

Quick Facts NEWFOUNDLAND | 2023-2024 (Re)Settlement Program

IRCC’s **Settlement Program** provides services that enable permanent residents (PR), including refugees and protected persons, to contribute to the economic, social, and cultural development needs of Canada.

IRCC’s **Resettlement Program** (RAP) provides immediate essential services and financial support for government-assisted refugees (GAR) upon their arrival in Canada. Privately sponsored refugees (PSR) and blended visa office-referred (BVOR) refugees are eligible for limited RAP services at ports of entry.

(Re)Settlement services are funded through contribution agreements and delivered by third-party service provider organizations (SPOs).

5% of clients receiving (re)settlement services in Newfoundland in 2023-2024 had been in Canada for 6 or more years.

Those receiving services beyond six years were largely refugees (90%).

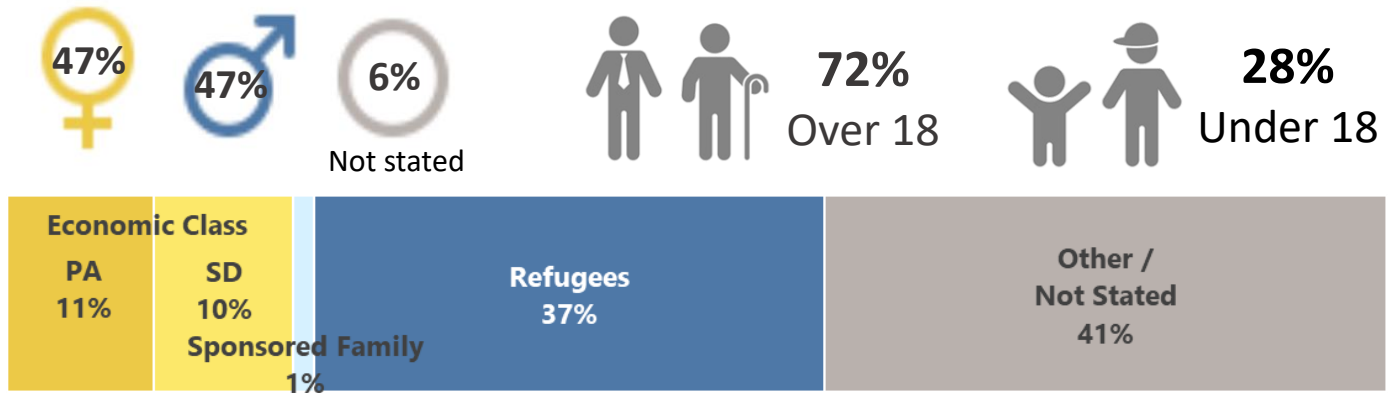

There were **655** Afghan (re)settlement clients (**9%**) and **2,883** Ukrainian clients (**42%**) in 2023-2024.

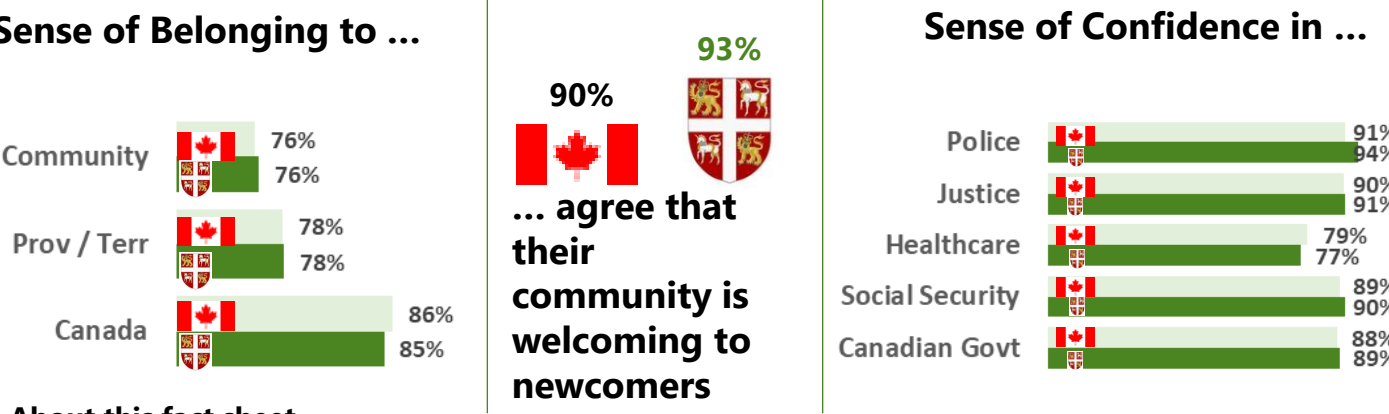

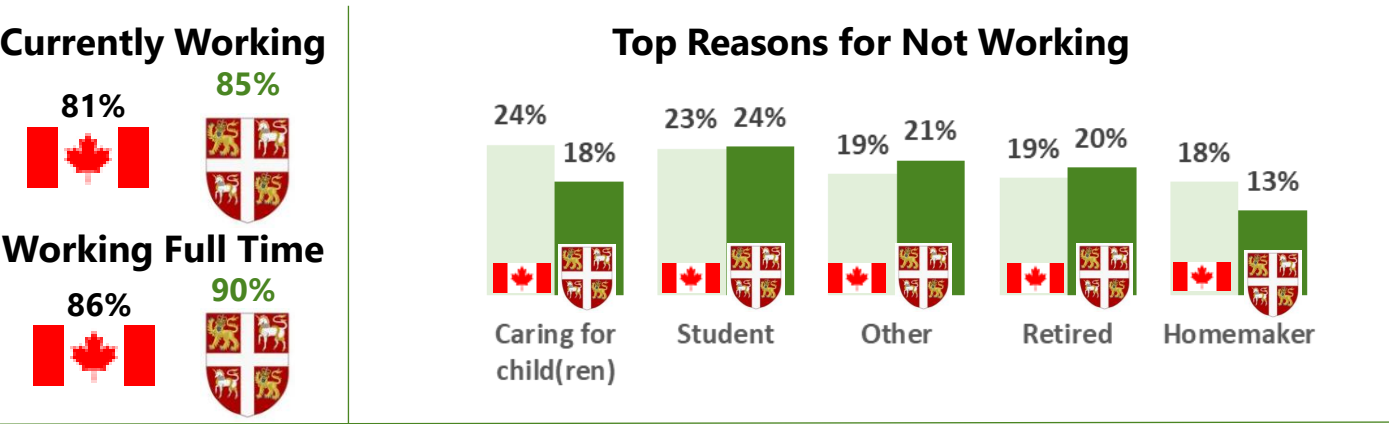

Without these clients, there would have been **3,401** clients of (re)settlement services, compared to **6,939**.
