Trademarks Journal

Vol. 72 No. 3714

General Information

The *Trademarks Journal* (the “*Journal*”) is published on the website of the Canadian Intellectual Property Office (<http://cipo.gc.ca>). The *Journal* lists trademark applications advertised under subsection 37(1) of the *Trademarks Act* (the “*Act*”), public notices of prohibited marks under section 9 of the *Act*, statements of the Minister in respect of geographical indications under subsection 11.12(2) of the *Act*, as well as erratums to previous volumes.

Electronic *Trademarks Journal*

The *Journal* is available in PDF format and can be downloaded free of charge and viewed and printed with Adobe Acrobat Reader. The *Journal* is also available in a printable HTML format as an alternate official version that contains a search function to narrow and customize the content. The electronic form of the *Journal* is the official version.

Official Languages

The *Journal* is available in English and French. The details displayed for each application are based on the language of the application. If the language of the application is English, the goods, services, or other text and description appearing in the English version of the *Journal* are in the language filed by the applicant. If the language of the application is French, the goods, services, or other text and description appearing in the English version of the *Journal* have been translated. Any registration resulting from the application will be restricted to these goods or services as described in the language of the application.

Filing Dates

The filing date of each trademark application (including those to extend the statement of goods or services of an existing registration) is shown in the YYYY-MM-DD format.

Nice Classification

Where applicable and required, the *Journal* lists the goods or services of each application grouped according to the classes of the Nice Classification, each group being preceded by the number of the class of the Nice Classification to which that group of goods or services belongs and presented in the order of the classes of the Nice Classification.

Opposition

Any person who has a valid ground of opposition (see section 38 of the *Act* for the grounds of opposition) to any application for registration of a trademark or to any application for registration of a trademark extending the statement of goods or services advertised in this *Journal* may file a statement of opposition with the Registrar of Trademarks within two months from the date of issue of this publication. The prescribed fee must accompany the statement of opposition.

cookers, electric skillets, electric woks, electric hot pots, electric food steamers, soda making machines, vacuum sealers, sous vide machines, food dehydrators, popcorn machines, electric can openers, electric knife sharpeners, electric egg cookers, electric food slicers, electric bottle openers, electric food grinders and mills, and electric yogurt makers, lighting, HVAC, building access control systems, personal security alarms, building automation systems, motion sensitive security lights, and security cameras; personal vehicle integration software, namely, software for integrating and connecting to smart audio speakers and computer hardware for use and voice control within a vehicle; personal vehicle integration software, namely, software for the connection and synchronization of vehicle on-board computers and portable electronic devices, namely, smart phones, smart watches, personal digital assistants, electronic book readers, and tablet computers, and for controlling vehicle operations and features; software for enabling wireless communication and transmission via the Internet of voice, audio, video, and data for use with cloud-connected and voice-controlled smart audio speakers and computer hardware with virtual personal assistant capabilities for the purposes of managing, connecting and operating internet of things (IoT) electronic devices, namely, audio speakers, computers, televisions, video monitors, set top boxes, digital format audio players and recorders, digital format video players and recorders, game consoles, home entertainment electronics systems, home theatre systems, home automation hubs, light switches, light dimmers, electrical outlets, electronic door locks, electronic window locks, home security systems, heating and cooling systems, automobiles, air purifiers, electric cooktops, dehumidifiers, dishwashers, electric fans, garbage disposals, humidifiers, clothes irons, garment steamers, microwave ovens, range hoods, ranges, refrigerators, freezers, ice cube makers, space heaters, trash compactors, vacuum cleaners, wall ovens, toaster ovens, conventional ovens, washing machines, clothes dryers, slow cookers, electric rice cookers, deep fryers, electric food blenders, electric juicers, toasters, electric food processors, electric grills, ice cream makers, electric waffle irons, bread machines, electric coffee machines, electric tea kettles, electric espresso machines, electric wine cellars, food mixers, electric griddles, electric pressure cookers, electric skillets, electric woks, electric hot pots, electric food steamers, soda making machines, vacuum sealers, sous vide machines, food dehydrators, popcorn machines, electric can openers, electric knife sharpeners, electric egg cookers, electric food slicers, electric bottle openers, electric food grinders and mills, and electric yogurt makers, garage door systems, ceiling fans, power switches, thermostats, garage doors, garden sprinklers, lawn sprinklers, fire sprinklers, digital door locks, air conditioners, air vents, electronic door bells, home security alarms, vehicle security alarms, fire alarms, fire and smoke detectors, carbon monoxide detectors and light bulbs; software for enabling wireless communication and transmission via the Internet of voice, audio, video and data for the purposes of providing consumer entertainment and educational information, movies, television shows, podcasts and videos in the fields of movies, television programs, music, audio books, visual works namely paintings, sculptures, digital images and photographs, books, theatre, literary works, sporting events, recreational fitness, sport, water, and art activities, professional and amateur game and sport tournaments, art, dance, musicals, craft and fashion exhibitions, sports, radio, comedy, promotional contests, games, festivals, museums, parks, concerts, publishing, animation, current events, and fashion; software for enabling wireless communication and transmission via the Internet of voice, audio, video and data for providing information, news, and commentary in the fields of movies, television shows, celebrities, video games, news about current events, team and individual sports of all types, business news, personal health and physical fitness, weather, computer technology, travel, arts and literature, personal growth, vehicles and transportation, preschool education, elementary school education, middle school education, high school education, post-secondary education, vocational education, child development, real estate, fashion and design, food and cooking, home decorating, music and cinema to cloud-connected, and voice-controlled smart audio speakers and computer hardware

with virtual personal assistant capabilities; search engine software; computer software used for controlling stand-alone voice controlled information and personal assistant devices, namely cloud-connected and voice-controlled smart audio speakers and computer hardware with virtual personal assistant capabilities; computer software for personal information management, namely software for organizing and accessing calendars, schedules, address books, telephone directories, to-do lists, geographic location coordinates, maps, alarms and reminders; computer software for accessing, browsing, and searching online databases, digital format audio files, digital format video files, and digital format multimedia files, computer games, video games, and third party software applications, software application marketplaces; computer software for accessing, monitoring, tracking, searching, saving, and sharing information on topics of general interest; computer software for use in providing retail and ordering services for a wide variety of consumer goods; computer software for use to connect and control internet of things (IoT) electronic devices, namely, audio speakers, computers, televisions, video monitors, set top boxes, digital format audio players and recorders, digital format video players and recorders, game consoles, home entertainment electronics systems, home theatre systems, home automation hubs, light switches, light dimmers, electrical outlets, electronic door locks, electronic window locks, home security systems, heating and cooling systems, automobiles, air purifiers, electric cooktops, dehumidifiers, dishwashers, electric fans, garbage disposals, humidifiers, clothes irons, garment steamers, microwave ovens, range hoods, ranges, refrigerators, freezers, ice cube makers, space heaters, trash compactors, vacuum cleaners, wall ovens, toaster ovens, conventional ovens, washing machines, clothes dryers, slow cookers, electric rice cookers, deep fryers, electric food blenders, electric juicers, toasters, electric food processors, electric grills, ice cream makers, electric waffle irons, bread machines, electric coffee machines, electric tea kettles, electric espresso machines, electric wine cellars, food mixers, electric griddles, electric pressure cookers, electric skillet, electric woks, electric hot pots, electric food steamers, soda making machines, vacuum sealers, sous vide machines, food dehydrators, popcorn machines, electric can openers, electric knife sharpeners, electric egg cookers, electric food slicers, electric bottle openers, electric food grinders and mills, electric yogurt makers, garage door systems, ceiling fans, power switches, thermostats, garage doors, garden sprinklers, lawn sprinklers, fire sprinklers, digital door locks, air conditioners, air vents, electronic door bells, home security alarms, vehicle security alarms, fire alarms, fire and smoke detectors, carbon monoxide detectors, and light bulbs; computer software for connecting, operating, integrating, controlling, and managing networked consumer electronic devices, namely, audio speakers, computers, televisions, video monitors, set top boxes, digital format audio players and recorders, digital format video players and recorders, game consoles, home entertainment electronics systems, home theatre systems, home automation hubs, light switches, light dimmers, electrical outlets, electronic door locks, electronic window locks, home security systems, heating and cooling systems, automobiles, air purifiers, electric cooktops, dehumidifiers, dishwashers, electric fans, garbage disposals, humidifiers, clothes irons, garment steamers, microwave ovens, range hoods, ranges, refrigerators, freezers, ice cube makers, space heaters, trash compactors, vacuum cleaners, wall ovens, toaster ovens, conventional ovens, washing machines, clothes dryers, slow cookers, electric rice cookers, deep fryers, electric food blenders, electric juicers, toasters, electric food processors, electric grills, ice cream makers, electric waffle irons, bread machines, electric coffee machines, electric tea kettles, electric espresso machines, electric wine cellars, food mixers, electric griddles, electric pressure cookers, electric skillet, electric woks, electric hot pots, electric food steamers, soda making machines, vacuum sealers, sous vide machines, food dehydrators, popcorn machines, electric can openers, electric knife sharpeners, electric egg cookers, electric food slicers, electric bottle openers, electric food grinders and mills, electric yogurt makers, garage door systems, ceiling fans, power switches, thermostats, garage doors, garden sprinklers, lawn sprinklers, fire sprinklers, digital door locks, air conditioners, air

vents, electronic door bells, home security alarms, vehicle security alarms, fire alarms, fire and smoke detectors, carbon monoxide detectors, and light bulbs; computer software connecting, operating, integrating, controlling, and managing networked home climate devices and lighting fixtures via wireless networks; computer software for others to use for the development of software to manage, connect, and operate internet of things (IoT) electronic devices, namely, audio speakers, computers, televisions, video monitors, set top boxes, digital format audio players and recorders, digital format video players and recorders, game consoles, home entertainment electronics systems, home theatre systems, home automation hubs, light switches, light dimmers, electrical outlets, electronic door locks, electronic window locks, home security systems, heating and cooling systems, automobiles, air purifiers, electric cooktops, dehumidifiers, dishwashers, electric fans, garbage disposals, humidifiers, clothes irons, garment steamers, microwave ovens, range hoods, ranges, refrigerators, freezers, ice cube makers, space heaters, trash compactors, vacuum cleaners, wall ovens, toaster ovens, conventional ovens, washing machines, clothes dryers, slow cookers, electric rice cookers, deep fryers, electric food blenders, electric juicers, toasters, electric food processors, electric grills, ice cream makers, electric waffle irons, bread machines, electric coffee machines, electric tea kettles, electric espresso machines, electric wine cellars, food mixers, electric griddles, electric pressure cookers, electric skillet, electric woks, electric hot pots, electric food steamers, soda making machines, vacuum sealers, sous vide machines, food dehydrators, popcorn machines, electric can openers, electric knife sharpeners, electric egg cookers, electric food slicers, electric bottle openers, electric food grinders and mills, electric yogurt makers, garage door systems, ceiling fans, power switches, thermostats, garage doors, garden sprinklers, lawn sprinklers, fire sprinklers, digital door locks, air conditioners, air vents, electronic door bells, home security alarms, vehicle security alarms, fire alarms, fire and smoke detectors, carbon monoxide detectors, and light bulbs; computer software for use as an application programming interface (API) for communications software for facilitating calls, text messages, instant message, online shopping, voice-enabled commands, trip navigation and online social networking services; software development kits (SDKs) consisting of computer software development tools for the development of a voice service delivery platform and natural language understanding software distributed across global computer networks, wireless networks, and electronic communications networks; software development kits (SDKs) consisting of computer software for the development, use, and interoperability of APIs that are used by third party consumer electronic devices, gaming systems that exchange third party data via communications networks and the internet and that connect with cloud-based data storage and exchange services; software development kits (SDKs) comprising of software development tools and software for use as an application programming interface (API) for creating software and applications for internet connected consumer electronic devices, namely, audio speakers, computers, televisions, video monitors, set top boxes, digital format audio players and recorders, digital format video players and recorders, game consoles, home entertainment electronics systems, home theatre systems, home automation hubs, light switches, light dimmers, electrical outlets, electronic door locks, electronic window locks, home security systems, heating and cooling systems, automobiles, air purifiers, electric cooktops, dehumidifiers, dishwashers, electric fans, garbage disposals, humidifiers, clothes irons, garment steamers, microwave ovens, range hoods, ranges, refrigerators, freezers, ice cube makers, space heaters, trash compactors, vacuum cleaners, wall ovens, toaster ovens, conventional ovens, washing machines, clothes dryers, slow cookers, electric rice cookers, deep fryers, electric food blenders, electric juicers, toasters, electric food processors, electric grills, ice cream makers, electric waffle irons, bread machines, electric coffee machines, electric tea kettles, electric espresso machines, electric wine cellars, food mixers, electric griddles, electric pressure cookers, electric skillet, electric woks, electric hot pots, electric food steamers, soda making machines, vacuum sealers, sous vide machines, food dehydrators, popcorn machines, electric can

openers, electric knife sharpeners, electric egg cookers, electric food slicers, electric bottle openers, electric food grinders and mills, electric yogurt makers, garage door systems, ceiling fans, power switches, thermostats, garage doors, garden sprinklers, lawn sprinklers, fire sprinklers, digital door locks, air conditioners, air vents, electronic door bells, home security alarms, vehicle security alarms, fire alarms, fire and smoke detectors, carbon monoxide detectors, and light bulbs; application programming interface (API), namely, software for facilitating the development of voice service delivery platform and personal assistant software for use in connection with consumer electronic devices, namely, audio speakers, computers, televisions, video monitors, set top boxes, digital format audio players and recorders, digital format video players and recorders, game consoles, home entertainment electronics systems, home theatre systems, home automation hubs, light switches, light dimmers, electrical outlets, electronic door locks, electronic window locks, home security systems, heating and cooling systems, automobiles, air purifiers, electric cooktops, dehumidifiers, dishwashers, electric fans, garbage disposals, humidifiers, clothes irons, garment steamers, microwave ovens, range hoods, ranges, refrigerators, freezers, ice cube makers, space heaters, trash compactors, vacuum cleaners, wall ovens, toaster ovens, conventional ovens, washing machines, clothes dryers, slow cookers, electric rice cookers, deep fryers, electric food blenders, electric juicers, toasters, electric food processors, electric grills, ice cream makers, electric waffle irons, bread machines, electric coffee machines, electric tea kettles, electric espresso machines, electric wine cellars, food mixers, electric griddles, electric pressure cookers, electric skillets, electric woks, electric hot pots, electric food steamers, soda making machines, vacuum sealers, sous vide machines, food dehydrators, popcorn machines, electric can openers, electric knife sharpeners, electric egg cookers, electric food slicers, electric bottle openers, electric food grinders and mills, electric yogurt makers, garage door systems, ceiling fans, power switches, thermostats, garage doors, garden sprinklers, lawn sprinklers, fire sprinklers, digital door locks, air conditioners, air vents, electronic door bells, home security alarms, vehicle security alarms, fire alarms, fire and smoke detectors, carbon monoxide detectors, and light bulbs; computer application software for enabling users of mobile phones, tablet computers, and personal digital assistants to control, integrate, operate, connect, and manage cloud-connected and voice-controlled smart audio speakers, computer hardware with virtual personal assistant capabilities, and internet of things (IoT) devices, namely audio speakers, computers, televisions, video monitors, set top boxes, digital format audio players and recorders, digital format video players and recorders, game consoles, home entertainment electronics systems, home theatre systems, home automation hubs, light switches, light dimmers, electrical outlets, electronic door locks, electronic window locks, home security systems, heating and cooling systems, automobiles, air purifiers, electric cooktops, dehumidifiers, dishwashers, electric fans, garbage disposals, humidifiers, clothes irons, garment steamers, microwave ovens, range hoods, ranges, refrigerators, freezers, ice cube makers, space heaters, trash compactors, vacuum cleaners, wall ovens, toaster ovens, conventional ovens, washing machines, clothes dryers, slow cookers, electric rice cookers, deep fryers, electric food blenders, electric juicers, toasters, electric food processors, electric grills, ice cream makers, electric waffle irons, bread machines, electric coffee machines, electric tea kettles, electric espresso machines, electric wine cellars, food mixers, electric griddles, electric pressure cookers, electric skillets, electric woks, electric hot pots, electric food steamers, soda making machines, vacuum sealers, sous vide machines, food dehydrators, popcorn machines, electric can openers, electric knife sharpeners, electric egg cookers, electric food slicers, electric bottle openers, electric food grinders and mills, electric yogurt makers, garage door systems, ceiling fans, power switches, thermostats, garage doors, garden sprinklers, lawn sprinklers, fire sprinklers, digital door locks, air conditioners, air vents, electronic door bells, home security alarms, vehicle security alarms, fire alarms, fire and smoke detectors, carbon monoxide detectors, and light bulbs; computer software development tools, namely computer software code that enables developers to

create voice command and recognition software; voice-enabled software that provides users the ability to control features of their motor vehicle, namely, locking and unlocking vehicle doors, and starting and turning off the vehicle; voice-enabled software that provides users the ability to check statuses of motor vehicle systems, namely, engine oil life, fuel level, tire pressure and battery charge; voice-enabled software that provides users the ability to access and control vehicle HVAC, media, communication, infotainment and navigation systems; in-vehicle, voice-enabled software that provides users the ability to connect and control smart home connected and internet of things (IoT) electronic devices, namely, audio speakers, computers, televisions, video monitors, set top boxes, digital format audio players and recorders, digital format video players and recorders, game consoles, home entertainment electronics systems, home theatre systems, home automation hubs, light switches, light dimmers, electrical outlets, electronic door locks, electronic window locks, home security systems, heating and cooling systems, automobiles, air purifiers, electric cooktops, dehumidifiers, dishwashers, electric fans, garbage disposals, humidifiers, clothes irons, garment steamers, microwave ovens, range hoods, ranges, refrigerators, freezers, ice cube makers, space heaters, trash compactors, vacuum cleaners, wall ovens, toaster ovens, conventional ovens, washing machines, clothes dryers, slow cookers, electric rice cookers, deep fryers, electric food blenders, electric juicers, toasters, electric food processors, electric grills, ice cream makers, electric waffle irons, bread machines, electric coffee machines, electric tea kettles, electric espresso machines, electric wine cellars, food mixers, electric griddles, electric pressure cookers, electric skillets, electric woks, electric hot pots, electric food steamers, soda making machines, vacuum sealers, sous vide machines, food dehydrators, popcorn machines, electric can openers, electric knife sharpeners, electric egg cookers, electric food slicers, electric bottle openers, electric food grinders and mills, electric yogurt makers, garage door systems, ceiling fans, power switches, thermostats, garage doors, garden sprinklers, lawn sprinklers, fire sprinklers, digital door locks, air conditioners, air vents, electronic door bells, home security alarms, vehicle security alarms, fire alarms, fire and smoke detectors, carbon monoxide detectors, and light bulbs; software for transmitting vehicle diagnostic and status information via computer and communications networks; software for receiving traffic status information and providing responsive directional guidance information to vehicle operators; software that enables communication between vehicles and connected devices, namely mobile phones, car navigation computers, audio speakers, and in-vehicle entertainment electronics; none of the aforesaid for professional photographic and cinematographic cameras including professional photographic and cinematographic specific accessories therefor and professional photographic and cinematographic software

Services

Class 35

(1) Providing product information for the purpose of assisting with the selection of general consumer merchandise to meet the consumer's needs; providing information and recommendations to consumers in the field of entertainment products, services, events, activities, facilities and locations; providing consumer information relating to a wide variety of products; providing online business information directories on the internet featuring restaurants, bars, movie theaters, dance clubs, museums and art galleries; providing online business directory services for telephone numbers, business addresses, electronic mail addresses, network home page addresses, addresses and telephone numbers of people, places, and organizations

