

Quick Facts PEI | 2023-2024 (Re)Settlement Program

IRCC’s **Settlement Program** provides services that enable permanent residents (PR), including refugees and protected persons, to contribute to the economic, social, and cultural development needs of Canada.

IRCC’s **Resettlement Program** (RAP) provides immediate essential services and financial support for government-assisted refugees (GAR) upon their arrival in Canada. Privately sponsored refugees (PSR) and blended visa office-referred (BVOR) refugees are eligible for limited RAP services at ports of entry.

(Re)Settlement services are funded through contribution agreements and delivered by third-party service provider organizations (SPOs).

Since a client can receive multiple services, the sum of clients by service type may be higher than the total unique clients. The total unique clients counts each client only once regardless of how many services they have received.

10% of clients receiving (re)settlement services in Prince Edward Island in 2023-2024 had been in Canada for 6 or more years.

Number of years since admission

Percentage of clients served

Those receiving services beyond six years were largely refugees (43%) and economic spouses and dependants (31%).

There were **55** Afghan (re)settlement clients (**1%**) and **336** Ukrainian clients (**5%**) in 2023-2024.

Without these clients, there would have been **6,412** clients of (re)settlement services, compared to **6,741**.
