations in the field of composting and recycling; educational demonstrations in the field of home energy conservation; educational research services; educational seminars in the field of treating heart and cardiovascular diseases; educational services directed at the public in the field of arthritis regarding arthritis research, prevention, treatment and information; educational services in the field of arthritis; educational services in the field of career information, advice and guidance; educational services in the field of corporate crisis planning; educational services in the field of economics, financial planning and investment strategies; educational services in the field of financial planning; educational services in the field of financial planning, stock market trading, cryptocurrency trading and financial management; educational services in the field of innovation, problem solving, critical thinking, decision making and collaboration skills; educational services in the field of nutrition; educational services in the field of pharmaceuticals; educational services in the field of psychotherapy; educational services in the field of real estate; educational services in the field of sanitizing and disinfecting offices, public and commercial work spaces; educational services in the fields of eye care, eye treatment, and eye diagnosis; educational services in the form of fine arts schools; educational services in the form of providing incentives to organizations to demonstrate excellence in the field of science; educational services in the form of seminars, webinars, conferences, and workshops on career and business development, leadership, and personal branding; educational services in the nature of providing online instructions in the field of art techniques and art instruction; educational services namely hosting a literacy program; educational services namely, conducting classes, conferences and workshops in the field of investment planning, retirement planning, investment strategies and financial planning strategies; educational services provided by

circuses; educational services provided by special needs assistants; educational services, namely doctors and healthcare providers advising patients about their medical imaging and medical records for educational purposes; educational services, namely, development and provision of educational courses in the fields of accounting; educational services, namely, development and provision of educational courses in the fields of architecture; educational services, namely, development and provision of educational courses in the fields of branding; educational services, namely, development and provision of educational courses in the fields of business management; educational services, namely, development and provision of educational courses in the fields of cardiac imaging services; educational services, namely, development and provision of educational courses in the fields of cloud computing; educational services, namely, development and provision of educational courses in the fields of computer coding; educational services, namely, development and provision of educational courses in the fields of computer networking; educational services, namely, development and provision of educational courses in the fields of computer programming; educational services, namely, development and provision of educational courses in the fields of computer software development; educational services, namely, development and provision of educational courses in the fields of computer software training; educational services, namely, development and provision of educational courses in the fields of computer-aided design (CAD); educational services, namely, development and provision of educational courses in the fields of computers; educational services, namely, development and provision of educational courses in the fields of environmental design; educational services, namely, development and provision of educational courses in the fields of financial planning and financial management; educational services, namely, development and provision of educational courses in the fields of graphic design; educational services, namely, development and provision of educational courses in the fields of interior design; educational services, namely, development and provision of educational courses in the fields of language training; educational services, namely, development and provision of educational courses in the fields of marketing; educational services, namely, development and provision of educational courses in the fields of photography; educational services, namely, development and provision of educational courses in the fields of publishing; educational services, namely, development and provision of educational courses in the fields of retail design; educational services, namely, development and provision of educational courses in the fields of sales; educational services, namely, development and provision of educational courses in the fields of visual arts; educational services, namely, development of courses and examinations to provide qualifications in the field of computer programming; educational services, namely, obtaining school transcripts on behalf of customers and providing the customer's transcript to schools; educational services, namely, providing cognitive fitness programs for seniors; educational services, namely, providing courses, webcasts, webinars, podcasts, and multimedia presentations in the field of legal matters and for providing continuing education for professionals in the legal field; educational services, namely, providing non-downloadable podcasts in the field of mortgage brokering; educational services, namely, seminars, workshops, classes and training sessions in the field of beekeeping; educational services, namely, training educators to use an interactive digital learning platform for the delivery and management of online courses; educational support services in the field of memory improvement strategies; educational training sessions, seminars, and conferences in the field of eye care and eye treatment products; educational training sessions, seminars, and conferences in the prevention and treatment of cardiovascular diseases and disorders and treatment product; educational training sessions, seminars, and conferences in the prevention and treatment of ophthalmic diseases and disorders and treatment products; educational training workshops in the field of detecting and treating behavioural disorders; entertainment and educational services, namely, before and after school educational and tutoring programs in the field of K-12 academic subjects;