Class 36

(2) Providing information, news, and commentary in the field of real estate

Class 38

(4) Telecommunication access services, namely internet access provider services; telecommunications services, namely, electronic transmission of streamed and downloadable audio files, namely music, news, sports, audio books, and podcasts in the field of current events, movies, television shows, video games, news, sports, business, personal health and physical fitness, weather, computer technology, travel, arts and literature, personal growth, vehicles and transportation, preschool education, elementary school education, middle school education, high school education, post-secondary education, vocational education, child development, real estate, fashion design, food and cooking, home decorating, music and cinema, and consumer affairs via computer and communications networks; web casting of fashion shows, news shows, television shows, and sports shows services; telecommunications services, namely, electronic transmission of streamed and downloaded digital format audio files via computer and communications networks; audio broadcasting of spoken word recordings, music, concerts, and radio programs; providing access to third party computer databases via the Internet; providing internet access provider services for the transfer of images, messages, audio, visual, audiovisual, data, media and content to in-vehicle media, communication, infotainment and navigation systems; telecommunications services, namely, transmission of podcasts in the fields of current events, movies, television shows, video games, news, sports, business, personal health and physical fitness, weather, computer technology, travel, arts and literature, personal growth, vehicles and transportation, preschool education, elementary school education, middle school education, high school education, post-secondary education, vocational education, child development, real estate, fashion design, food and cooking, home decorating, music and cinema, and consumer affairs, via the Internet; telecommunications services, namely, transmission of webcasts in the fields of current events, movies, television shows, video games, news, sports, business, personal health and physical fitness, weather, computer technology, travel, arts and literature, personal growth, vehicles and transportation, preschool education, elementary school education, middle school education, high school education, post-secondary education, vocational education, child development, real estate, fashion design, food and cooking, home decorating, music and cinema, and consumer affairs, via the Internet; transmission of vehicle diagnostic information via computer and electronic communications networks; transmission of motor vehicle status information via computer and electronic communications networks

Class 39

(3) Providing information, news, and commentary in the field of travel, available vehicle parking, current vehicle traffic, and public transportation; providing traffic status information and responsive directional guidance information to vehicle operators; order fulfillment services, namely packing, tracking and shipping the products of others

Class 41

(5) Providing online non-downloadable pre-recorded music and podcasts in the field of movies, television programs, music, books, theatre, literary works, sporting events, hiking, skiing, bicycling, backpacking, climbing, camping, mountaineering, boating, arts and crafts, gardening, cooking, sports tournaments, art, dance, musicals, sporting exhibitions, entertainment exhibitions, sports, health clubs, night clubs, social clubs, travel clubs, mail order book clubs, country clubs, radio programs, comedy, promotional contests, video games, ethnic festivals, wine festivals, dance festivals, food festivals, music festivals, museums, parks, cultural community social events, live dance performances, live music performances, concerts, book publishing, desktop publishing, animation, current events, and fashion design; providing information, news, and commentary in the field of entertainment, namely movies, television programs, music, audio books, visual works of art, books, theatre literary works, sporting events, hiking, skiing, bicycling, backpacking, climbing, camping, mountaineering, boating, arts and crafts, gardening, cooking, sports tournaments, art,

dance, musicals, art exhibitions, book trade fairs, craft trade show exhibitions, figure skating exhibitions, animal exhibitions, sports, health clubs, night clubs, social clubs, travel clubs, mail order book clubs, country clubs, radio programs, comedy, promotional contests, video games, ethnic festivals, wine festivals, dance festivals, food festivals, music festivals, museums, parks, live dance performances, live music performances, concerts, book publishing, desktop publishing, animation, current events, and fashion design; providing information, news and commentary in the field of preschool education, elementary school education, middle school education, high school education, post-secondary education and child educational development; providing information, news and commentary in the field of news about current events, sports, fitness, arts and literature, and music and cinema; providing news via the Internet in the fields of sports, television shows, video games, physical fitness, arts and literature, preschool education, elementary school education, middle school education, high school education, post-secondary education, vocational education, child development, music and cinema, and current events

Class 42

(6) Platform as a service (PaaS) featuring computer software platforms for voice command and recognition software for creating, controlling and operating speech to text conversion software, voice-enabled software applications for personal information management, namely software for organizing and accessing calendars, schedules, address books, telephone directories, to-do lists, geographic location coordinates, maps, alarms and reminders; Platform as a service (PaaS) featuring computer software platforms for creating, controlling and operating personal assistant software for controlling voice-controlled information and personal assistant devices, namely, cloud-connected and voice-controlled smart audio speakers with virtual personal assistant capabilities; Platform as a service (PaaS) featuring computer software platforms for personal assistant software for searching, controlling, storing, displaying, streaming, playing, and recording media, namely movies, television shows, music, and video games; Platform as a service (PaaS) featuring computer software platforms for personal assistant software for connecting, monitoring, and controlling entertainment multimedia interfaces, vehicle navigation computers, and other electronic devices, namely wireless headphones, wireless earphones, smart watches, smart thermostats, smart speakers, televisions, computers, laptops, tablet computers, telephones, smart phones, network routers, smart light switches, smoke detectors, carbon monoxide detectors; Platform as a service (PaaS) featuring computer software platforms for personal assistant software for accessing, browsing, and searching online databases in the field of sports, movies, television shows, video games, business news and financial news, politics and government, personal health and physical fitness, weather, natural science, social science, computer technology, travel, arts and literature, personal growth, vehicles, air transportation, railway transportation, boat transportation, freight transportation, preschool education, elementary school education, middle school education, high school education, post-secondary education, vocational education, child development, real estate development, real estate agencies, personal fashion, fashion design, interior design, food and cooking, home decorating, music and cinema, history, medicine, and law; Platform as a service (PaaS) featuring computer software platforms for home automation and home device integration software for controlling air conditioners, air purifiers, ceiling fans, electric cooktops, dehumidifiers, dishwashers, electric fans, garbage disposals, humidifiers, clothes irons, garment steamers, microwave ovens, range hoods, ranges, refrigerators, freezers, ice cube makers, space heaters, trash compactors, vacuum cleaners, wall ovens, toaster ovens, conventional ovens, washing machines, clothes dryers, slow cookers, electric rice cookers, deep fryers, electric food blenders, electric juicers, toasters, electric food processors, electric grills, ice cream makers, electric waffle irons, bread machines, electric coffee machines, electric tea kettles, electric espresso machines, electric wine cellars, food mixers, electric griddles, electric pressure

cookers, electric skillets, electric woks, electric hot pots, electric food steamers, soda making machines, vacuum sealers, sous vide machines, food dehydrators, popcorn machines, electric can openers, electric knife sharpeners, electric egg cookers, electric food slicers, electric bottle openers, electric food grinders and mills, and electric yogurt makers, lighting, HVAC, building access control systems, personal security alarms, building automation systems, motion sensitive security lights and security cameras; Platform as a service (PaaS) featuring computer software platforms for creating, controlling and operating software for enabling wireless communication and transmission via the Internet of voice, audio, video, and data for use with cloud-connected and voice-controlled smart audio speakers and computer hardware with virtual personal assistant capabilities for the purposes of managing, connecting and operating internet of things (IoT) electronic devices, namely, audio speakers, computers, televisions, video monitors, set top boxes, digital format audio players and recorders, digital format video players and recorders, game consoles, home entertainment electronics systems, home theatre systems, home automation hubs, light switches, light dimmers, electrical outlets, electronic door locks, electronic window locks, home security systems, heating and cooling systems, automobiles, air purifiers, electric cooktops, dehumidifiers, dishwashers, electric fans, garbage disposals, humidifiers, clothes irons, garment steamers, microwave ovens, range hoods, ranges, refrigerators, freezers, ice cube makers, space heaters, trash compactors, vacuum cleaners, wall ovens, toaster ovens, conventional ovens, washing machines, clothes dryers, slow cookers, electric rice cookers, deep fryers, electric food blenders, electric juicers, toasters, electric food processors, electric grills, ice cream makers, electric waffle irons, bread machines, electric coffee machines, electric tea kettles, electric espresso machines, electric wine cellars, food mixers, electric griddles, electric pressure cookers, electric skillets, electric woks, electric hot pots, electric food steamers, soda making machines, vacuum sealers, sous vide machines, food dehydrators, popcorn machines, electric can openers, electric knife sharpeners, electric egg cookers, electric food slicers, electric bottle openers, electric food grinders and mills, and electric yogurt makers, garage door systems, ceiling fans, power switches, thermostats, garage doors, garden sprinklers, lawn sprinklers, fire sprinklers, digital door locks, air conditioners, air vents, electronic door bells, home security alarms, vehicle security alarms, fire alarms, fire and smoke detectors, carbon monoxide detectors and light bulbs; Platform as a service (PaaS) featuring computer software platforms for enabling wireless communication and transmission via the Internet of voice, audio, video, and data for the purposes of providing consumer entertainment and educational information, movies, television shows, podcasts and videos in the fields of movies, television programs, music, audio books, visual works namely paintings, sculptures, digital images and photographs, books, theatre, literary works, sporting events, recreational fitness, sport, water, and art activities, professional and amateur game and sport tournaments, art, dance, musicals, craft and fashion exhibitions, sports, radio, comedy, promotional contests, games, festivals, museums, parks, concerts, publishing, animation, current events, and fashion; Platform as a service (PaaS) featuring computer software platforms for enabling wireless communication and transmission via the Internet of voice, audio, video, and data for the purposes of providing information, news, and commentary in the fields of movies, television shows, celebrities, video games, news about current events, team and individual sports of all types, business news, personal health and physical fitness, weather, computer technology, travel, arts and literature, personal growth, vehicles and transportation, preschool education, elementary school education, middle school education, high school education, post-secondary education, vocational education, child development, real estate, fashion and design, food and cooking, home decorating, music and cinema to cloud-connected and voice-controlled smart audio speakers and computer hardware with virtual personal assistant capabilities; Software as a service (SaaS) featuring computer software used for controlling stand-alone voice controlled information and personal assistant devices, namely, cloud-connected and voice-controlled smart audio

speakers, computer hardware with virtual personal assistant capabilities, and internet of things (IoT) devices, namely audio speakers, computers, televisions, video monitors, set top boxes, digital format audio players and recorders, digital format video players and recorders, game consoles, home entertainment electronics systems, home theatre systems, home automation hubs, light switches, light dimmers, electrical outlets, electronic door locks, electronic window locks, home security systems, heating and cooling systems, automobiles, air purifiers, electric cooktops, dehumidifiers, dishwashers, electric fans, garbage disposals, humidifiers, clothes irons, garment steamers, microwave ovens, range hoods, ranges, refrigerators, freezers, ice cube makers, space heaters, trash compactors, vacuum cleaners, wall ovens, toaster ovens, conventional ovens, washing machines, clothes dryers, slow cookers, electric rice cookers, deep fryers, electric food blenders, electric juicers, toasters, electric food processors, electric grills, ice cream makers, electric waffle irons, bread machines, electric coffee machines, electric tea kettles, electric espresso machines, electric wine cellars, food mixers, electric griddles, electric pressure cookers, electric skillets, electric woks, electric hot pots, electric food steamers, soda making machines, vacuum sealers, sous vide machines, food dehydrators, popcorn machines, electric can openers, electric knife sharpeners, electric egg cookers, electric food slicers, electric bottle openers, electric food grinders and mills, electric yogurt makers, garage door systems, ceiling fans, power switches, thermostats, garage doors, garden sprinklers, lawn sprinklers, fire sprinklers, digital door locks, air conditioners, air vents, electronic door bells, home security alarms, vehicle security alarms, fire alarms, fire and smoke detectors, carbon monoxide detectors, and light bulbs; Software as a service (SaaS) featuring computer software for personal information management, namely software for organizing and accessing calendars, schedules, address books, telephone directories, to-do lists, geographic location coordinates, maps, alarms and reminders; Software as a service (SaaS) featuring computer software for accessing, browsing, and searching online databases, digital format audio files, digital format video files, and digital format multimedia files, computer games, video games, and third party software applications, software application marketplaces; Software as a service (SaaS) featuring computer software for accessing, monitoring, tracking, searching, saving, and sharing information on topics of general interest; providing temporary use of online non-downloadable computer software for use in providing retail department stores services and enabling users to order a wide variety of consumer goods from online retail department stores; Software as a service (SaaS) featuring computer software for use to connect and control internet of things (IoT) electronic devices, namely, audio speakers, computers, televisions, video monitors, set top boxes, digital format audio players and recorders, digital format video players and recorders, game consoles, home entertainment electronics systems, home theatre systems, home automation hubs, light switches, light dimmers, electrical outlets, electronic door locks, electronic window locks, home security systems, heating and cooling systems, automobiles, air purifiers, electric cooktops, dehumidifiers, dishwashers, electric fans, garbage disposals, humidifiers, clothes irons, garment steamers, microwave ovens, range hoods, ranges, refrigerators, freezers, ice cube makers, space heaters, trash compactors, vacuum cleaners, wall ovens, toaster ovens, conventional ovens, washing machines, clothes dryers, slow cookers, electric rice cookers, deep fryers, electric food blenders, electric juicers, toasters, electric food processors, electric grills, ice cream makers, electric waffle irons, bread machines, electric coffee machines, electric tea kettles, electric espresso machines, electric wine cellars, food mixers, electric griddles, electric pressure cookers, electric skillets, electric woks, electric hot pots, electric food steamers, soda making machines, vacuum sealers, sous vide machines, food dehydrators, popcorn machines, electric can openers, electric knife sharpeners, electric egg cookers, electric food slicers, electric bottle openers, electric food grinders and mills, electric yogurt makers, garage door systems, ceiling fans, power switches, thermostats, garage doors, garden sprinklers, lawn sprinklers, fire sprinklers, digital door locks, air conditioners, air vents, electronic door bells, home

Class 01

(1) Bacteria for livestock and animal feed; chemical additives for use as binding agents for feed pellets; enzymes to assist in digestion for use in the manufacture of livestock and animal feeds; forage inoculants to assist in the fermentation process of silage making

Class 05

(2) Hoof health products, namely, minerals to bathe animal hooves, disinfectant washes for animal hooves, cement for animal hooves, and minerals for use in hoof baths; nutritional supplements for livestock, animal and cattle feed; salt, vitamin and mineral blends for use in animal, livestock and feed products, namely, mineral salts, vitamins, mineral dietary supplements for cattle, livestock and animals; livestock and animal feed additives for use as nutritional supplements; veterinary preparations for digital dermatitis, foot rot, sand cracks, ringworm, mastitis, pneumonia, scour, rumen acidosis, coccidias, bloat, milk fever, diarrhea and metabolic diseases; feed antimicrobials adapted for veterinary use, namely Monensin (Amonensin Sodium) and Decoquinate; dietary supplement and feeds composed of vitamins, minerals, salt and nutritional supplements for livestock, cattle and animals; herbal and dietary supplements to aid in livestock and animal production; forage and fodder supplements and additives for veterinary purposes; livestock and animal feed additives and supplements derived from insects; Products for livestock, cattle and animals and forage production and husbandry, namely, silage inoculants to assist in the fermentation process of silage making, and teat spray to help reduce bacterial numbers on teat skin after milking, to keep teat skin supple and healthy, and to reduce risk of new infections in lactating cows; agricultural commodities and byproducts for animal and livestock consumption and for the production of animal and livestock feed, namely minerals, vitamin products, namely p-Aminobenzoic acid, Ascorbic acid, Betaine hydrochloride, d-Biotin, Calcium pantothenate, Calcium d1-pantothenate, Choline chloride solution, Choline chloride with carrier, Fish oil, Folic acid

(Folacin), Menadione dimethylpyrimidinol bisulphite, Menadione sodium bisulphite, Menadione sodium bisulphite complex, Niacin (Nicotinic acid), Niacinamide (Nicotinamide), Pyridoxine hydrochloride, Riboflavin, Riboflavin-5'-phosphate sodium, Thiamine hydrochloride, Thiamine mononitrate, Vitamin B12, Sodium ascorbate, Vitamin A, Vitamin D3, Vitamin E

Class 07

(3) Equipment for livestock, cattle and animals and forage production and husbandry, namely, power operated dehorner for removing horn buds to reduce the risk of injury and bruising to herd mates, power operated forage inoculant applicators used to apply forage inoculants to large amounts of silage during the process of ensiling

Class 08

(4) Equipment for livestock, cattle and animals and forage production and husbandry, namely, hand-operated dehorner for removing horn buds to reduce the risk of injury and bruising to herd mates, hand operated forage inoculant applicators used to apply forage inoculants to large amounts of silage during the process of ensiling

Class 09

(6) Products for livestock, cattle and animals and forage production and husbandry, namely, moisture testers; equipment for livestock, cattle and animals and forage production and husbandry, namely, power-operated hay probes used for proper forage testing techniques; equipment for livestock, cattle and animals and forage production and husbandry, namely, hand-operated hay probes used for proper forage testing techniques

Class 17

(7) Products for livestock, cattle and animals and forage production and husbandry, namely, O₂ (oxygen) barrier plastic for use in preventing oxygen from damaging the silage and decreasing dry matter losses from seepage, and also for protecting silage nutrients

Class 18

(8) Hoof health products, namely, hoof guards

Class 29

(9) Products for livestock, cattle and animals and forage production and husbandry, namely, edible palm fat

