## i INTRODUCTION

The Terminal Equipment List (TEL) includes all terminal equipment certified under the Terminal Attachment Programme.

Certification of terminal equipment means only that the equipment meets the requirements of the applicable certification standard. The equipment is not certified for any use that would violate carrier tariffs.

## i INTRODUCTION

La Nomenclature du matériel terminal (NMT) contient la liste de tout le matériel terminal homologué conformément au Programme de raccordement de matériel.

L'homologation de matériel terminal signifie seulement qu'il est conforme aux exigences du cahier des normes approprié. L'homologation n'autorise pas une utilisation qui irait à l'encontre des tarifs des sociétés exploitantes.