entertainment and educational services, namely, before and after school educational and tutoring programs in the field of play areas for children; entertainment and educational services, namely, before and after school educational and tutoring programs in the field of recreational camps; entertainment services, namely, presentation of educational lectures about modern art and architecture; in-person educational training sessions, workshops and conferences featuring an art-based program for teaching mindfulness, stress management, and creativity to boost mental health; management training, coaching and educational consulting services for the childcare industry in the fields of cardiopulmonary resuscitation and health and safety of children; medical education and training in the field of botulinum toxin injections; medical education and training in the field of dystonias, muscular dystonia, and cervical dystonia treatment; medical education and training in the field of motor disorders, muscular atrophy, and muscular dystrophy treatment; medical education and training in the field of spasticity of the lower limbs, muscular spasm, blepharospasm, hemifacial spasm and muscle cramp treatment; nursery school services; nursery schools; offering of assessments and surveys in the field of educator training and performance for the purpose of improving teaching procedures; offering training and an educational program for the training of employees, staff and business owners in proper disinfection and sanitizing techniques; on-line education credit and degree evaluation and comparison services; on-line educational parental training classes; operation of an educational institution at the college level; operation of an educational institution at the high school level; operation of an educational institution at the university level; operation of education facility, providing training and education in dentistry; organization of educational congresses in the field of medicine; organization of educational congresses in the field of motor disorders, muscular atrophy, and muscular dystrophy treatment; organization of educational congresses in the field of spasticity of the lower limbs, muscular spasm, blepharospasm, hemifacial spasm and muscle cramp treatment; organization of educational congresses in the fields of mechanical engineering, chemical engineering and electrical engineering; organization of exhibitions for cultural or educational purposes in the fields of comic books, animations and gaming; organization of seminars, working groups, research groups and conventions in the field of medicine; organization of seminars, working groups, research groups and conventions in the field of neuroscience; organization of seminars, working groups, research groups and conventions in the field of psychology; providing classroom facilities for educational training; providing continuing dental education courses; providing continuing medical education courses; providing continuing nursing education courses; providing education and training courses online on quality assurance systems at the workplace for employee health and wellbeing; providing educational classes in the fields of computer technology; providing educational non-downloadable podcasts in the field of income sources, personal development, leadership skills, personal growth, personal achievement, and success; providing educational videos on the topic of self-discovery; providing information about degree credit courses and online education; providing information in the field of children's education; providing non-downloadable educational information, brochures, and guides in the field of welding personnel qualification and the welding industry; providing online and in-person educational courses and classes to children and adolescents concerning educational topics and subjects in the fields of risk analysis; providing online and in-person educational courses and classes to children and adolescents concerning educational topics and subjects in the fields of team dynamics; providing online and in-person educational courses and classes to children and adolescents to foster innovation by teaching collaboration skills; providing online and in-person educational courses and classes to children and adolescents to foster innovation by teaching critical thinking skills; providing online and in-person educational courses and classes to children and adolescents to foster innovation by teaching decision making skills; providing online and in-person educational courses and classes to children and adolescents to foster innovation by teaching problem solving skills; providing online

educational computer games; providing online educational computer games specifically designed for children and adolescents; providing training and educational certification in the field of x-ray image interpretation by x-ray security screening operators; provision of training and education in the fields of mechanical engineering, chemical engineering and electrical engineering; publication of educational and training guides; publication of educational teaching materials; publication of educational texts; publication of printed matter in the field of education; publishing of educational books; publishing of market research-related publications; standardized educational testing; technological education services in the field of computer software development; vocational education in the field of computers; vocational education in the field of food services; vocational education in the field of mechanics