Class 31

(5) Livestock feed; pet food; Products for livestock, cattle and animals and forage production and husbandry, namely, sodium aluminosilicate, buffered salt, calcium salts, sodium Bicarbonate; agricultural commodities and byproducts for animal and livestock consumption and for the production of animal and livestock feed, namely milk substitutes, forage, forage seed, rice bran for animal consumption, wheat seed, barley seed, oat seed, corn seed, hominy, maize, sorghum seed, milo seed, canola meal, canola seed, canola oil, molasses, legume seeds, flax meal, flax seed, flax oil, rye seed, yeast, sunflower seed, safflower seed, glycerol, cotton seed meal, linseed meal, bypass soymeal, young ruminant feeds (calf starters and growers), heifer and steer starters and growers, milk replacers for animals and livestock, macro premixes of animal feed, and mixed animal feeds for livestock and poultry, rice meal for forage, Rye seed, wheat distillers, brewers grains, corn distillers, Bypass soya meal, Nut seeds, Forage seed, Palm Fat, Milo Seed, Alfalfa-grass hay sun-cured ground (Alfalfa-grass meal), Alfalfa hay sun-cured ground (Sun-cured alfalfa meal), Alfalfa leaves meal dehydrated (Alfalfa leaf meal), Alfalfa meal dehydrated, Alfalfa stems sun-cured ground (Alfalfa stem meal), Grass-alfalfa hay sun-cured ground (Grass-alfalfa meal), Cellulose powdered (Cellulose), Cereals grass meal dehydrated (Dehydrated cereal grass), maize

cobs, Corn grain, ground, rolled, cracked corn grain, corn distiller dried grains, corn gluten meal, Fine grind maize cob meal (Fine grind corn cob meal), Maize, Maize cob fractions (Corn cob fractions), Oats hulls, Oats groats by-product less than 22 percent fibre (Oat feed or Oat mill by product), Peanut pods (Peanut hulls), Peanut seed coats (Peanut skins), Rice hulls, Soybean seed coats (Soybean hulls), Soybean meal, Soybean oil, Sunflower hulls, Cereal Grains, Barley-cereals grain (Barley mixed grain), Barley grain, Maize-cereals grains (Corn-cereals grains or Cereals mixed grains), Maize dent white grain (Corn dent white grain), Maize dent yellow grain (Corn dent yellow grain), Maize grain (Corn grain), Maize opaque 2 grain (high lysine) (Corn opaque 2 grain (high lysine)), Oats-cereals grain, Oats grain, Oats wild-oats-cereals grain (Mixed feed oats), Rice grain, Rye-cereals grain (or Rye mixed grain), Rye grain, Sorghum grain, Sorghum milo grain, wheat-cereals grain, Wheat grain, milling by-products, namely Barley mill run (Barley mixed feed or Barley mill by-product), Barley pearl by-product (Barley feed), Maize bran (Corn bran), Maize ears ground (Corn ears ground), Maize and cob meal (Corn and cob meal), Maize flour (Corn flour), Maize grain fines (Corn grain fines), Maize feed meal (Corn feed meal), Maize grits (Corn grits or Hominy grits), Maize grits by-product (Corn grits by-product or Hominy feed), Maize extractives fermented condensed (Corn extractives fermented condensed), Condensed fermented maize extractives (Condensed fermented corn extractives), Oats groats, Rice bran with germs (Rice bran), Rye flour by-product less than 8.5 percent fibre (Rye middlings), Soybean flour by-product (Soybean mill feed), Wheat bran, Wheat flour less than 1.5 percent fibre, Wheat flour by-product less than 7 percent fibre (Wheat middlings), Wheat flour byproduct less than 9.5 percent fibre (Wheat shorts), Wheat mill run less than 9.5 percent fibre (Wheat mill run), Seed and Mill Screenings, namely Cereals grain screenings grade 1 (No. 1 Feed screenings), Cereals grain screenings grade 2 (No. 2 Feed screenings), Cereals grain screenings refuse (Refuse screenings), Cereals grain screenings uncleaned (Uncleaned screenings), Molasses, Beet sugar molasses (Beet molasses), Beet sugar pulp dehydrated (Plain dried beet pulp), Beet sugar pulp, Beet sugar molasses, Sugarcane molasses, Canola oil low erucic acid low glucosinolates (Canola oil), Coconut kernels with coats oil (Coconut oil), Maize endosperm oil (Corn endosperm oil), Maize oil (Corn oil), Soybean seeds oil, Soybean lecithin (Soy lecithin), Vegetable oil, Cattle whey condensed (Condensed whey), Cattle whey cultured condensed (Condensed cultured whey), Cattle whey dehydrated (Dried whey), Cattle whey low lactose dehydrated (Dried whey product), Lactose, Cereals breakfast process residue (Cereal-offal or Cereals food fines), Cornstarch, Apple pomace dehydrated (Dried apple pomace), Maize grain starch heat hydrolyzed (Corn grain starch heat hydrolyzed or Malto dextrins), Maize syrup (Corn syrup), Maize syrup process residue (Corn syrup process residue), Maize syrup refinery insoluble (Corn syrup refinery insolubles), Potato process residue dehydrated (Dried potato waste meal), Honey bee honey (Honey), Sugarcane sugar (Sucrose), Animal blood meal, Animal hair hydrolyzed (Hydrolyzed hair), Animal meat by-products fresh (Meat by-products), Animal meat meal rendered (Meat meal), Animal meat with bone meal rendered (Meat and bone meal), Poultry by products fresh (Poultry by-products or Poultry residue), Poultry by-product meal rendered, Poultry feathers meal hydrolyzed (Feather meal or Hydrolyzed poultry feathers), Eggs without shells dehydrated (Powdered egg or Spray dried whole egg), Cattle buttermilk dehydrated (Dried buttermilk), Cattle milk dehydrated (Dried whole milk), Cattle skim milk dehydrated (Dried skimmed milk), Cattle whey protein dehydrated (Dried whey protein concentrate), Casein acid precipitated dehydrated (Casein), Sodium caseinate, Crab process residue meal (Crab meal), Fish hydrolyzed condensed (Condensed fish protein digest), Fish hydrolyzed dehydrated (Dried fish protein digest), Fish meal, Fish meal with solubles, Fish protein concentrate solvent extracted, Fish meal mechanical extracted, Fish solubles condensed, Fish solubles dehydrated, Shrimp process residue meal (Shrimp meal), seed from plants, namely navy bean seeds heat processed (White bean), Broadbean seeds (Faba beans), Canola meal prepress solvent extracted low erucic acid low glucosinolates (Canola meal),

Canola meal solvent extracted low erucic acid low glucosinolates (Canola meal), Coconut kernels with coats meal mechanical extracted (Coconut meal or Copra meal), Coconut kernels with coats meal solvent extracted (Coconut meal or Copra meal), Maize germs meal dry milled mechanical extracted (Corn germ meal (dry milled)), Maize gluten meal (Corn gluten meal), Maize gluten with bran (Corn gluten with bran), Corn gluten feed (Maize gluten feed), Cotton seeds (Whole Cottonseed), Cotton seeds meal mechanical extracted (Cottonseed meal), Cotton seeds meal solvent extracted (Cottonseed meal), Flax seeds ground, Flax seeds meal mechanical extracted (Linseed meal), Flax seeds meal solvent extracted (Linseed meal), Flax seed, Flax oil, Pea, Pea field seeds, Peanut seeds without coats meal mechanical extracted (Peanut meal), Peanut seeds without coats meal solvent extracted (Peanut meal), Safflower seeds meal mechanical extracted (Safflower meal), Safflower seeds meal solvent extracted (Safflower meal), Soybean flour mechanical extracted (Soy flour), Soybean flour solvent extracted (Soy flour), Soybean protein concentrate, Soybean protein isolate, Soybean seeds heat processed, Soybean seeds meal solvent extracted (Soybean meal), Soy flour chemically and physically modified, Soybean seeds without hulls meal solvent extracted (Dehulled soybean meal), Sunflower seeds meal mechanical extracted (Sunflower meal), Sunflower seeds meal solvent extracted (Sunflower meal), Sunflower seeds without hulls meal mechanical extracted (Dehulled sunflower meal), Sunflower seeds without hulls meal solvent extracted (Dehulled sunflower meal), Wheat germ ground, fermentation products, namely *Aspergillus niger* fermentation solubles dehydrated (Dried *Aspergillus niger* fermentation solubles), *Aspergillus niger* fermentation extract dehydrated (Dried *Aspergillus niger* fermentation extract), *Aspergillus niger* fermentation product dehydrated (Dried *Aspergillus niger* fermentation product), *Aspergillus niger* fermentation product liquid (Liquid *Aspergillus niger* fermentation product), *Aspergillus oryzae* fermentation solubles dehydrated (Dried *Aspergillus oryzae* fermentation solubles), *Aspergillus oryzae* fermentation extract dehydrated (Dried *Aspergillus oryzae* fermentation extract), *Aspergillus oryzae* fermentation product dehydrated (Dried *Aspergillus oryzae* fermentation product), *Aspergillus oryzae* fermentation product liquid (Liquid *Aspergillus oryzae* fermentation product), *Bacillus subtilis* fermentation solubles dehydrated (Dried *Bacillus subtilis* fermentation solubles), *Bacillus subtilis* fermentation extract dehydrated (Dried *Bacillus subtilis* fermentation extract), *Bacillus subtilis* fermentation product dehydrated (Dried *Bacillus subtilis* fermentation product), *Bacillus subtilis* fermentation product liquid (Liquid *Bacillus subtilis* fermentation product), *Lactobacillus acidophilus* fermentation product dehydrated (Dried *Lactobacillus acidophilus* fermentation product), *Lactobacillus acidophilus* fermentation product liquid (Liquid *Lactobacillus acidophilus* fermentation product), *Lactobacillus bulgaricus* fermentation product dehydrated (Dried *Lactobacillus bulgaricus* fermentation product), *Lactobacillus bulgaricus* fermentation product liquid (Liquid *Lactobacillus bulgaricus* fermentation product), *Streptococcus faecium* fermentation product dehydrated (Dried *Streptococcus faecium* fermentation product), *Streptococcus faecium* fermentation product liquid (Liquid *Streptococcus faecium* fermentation product), *Streptomyces* fermentation solubles dehydrated (Dried *Streptomyces* fermentation solubles), Citric acid fermentation presscake meal extracted, Citric acid fermentation solubles extracted dehydrated, Citric acid fermentation solubles meal extracted, Citric acid fermentation solids with solubles liquid, *Penicillium* fermentation presscake meal extracted, *Penicillium* fermentation solubles extracted dehydrated, *Penicillium* fermentation solubles meal extracted, *Penicillium* fermentation solids with solubles liquid, *Streptomyces* fermentation presscake meal extracted, *Streptomyces* fermentation solubles extracted dehydrated, *Streptomyces* fermentation solubles meal extracted, *Streptomyces* fermentation solids with solubles liquid, Cattle skim milk cultured condensed, Cattle skim milk cultured dehydrated, Cattle whey fermentation solubles condensed (Condensed whey fermentation solubles), Sugarcane-beet sugar molasses yeast solubles condensed (Molasses yeast condensed solubles), brewers' and distillers' products, namely Barley brewers grains dehydrated (Brewers dried grains), Barley

brewers grains wet (Brewers wet grains), Barley distillers grains dehydrated, Barley distillers grains with solubles dehydrated, Barley distillers solubles condensed, Barley distillers solubles dehydrated, Barley malt sprouts dehydrated (Malt sprouts), Maize distillers grains dehydrated (Corn distillers grains dehydrated), Maize distillers grains with solubles dehydrated (Corn distillers grains with solubles dehydrated), Maize distillers solubles condensed (Corn distillers solubles condensed), Maize distillers solubles dehydrated (Corn distillers solubles dehydrated), Rye distillers grains dehydrated, Rye distillers grains with solubles dehydrated, Rye distillers solubles condensed, Rye distillers solubles dehydrated, Rye malt sprouts dehydrated, Sorghum distillers grains dehydrated, Sorghum distillers grains with solubles dehydrated, Sorghum distillers solubles condensed, Sorghum distillers solubles dehydrated, Wheat distillers grains dehydrated, Wheat distillers grains with solubles dehydrated, Wheat distillers solubles condensed, Wheat distillers solubles dehydrated, Wheat malt sprouts dehydrated, amino acids, namely L-Lysine, DL-Methionine and DL-Methionine hydroxy analogue calcium, non-protein nitrogen products, namely Anhydrous ammonia, Biuret, Urea 45 percent nitrogen 281 percent protein equivalent (Urea), Beet sugar Steffens filtrate condensed (Condensed Steffen filtrate), Maize extractives condensed fermented with germ meal and bran dehydrated (Corn extractives condensed fermented with germ meal and bran dehydrated), Condensed fermented maize extractives with germ meal and bran dehydrated (Condensed fermented corn extractives with germ meal and bran dehydrated), Tomato pomace dehydrated (Dried tomato pomace), Ammonium phosphate dibasic (Diammonium phosphate), Ammonium phosphate monobasic (Monoammonium phosphate), Ammonium polyphosphate solution, Ammonium sulfate, Animal bone meal steamed, Calcium carbonate, Calcium chloride, Calcium hydroxide (Hydrated lime), Calcium iodate, Calcium phosphate dibasic (Dicalcium phosphate), Calcium phosphate monobasic (Monocalcium phosphate), Calcium phosphate tribasic (Tricalcium phosphate), Calcium proteinate, Calcium sulfate anhydrous, Calcium sulfate dehydrate, Cobaltous carbonate (Cobalt carbonate), Cobalt choline citrate complex (Cobalt choline citrate), Cobalt polysaccharide complex, Cobalt proteinate, Cobaltous sulfate heptahydrate (Cobalt sulfate heptahydrate), Cobaltous sulfate monohydrate (Cobalt sulfate), Copper choline citrate complex (Copper choline citrate), Copper polysaccharide complex, Copper proteinate, Cupric carbonate (Copper carbonate), Cupric oxide (Copper oxide), Cupric sulfate anhydrous, Cupric sulfate pentahydrate (Blue stone or Copper sulfate), Ethylenediamine dihydroiodide (EDDI), Ferric ammonium citrate, Ferric chloride, Ferric choline citrate complex (Ferric choline citrate), Ferrous carbonate (Iron carbonate), Ferrous fumarate, Ferrous gluconate dihydrate (Ferrous gluconate), Ferrous sulfate heptahydrate (Iron sulfate or Copperas), Ferrous sulfate monohydrate (Dried copperas), Iron methionine sulfate, Iron polysaccharide complex, Iron proteinate, Limestone ground (Pulverized limestone), Magnesium carbonate anhydrous, Magnesium carbonate pentahydrate (Magnesium carbonate hydroxide), Magnesium carbonate trihydrate, Magnesium chloride, Magnesium oxide, Magnesium phosphate, Magnesium polysaccharide complex, Magnesium proteinate, Magnesium sulfate anhydrous, Magnesium sulfate heptahydrate, Manganous oxide, Manganese polysaccharide complex, Manganese proteinate, Manganous sulfate monohydrate, Manganous sulfate pentahydrate, Manganous sulfate tetrahydrate, Oyster shells ground (Oyster shell flour), Phosphate defluorinated (Defluorinated phosphate), Phosphoric acid, Potassium bicarbonate, Potassium chloride, Potassium iodate, Potassium iodide, Potassium and magnesium sulfate, Potassium sulfate, Rock phosphate curacao ground (Curacao rock phosphate), Salt, Smectite-vermiculite, Sodium acid pyrophosphate, Sodium bicarbonate, Sodium carbonate, Sodium phosphate dibasic (Disodium phosphate), Sodium phosphate monobasic (Monosodium phosphate), Sodium phosphate tribasic, Sodium selenate, Sodium selenite, Sodium sesquicarbonate, Sodium sulfate anhydrous, Sodium sulfate decahydrate, Sodium tripolyphosphate, Sulphur (Flowers of sulphur), Sulfuric acid solution, Zinc methionine sulfate, Zinc oxide anhydrous, Zinc polysaccharide complex, Zinc proteinate, Zinc

sulfate heptahydrate, Zinc sulfate monohydrate, Yeast Products, namely Yeast active dehydrated, Yeast brewers dehydrated, Yeast culture dehydrated, Yeast irradiated dehydrated, Yeast primary dehydrated, Yeast torula dehydrated, Acetic acid, Animal bone collagen hydrolyzed, Ascorbyl palmitate, Barley malt flour dehydrated (Dried barley malt flour), Malted barley flour of Malt diastase, Bentonite calcium, Bentonite sodium, Benzoic acid, Brilliant blue FCF Lake (FD & C Blue No. 1 Lake), Butylated hydroxyanisole, Butylated hydroxytoluene, Calcium acetate, Calcium propionate, Calcium silicate, Calcium stearate, Citric acid, Diatomaceous earth, Disodium EDTA (Disodium ethylene diamine tetraacetate), Ethoxyquin, Ferric oxide (Iron oxide), Formic acid, Glycerol (Glycerin), Glycerol mono-oleate, Glyceryl triacetate (Triacetin), Guar mucilage (Guar gum), Isoamyl alcohol (Isopentyl alcohol), Isopropyl alcohol (Isopropanol), DL-Lactic acid, Lactobacillus culture dehydrated, Lignin sulfonate condensed, Lignin sulfonate dehydrated, Magnesium stearate, Methylparaben (Methyl phydroxybenzoate), Mineral Oil, Mono and diglycerides of edible fats or oils (Mono- and diglycerides), Perlite, Polyethylene glycol 400 mono and di oleate (PEG 400 mono and di-oleate), Polysorbate 60 (Tween 60), Polysorbate 80 (Tween 80), Polyvinylpyrrolidone, Potassium sorbate, Propionic acid, n-Propyl alcohol, Propylene glycol, Propyl gallate, Propylparaben (Propyl p-hydroxybenzoate), Saccharin sodium, Seaweed meal whole dehydrated (Dried seaweed meal), Silica gel, Silicon dioxide, Sodium acetate, Sodium aluminosilicate, Sodium benzoate, Sodium carboxymethylcellulose (Sodium cellulose glycolate), Sodium citrate, Sodium diacetate, Sodium ferrocyanide, Sodium hydroxide solution, Sodium propionate, Sorbic acid, Sorbitol, Streptococcus culture dehydrated, L Tartaric acid, Tartrazine Lake (FD & C Yellow No. 5 Lake), Tumeric, tubers, dehydrated, Urea formaldehyde, Verxite, granules (Hydrobiotite or Magnesium-aluminumiron silicate), Xanthan gum, Beta-carotene, Beta-apo 8'-carotenoic acid ethyl ester, Canthaxanthin, Polymethylolcarbamide

Services

Class 35

(1) Sale of chemicals, bacteria, and enzymes for animals, insects and livestock, bacteria for animal feed, chemical additives for use as binding agents for feed pellets, enzymes to assist in digestion for use in the manufacture of animal feeds, hoof health products, namely, minerals to bathe animal hooves, chemical additives to bathe animal hooves, disinfectant washes for animal hooves, cement for animal hooves, hoof guards and minerals for use in hoof baths, nutritional supplements for livestock, animal and cattle feed, salt, vitamin and mineral blends for use in animal, livestock and feed products, namely, mineral salts, vitamins, mineral dietary supplements for cattle, livestock and animals, livestock and animal feed additives and supplements, Veterinary preparations for digital dermatitis, foot rot, sand cracks, ringworm, mastitis, pneumonia, scour, rumen acidosis, coccidias, bloat, milk fever, diarrhea and metabolic diseases, Feed antimicrobials adapted for veterinary use, namely Monensin (Amonensin Sodium) and Decoquinate, Livestock and animal feed supplements and additives, dietary supplement and feeds composed of vitamins, minerals, salt and nutritional supplements for livestock, cattle and animals, herbal and dietary supplements to aid in livestock and animal production, forage and fodder supplements and additives for veterinary purposes, livestock and animal feed additives and supplements derived from insects, silage inoculant, teat spray, Products for livestock, cattle and animals and forage production and husbandry, namely, hay probes, moisture testers, dehorners, forage inoculant applicator, O2 (oxygen) barrier plastic livestock and animal feed, pet food, palm fat, sodium aluminosilicate, buffered salt, calcium salts, sodium Bicarbonate, forage inoculants, agricultural commodities and byproducts for animal and livestock consumption and for the production of animal and livestock feed, namely milk substitutes, forage, forage seed, rice bran for animal consumption, wheat seed, barley seed, oat seed, corn seed, hominy, maize, sorghum seed, milo seed, canola meal, canola seed, canola oil, molasses, legume seeds, flax meal, flax seed, flax oil,

rye seed, yeast, sunflower seed, safflower seed, glycerol, cotton seed meal, linseed meal, bypass soymeal, young ruminant feeds (calf starters and growers), heifer and steer starters and growers, milk replacers for animals and livestock, supplements, macro premixes, minerals and complete feeds for animals, livestock, beef and dairy cattle, inoculants, rice meal for forage, Rye seed, wheat distillers, brewers grains, corn distillers, Bypass soya meal, Nut seeds, Forage seed, Palm Fat, Milo Seed, Alfalfa-grass hay sun-cured ground (Alfalfa-grass meal), Alfalfa hay sun-cured ground (Sun-cured alfalfa meal), Alfalfa leaves meal dehydrated (Alfalfa leaf meal), Alfalfa meal dehydrated, Alfalfa stems sun-cured ground (Alfalfa stem meal), Grass-alfalfa hay sun-cured ground (Grass-alfalfa meal), Cellulose powdered (Cellulose), Cereals grass meal dehydrated (Dehydrated cereal grass), maize cobs, dehydrated, fine ground (Corn cobs, dehydrated, fine ground), Fine grind maize cob meal (Fine grind corn cob meal), Maize, cob fractions, screened (Corn, cob fractions, screened), Maize cob fractions (Corn cob fractions), Oats hulls, Oats groats by-product less than 22 percent fibre (Oat feed or Oat mill by-product), Peanut pods (Peanut hulls), Peanut seed coats (Peanut skins), Rice hulls, Soybean seed coats (Soybean hulls), Soybean meal, Soybean oil, Sunflower hulls, Cereal Grains, Barley-cereals grain (Barley mixed grain), Barley grain, Maize-cereals grains (Corn-cereals grains or Cereals mixed grains), Maize dent white grain (Corn dent white grain), Maize dent yellow grain (Corn dent yellow grain), Maize grain (Corn grain), Maize opaque 2 grain (high lysine) (Corn opaque 2 grain (high lysine)), Oats-cereals grain, Oats grain, Oats wild-oats-cereals grain (Mixed feed oats), Rice grain, Rye-cereals grain (or Rye mixed grain), Rye grain, Sorghum grain, Sorghum milo grain, wheat-cereals grain, Wheat grain, milling by-products, namely Barley mill run (Barley mixed feed or Barley mill by-product), Barley pearl by-product (Barley feed), Maize bran (Corn bran), Maize ears ground (Corn ears ground), Maize and cob meal (Corn and cob meal), Maize flour (Corn flour), Maize grain fines (Corn grain fines), Maize feed meal (Corn feed meal), Maize grits (Corn grits or Hominy grits), Maize grits by-product (Corn grits by-product or Hominy feed), Maize extractives fermented condensed (Corn extractives fermented condensed), Condensed fermented maize extractives (Condensed fermented corn extractives), Oats groats, Rice bran with germs (Rice bran), Rye flour by-product less than 8.5 percent fibre (Rye middlings), Soybean flour by-product (Soybean mill feed), Wheat bran, Wheat flour less than 1.5 percent fibre, Wheat flour by-product less than 7 percent fibre (Wheat middlings), Wheat flour byproduct less than 9.5 percent fibre (Wheat shorts), Wheat mill run less than 9.5 percent fibre (Wheat mill run), Seed and Mill Screenings, namely Cereals grain screenings grade 1 (No. 1 Feed screenings), Cereals grain screenings grade 2 (No. 2 Feed screenings), Cereals grain screenings refuse (Refuse screenings), Cereals grain screenings uncleaned (Uncleaned screenings), Molasses and Related Products, namely Beet sugar molasses (Beet molasses), Beet sugar pulp dehydrated (Plain dried beet pulp), Beet sugar pulp, molasses dehydrated added, Beet sugar molasses, soybean mill run dehydrated added, Beet sugar molasses, corn cob fractions dehydrated added, Sugarcane molasses, Sugarcane molasses distillers solubles condensed (Molasses distillers condensed solubles), Sugarcane molasses, soybean mill run dehydrated added, Animal and Vegetable Fats, namely Animal fat (Feeding fat), Animal vegetable fat (Animal vegetable feeding fat), Canola oil low erucic acid low glucosinolates (Canola oil), Coconut kernels with coats oil (Coconut oil), Maize endosperm oil (Corn endosperm oil), Maize oil (Corn oil), Soybean seeds oil, Soybean lecithin (Soy lecithin), Vegetable oil, Bakery waste dehydrated, Cattle whey condensed (Condensed whey), Cattle whey cultured condensed (Condensed cultured whey), Cattle whey dehydrated (Dried whey), Cattle whey low lactose dehydrated (Dried whey product), Lactose, Cereals breakfast process residue (Cereal-offal or Cereals food fines), Cornstarch, Apple pomace dehydrated (Dried apple pomace), Maize grain starch heat hydrolyzed (Corn grain starch heat hydrolyzed or Malto dextrins), Maize syrup (Corn syrup), Maize syrup process residue (Corn syrup process residue), Maize syrup refinery insoluble (Corn syrup refinery insolubles), Potato process residue dehydrated (Dried potato waste meal),

Beet sugar sugar (Sucrose), D-Glucose (Dextrose), Honey bee honey (Honey), Sugarcane sugar (Sucrose), Animal blood meal, conventional cooker dehydrated, Animal blood meal, flash or ring dehydrated, Animal blood meal, spray dehydrated, Animal hair hydrolyzed (Hydrolyzed hair), Animal meat by-products fresh (Meat by-products), Animal meat meal rendered (Meat meal), Animal meat with bone meal rendered (Meat and bone meal), Animal tankage rendered (Feeding tankage), Animal tankage with bone meal rendered (Feeding meat and bone tankage), Poultry by-products fresh (Poultry by-products or Poultry residue), Poultry by-product meal rendered, Poultry feathers meal hydrolyzed (Feather meal or Hydrolyzed poultry feathers), Eggs without shells dehydrated (Powdered egg or Spray dried whole egg), Cattle buttermilk dehydrated (Dried buttermilk), Cattle milk dehydrated (Dried whole milk), Cattle skim milk dehydrated (Dried skimmed milk), Cattle whey protein dehydrated (Dried whey protein concentrate), Casein acid precipitated dehydrated (Casein), Sodium caseinate, Crab process residue meal (Crab meal), Fish hydrolyzed condensed (Condensed fish protein digest), Fish hydrolyzed dehydrated (Dried fish protein digest), Fish meal, Fish meal with solubles, Fish protein concentrate solvent extracted, Fish meal mechanical extracted, Fish solubles condensed, Fish solubles dehydrated, Shrimp process residue meal (Shrimp meal), seed from plants, namely navy bean seeds heat processed (White bean), Broadbean seeds (Faba beans), Canola meal prepress solvent extracted low erucic acid low glucosinolates (Canola meal), Canola meal solvent extracted low erucic acid low glucosinolates (Canola meal), Coconut kernels with coats meal mechanical extracted (Coconut meal or Copra meal), Coconut kernels with coats meal solvent extracted (Coconut meal or Copra meal), Maize germs meal dry milled mechanical extracted (Corn germ meal (dry milled)), Maize gluten meal (Corn gluten meal), Maize gluten with bran (Corn gluten with bran), Corn gluten feed (Maize gluten feed), Cotton seeds (Whole Cottonseed), Cotton seeds meal mechanical extracted (Cottonseed meal), Cotton seeds meal solvent extracted (Cottonseed meal), Flax seeds ground, Flax seeds meal mechanical extracted (Linseed meal), Flax seeds meal solvent extracted (Linseed meal), Flax seed, Flax oil, Pea, field, protein product, spray dehydrated (Pea protein), Pea field seeds, Peanut seeds without coats meal mechanical extracted (Peanut meal), Peanut seeds without coats meal solvent extracted (Peanut meal), Safflower seeds meal mechanical extracted (Safflower meal), Safflower seeds meal solvent extracted (Safflower meal), Soybean flour mechanical extracted (Soy flour), Soybean flour solvent extracted (Soy flour), Soybean protein concentrate, Soybean protein isolate, Soybean seeds heat processed, Soybean seeds meal solvent extracted (Soybean meal), Soy flour chemically and physically modified, Soybean seeds without hulls meal solvent extracted (Dehulled soybean meal), Sunflower seeds meal mechanical extracted (Sunflower meal), Sunflower seeds meal solvent extracted (Sunflower meal), Sunflower seeds without hulls meal mechanical extracted (Dehulled sunflower meal), Sunflower seeds without hulls meal solvent extracted (Dehulled sunflower meal), Wheat germ ground, fermentation products, namely *Aspergillus niger* fermentation solubles dehydrated (Dried *Aspergillus niger* fermentation solubles), *Aspergillus niger* fermentation extract dehydrated (Dried *Aspergillus niger* fermentation extract), *Aspergillus niger* fermentation product dehydrated (Dried *Aspergillus niger* fermentation product), *Aspergillus niger* fermentation product liquid (Liquid *Aspergillus niger* fermentation product), *Aspergillus oryzae* fermentation solubles dehydrated (Dried *Aspergillus oryzae* fermentation solubles), *Aspergillus oryzae* fermentation extract dehydrated (Dried *Aspergillus oryzae* fermentation extract), *Aspergillus oryzae* fermentation product dehydrated (Dried *Aspergillus oryzae* fermentation product), *Aspergillus oryzae* fermentation product liquid (Liquid *Aspergillus oryzae* fermentation product), *Bacillus subtilis* fermentation solubles dehydrated (Dried *Bacillus subtilis* fermentation solubles), *Bacillus subtilis* fermentation extract dehydrated (Dried *Bacillus subtilis* fermentation extract), *Bacillus subtilis* fermentation product dehydrated (Dried *Bacillus subtilis* fermentation product), *Bacillus subtilis* fermentation product liquid (Liquid *Bacillus subtilis* fermentation product), *Lactobacillus acidophilus* fermentation product dehydrated

(Dried Lactobacillus acidophilus fermentation product), Lactobacillus acidophilus fermentation product liquid (Liquid Lactobacillus acidophilus fermentation product), Lactobacillus bulgaricus fermentation product dehydrated (Dried Lactobacillus bulgaricus fermentation product), Lactobacillus bulgaricus fermentation product liquid (Liquid Lactobacillus bulgaricus fermentation product), Streptococcus faecium fermentation product dehydrated (Dried Streptococcus faecium fermentation product), Streptococcus faecium fermentation product liquid (Liquid Streptococcus faecium fermentation product), Streptomyces fermentation solubles dehydrated (Dried Streptomyces fermentation solubles), Citric acid fermentation presscake meal extracted, Citric acid fermentation solubles extracted dehydrated, Citric acid fermentation solubles meal extracted, Citric acid fermentation solids with solubles liquid, Penicillium fermentation presscake meal extracted, Penicillium fermentation solubles extracted dehydrated, Penicillium fermentation solubles meal extracted, Penicillium fermentation solids with solubles liquid, Streptomyces fermentation presscake meal extracted, Streptomyces fermentation solubles extracted dehydrated, Streptomyces fermentation solubles meal extracted, Streptomyces fermentation solids with solubles liquid, Cattle skim milk cultured condensed, Cattle skim milk cultured dehydrated, Cattle whey fermentation solubles condensed (Condensed whey fermentation solubles), Sugarcane-beet sugar molasses yeast solubles condensed (Molasses yeast condensed solubles), brewers' and distillers' products, namely Barley brewers grains dehydrated (Brewers dried grains), Barley brewers grains wet (Brewers wet grains), Barley distillers grains dehydrated, Barley distillers grains with solubles dehydrated, Barley distillers solubles condensed, Barley distillers solubles dehydrated, Barley malt sprouts dehydrated (Malt sprouts), Maize distillers grains dehydrated (Corn distillers grains dehydrated), Maize distillers grains with solubles dehydrated (Corn distillers grains with solubles dehydrated), Maize distillers solubles condensed (Corn distillers solubles condensed), Maize distillers solubles dehydrated (Corn distillers solubles dehydrated), Rye distillers grains dehydrated, Rye distillers grains with solubles dehydrated, Rye distillers solubles condensed, Rye distillers solubles dehydrated, Rye malt sprouts dehydrated, Sorghum distillers grains dehydrated, Sorghum distillers grains with solubles dehydrated, Sorghum distillers solubles condensed, Sorghum distillers solubles dehydrated, Wheat distillers grains dehydrated, Wheat distillers grains with solubles dehydrated, Wheat distillers solubles condensed, Wheat distillers solubles dehydrated, Wheat malt sprouts dehydrated, amino acids, namely L-Lysine, DL-Methionine and DL-Methionine hydroxy analogue calcium, non-protein nitrogen products, namely Anhydrous ammonia, Biuret, Urea 45 percent nitrogen 281 percent protein equivalent (Urea), Beet sugar Steffens filtrate condensed (Condensed Steffen filtrate), Maize extractives condensed fermented with germ meal and bran dehydrated (Corn extractives condensed fermented with germ meal and bran dehydrated), Condensed fermented maize extractives with germ meal and bran dehydrated (Condensed fermented corn extractives with germ meal and bran dehydrated), Tomato pomace dehydrated (Dried tomato pomace), Ammonium phosphate dibasic (Diammonium phosphate), Ammonium phosphate monobasic (Monoammonium phosphate), Ammonium polyphosphate solution, Ammonium sulfate, Animal bone meal steamed, Calcium carbonate, Calcium chloride, Calcium hydroxide (Hydrated lime), Calcium iodate, Calcium phosphate dibasic (Dicalcium phosphate), Calcium phosphate monobasic (Monocalcium phosphate), Calcium phosphate tribasic (Tricalcium phosphate), Calcium proteinate, Calcium sulfate anhydrous, Calcium sulfate dehydrate, Cobaltous carbonate (Cobalt carbonate), Cobalt choline citrate complex (Cobalt choline citrate), Cobalt polysaccharide complex, Cobalt proteinate, Cobaltous sulfate heptahydrate (Cobalt sulfate heptahydrate), Cobaltous sulfate monohydrate (Cobalt sulfate), Copper choline citrate complex (Copper choline citrate), Copper polysaccharide complex, Copper proteinate, Cupric carbonate (Copper carbonate), Cupric oxide (Copper oxide), Cupric sulfate anhydrous, Cupric sulfate pentahydrate (Blue stone or Copper sulfate), Ethylenediamine dihydroiodide (EDDI), Ferric ammonium citrate, Ferric chloride, Ferric choline citrate complex

(Ferric choline citrate), Ferrous carbonate (Iron carbonate), Ferrous fumarate, Ferrous gluconate dihydrate (Ferrous gluconate), Ferrous sulfate heptahydrate (Iron sulfate or Copperas), Ferrous sulfate monohydrate (Dried copperas), Iron methionine sulfate, Iron polysaccharide complex, Iron proteinate, Limestone ground (Pulverized limestone), Magnesium carbonate anhydrous, Magnesium carbonate pentahydrate (Magnesium carbonate hydroxide), Magnesium carbonate trihydrate, Magnesium chloride, Magnesium oxide, Magnesium phosphate, Magnesium polysaccharide complex, Magnesium proteinate, Magnesium sulfate anhydrous, Magnesium sulfate heptahydrate, Manganous oxide, Manganese polysaccharide complex, Manganese proteinate, Manganous sulfate monohydrate, Manganous sulfate pentahydrate, Manganous sulfate tetrahydrate, Oyster shells ground (Oyster shell flour), Phosphate defluorinated (Defluorinated phosphate), Phosphoric acid, Potassium bicarbonate, Potassium chloride, Potassium iodate, Potassium iodide, Potassium and magnesium sulfate, Potassium sulfate, Rock phosphate curacao ground (Curacao rock phosphate), Salt, Smectite-vermiculite, Sodium acid pyrophosphate, Sodium bicarbonate, Sodium carbonate, Sodium phosphate dibasic (Disodium phosphate), Sodium phosphate monobasic (Monosodium phosphate), Sodium phosphate tribasic, Sodium selenate, Sodium selenite, Sodium sesquicarbonate, Sodium sulfate anhydrous, Sodium sulfate decahydrate, Sodium tripolyphosphate, Sulphur (Flowers of sulphur), Sulfuric acid solution, Zinc methionine sulfate, Zinc oxide anhydrous, Zinc polysaccharide complex, Zinc proteinate, Zinc sulfate heptahydrate, Zinc sulfate monohydrate, vitamin products, namely p-Aminobenzoic acid, Ascorbic acid, Betaine hydrochloride, d-Biotin, Calcium pantothenate, Calcium d1-pantothenate, Choline chloride solution, Choline chloride with carrier, Fish oil, Folic acid (Folacin), Inositol, Menadione dimethylpyrimidinol bisulphite, Menadione sodium bisulphite, Menadione sodium bisulphite complex, Niacin (Nicotinic acid), Niacinamide (Nicotinamide), Pyridoxine hydrochloride, Riboflavin, Riboflavin-5'-phosphate sodium, Thiamine hydrochloride, Thiamine mononitrate, Vitamin B12, Sodium ascorbate, Yeast Products, namely Yeast active dehydrated, Yeast brewers dehydrated, Yeast culture dehydrated, Yeast irradiated dehydrated, Yeast primary dehydrated, Yeast torula dehydrated, Acetic acid, Animal bone collagen hydrolyzed, Ascorbyl palmitate, Barley malt flour dehydrated (Dried barley malt flour), Malted barley flour of Malt diastase, Bentonite calcium, Bentonite sodium, Benzoic acid, Brilliant blue FCF Lake (FD & C Blue No. 1 Lake), Butylated hydroxyanisole, Butylated hydroxytoluene, Calcium acetate, Calcium propionate, Calcium silicate, Calcium stearate, Citric acid, Diatomaceous earth, Disodium EDTA (Disodium ethylene diamine tetraacetate), Ethoxyquin, Ferric oxide (Iron oxide), Formic acid, Glycerol (Glycerin), Glycerol mono-oleate, Glyceryl triacetate (Triacetin), Guar mucilage (Guar gum), Isoamyl alcohol (Isopentyl alcohol), Isopropyl alcohol (Isopropanol), DL-Lactic acid, Lactobacillus culture dehydrated, Lignin sulfonate condensed, Lignin sulfonate dehydrated, Magnesium stearate, Methylparaben (Methyl phydroxybenzoate), Mineral Oil, Mono- and diglycerides of edible fats or oils (Mono- and diglycerides), Perlite, Polyethylene glycol 400 mono and di-oleate (PEG 400 mono and di-oleate), Polysorbate 60 (Tween 60), Polysorbate 80 (Tween 80), Polyvinylpyrrolidone, Potassium sorbate, Propionic acid, n-Propyl alcohol, Propylene glycol, Propyl gallate, Propylparaben (Propyl p-hydroxybenzoate), Saccharin sodium, Seaweed meal whole dehydrated (Dried seaweed meal), Silica gel, Silicon dioxide, Sodium acetate, Sodium aluminosilicate, Sodium benzoate, Sodium carboxymethylcellulose (Sodium cellulose glycolate), Sodium citrate, Sodium diacetate, Sodium ferrocyanide, Sodium hydroxide solution, Sodium propionate, Sorbic acid, Sorbitol, Streptococcus culture dehydrated, L-Tartaric acid, Tartrazine Lake (FD & C Yellow No. 5 Lake), Tumeric, tubers, dehydrated, Urea formaldehyde, Verxite, granules (Hydrobiotite or Magnesium aluminumiron silicate), Xanthan gum, Beta-carotene, Vitamin A, Vitamin D3, Vitamin E, Beta-apo-8'- carotenoic acid ethyl ester, Canthaxanthin, Polymethylolcarbamide; provide livestock and animal production management consulting in the areas of farm administration

Class 36

(7) Provide livestock and animal production management consulting in the areas of finances and financial planning

Class 39

(2) Delivery of goods by truck; arranging for pickup, delivery, loading and unloading, storage and transportation by air, rail, ship or truck of raw materials, commodities and general freight; warehousing services; warehousing services, namely, blending, loading, unloading and transloading, storage, distribution, pick-up, and packing for shipment of raw materials, commodities and general freight for others; supply chain logistics and reverse logistics services for the delivery of goods for others by air, rail, ship or truck; supply chain logistics and reverse logistics services consisting of the storage of goods for others by air, rail, ship or truck; supply chain logistics and reverse logistics services consisting of the transportation of goods for others by air, rail, ship or truck

Class 40

(3) Manufacture of livestock feed; manufacture of animal feed, namely, poultry feed

Class 41

(4) Provide educational courses and training for agricultural producers and their employees in the areas of livestock, animal, nutrition, biosecurity and forage management and health and standard agricultural operating procedures and protocols

Class 42

(6) Provide analysis of livestock and animal nutrition, namely livestock and animal nutrition management, sampling for forage and feed compositional analysis, ration balancing and analysis, feed mixing and delivery analysis, and dietary supplement formulation; Provide consulting of livestock and animal nutrition, namely livestock and animal nutrition management, sampling for forage and feed compositional analysis, ration balancing and analysis, feed mixing and delivery analysis; Provide consulting services, namely, bunker audits, parlour audits, mixer audits, ventilation audits

Class 44

(5) Provide consulting of livestock and animal nutrition, namely livestock and animal nutrition management, and dietary supplement formulation; Provide consulting services, namely, hoof health scores; Information and advisory services in the field of medical care and analysis of livestock and animals; provide livestock and animal production management consulting in the areas of forages, hoof health and trimming, nutrition and health; consulting services in the fields of agriculture, farming, and livestock, namely, consulting on standard farming operating procedures and protocols

(7) Computer-based simulation training services in the field of engineering, namely, building construction, aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures, explosives detection and prevention, intelligence, surveillance and reconnaissance (ISR), radiological and nuclear detection and response