Class 42

(5) advisory services relating to gene therapy research; advisory services relating to industrial research in the field of phytotherapy; advisory services relating to scientific research in the field of phytotherapy; agricultural research; agrochemical research services; alcohol screening for scientific research purposes; allergy testing for scientific research purposes; analysis of food safety data; analysis of human tissues and stem cells for scientific research purposes; analysis of proteins for scientific and medical research purposes; antibody profiling for scientific research purposes; application service provider featuring application programming interface (API) software for analyzing molecular and clinical data for scientific and medical research; bacteriological consultation, research and testing; bacteriological research; bacteriological research and analysis; bacteriological research and testing; basic and clinical research in the field of memory augmentation; basic and clinical research in the field of respiratory science and medicine; biochemical research; biochemical research and analysis; biological therapeutic research services; biomedical research; biomedical research services; biometrics research; biotechnological research relating to livestock; chemical research; computer technology consultation in the field of machine learning and artificial intelligence; conducting research, development, and evaluations in the field of botulinum toxin injections; conducting research, development, and evaluations in the field of dystonias, muscular dystonia, and cervical dystonia treatment; conducting research, development, and evaluations in the field of motor disorders, muscular atrophy, and muscular dystrophy treatment; conducting research, development, and evaluations in the field of new pharmaceuticals; conducting research, development, and evaluations in the field of spasticity of the lower limbs, muscular spasm, blepharospasm, hemifacial spasm and muscle cramp treatment; consultancy and research in the field of bacteriology; consultancy relating to inspection of food processing facilities for quality control purposes; consultation and research in the field of aerospace engineering; consultation and research in the field of bacteriology; consultation and research in the field of geology; consultation and research in the field of mental health; consultation and research in the field of post traumatic stress disorders; consultation in the research and development of hydrogen power and hydrogen powered products; consulting services in research and development of food products to be consumed during space travel; consulting services in the field of hydrological research; consulting services in the field of pharmaceutical research; creating and maintaining websites for registered users to access educational services provided by schools; culturing of cells for scientific research purposes; custom design and development of automated machinery for use in the food industry; dental research laboratory services; design and development of computer hardware for the manufacturing industries; development of computer programs recorded on software designed for use in construction and automated manufacturing (cad/cam); dna analysis services for scientific research purposes; DNA screening for scientific research purposes; DNA sequencing for medical research purposes; drug screening for scientific research purposes; drug, alcohol and DNA screening for forensic research purposes; ex vivo gene therapy research; food

engineering services; food safety auditing; food safety testing and consultation; food safety testing and consultation related thereto; food sanitation consultation services; genetic testing for scientific research purposes; hydrological research; industrial analysis and research services to improve security screening, aviation security, x-ray security screening, x-ray security image interpretation; industrial research in the field of computer hardware and software systems of others; industrial research services in the field of phytotherapy; integrated scientific research on vermin for greenhouses and harvest crops; laboratory research analysis in the field of genetic testing; laboratory research analysis in the field of osmolarity for the purposes of risk assessment of dry eye diseases; laboratory research analysis in the field of osmolarity for the purposes of risk assessment of eye indications and conditions; laboratory research analysis in the field of osmolarity for the purposes of risk assessment of hyper osmolarity conditions; laboratory research analysis of eye fluid, eye cells and eye tissue; laboratory research in the field of bacteriology; laboratory research in the field of chemistry; laboratory research in the field of cosmetics; laboratory research in the field of gene expression; laboratory research in the field of immune sequencing; laboratory research in the field of pharmaceuticals and nutraceuticals; mechanical research in the field of motor sports; medical and pharmacological research services; medical research; medical research in the field of brain diseases and disorders; medical research in the field of cancer treatment and diagnosis; medical research in the field of central nervous system diseases and disorders; medical research in the field of immune sequencing; medical research information in the fields of pharmaceuticals; medical research laboratory services; medical research services; neurological research services; pharmaceutical research and development; pharmaceutical research services; pharmacological research services; pollution prevention research; preparation of biological samples for testing and analysis in research laboratories; preparation of reports relating to chemical research; providing information in the field of plant genetics research resources; providing information on donation of human corpses for medical research; providing information relating to scientific research in the field of phytotherapy; providing medical and scientific research information in the field of cosmetics and clinical trials; providing medical and scientific research information in the field of pharmaceuticals and clinical trials; providing medical research information in the field of clinical trials; providing scientific research information in the field of clinical trials; providing scientific research information in the field of memory augmentation; providing scientific research information in the fields of biomedicine; providing scientific research information in the fields of clinical trials and post-market trials; providing scientific research information in the fields of pharmaceuticals; providing temporary use of non-downloadable software for accessing information for use in connection with research and development services in the fields of biotechnology; providing temporary use of non-downloadable software for accessing information for use in connection with research and development services in the fields of medicine; psychological research; research and design in the field of mechanical engineering; research and development in the field of biomass combustion for the production of energy; research and development in the field of capture and storage of greenhouse gases; research and development in the field of carbon capture and storage; research and development in the field of hydrogen gas technology; research and development in the field of immunopharmaceuticals; research and development in the field of liquid biofuels; research and development in the field of photovoltaic solar energy; research and development in the field of plant science; research and development in the field of solar thermal energy; research and development in the field of vaccines; research and development in the field of wind energy; research and development in the fields of assays, selection, screening, testing, imaging and diagnostics using electrochemiluminescence; research and development in the medical biotechnology field; research and development of computer software; research and development of hydrogen power and hydrogen powered products; research and development of new products