Class 42

(8) Research and development of computer software; design and development of automated computer software in a highly secure environment; design and development of computer software in a highly secure environment featuring automation technology; design, development and implementation of software; design and development of automated on-line computer software systems; design and development of on-line computer software systems featuring automation technology; computer software development in the field of mobile applications; design, development, installation and maintenance of computer software; design and development of computer hardware and software; design, maintenance, development and updating of computer software; Development, updating and maintenance of software and databases systems; Software development for others in the field of software configuration management; Product development; Product research and development in the fields of aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures, explosives detection and prevention, intelligence, surveillance and reconnaissance (ISR), radiological and nuclear detection and response; Product development consultation; Product development for others; Design and testing for new product development in the fields of aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures, explosives detection and prevention, intelligence, surveillance and reconnaissance (ISR), radiological and nuclear detection and response; Innovation consulting services, namely, advising others in the areas of product development; Research and development of new products in the fields of aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures, explosives detection and prevention, intelligence, surveillance and reconnaissance (ISR), radiological and nuclear detection and response; Research and development of new products for others; Non-downloadable cloud based computer software for monitoring and managing transportation networks and smart cities mobility, namely, for active traffic management, automatic incident detection, event management, decision support and response plans, vehicle location, corridor management, connected vehicle mobility, toll systems integration, adaptive traffic signal control and ramp metering, traffic prediction, vehicle tracking and dispatch, viewing and controlling video cameras, and traffic monitoring and management functions to ensure traffic flow and safety; Providing cloud computing services which provides tools for users to ingest, store, index, archive, tag, search, retrieve, visualize, annotate,

transmit and digitize video and imagery data types and metadata, namely, electro-optical and infrared video data, still image data, wide area imagery data, commercial satellite data, multi-spectral and hyperspectral data, geospatial data, track location data, text data, and cyber network data, and tools that provide automated, analysis of video and imagery data types, namely, person, vehicle, ship, object, face, and group, activity detection, recognition, and tracking, pattern recognition, deep learning, classification, artificial intelligence, and the association and fusion of information across the foregoing data types, providing software as a services (SAAS) and providing platform as a service (PAAS) which provides tools for users to ingest, store, index, archive, tag, search, retrieve, visualize, annotate, transmit and digitize video and imagery data types and metadata, namely, electro-optical and infrared video data, still image data, wide area imagery data, commercial satellite data, multi-spectral and hyperspectral data, geospatial data, track location data, text data, and cyber network data, and tools that provide automated, analysis of video and imagery data types, namely, person, vehicle, ship, object, face, and group, activity detection, recognition, and tracking, pattern recognition, deep learning, classification, artificial intelligence, and the association and fusion of information across the foregoing data types; Internet security consultancy; data security consultancy; computer security threat analysis for protecting data; design and development of electronic data security systems; development of security systems and contingency planning for information systems in the fields of aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures, explosives detection and prevention, intelligence, surveillance and reconnaissance (ISR), radiological and nuclear detection and response; Computer service, namely, application service provider for developing and hosting application software for collecting, organizing, modifying, transmitting, storing and sharing of data and information in the field of knowledge management, featuring the design of customized database software for others, all of the aforementioned services distributed to governmental, business, and institutional customers; computer service, namely, application service provider for protecting, monitoring and visualizing computer networks in the field of cyber management and comprehensive cyber solutions featuring exploitation of cyber capabilities; computer service, namely, application service provider featuring software for protecting, monitoring and visualizing computer networks in the field of mission planning and situational awareness in the air, space and cyber domains in military and government applications; Engineering in the field of building construction, aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures, explosives detection and prevention, intelligence, surveillance and reconnaissance (ISR), radiological and nuclear detection and response; Consulting relating to engineering in the field of building construction, aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures, explosives detection and prevention, intelligence, surveillance and reconnaissance (ISR), radiological and nuclear detection and response and architecture; Consulting in the field of architecture; Computer security consultancy; Design services in the fields of construction and renovation of energy generation and transmission facilities, manufacturing facilities, data centers, utility facilities, energy generation and transmission facilities, chemical process plants, oil and gas facilities, pipelines, pipeline terminals, petrochemical facilities, manufacturing plants, biomass generation facilities, alternative energy production facilities, transportation infrastructure, dams, landfills, housing, educational facilities, hotels, theme parks, buildings, facilities for disposal of weapons, healthcare facilities, vehicle inspection and compliance facilities, and military installations; Design and development of electronic data security systems; Testing of facilities security systems in the fields of building construction, aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures,

explosives detection and prevention, intelligence, surveillance and reconnaissance (ISR), radiological and nuclear detection and response; Drafting of plans and engineering drawings for others; Providing non-downloadable computer software for use in modeling in the field of artificial intelligence; Design of computer simulated models in the fields of engineering, namely, building construction, aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures, explosives detection and prevention, intelligence, surveillance and reconnaissance (ISR), radiological and nuclear detection and response; Computer monitoring service which tracks application software performance, performs periodic maintenance and provides reports and alerts concerning such performance; Computer technology support services namely, help desk services; Computer services, namely, application service provider in the field of knowledge management to host computer application software for the purpose of contract documentation, team collaboration and communication, and reporting in the fields of aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures, explosives detection and prevention, intelligence, surveillance and reconnaissance (ISR), radiological and nuclear detection and response; Computer aided design for others; Graphic design; Graphic illustration services for others; Providing information in the field of computer aided graphic design via the Internet website portal; Providing non-downloadable software tools for engineering design, project estimating, construction project management, facility operations, asset management, and building information modeling in the field of building construction via a website; Providing information for construction engineering projects via the Internet; Providing information in the field of engineering and architectural design through an interactive database via the Internet; Providing temporary use of non-downloadable software for database management in the fields of construction, engineering, and consulting; Integration of computer systems, computer software, and networks for others in the fields of construction and engineering; Computer services, namely, application service provider in the field of knowledge management to host computer application software of others for the collection, editing, organizing, modifying, book marking, transmission, storage and sharing of data and information in the fields of construction management, repair and reliability management, planning, and inspection; Architectural planning, design, and consulting of facilities for environmental activities, transportation, process activities, power generation, oil and gas production, industrial activities, space exploration, defense, municipal services, recreation, oil and gas facilities, pipelines, pipeline terminals, electricity generation and transmission and distribution facilities, petrochemical facilities, manufacturing plants, biomass generation facilities, and alternative energy production facilities; energy auditing; updating of computer software relating to computer security and prevention of computer risks; Consulting services related to design and development of engineering processes in the fields of aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures, explosives detection and prevention, intelligence, surveillance and reconnaissance (ISR), radiological and nuclear detection and response; Graphic design for others in the field of visual displays for graphic facilitation of organizational consulting for government agencies; Graphic design; Consulting services in the field of computer security consultancy; Mapping services; Providing non-downloadable software for engineering project management services in the field of building construction via a website; Providing platform as a service (PaaS) that allows users to collaboratively develop software through an online portal via the Internet; Computer systems integration services; Consulting in the field of configuration management for computer hardware and software; Consulting in the field of software, embedded software; Custom design and development of computer software, computer network security, and computer network systems; Customizing computer software; Engineering services in the field of software development,

embedded computer system developments, computer security and network system administration; Software design and development; Software development in the field of computer security, business management information systems, custom network architecture; Application service provider, namely, hosting, managing, customizing, deploying, and maintaining applications, software and web sites utilizing search, discovery, enrichment, visualization, integration and analysis of disparate data and information in the fields of aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures, explosives detection and prevention, intelligence, surveillance and reconnaissance (ISR), radiological and nuclear detection and response; computer technology research and development services; computer technology support services, namely, troubleshooting in the nature of diagnosing computer hardware and software problems; computer programming services; consulting, namely, consulting services related to development, implementation and application of computer technology related to search, discovery, enrichment, visualization, integration and analysis of disparate data in the fields of aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures, explosives detection and prevention, intelligence, surveillance and reconnaissance (ISR), radiological and nuclear detection and response; Technical support services, namely, troubleshooting in the nature of diagnosing computer hardware and computer software problems; Computer technology support services, namely, help desk services; Computer technology research, development and support services; Computer programming services; consulting services related to the development, implementation and application of computer technology in the field of artificial intelligence; non-downloadable computer software for determining the cause of a computer software application crash; Providing non-downloadable software that enables users to use the software in a dynamically created working environment based on users selections and connects networks drives, runs commands, set parameters according to geographic requirements in the field of artificial intelligence via a website; providing temporary use of a web-based on-demand software application for use in developing, configuring, customizing and deploying software applications, managing business processes, and managing computer-based information systems in the field of configuration management for computer software; provision of non-downloadable computer software for managing transportation networks; Software as a service (SAAS) services featuring software for standardized reporting framework tool used in the intelligence and operation disciplines that allows structured operation and intelligence information to be shared vertically and horizontally as part of a flexible, user-defined workflow processes that collect, correlate, aggregate and expose information; provision of non-downloadable computer software for use in energy assessment planning for collection, recording and analysis of data regarding current energy conditions, adequacy, inventory and usage in a building for the purpose of justifying funding, developing energy-specific construction plans, executing construction projects, and for determining energy utilization index, carbon footprint, and compliance with energy and environmental design standards; Software as a service (SAAS) services featuring software for contract and task order management; provision of non-downloadable computer software for integrating data from a plurality of disparate data sources for use in managing and analyzing intelligence information in the field of artificial intelligence; computer software for data processing in the fields of aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures, explosives detection and prevention, intelligence, surveillance and reconnaissance (ISR), radiological and nuclear detection and response; computer software for creating searchable databases of information and data; computer software for creating searchable databases; computer software for application and database integration; database management software; provision of non-downloadable computer software for conducting a persistent query in

the field artificial intelligence; provision of non-downloadable computer software for complex event processing in the field of information management in the fields of aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures, explosives detection and prevention, intelligence, surveillance and reconnaissance (ISR), radiological and nuclear detection and response; provision of non-downloadable computer software for data processing in the field of artificial intelligence; provision of non-downloadable computer software for processing incomplete data sets in the field of information management and data fusion, namely, content acquisition, multilingual semantic analysis, and mining the most relevant information from disparate data sources; provision of non-downloadable software for real-time geospatial collaboration providing map data and imagery in the field of geology; Software as a service (SAAS) services featuring software for end-to-end command and control, strategy development and operational assessment within the defense and intelligence industry; Hydraulic and hydrologic engineering services, namely, water quality monitoring and assessment, watershed-based storm water planning and design, combined sewer overflow (CSO) analysis, flood control, sedimentation and river engineering, hydraulic modeling and design, ecosystem restoration and geomorphic assessment, dam safety analysis, groundwater aquifer storage and recovery (ASR), water rights and water availability modeling; environmental engineering services; environmental engineering services, namely, design for others in the field of environmental engineering of transportation infrastructure; Software development and computer systems engineering in the fields of data security and enterprise security; software development and computer systems engineering in the fields of defense, national security, and intelligence; design, development and implementation of signals analysis and cryptanalytic processing software systems; design, development and implementation of sensor development architecture, namely, sensing systems that monitor electronic communications and signals for threats; design, development and implementation of data analytics, data mining and computer database management solutions, all in the fields of data security and enterprise security; human language technology solutions, namely, design and development of computer software and hardware to translate and analyze languages; provision of non-downloadable software for use in managing and analyzing intelligence information; Construction planning, architectural design, and construction project engineering consulting, and inspection of industrial and commercial facilities for environmental activities, namely, control, storage, disposal, remediation, and treatment of wastes; transportation design services, namely, highways, rail transit systems, bridges, and airports; Architectural design, planning and development of refineries and petrochemical plants; design and development of technology in the field of space exploration; municipal services, namely, project management of convention centers, exhibition centers, schools, shopping malls, parking resorts, arenas, stadiums, amusement parks, and theme parks; Monitoring of computer systems for security purposes; internet security consultancy; Consultation in the field of energy efficiency; Energy usage management information services; building construction planning services; Security services, namely, providing security assessments for computer information systems; Security consultancy in the field of cyber security; Consulting services in the field of cyber security, namely, consulting services in the field of maintaining the security and integrity of computer databases

Class 45

(9) Consulting in the field of workplace safety; information in the field of workplace safety; consultancy on regulations on safety at work; consultation services in the field of the safety needs of commercial and industrial companies; analysis and consultation pertaining to job site safety Personal security consultation; security guard services; personal security consultancy; Security services, namely, providing security assessments for physical locations, working environments,

and businesses and governmental agencies; Security consultancy in the fields of personal and national security; environmental professional permitting services, namely, providing assistance and consultation in obtaining environmental and city building permits for development projects for electricity generation and transmission and distribution facilities, petrochemical facilities, manufacturing plants, biomass generation facilities, and alternative energy production facilities; Reviewing standards and practices to assure compliance with environmental and safety laws and regulations, namely, program evaluation for compliance and recommendations for others, legal administration of environmental vendor contracts for others, and implementation of compliance programs for others; unexploded ordnance detection services; underground metal detection services, namely, underground metal bomb detection services; providing information in the field of public safety via a computer database

Computer hardware and software to analyze data to detect cyber security threats; Computer hardware and software that allows for high speed data processing to detect cyber security threats; Downloadable computer software for monitoring and managing transportation networks and smart cities mobility, namely, for active traffic management, automatic incident detection, event management, decision support and response plans, vehicle location, corridor management, connected vehicle mobility, toll systems integration, adaptive traffic signal control and ramp metering, traffic prediction, vehicle tracking and dispatch, viewing and controlling video cameras, and traffic monitoring and management functions to ensure traffic flow and safety; Laser based unexploded ordnance and landmine neutralization system comprised of target detection sensors, a high-power laser, beam director for engaging targets and operator controls; Computer software which provides tools for users to ingest, store, index, archive, tag, search, retrieve, visualize, annotate, transmit and digitize video and imagery data types and metadata, namely, electro-optical and infrared video data, still image data, wide area imagery data, commercial satellite data, multi-spectral and hyperspectral data, geospatial data, track location data, text data, and cyber network data, and tools that provide automated, analysis of video and imagery data types, namely, person, vehicle, ship, object, face, and group, activity detection, recognition, and tracking, pattern recognition, deep learning, classification, artificial intelligence, and the association and fusion of information across the foregoing data types; Computer software for collection, editing, analysis, viewing, organization, modification, transmission, storage, exchange, sharing, querying, auditing,

and tracking of data and information distributed to governmental, business, and institutional customers; computer software for protecting, monitoring and visualizing computer networks featuring exploitation of cyber capabilities; computer software for mission planning and situational awareness in the Air, Space and Cyber domains in military and government applications; Electricity router for managing and optimizing energy loads within a commercial, industrial and residential building; Computer hardware and software system for remotely monitoring environmental conditions and controlling devices within a building, facility, grounds, and designated spatial area; Environmental building monitoring system comprised of meters and sensors that measure pressure, humidity, temperature and includes alarm and reporting functions; computer software for engineering design, project estimating, construction project management, facility operations, facility operations, and building information modeling; Computer aided design (CAD) software for construction; Computer software for water management in the field of water quality monitoring and assessment, watershed-based storm water planning and design, storm water utility development and implementation, combined sewer overflow analysis, flood control, sedimentation, river engineering, FEMA (Federal Emergency Management Agency) flood insurance studies, hydraulic modeling and design, ecosystem restoration and geomorphic assessment, dam safety analysis, and ground water development and management; Computer software for water management in the field of aquifer storage and recovery conjunctive management planning, water rights and water availability modeling, reservoir operations analysis, in-stream flow assessments, and wetlands mitigation banking; Computer software for management of capital improvement programs, construction projects, and project documentation for the foregoing; Computer software for use in energy assessment and capital planning; Computer software for use in energy assessment planning for collection, recording and analysis of data regarding current energy conditions, adequacy, inventory and usage in a building for the purpose of justifying funding, developing energy-specific construction plans, executing construction projects, determining energy utilization index, determining carbon footprint, and determining compliance with energy and environmental design standards; downloadable software for the reporting and tracking of engineering projects; computer software for use in tracking of maintenance history of commercial, industrial and residential facilities; Computer software, namely, computer software for collection, normalization, semantic enrichment, tagging and commenting, analysis, searching, faceted navigation, monitoring and alerting of energy and environmental data and information; computer software using natural language processing and semantic technologies for the management and analysis of data; downloadable computer software for discovery, enrichment, visualization, integration and analysis of disparate data and information; downloadable computer software for determining the cause of an application crash; Downloadable software in the nature of a mobile application for processing light detection and ranging data; downloadable Computer software for managing transportation networks; Computer software for standardized reporting framework tool used in the intelligence and operation disciplines that allows structured operation and intelligence information to be shared vertically and horizontally as part of a flexible, user-defined workflow processes that collect, correlate, aggregate and expose information; downloadable computer software for visualization, integration and analysis of disparate data in a Service Oriented Architecture (SOA) compliant platform; downloadable computer software for use in energy assessment planning for collection, recording and analysis of data regarding current energy conditions, adequacy, inventory and usage in a building for the purpose of justifying funding, developing energy-specific construction plans, executing construction projects, and for determining energy utilization index, carbon footprint, and compliance with energy and environmental design standard; computer software for integrating data from a plurality of disparate data sources for use in managing and analyzing intelligence information; computer application software for mobile phones, hand held computers, laptop computers, desktop computers, servers,

and mainframe computers, namely, software for visualizing data from a plurality of disparate data sources for use in managing and analyzing intelligence information; computer software for data processing in the field of intelligence information; computer software for creating searchable databases of information and data; computer software for creating searchable databases; computer software for application and database integration; database management software; electronic computer databases in the field of public safety recorded on computer media; downloadable computer software for querying information stored in databases; downloadable computer software for complex event processing in the field of information management; downloadable computer software for data processing in the field of information management and data fusion, namely, content acquisition, multilingual semantic analysis, and mining the most relevant information from disparate data sources; downloadable computer software for processing incomplete data sets in the field of information management and data fusion, namely, content acquisition, multilingual semantic analysis, and mining the most relevant information from disparate data sources; downloadable electronic publications in the nature of query reporting mechanisms in the field of data and information management; computer hardware for data processing; computers; blank magnetic data computer tapes and discs, blank magnetic recording discs; digital media, namely, pre-recorded digital video discs, digital versatile discs, DVDs and high definition digital discs featuring persistent query reporting mechanisms and query results; downloadable software for real-time geospatial collaboration providing map data and imagery; downloadable computer software for end-to-end command and control, strategy development and operational assessment within the defense and intelligence industry; downloadable software for use in managing and analyzing intelligence information; computer application software for mobile phones, hand held computers, laptop computers, desktop computers, servers, and mainframe computers, namely, software for visualizing data from a plurality of disparate data sources for use in managing and analyzing intelligence information

Services

Class 35

(1) Business administration consultation services; Business management; Business management services in the nature of facilities management in the field of transportation; Providing business information in the field of scheduling and cost analysis data for design and construction of buildings through a database via the Internet; Business services, namely, business management relating to water management and reservoir operations analysis; Business risk management, consultation, and assessment services; providing online business risk management service for use in project management; Business organizational consulting services for government agencies employing graphic and visual facilitation; Reporting and tracking of engineering projects for business purposes for others through a computer database via the internet; Business management and consultation for others, namely cataloging commercial, industrial and residential facilities and capital assets; business forecasts of replacement and upkeep costs of facilities, buildings and capital assets; business evaluation services of facility capacity and future asset physical conditions

Class 36

(2) Providing information on the subject of non-residential building and facilities management via a global computer network; providing financial information in the field of design and construction of buildings through an interactive online database via the Internet

Class 37

(3) Construction project management services; Building construction, remodeling and repair; building construction consultation, and supervision services; building construction information;