for others; research and development of technology in the field of carbon dioxide (CO2) mitigation; research and development of technology in the field of negative-emissions technology (NET); research and development of technology in the field of power conversion; research and development services in the field of cytology; research and development services in the field of gene expression systems; research and development services in the field of immunology; research and development services in the field of nutritional supplements; research and testing in the field of bacteriology; research in the field of artificial intelligence technology; research in the field of bacteriology; research in the field of biochemistry; research in the field of building construction; research in the field of chemistry; research in the field of climate change; research in the field of ecology; research in the field of environmental conservation; research in the field of gene therapy; research in the field of hydrogeology; research in the field of personal development; research in the field of physics; research in the field of welding; research in the fields of biologic therapeutic preparations; research in the fields of clinical trials and post-market trials; research in the reduction of carbon emissions; research on the subject of pharmaceuticals; research pertaining to mechanical engineering; research services in the field of forensic science, namely, analysis, detection and isolation of biological substances in forensic samples; research, development, analysis, advisory, consultancy and design services related to technology in the oil and petroleum industry; scientific and industrial research in the field of photovoltaics and solar collectors; scientific and research consultation in the field of fuels, diesel fuel, biofuel and biodiesel fuel; scientific and technological research in the field of dry eye diseases; scientific and technological research in the field of eye indications and eye conditions; scientific and technological research in the field of hyper osmolarity conditions; scientific and technological research in the field of natural disasters; scientific and technological research relating to patent mapping; scientific research and development in the engineering, breeding and genetically modifying cannabis; scientific research consulting in the field of in vitro fertilization; scientific research for medical purposes in the field of cancerous diseases; scientific research for medical purposes in the field of oncology; scientific research for the development of CRISPR-based platforms and products in the field of genetic engineering; scientific research in the field of drug metabolite synthesis; scientific research in the field of environmental protection; scientific research in the field of epidemiology; scientific research in the field of genetics; scientific research in the field of genetics and genetic engineering; scientific research in the field of immune sequencing; scientific research in the field of in vitro drug metabolism systems; scientific research in the field of marijuana; scientific research in the field of pharmacology, pharmaceuticals, and biochemistry; scientific research in the field of production of recombinant human enzyme; scientific research in the field of production of recombinant protein; scientific research services for others in the field of sensory perceptions; scientific research services in the field of pharmacovigilance; scientific research services in the field of phytotherapy; scientific research to improve security screening, aviation security, x-ray security screening and x-ray security image interpretation; stomatology research; technical research in the field of aeronautics; technical research in the field of carbon offsetting; technological research in the field of building constructions materials; technological research in the field of computer hardware systems; testing and analysis of blood plasma, red blood cells, white blood cells, blood platelets for scientific research purposes; testing and research on prevention of pollution; testing and research services in the field of civil engineering; testing of human tissues and stem cells for scientific research purposes; testing, inspection and research of pharmaceuticals, cosmetics and foodstuffs; web-based cardiovascular research and analysis services for scientific purposes; zoological research services

Class 43

(6) catering for the provision of food and beverages; catering in fast-food cafeterias; catering of food and drinks; catering services for educational establishments; eat-in and take out food restaurant services; eat-in and take-out food restaurant services; eat-in and take-out food restaurants featuring delivery service; fast food and non-stop restaurant services; fast food restaurant; fast food restaurant services; fast food restaurants; fast-food and non-stop restaurant services; fast-food restaurant services; fast-food restaurants; fast-food snack bars; fast-food snackbars; food and drink catering; food and drink catering for banquets; food and drink catering for cocktail parties; food and drink catering for institutions; food and drink catering services; food kiosk services being services for providing food and drink; mobile cafe services for providing food and drink; mobile food truck services for the preparation of food; operating retail food trucks; providing of food and beverages for consumption on and off the premises; providing of food and drink via a mobile truck; restaurant services for the provision of fast food; restaurant services, catering and take-out food services; restaurant, cafe and bar services, food catering services, restaurant take-out services; restaurants, self-service restaurants, snack-bars, canteen services, cafeterias, food and drink catering; take away food and drink services; take-away fast food services; take-out food services