Providing information in the field of building construction and repair and commercial building construction through an interactive online database via the Internet; Providing information for managing building construction and consulting projects in the field of construction via the Internet; Construction of airports, roads, manufacturing facilities, data centers, water facilities, electricity facilities, telecommunications facilities, energy generation and transmission facilities, chemical process plants, transportation infrastructure, dams, landfills, housing, educational facilities, hotels, theme parks, buildings, facilities for disposal of weapons, healthcare facilities, vehicle inspection and compliance facilities, military installations, oil and gas facilities, pipelines, pipeline terminals, electricity generation and transmission and distribution facilities, petrochemical facilities, manufacturing plants, biomass generation facilities, and alternative energy production facilities; Providing information services relating to the construction, repair, and rebuilding of schools, retail stores, hotels, theme parks, dams, water systems, waste water treatment plants, water treatment plants, environmental remediation facilities, pharmaceutical production facilities, biotech production facilities, chemical destruction facilities, sewer systems, environmental designs, transportation facilities, building construction management, construction planning and inspection, oil and gas facilities, pipelines, pipeline terminals, electricity generation and transmission and distribution facilities, petrochemical facilities, manufacturing plants, biomass generation facilities, and alternative energy production facilities; construction project management and building inspection in the course of building construction of facilities for environmental activities, transportation, process activities, power generation, oil and gas production, industrial activities, space exploration, defense, municipal services, recreation, oil and gas facilities, pipelines, pipeline terminals, electricity generation and transmission and distribution facilities, petrochemical facilities, manufacturing plants, biomass generation facilities, and alternative energy production facilities; consulting services for the construction of facilities for environmental activities, transportation, process activities, power generation, oil and gas production, industrial activities, space exploration, defense, municipal services, recreation, oil and gas facilities, pipelines, pipeline terminals, electricity generation and transmission and distribution facilities, petrochemical facilities, manufacturing plants, biomass generation facilities, and alternative energy production facilities; Building inspection of structures undergoing construction; construction and renovation of manufacturing facilities, data centers, utility facilities, namely, water, electricity, and telecommunications facilities, energy generation and transmission facilities, chemical process plants, transportation infrastructure, dams, landfills, housing, educational facilities, hotels, theme parks, buildings, facilities for disposal of weapons, healthcare facilities, vehicle inspection and compliance facilities, and military installations, namely, missile and missile defense systems and security systems; Construction management of environmentally friendly building and facilities; Environmentally friendly construction and renovation of transportation infrastructure; construction and renovation consulting in the field of environmentally friendly transportation infrastructure; construction management of transportation facilities for others; construction project management of industrial and commercial facilities for environmental activities, namely, control, storage, disposal, remediation, and treatment of wastes

Class 38

(4) Providing access to searchable databases used for sharing electronic governance data for the purposes of monitoring government stability via the internet

Class 39

(5) Operation of transportation facilities for others; transport and storage, namely the operation of transport means and facilities for third parties; inter-modal freight efficiency, namely, consultation in the in the field of intermodal freight transportation by truck, rail, air and ocean; technical consultation in the fields of public transportation and public transportation systems

Class 40

(6) Bioremediation services; Environmental remediation services, namely, treatment of soil and groundwater; power generation services, namely, cogeneration, hydroelectric power; printing of newspaper; pulp and paper treating services; power generation services, namely, coal combustion, gas combustion, and power delivery

Class 41

(7) Computer-based simulation training services in the field of engineering, namely, building construction, aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures, explosives detection and prevention, intelligence, surveillance and reconnaissance (ISR), radiological and nuclear detection and response

Class 42

(8) Research and development of computer software; design and development of automated computer software in a highly secure environment; design and development of computer software in a highly secure environment featuring automation technology; design, development and implementation of software; design and development of automated on-line computer software systems; design and development of on-line computer software systems featuring automation technology; computer software development in the field of mobile applications; design, development, installation and maintenance of computer software; design and development of computer hardware and software; design, maintenance, development and updating of computer software; Development, updating and maintenance of software and databases systems; Software development for others in the field of software configuration management; Product development; Product research and development in the fields of aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures, explosives detection and prevention, intelligence, surveillance and reconnaissance (ISR), radiological and nuclear detection and response; Product development consultation; Product development for others; Design and testing for new product development in the fields of aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures, explosives detection and prevention, intelligence, surveillance and reconnaissance (ISR), radiological and nuclear detection and response; Innovation consulting services, namely, advising others in the areas of product development; Research and development of new products in the fields of aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures, explosives detection and prevention, intelligence, surveillance and reconnaissance (ISR), radiological and nuclear detection and response; Research and development of new products for others; Non-downloadable cloud based computer software for monitoring and managing transportation networks and smart cities mobility, namely, for active traffic management, automatic incident detection, event management, decision support and response plans, vehicle location, corridor management, connected vehicle mobility, toll systems integration, adaptive traffic signal control and ramp metering, traffic prediction, vehicle tracking and dispatch, viewing and controlling video cameras, and traffic monitoring and management functions to ensure traffic flow and safety; Providing cloud computing services which provides tools for users to ingest, store, index, archive, tag, search, retrieve, visualize, annotate, transmit and digitize video and imagery data types and metadata, namely, electro-optical and infrared video data, still image data, wide area imagery data, commercial satellite data, multi-spectral and hyperspectral data, geospatial data, track location data, text data, and cyber network data, and tools that provide automated, analysis of video and imagery data types, namely, person,

vehicle, ship, object, face, and group, activity detection, recognition, and tracking, pattern recognition, deep learning, classification, artificial intelligence, and the association and fusion of information across the foregoing data types, providing software as a services (SAAS) and providing platform as a service (PAAS) which provides tools for users to ingest, store, index, archive, tag, search, retrieve, visualize, annotate, transmit and digitize video and imagery data types and metadata, namely, electro-optical and infrared video data, still image data, wide area imagery data, commercial satellite data, multi-spectral and hyperspectral data, geospatial data, track location data, text data, and cyber network data, and tools that provide automated, analysis of video and imagery data types, namely, person, vehicle, ship, object, face, and group, activity detection, recognition, and tracking, pattern recognition, deep learning, classification, artificial intelligence, and the association and fusion of information across the foregoing data types; Internet security consultancy; data security consultancy; computer security threat analysis for protecting data; design and development of electronic data security systems; development of security systems and contingency planning for information systems in the fields of aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures, explosives detection and prevention, intelligence, surveillance and reconnaissance (ISR), radiological and nuclear detection and response; Computer service, namely, application service provider for developing and hosting application software for collecting, organizing, modifying, transmitting, storing and sharing of data and information in the field of knowledge management, featuring the design of customized database software for others, all of the aforementioned services distributed to governmental, business, and institutional customers; computer service, namely, application service provider for protecting, monitoring and visualizing computer networks in the field of cyber management and comprehensive cyber solutions featuring exploitation of cyber capabilities; computer service, namely, application service provider featuring software for protecting, monitoring and visualizing computer networks in the field of mission planning and situational awareness in the air, space and cyber domains in military and government applications; Engineering in the field of building construction, aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures, explosives detection and prevention, intelligence, surveillance and reconnaissance (ISR), radiological and nuclear detection and response; Consulting relating to engineering in the field of building construction, aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures, explosives detection and prevention, intelligence, surveillance and reconnaissance (ISR), radiological and nuclear detection and response and architecture; Consulting in the field of architecture; Computer security consultancy; Design services in the fields of construction and renovation of energy generation and transmission facilities, manufacturing facilities, data centers, utility facilities, energy generation and transmission facilities, chemical process plants, oil and gas facilities, pipelines, pipeline terminals, petrochemical facilities, manufacturing plants, biomass generation facilities, alternative energy production facilities, transportation infrastructure, dams, landfills, housing, educational facilities, hotels, theme parks, buildings, facilities for disposal of weapons, healthcare facilities, vehicle inspection and compliance facilities, and military installations; Design and development of electronic data security systems; Testing of facilities security systems in the fields of building construction, aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures, explosives detection and prevention, intelligence, surveillance and reconnaissance (ISR), radiological and nuclear detection and response; Drafting of plans and engineering drawings for others; Providing non-downloadable computer software for use in modeling in the field of artificial intelligence; Design of computer simulated models in the fields of engineering, namely, building

construction, aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures, explosives detection and prevention, intelligence, surveillance and reconnaissance (ISR), radiological and nuclear detection and response; Computer monitoring service which tracks application software performance, performs periodic maintenance and provides reports and alerts concerning such performance; Computer technology support services namely, help desk services; Computer services, namely, application service provider in the field of knowledge management to host computer application software for the purpose of contract documentation, team collaboration and communication, and reporting in the fields of aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures, explosives detection and prevention, intelligence, surveillance and reconnaissance (ISR), radiological and nuclear detection and response; Computer aided design for others; Graphic design; Graphic illustration services for others; Providing information in the field of computer aided graphic design via the Internet website portal; Providing non-downloadable software tools for engineering design, project estimating, construction project management, facility operations, asset management, and building information modeling in the field of building construction via a website; Providing information for construction engineering projects via the Internet; Providing information in the field of engineering and architectural design through an interactive database via the Internet; Providing temporary use of non-downloadable software for database management in the fields of construction, engineering, and consulting; Integration of computer systems, computer software, and networks for others in the fields of construction and engineering; Computer services, namely, application service provider in the field of knowledge management to host computer application software of others for the collection, editing, organizing, modifying, book marking, transmission, storage and sharing of data and information in the fields of construction management, repair and reliability management, planning, and inspection; Architectural planning, design, and consulting of facilities for environmental activities, transportation, process activities, power generation, oil and gas production, industrial activities, space exploration, defense, municipal services, recreation, oil and gas facilities, pipelines, pipeline terminals, electricity generation and transmission and distribution facilities, petrochemical facilities, manufacturing plants, biomass generation facilities, and alternative energy production facilities; energy auditing; updating of computer software relating to computer security and prevention of computer risks; Consulting services related to design and development of engineering processes in the fields of aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures, explosives detection and prevention, intelligence, surveillance and reconnaissance (ISR), radiological and nuclear detection and response; Graphic design for others in the field of visual displays for graphic facilitation of organizational consulting for government agencies; Graphic design; Consulting services in the field of computer security consultancy; Mapping services; Providing non-downloadable software for engineering project management services in the field of building construction via a website; Providing platform as a service (PaaS) that allows users to collaboratively develop software through an online portal via the Internet; Computer systems integration services; Consulting in the field of configuration management for computer hardware and software; Consulting in the field of software, embedded software; Custom design and development of computer software, computer network security, and computer network systems; Customizing computer software; Engineering services in the field of software development, embedded computer system developments, computer security and network system administration; Software design and development; Software development in the field of computer security, business management information systems, custom network architecture; Application service provider, namely, hosting, managing, customizing, deploying, and maintaining applications,

software and web sites utilizing search, discovery, enrichment, visualization, integration and analysis of disparate data and information in the fields of aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures, explosives detection and prevention, intelligence, surveillance and reconnaissance (ISR), radiological and nuclear detection and response; computer technology research and development services; computer technology support services, namely, troubleshooting in the nature of diagnosing computer hardware and software problems; computer programming services; consulting, namely, consulting services related to development, implementation and application of computer technology related to search, discovery, enrichment, visualization, integration and analysis of disparate data in the fields of aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures, explosives detection and prevention, intelligence, surveillance and reconnaissance (ISR), radiological and nuclear detection and response; Technical support services, namely, troubleshooting in the nature of diagnosing computer hardware and computer software problems; Computer technology support services, namely, help desk services; Computer technology research, development and support services; Computer programming services; consulting services related to the development, implementation and application of computer technology in the field of artificial intelligence; non-downloadable computer software for determining the cause of a computer software application crash; Providing non-downloadable software that enables users to use the software in a dynamically created working environment based on users selections and connects networks drives, runs commands, set parameters according to geographic requirements in the field of artificial intelligence via a website; providing temporary use of a web-based on-demand software application for use in developing, configuring, customizing and deploying software applications, managing business processes, and managing computer-based information systems in the field of configuration management for computer software; provision of non-downloadable computer software for managing transportation networks; Software as a service (SAAS) services featuring software for standardized reporting framework tool used in the intelligence and operation disciplines that allows structured operation and intelligence information to be shared vertically and horizontally as part of a flexible, user-defined workflow processes that collect, correlate, aggregate and expose information; provision of non-downloadable computer software for use in energy assessment planning for collection, recording and analysis of data regarding current energy conditions, adequacy, inventory and usage in a building for the purpose of justifying funding, developing energy-specific construction plans, executing construction projects, and for determining energy utilization index, carbon footprint, and compliance with energy and environmental design standards; Software as a service (SAAS) services featuring software for contract and task order management; provision of non-downloadable computer software for integrating data from a plurality of disparate data sources for use in managing and analyzing intelligence information in the field of artificial intelligence; computer software for data processing in the fields of aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures, explosives detection and prevention, intelligence, surveillance and reconnaissance (ISR), radiological and nuclear detection and response; computer software for creating searchable databases of information and data; computer software for creating searchable databases; computer software for application and database integration; database management software; provision of non-downloadable computer software for conducting a persistent query in the field artificial intelligence; provision of non-downloadable computer software for complex event processing in the field of information management in the fields of aerospace, security, and national defense, aeronautics and astronautics, chemical and biological defense, cyber security, electronic warfare and countermeasures, explosives detection and prevention, intelligence, surveillance and

reconnaissance (ISR), radiological and nuclear detection and response; provision of non-downloadable computer software for data processing in the field of artificial intelligence; provision of non-downloadable computer software for processing incomplete data sets in the field of information management and data fusion, namely, content acquisition, multilingual semantic analysis, and mining the most relevant information from disparate data sources; provision of non-downloadable software for real-time geospatial collaboration providing map data and imagery in the field of geology; Software as a service (SAAS) services featuring software for end-to-end command and control, strategy development and operational assessment within the defense and intelligence industry; Hydraulic and hydrologic engineering services, namely, water quality monitoring and assessment, watershed-based storm water planning and design, combined sewer overflow (CSO) analysis, flood control, sedimentation and river engineering, hydraulic modeling and design, ecosystem restoration and geomorphic assessment, dam safety analysis, groundwater aquifer storage and recovery (ASR), water rights and water availability modeling; environmental engineering services; environmental engineering services, namely, design for others in the field of environmental engineering of transportation infrastructure; Software development and computer systems engineering in the fields of data security and enterprise security; software development and computer systems engineering in the fields of defense, national security, and intelligence; design, development and implementation of signals analysis and cryptanalytic processing software systems; design, development and implementation of sensor development architecture, namely, sensing systems that monitor electronic communications and signals for threats; design, development and implementation of data analytics, data mining and computer database management solutions, all in the fields of data security and enterprise security; human language technology solutions, namely, design and development of computer software and hardware to translate and analyze languages; provision of non-downloadable software for use in managing and analyzing intelligence information; Construction planning, architectural design, and construction project engineering consulting, and inspection of industrial and commercial facilities for environmental activities, namely, control, storage, disposal, remediation, and treatment of wastes; transportation design services, namely, highways, rail transit systems, bridges, and airports; Architectural design, planning and development of refineries and petrochemical plants; design and development of technology in the field of space exploration; municipal services, namely, project management of convention centers, exhibition centers, schools, shopping malls, parking resorts, arenas, stadiums, amusement parks, and theme parks; Monitoring of computer systems for security purposes; internet security consultancy; Consultation in the field of energy efficiency; Energy usage management information services; building construction planning services; Security services, namely, providing security assessments for computer information systems; Security consultancy in the field of cyber security; Consulting services in the field of cyber security, namely, consulting services in the field of maintaining the security and integrity of computer databases

Class 45

(9) Consulting in the field of workplace safety; information in the field of workplace safety; consultancy on regulations on safety at work; consultation services in the field of the safety needs of commercial and industrial companies; analysis and consultation pertaining to job site safety Personal security consultation; security guard services; personal security consultancy; Security services, namely, providing security assessments for physical locations, working environments, and businesses and governmental agencies; Security consultancy in the fields of personal and national security; environmental professional permitting services, namely, providing assistance and consultation in obtaining environmental and city building permits for development projects for electricity generation and transmission and distribution facilities, petrochemical facilities,

manufacturing plants, biomass generation facilities, and alternative energy production facilities; Reviewing standards and practices to assure compliance with environmental and safety laws and regulations, namely, program evaluation for compliance and recommendations for others, legal administration of environmental vendor contracts for others, and implementation of compliance programs for others; unexploded ordnance detection services; underground metal detection services, namely, underground metal bomb detection services; providing information in the field of public safety via a computer database

(1) Proteins for the manufacture of human foodstuffs which form emulsions or have emulsifying properties; proteins for the manufacture of human foodstuffs which form gel or which have gelling properties; proteins for the manufacture of human foodstuffs which hold water or have water holding properties; gelling agents for solidifying human foodstuffs or beverages, namely, alginate, pectin, carrageenan, gellan, gelatin, agar, modified starch, methyl cellulose, hydroxypropylmethyl cellulose; absorption agents, namely, antimicrobial agents for enhanced absorption in foodstuffs and beverages; emulsifiers for use in the manufacture of foods; wetting agents for the manufacturing of food products; chemical substances for stabilising foodstuffs; foaming agents for the manufacturing of food products; emulsifiers for the manufacture of foods; texturing agents for use in the manufacture of foods, namely, starches, plant fibers, emulsifiers, phosphates, gums and hydrocolloids; texturants, namely, starches, plant fibers, emulsifiers, phosphates, gums and hydrocolloids; artificial sweeteners for use in manufacture of food and beverages; casein for the food industry; chemical additives to improve flavour improvers, namely, chemical substances for preserving fresh flavour in foods, beverages and oral care products; chemical additives for use in the manufacture of foods, beverages, and oral care products; enzymes for use in brewing; enzymes for the brewing industry; caseinate, namely, sodium, calcium and potassium; milk ferments for industrial purposes; chemical products for preserving foodstuffs or beverages; chemical compositions for preserving foods and beverages; proteins for use in industry for the manufacture of food products; proteins for the food industry for use in the manufacture of food products; proteins for the beverage industry for use in the manufacture of beverages; proteins for use in manufacture of food; food protein as a raw material for use in the manufacture of food products; proteins for use in the manufacture of foodstuffs or beverages; proteins for use in the manufacture of food supplements; enzymes for use in flavouring for the food industry; chemical additives to enhance flavour for use in the manufacture of foods, beverages and oral care products; chemical additives for use in the manufacture of flavourings for foods, beverages, and oral care products; enzymes for the food industry; enzyme preparations for the food industry; enzyme preparations for the beverage industry; enzyme preparations for use in the baking, confectionery, dairy, meat, human nutrition or animal nutrition industries; fungal enzymes for use in the food industry or beverage industry; fungal enzymes for use in the baking, brewing,

confectionery, dairy, meat, human nutrition or animal nutrition industries; fermentation extract, namely, ferments for chemical purposes; chemical additives for use in fermentation of wine; enzymes for use in fermentation of wine; proteins for use in fermentation technology for use in the manufacture of food products; milk ferments for use in the food industry and beverage industry; milk ferments for use in the baking, brewing, confectionery, dairy, meat, human nutrition or animal nutrition industries; chemical products for the fresh-keeping and preserving of food; chemical products for preserving food products during storage; food preservative compositions, namely, chemical compositions for preserving foodstuffs; biochemical catalysts; biochemical catalysts for use in the food industry or beverage industry; biochemical catalysts for use in the baking, brewing, confectionery, dairy, meat, human nutrition or animal nutrition industries; natural tea and plant extracts and distillates for use in the manufacture of food or beverage; natural tea and plant extracts and distillates for use in the manufacture of food or beverage in the baking, brewing, confectionery, dairy, meat, human nutrition or animal nutrition industries; beta glucan for use in the food industry or beverage industry; beta glucan for use in the baking, confectionery, dairy, meat, human nutrition or animal nutrition industries; prebiotic bacteria and probiotic bacteria for use in the food industry or beverage industry; prebiotic bacteria and probiotic bacteria for use in the baking, brewing, confectionery, dairy, meat, human nutrition or animal nutrition industries; prebiotic and probiotic bacterial compositions for use as ingredients for food and beverages; nutritional lipids and nutritional additives used in the manufacture of beverages, food products and food supplements; nutritional lipids and nutritional additives used in the manufacture of baked goods, confectionery, dairy, meat, human and animal nutritional supplement; enzymes produced through fermentation of yeast, bacterial and fungal strains for the food industry; whey and demineralised whey for use in the food industry or beverage industry; whey and demineralised whey for use in the baking, confectionery, dairy, meat, human nutrition or animal nutrition industries; nutrition agents for processing living cells, other than for medical use; nutrition agents for living plant cells; protein hydrolysates used as a food additive; recombinant proteins for nutrition of living cells for use in the food industry; media for cell culture for use in the biotechnical industry or in non-medical research laboratories; cell culture media for laboratory use; excipients for use in the manufacture of food; active chemical ingredients for use in the manufacture of pharmaceuticals; chemical preparations for use in the manufacture of pharmaceuticals; active chemical ingredients for use in the manufacture of nutraceuticals; active chemical pharmaceutical excipients used in the manufacture of pharmaceuticals; materials for coating and encapsulating pharmaceutical preparations, namely, polymer-based edible coatings for tablets; unprocessed cellulose ethers; liquid and dry polymers chemicals used for coating and encapsulating vitamin and mineral supplements, pharmaceuticals, food supplements, herbal products and food products; enzymes for use in the manufacture of nutraceuticals; fertilisers; growing media, fertilizers and chemicals for use in agriculture, horticulture and forestry; plant growth regulators for agricultural use; soil conditioners for agricultural purposes; cellulose ethers in the form of binders and additives for the manufacture of pharmaceutical, medical and dietetic preparations for the treatment of digestive diseases; lipid derivative mixes for use as additives in the manufacture of beverages

Class 02

(2) Colourants for use in the manufacture of food and beverages; food colouring agents

Class 03

(3) Flavourings being essential oils for foodstuffs or beverages; essential oils for enhancing flavouring of foodstuffs and beverages; food flavourings prepared from essential oils; essential oils for flavouring beverages; essential oils for addition to foodstuffs and beverages to impart taste

Class 05

(4) Pharmaceutical preparations for the treatment of digestive diseases; excipients for pharmaceutical purposes for the treatment of digestive diseases; chemical pharmaceutical preparations for pharmaceutical purposes for the treatment of digestive diseases; pharmaceutical excipients for the treatment of digestive diseases; pharmaceutical preparations and substances for the treatment of digestive diseases; pharmaceutical excipients used in the manufacture of pharmaceuticals for the treatment of digestive diseases; delivery agents in the form of coatings for tablets that facilitate the delivery of vitamin and/or mineral supplements, pharmaceutical preparations for the treatment of digestive diseases, nutritional food supplements for general health and well being and herbal supplements for general health and well being; casein dietary supplements; dietary supplements and dietetic preparations consisting of vitamins, minerals and trace elements; enzyme dietary supplements for general health and well being; nutritional supplements for general health and well being; nutritional supplements consisting of fungal extracts for general health and well being; nutritional supplements for animals for general health and well being; prebiotic supplements; probiotic supplements; protein supplements for humans; food supplements consisting of trace elements; feed supplements for veterinary use; medicated food supplements consisting of trace elements; nutritional supplements for animal foodstuffs, for medical purposes; mineral nutritional supplements for processing living cells; mineral nutritional supplements for living cells; recombinant protein dietary supplements for nutrition of living cells; media for cell culture for use in medical research laboratories; cell culture media for medical laboratory use; nutraceutical food and beverages for general health and well-being; nutraceutical dietary supplement for maintaining general health and wellbeing

Class 29

(5) Wet cheese preparations, namely, soft cheese; natural cheese systems, namely, cheese making kits; dairy-based powders for making dairy-based food beverages and shakes; cheese powder; artificial cream in the form of powder; powdered butter; powdered cultured dairy products; milk powder; edible milk fat; powdered milk fat for food purposes; curd; dairy products and plant-based dairy substitutes; milk; milk products; edible oils and fats; lipids being edible fats; beverages consisting principally of milk; beverages having a milk base; beverages made with yoghurt; birds eggs and egg-based prepared meals; cheese; cheese products; cheese spreads; dairy desserts, namely whipped topping; dairy-based spreads; dairy pudding products; dairy spreads; frozen dairy-based beverages; dairy-based food dips; cheese dips; chilled desserts made from milk; dried milk powder; flavoured milk; flavoured milk beverages; flavoured milk powder for making drinks; milk based beverages [milk predominating]; milk beverages, milk predominating; milk-based beverages containing coffee; milk-based beverages containing fruit juice; milk-based beverages containing fruits; pre-cooked soup; preparations for making soup; vegetable-based spreads; whey; yoghurt; crystallized fruit, dried fruit, processed nuts, and nut butters for addition to and for use in making, dairy products, ice-cream, ice cream desserts, ice cream confections, frozen confections, frozen yoghurt, sorbet, sherbets, sundaes, yoghurt and milk shakes; nut-based, fruit-based, and potato-based snack food, namely, clusters made primarily of a combination of potato chips, dried fruits, and processed nuts; dried and crystallized fruit, processed and candied nuts, and nut butters for use in making for dairy products, ice cream, ice cream desserts, ice cream confections, frozen confections, frozen yoghurt, sorbet, sherbets, sundaes, yoghurt and milk shakes; nut-based, fruit-based, and potato-based snack food for dairy products, ice-cream, ice cream desserts, ice cream confections, frozen confections, frozen yoghurt, sorbet, sherbets, sundaes, yoghurt and milk shakes, namely, clusters made primarily of a combination of potato chips, dried and crystallized fruit, and processed and candied nuts; fruit, nut, and dairy texture toppings, sweet and savory fruit, nut, and dairy toppings; dairy products that include added toppings or mix-ins; meat; fish; poultry; game; meat extracts; preserved fruits; preserved vegetables; dried fruits; dried vegetables; canned

cooked fruits; canned cooked vegetables; jellies for food, other than confectionery; jams; compotes; eggs; prepared meals, dishes and snack foods consisting primarily of meat, meat substitutes, fish, poultry, game, seafood, shellfish, fruit, nuts, seeds, vegetables, mushrooms, dairy products, dairy substitutes, eggs, legumes or tofu; dried mushrooms; preserved mushrooms; prepared preserved mushrooms; potato crisps; dried fruit; dried pulses; edible seed mixes; fish and seafood spreads; flavoured nuts; fruit salads; meat paste; meat spreads; meat stocks; meat, prepared; meat, preserved; meat, processed; processed nuts being cooked; processed nuts being dried; processed nuts being preserved; processed nuts, prepared; potato salad; prepared, preserved fruits; prepared, preserved legumes; prepared, processed nuts; prepared, processed pulses; prepared vegetable and fruit salads; prepared vegetables, preserved; processed, preserved fruits; processed, prepared meat; processed nuts; processed seafood products; processed, preserved vegetables; pulses, dried; processed pulses, prepared; pulses, preserved; pulses, processed; processed seafood; seafood, not live; seafood, processed; seed mixes, prepared; shellfish, not live; snack mixes consisting of dehydrated fruit and processed nuts; soup mixes; soups; soya beans, preserved, for food; textured vegetable protein for use as a meat extender; tofu; vegetable extracts for culinary purposes; vegetable salads; vegetable-based meat substitutes; hydrolised textured vegetable protein; non-dairy creamers; dairy-based creamers; shortening enzyme-modified whole milk powder; non-dairy milk; prepared stocks, broths and bouillons; pickles; animal fat mixtures for use as additives in food; fruit, vegetables and natural sweetener extracts used as additives in the manufacture of foodstuffs; hot dogs [sausages in a bread roll]

Class 30

(6) Food fruit and vegetable flavourings; fruit and vegetable flavourings, other than essential oils, for foods; beverage flavourings, other than essential oils; salts, seasonings, and condiments, namely, ketchup and mayonnaise; malt-based food preparations, namely, biscuits; malt extracts for food; malt extracts for use as flavouring; natural flavourings of smoke for beverages; seasoned coating mix, spice rubs, marinades and ham glazes for foodstuffs; snack mixes consisting of clusters made primarily with pretzels, rice, popcorn, crackers, processed and ready to eat cereals, processed flour, oats, flax seeds, quinoa, rice, millet, bulgar, and barley, chocolate and candy; chocolate and candy for adding to dairy products, frozen yoghurt or ice cream; frozen dairy confectionery, frozen yoghurt or ice cream that include added toppings or mix-ins; starch binding agents for ice cream; thickening agents for use in cooking; coffee; tea; cocoa; artificial coffee; ready-to-eat cereal preparations; sugar confectionery; edible ices; sweet dessert sauces; flavourings for making milk shakes; blends of seasonings; chocolate based confectionery; chocolate flavourings; cooking tea and coffee essences; dried herbs for food purposes; dry seasonings; edible spices; yeast extracts used as flavoring [not essential oils]; monosodium glutamate used as a flavour enhancer for food [other than essential oils]; fruit sauces; marinades; processed fermented herbs; relish [condiment]; savory seasoning mixes for flavouring animal foods; savory food flavourings for food, namely, malt used as food flavouring; chutneys and soy bean pastes; seasonings; spices; vegetable thickeners for cooking; dressings for salad; gravy sauces; gravy mixes; sauce mixes for making up into sauces; preparations for making gravy sauces; salsas; savory sauce mixes used as condiments; cereal bars and energy bars; bakery goods namely, biscuits and cookies; candies [sweets]; chilled desserts, namely, puddings, mousse, souffles; crackers; crème caramel; custard; dessert mousses [confectionery]; dessert puddings; chocolate based snacks; cocoa based snacks; imitation chocolate; candy, candy bars and chewing gum; pastries, cakes, tarts and biscuits (cookies); prepared desserts [chocolate based]; sugar confectionery; savory biscuits; sugar confectionery based snack foods; pastries; pasties; pastries; wafers; chocolate candies; chocolate bars; natural sweeteners; confectioners'

sweet glazes and fillings, namely, sugar confectionary in the form of creams, frostings, buttercreams, meringues, custards, fudge, chocolate, caramel, ganache, powdered sugars, sweet pastes, fondant, marzipan, pastillage and sweet syrups; flavouring syrups for food, namely, table syrup, maple syrup, starch syrup; topping starch syrup; glucose syrups for food; topping dessert syrup; frozen confectionery; frozen yoghurt [confectionery ices]; ice beverages with a chocolate base; ice beverages with a cocoa base; ice beverages with a coffee base; ice cream; ice cream mixes; ice cream substitute; non-dairy ice cream; artificial tea; chocolate-based beverages; beverages with a chocolate base; beverages with a cocoa base; beverages with coffee base; beverages with tea base; chocolate; chocolate-based beverages with milk; cocoa beverages with milk; coffee beverages with milk; coffee flavourings; cocoa for making beverages; tea for making beverages; coffee for making beverages; chocolate for making beverages; tea extracts; breakfast cereals; doughs, dessert batter mixes, and dessert mixes; dried and fresh pastas, noodles and dumplings; processed bran derived from wheat, rye, and corn, and flour, oats, flax seeds, quinoa, rice, millet, bulgar, and barley for making food; organic thickening agents for cooking foodstuffs; natural starches for food; modified starches for food [not medical]; preparations for making bakery products, namely, bread, biscuits and cookies; processed breakfast cereals for food for human consumption; processed bran derived from wheat, rye, and corn, and flour, oats, flax seeds, quinoa, rice, millet, bulgar, and barley for food for human consumption; thickening agents for cooking foodstuffs; yeast and leaven; dessert pre-mixes ready for baking; bread mixes; pastry mixes; cocoa, breakfast cereal, sugar and sugar confectionery based sweet particulates and inclusions for sweet sauces, texture systems, sweet and savory flavors; yeast; yeast extracts; baking-powder; salt; mustard; vinegar; ice; prepared meals or dishes consisting primarily of rice, with added meat, fish and vegetables; prepared meals, dishes or snack foods consisting primarily of breakfast cereals, bran derived from wheat, rye, and corn, and flour, oats, flax seeds, quinoa, rice, millet, bulgar, and barley, pasta, pastry, bread, sugar confectionery, rice or noodles; frozen dairy confectionery; brine for pickling for use in the food industry or beverage industry; brine for pickling for use in the baking, confectionery, dairy, meat, human nutrition or animal nutrition industries; pasta; pasta products, namely, pasta salad, pasta shells and noodles; prepared pasta; breakfast cereals; porridge and grits; rice; tapioca; sago; flour; bread; pastry; sugar; honey; treacle; beef burger bread roll sandwiches; extruded wheat snacks; flaky pastry containing ham; maize based snack products; meat pies; pastries consisting of vegetables and poultry; pastries consisting of vegetables and fish; pastries consisting of vegetables and meat; pies; pizza; prepared savory potato confectionery made from potato flour; puffed corn snacks; processed popcorn; quiche; sandwiches; sausage rolls; savory pastries; sesame snacks; spring rolls; sushi; granola, popcorn, pretzels, crackers, hard candies, toffees, candy and chocolate brittles, candy and chocolate barks, cookie dough, chocolate, and caramel for use in making dairy products, ice-cream, ice cream desserts, ice cream confections, frozen confections, frozen yoghurt, sorbet, sherbets, sundaes, yoghurt and milk shakes; processed and ready-to-eat cereal pieces and clusters made primarily of processed and ready-to-eat cereal pieces, pretzels, crackers, candy sprinkles and other confectionery pieces, namely, chocolate confectionery and confectionery made of sugar for use in making dairy products, ice-cream, ice cream desserts, ice cream confections, frozen confections, frozen yoghurt, sorbet, sherbets, sundaes, yoghurt and milk shakes; fruit, nut and dairy based sweet particulates and inclusions, namely, fruit, nut, and dairy based dessert sauce toppings

Class 31

(7) Animal foodstuffs; fodder; forage; edible chews for animals; animal fattening preparations, namely, mash for fattening livestock; hay; straw mulch and chopped straw for animal bedding; beverages for pets; pet food; by-products of the processing of cereals, for animal consumption; edible pet treats; preserved plant residues for animal feeds; salt licks; wheat proteins for animal

food; yeast for animal fodder; yeast extracts for consumption by animals; bedding material for animals; flowering plants; horticultural seeds, plant bulbs and seedlings for plant breeding; agricultural and aquacultural crop seeds, horticulture and forestry bulbs

Class 32

(8) Beers; non-alcoholic beer flavored beverages; non-alcoholic wines; non-alcoholic cocktails; alcohol free cider; flavoured carbonated beverages; non-carbonated, non-alcoholic soft drinks; fruit and vegetable juices; drinking waters; aerated waters; mineral waters; fruit beverages and fruit juices; syrups for making beverages; non-alcoholic preparations for making beer and non-alcoholic cocktails; non-alcoholic beverages enhanced with vitamins, namely, drinking water, energy drinks and sports drinks; energy drinks; frozen fruit-based beverages; frozen carbonated beverages; fruit-based soft drinks flavoured with tea; protein-enriched sports beverages; sherbet beverages; whey beverages; fruit-based beverages; non-alcoholic fruit extracts; smoothies; vegetable smoothies; concentrates for making fruit drinks; concentrates for use in the preparation of soft drinks; non-alcoholic cordials; essences for making non-alcoholic beverages; fruit, vegetables and natural based essences used as additives in the manufacture of non-alcoholic beverages; carbohydrate-based nutritional drink mix for use as a meal replacement

Certification Mark Standard

The trademark is a certification mark. Use of the certification mark indicates that the services are performed by an individual who has completed the Certified Concrete Pump Operator Program established by B.C. Construction Safety Alliance, as per Part 20 of the Occupational Health and Safety Regulation (WorkSafeBC). To receive a Certified Concrete Pump Operator certification, an individual will have to pass a written examination demonstrating theoretical knowledge of concrete pump operations and a practical examination demonstrating the knowledge for operating tower placing booms, high-pressure line pumps, low-pressure line pumps and truck mounted boom pumps. The written examination tests the core competencies in concrete pump operations: safety and professionalism, communication, pre-operation inspection, operating the vehicle, setting up the pump and components, operating the pump and components, cleaning the pump and components, maintenance. The core competence areas for the practical examinations are: hand signals, hazard planning and soil conditions, pre-operational inspections and procedures, set-up and prime, concrete pumping, clean out procedures, washout and shutdown.

Trademark Description

The three-dimensional object shown in dotted outline in the drawing does not form part of the trademark but is included merely to show the positioning of the design. The trademark consists of the position of the blue colour as applied to the whole of the visible surface of the cap of the three-dimensional bottle and the position of three labels applied to a three-dimensional bottle, as shown in the visual representation. The first label appears on the middle front of the bottle, the wording "JOSE CUERVO ESPECIAL" appears on the label, the signature JOSE CUERVO appears in cursive letters behind the wording, seven coins appear above the label, a seal with the words "FABRICA LA ROJENA TEQUILA" with a crest containing a design of a raven, agave plant and coa (agave harvesting tool) surrounded by floral leaves and a ribbon design appears at the bottom of the label, the same crest appears on the second label as described below. The second label is a band applied to the neck of the particular bottle and contains a representation of the same crest. The third label is a band that appears across the bottom of the particular bottle.

Colour Claim

Colour is claimed as a feature of the trademark. Colours silver, red, blue, gold, and black are claimed as a feature of the mark. A silver label outlined in gold and blue appears on the middle front of the bottle; the wording "JOSE CUERVO ESPECIAL" appears in black letters on the label; the signature "JOSE CUERVO" appears in blue cursive letters behind the wording, as a water mark; seven coins in gold appear above the label; below the wording appear a round red seal with the words "FABRICA LA ROJENA TEQUILA" in gold surrounding with a crest containing a design of a raven, agave plant, and coa (agave harvesting tool) all in gold, surrounded by floral leaves in gold. The same crest appears at the neck label of the bottle, in blue, on a silver band. The cap of the bottle is silver and blue from bottom to top, and a blue band appears at the bottom of the bottle.

Foreign Character Translation

The translation provided by the applicant of the Spanish word(s) "ESPECIAL, FABRICA LA ROJENA and CUERVO" is "SPECIAL, THE ROJENA FACTORY and CROW or RAVEN".

namely transmission and driveline goods, namely clutches, torque converters, transmission or gearbox, transmission fluid and filters, and fluids for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; retail store services and wholesale distribution services of parts and fittings, namely tire and wheel products, namely tire plug/patch kits, tire sealants, tire reamers and insertion tools, T-handle tools (plug insertion and reaming), valve core removal tools, tire repair rasp tools, bead seater tools, tire valve cores, valve stems (rubber and metal), valve stem caps (standard and TPMS-compatible), portable tire inflators (12V plug-in or cordless), manual air pumps, tire pressure gauges (analog and digital), air chuck and hose attachments, tire bead sealants, rim sealants, tire mounting lube or paste, rubber cement (used with patches), wheel nuts, wheel weights, wheel dollies, and wheel cleaners for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; retail store services and wholesale distribution services of parts and fittings, namely tools and equipment, namely socket sets (standard and deep, metric & SAE), wrench sets (combination, ratcheting, adjustable), screwdrivers (flathead, Phillips, Torx), pliers (needle-nose, locking, cutting, snap ring), torque wrenches, Allen/hex key sets, pry bars, breaker bars, impact wrenches (cordless and pneumatic), die grinders, drills and drivers, angle grinders, floor jacks (2-ton, 3-ton, low-profile), jack stands, transmission jacks, engine hoists/cherry pickers, creepers and shop stools, tire repair tools, OBD-II scanners, multimeters, compression testers, fuel pressure testers, cooling system pressure testers, and smoke machines (for vacuum and evaporation leaks) for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; retail store services and wholesale distribution services of parts and fittings, namely paint and body goods, namely basecoats, clearcoats, single-stage paints, touch-up paints (in pens, sprays, bottles), primers (etching, urethane, high-build), clear coats (standard, high-gloss, UV-resistant), color-matching paints, reducers/thinners (for basecoats or clears), hardeners/activators /catalysts, blending solvents, paint cleaners and degreasers, adhesion promoters (for plastic and other surfaces), body filler, glazing putty (for fine surface imperfections), fiberglass repair kits, rust treatments (converters, inhibitors), panel adhesives (structural & flexible), seam sealers, plastic and bumper repair materials, spray guns (HVLP, gravity feed, siphon feed), air sanders / DA sanders, air grinders, paint mixing systems (manual and automatic), infrared paint curing lamps, dent pullers and stud welders, sanding blocks and boards, putty knives and spreaders, masking tape dispensers, sandpaper, sanding discs (hook and loop, adhesive), sanding sponges and pads, surface conditioning discs, cutting and grinding wheels, masking tape, masking paper and plastic sheeting, trim masking foam tape, spray booth covers and filters, panel masking film, rubbing compounds, polishes and glazes, tack cloths, detailing clay, microfiber towels, paint sealants and waxes for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; retail store services and wholesale distribution services of parts and fittings, namely welding products, namely welding helmets, welding gloves, welding jackets, welding goggles, welding rods, welding wire, welding machines, mig welders, tig welders, arc welders, welding clamps, welding magnets, welding brushes, chipping hammers, welding nozzles, contact tips, welding cables, ground clamps, electrode holders, and welding blankets for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi trailers; retail store services and wholesale distribution services of parts and fittings, namely wipers and washer systems, namely wiper blades, wiper arms, wiper refills, rear wiper blades, winter wiper blades, beam wiper blades, hybrid wiper blades, conventional wiper blades, wiper motor relays, wiper

switches, washer pumps, washer nozzles, washer fluid reservoirs, washer fluid hoses, washer fluid caps, and washer fluid tablets for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi trailers; retail store services and wholesale distribution services of parts and fittings, namely rubber products and seals, namely radiator hoses, heater hoses, vacuum hoses, fuel hoses, rubber grommets, rubber bushings, weatherstripping, door seals, window seals, trunk seals, pedal pads, rubber bump stops, rubber mounts, exhaust hangers, rubber floor mats, o-rings, sealing washers, gasket makers, gasket sealants, valve stem seals, camshaft seals, axle seals, transmission seals, and timing cover seals for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; retail store services and wholesale distribution services of parts and fittings, namely thread repair products, namely thread repair kits, helicoil inserts, thread chasers, thread files, tap and die sets, thread lockers, anti-seize compounds, spark plug thread repair kits, stud extractors, bolt extractors, rethreading taps, rethreading dies, thread restoring tools, and thread gauges for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi trailers; retail store services and wholesale distribution services of parts and fittings, namely greases and lubrication equipment, namely grease guns, grease cartridges, multipurpose grease, high-temperature grease, lithium grease, synthetic grease for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; retail store services and wholesale distribution services of parts and fittings, namely trailer parts and accessories, namely, trailer lights, trailer wiring, trailer hitches, trailer brakes, trailer suspension, trailer axles and components, trailer tires and wheels, trailer jacks, trailer couplers, trailer safety chains and cables, trailer cargo control, trailer fenders and steps, and trailer hardware for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; retail store services and wholesale distribution services of parts and fittings, namely miscellaneous and accessory automotive supplies for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; retail store services and wholesale distribution services of parts and fittings, namely tow and recovery straps, bungee cords, EPDM rubber straps, locks, horns, floor mats, car wash soaps and shampoos, wax detail sprays, clay bars and kits, wax and sealants (paste, liquid, spray forms), polishes and compounds, tire cleaners and dressings, wheel cleaners, oscillating fans, air fresheners, tarps, flares, abrasives, shop rags and towels, absorbents, brass fittings and valves for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; online retail store of parts and fittings, namely, brake pads, brake rotors, calipers, brake fluids, motor oils automotive lubricants and automotive greases, batteries, air filters being parts of engines, chassis, bearings as machine parts, battery cables, brake cables, universal joints, windshield wiper blades, windshield wipers, suspension springs, shock absorbing springs, suspension struts, engine mounts for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; providing business information, technical aid and business management assistance in the operation and management of service centers for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; providing business information, technical aid and business

management assistance in the operation and management of retail stores and wholesale parts distributorships for the sale and distribution of parts and fittings, namely, brake pads, brake rotors, calipers, brake fluids, motor oils automotive lubricants and automotive greases, batteries, air filters being parts of engines, chassis, bearings as machine parts, battery cables, brake cables, universal joints, windshield wiper blades, windshield wipers, suspension springs, shock absorbing springs, suspension struts, engine mounts for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; sales promotions for others by means of privileged user cards; sales promotions for others by means of sweepstakes promotions; business merchandising display services for others in the nature of displaying of goods via television, radio, social media, and the internet for retail and wholesale purposes; compilation and systematization of business statistics and commercial statistical information into computer databases; office functions in the nature of data search in computer files for others in the fields of automobile repair, auto and machine parts; price comparison services; outsourcing services in the fields of automobile repair, auto and machine parts; consultancy services relating to the procurement of goods and services for others in the fields of automobile repair, auto and machine parts; outsourcing services in the nature of arranging procurement of goods and services for others in the fields of automobile repair, auto and machine parts; administrative processing of purchase orders; administrative processing of online orders featuring parts and fittings, namely, brake pads, brake rotors, calipers, brake fluids, motor oils automotive lubricants and automotive greases, batteries, air filters being parts of engines, chassis, bearings as machine parts, battery cables, brake cables, universal joints, windshield wiper blades, windshield wipers, suspension springs, shock absorbing springs, suspension struts, engine mounts for agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; administrative processing of purchase orders featuring parts and fittings, namely, brake pads, brake rotors, calipers, brake fluids, motor oils automotive lubricants and automotive greases, batteries, air filters being parts of engines, chassis, bearings as machine parts, battery cables, brake cables, universal joints, windshield wiper blades, windshield wipers, suspension springs, shock absorbing springs, suspension struts, engine mounts for agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; administrative services relating to the fields of automobile repair, auto and machine parts; online retail and wholesale sales services through online catalogs featuring parts and fittings, namely, brake pads, brake rotors, calipers, brake fluids, motor oils automotive lubricants and automotive greases, batteries, air filters being parts of engines, chassis, bearings as machine parts, battery cables, brake cables, universal joints, windshield wiper blades, windshield wipers, suspension springs, shock absorbing springs, suspension struts, engine mounts for agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; commercial information and advice for consumers in the choice of products in the fields of automobile repair, auto and machine parts; consulting services in the field of customer services, namely, responding to inquiries of online customers for others, monitoring and processing of customer purchase orders in the fields of automobile repair, auto and machine parts; providing information regarding the location and addresses of stores; assisting online customers in creating a list of purchases personalized with individualized information to facilitate the purchase and orders for parts and fittings, namely, brake pads, brake rotors, calipers, brake fluids, motor oils automotive lubricants and automotive greases, batteries, air filters being parts of engines, chassis, bearings as machine parts, battery cables, brake cables, universal joints, windshield wiper blades, windshield wipers, suspension springs, shock absorbing springs, suspension struts, engine mounts for the service and repair of agricultural machinery and

equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; promotion of sales of products and services for third parties through the distribution of printed material and promotional contests; performance of market studies and business searches in the nature of providing commercial information to enable others to operate more competitively in connection with retail store services and wholesale distribution services for parts and fittings, namely, brake pads, brake rotors, calipers, brake fluids, motor oils automotive lubricants and automotive greases, batteries, air filters being parts of engines, chassis, bearings as machine parts, battery cables, brake cables, universal joints, windshield wiper blades, windshield wipers, suspension springs, shock absorbing springs, suspension struts, engine mounts for agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers.

Services

Class 35

Retail store services and wholesale distribution services of parts and fittings, namely brakes and brake components, namely brake pads, brake discs, brake shoes, brake rotors, brake calipers, brake hydraulics, brake lines, brake fluids, brake shims and clips, brake cables, brake cleaner, brake fluid for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; retail store services and wholesale distribution services of parts and fittings, namely oil, fluid and lubricant goods, namely motor oils, automotive chemicals, lubricants, fluids, sealants, greases, automatic transmission fluid, manual transmission fluid, gear oil /differential fluid, transfer case fluid, power steering fluid, clutch fluid, windshield washer fluid, fuel system cleaners, radiator flush and cleaners, oil additives/engine treatments, transmission and power steering additives, penetrating oil, gasket remover, adhesive remover, paint stripper, rust remover, undercoating remover, tar remover, bug and tar remover, silicone remover, glass cleaner, surface prep solvent, diesel exhaust fluid (DEF), oil filters, oil pans, oil caps, oil pumps, oil seals, oil drain plug repair kits, and oil pressure sensors for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty

trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; retail store services and wholesale distribution services of parts and fittings, namely filter goods, namely air filters and housings, cabin air filters, transmission filters, engine breather/crankcase vent filters, hydraulic filters, DEF filters, and fuel filters for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; retail store services and wholesale distribution services of parts and fittings, namely engine and drivetrain components, namely remanufactured engines, cylinder heads, pistons, piston rings, connecting rods, camshaft, crankshaft, timing belt or chain, timing belt component kit with water pump (TCKWP), serpentine belts, intake and exhaust valves, intake manifolds, exhaust manifolds, throttle bodies, fuel injectors, fuel pumps, turbo or superchargers, fuel rails, spark plugs, ignition coils, distributors, engine covers, engine mounts, camshaft position sensors, crankshaft position sensors, mass airflow sensors (MAF), engine control units (ECM), engine heaters, camshaft phasers, timing control valves, oil control valves, timing chains, timing chain tensioners, timing chain guides, variable valve timing (vvt) solenoids, vvt actuators, vvt sprockets, camshaft gears, timing covers, timing cover gaskets, vvt harness connectors, drive shafts, flywheel or flexplate, differentials, axle shafts, CV shafts, half shafts, CV boots, transfer case chains or motors, transfer cases, U-joints, CV joints, center support bearings, transmission mounts, differential mounts, axle bearings, differential seals, clutch components, torque converters for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; retail store services and wholesale distribution services of parts and fittings, namely suspension and steering components, namely control arms, ball joints, bushings, torsion bars, sway bars, suspension springs, shock absorbers, suspension struts, sway bar links, strut mounts, shock mounts, leveling kits, track bars, stabilizer bars, dampers, suspension bump stops, steering gears (rack and pinion or steering box), tie rods, pitman arms, idler arms (inner and outer), steering knuckles, drag links, steering dampers, steering couplers, power steering hoses, power steering pumps and gears, control arm bushings, sway bar bushings, steering rack boots, and tie rod boots for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; retail store services and wholesale distribution services of parts and fittings, namely electrical and lighting components, namely alternators, starters, starter solenoids, voltage regulators, generator brushes, alternator pulleys, alternator brackets, ignition switches, ignition relays, starter relays, starter motors, flywheel gears, armatures, commutators, field coils, drive gears, starter drives, rotor assemblies, batteries, battery cables, battery testers and chargers, wiring harnesses, battery terminals, ground straps, headlight motors, tail lights, brake lights, turn signal bulbs and relays, interior lights (dome, dash), fog lights, electric tape, safety glasses, face masks/respirators, electric polishers and buffers, air compressors, air ratchets, electric motors (window motors, wiper motors, blower motors, radiator fan motors, condenser fan motors, seat motors, sunroof motors, power antenna motors, fuel pump motors, abs pump motors, door lock motors, liftgate motors, mirror adjustment motors, hvac actuator motors), electric winches, alarm sirens, control modules, key fobs, remote transmitters, shock sensors, motion sensors, glass break sensors, door sensors, hood sensors, trunk sensors, relay modules, bypass modules, LED indicators, antenna modules, backup batteries, tilt sensors, valet switches, alarm system remotes, alarm system covers, cruise control modules, cruise control switches, cruise control actuators, cruise control servos, cruise control cables, cruise control sensors, cruise control clocksprings, cruise control buttons, cruise control levers, cruise control brackets, cruise control wiring harnesses, cruise control connectors, cruise control transducers, cruise control disengagement switches, flasher, fuses, gauges, 12 volt power outlets, wire sets and cables, OBD-II scanners, and multimeters for the service and repair of agricultural machinery and equipment,

land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; retail store services and wholesale distribution services of parts and fittings, namely cooling and heating systems, namely radiators, radiator fan assemblies, radiator caps, water pumps, thermostat, coolant temperature sensors, coolant hoses and reservoirs, heater cores, automotive heat exchange products, antifreeze, refrigerant, coolant leak repair, air conditioning repair, cabin air filters for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; retail store services and wholesale distribution services of parts and fittings, namely exhaust and emissions, namely mufflers, exhaust pipes (tail pipes, intermediate pipes, downpipes), catalytic converters, manifold gaskets, flange gaskets, exhaust clamps, bolts and springs for exhaust system, and smog pumps for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; retail store services and wholesale distribution services of parts and fittings, namely transmission and driveline goods, namely clutches, torque converters, transmission or gearbox, transmission fluid and filters, and fluids for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; retail store services and wholesale distribution services of parts and fittings, namely tire and wheel products, namely tire plug/patch kits, tire sealants, tire reamers and insertion tools, T-handle tools (plug insertion and reaming), valve core removal tools, tire repair rasp tools, bead seater tools, tire valve cores, valve stems (rubber and metal), valve stem caps (standard and TPMS-compatible), portable tire inflators (12V plug-in or cordless), manual air pumps, tire pressure gauges (analog and digital), air chuck and hose attachments, tire bead sealants, rim sealants, tire mounting lube or paste, rubber cement (used with patches), wheel nuts, wheel weights, wheel dollies, and wheel cleaners for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; retail store services and wholesale distribution services of parts and fittings, namely tools and equipment, namely socket sets (standard and deep, metric & SAE), wrench sets (combination, ratcheting, adjustable), screwdrivers (flathead, Phillips, Torx), pliers (needle-nose, locking, cutting, snap ring), torque wrenches, Allen/hex key sets, pry bars, breaker bars, impact wrenches (cordless and pneumatic), die grinders, drills and drivers, angle grinders, floor jacks (2-ton, 3-ton, low-profile), jack stands, transmission jacks, engine hoists/cherry pickers, creepers and shop stools, tire repair tools, OBD-II scanners, multimeters, compression testers, fuel pressure testers, cooling system pressure testers, and smoke machines (for vacuum and evaporation leaks) for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; retail store services and wholesale distribution services of parts and fittings, namely paint and body goods, namely basecoats, clearcoats, single-stage paints, touch-up paints (in pens, sprays, bottles), primers (etching, urethane, high-build), clear coats (standard, high-gloss, UV-resistant), color-matching paints, reducers/thinners (for basecoats or clears), hardeners/activators/catalysts, blending solvents, paint cleaners and degreasers, adhesion promoters (for plastic and other surfaces), body filler, glazing putty (for fine surface imperfections), fiberglass repair kits, rust treatments (converters, inhibitors), panel adhesives (structural & flexible), seam sealers, plastic and bumper repair materials, spray guns (HVP, gravity feed, siphon feed), air sanders / DA sanders, air grinders, paint mixing systems (manual and automatic), infrared paint curing lamps, dent pullers and stud welders, sanding blocks and boards, putty knives and spreaders, masking tape dispensers, sandpaper, sanding discs (hook and loop, adhesive), sanding sponges and pads, surface conditioning discs, cutting and grinding wheels, masking tape, masking paper and plastic

sheeting, trim masking foam tape, spray booth covers and filters, panel masking film, rubbing compounds, polishes and glazes, tack cloths, detailing clay, microfiber towels, paint sealants and waxes for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; retail store services and wholesale distribution services of parts and fittings, namely welding products, namely welding helmets, welding gloves, welding jackets, welding goggles, welding rods, welding wire, welding machines, mig welders, tig welders, arc welders, welding clamps, welding magnets, welding brushes, chipping hammers, welding nozzles, contact tips, welding cables, ground clamps, electrode holders, and welding blankets for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; retail store services and wholesale distribution services of parts and fittings, namely wipers and washer systems, namely wiper blades, wiper arms, wiper refills, rear wiper blades, winter wiper blades, beam wiper blades, hybrid wiper blades, conventional wiper blades, wiper motor relays, wiper switches, washer pumps, washer nozzles, washer fluid reservoirs, washer fluid hoses, washer fluid caps, and washer fluid tablets for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; retail store services and wholesale distribution services of parts and fittings, namely rubber products and seals, namely radiator hoses, heater hoses, vacuum hoses, fuel hoses, rubber grommets, rubber bushings, weatherstripping, door seals, window seals, trunk seals, pedal pads, rubber bump stops, rubber mounts, exhaust hangers, rubber floor mats, o-rings, sealing washers, gasket makers, gasket sealants, valve stem seals, camshaft seals, axle seals, transmission seals, and timing cover seals for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; retail store services and wholesale distribution services of parts and fittings, namely thread repair products, namely thread repair kits, helicoil inserts, thread chasers, thread files, tap and die sets, thread lockers, anti-seize compounds, spark plug thread repair kits, stud extractors, bolt extractors, rethreading taps, rethreading dies, thread restoring tools, and thread gauges for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; retail store services and wholesale distribution services of parts and fittings, namely greases and lubrication equipment, namely grease guns, grease cartridges, multipurpose grease, high-temperature grease, lithium grease, synthetic grease for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; retail store services and wholesale distribution services of parts and fittings, namely trailer parts and accessories, namely, trailer lights, trailer wiring, trailer hitches, trailer brakes, trailer suspension, trailer axles and components, trailer tires and wheels, trailer jacks, trailer couplers, trailer safety chains and cables, trailer cargo control, trailer fenders and steps, and trailer hardware for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; retail store services and wholesale distribution services of parts and fittings, namely miscellaneous and accessory automotive supplies for the service and repair of agricultural machinery and equipment, land vehicles, namely automobiles, light duty trucks, medium duty trucks, heavy duty trucks, semi-trailer truck tractors and semi-trailers; retail store services and wholesale distribution services of parts and fittings, namely tow and recovery straps, bungee cords, EPDM rubber straps, locks, horns, floor mats, car wash soaps and shampoos, wax detail sprays, clay bars and kits, wax and sealants (paste, liquid, spray forms), polishes and compounds, tire cleaners and dressings, wheel

Position

Visual Representation

Trademark Description

The trademark consists of the position of a label design applied to a three-dimensional can, as shown in the visual representation. The can shown in dashed outline does not form part of the trademark but is included merely to show the position of the design.

Colour Claim

Colour is claimed as a feature of the trademark. The colors orange, green, yellow, black, white, brown, gold, gray, red, beige, blue, and light blue are claimed as a feature of the mark. The label design features a cluster of orange blood oranges with green leaves on a white background positioned near the top of the label design and above the stylized wording "A'SICILIANA" in yellow with black outline. In the centre of the label design is a stylized image of a women with brown hair, beige skin, and red lips, wearing a yellow headband, gold earrings, black shoes, and a black and green dress over a white blouse, that is sitting on a gray and black scooter, holding a brown basket of orange blood oranges, and drinking a bottle of orange-coloured soda with a red straw. The scooter is parked on beige beach sand. In the background is a large yellow green plant with fleshy leaves, yellow and green cacti with orange flowers, a blue ocean, yellow sun, and a light blue sky with white clouds. Below the image is the stylized wording "ARANCIATA" in white with black outline stacked on top of the stylized wording "di Sicilia" in white on top of the stylized wording

"Sicily Blood Orange Soda" in white. Orange blood oranges with green leaves are positioned on either side of the wording "ARANCIATA". The background of the label design is red.

Foreign Character Translation

The translation provided by the applicant of the word(s) "A' SICILIANA ARANCIATA DI SICILIA" is "SICILIAN GIRL SICILIAN ORANGE SODA".
