Foreign Character Translation

The translation provided by the applicant of the Turkish word(s) Çelikel is The trademark "Çelikel" is of Turkish origin and was created with a metaphorical meaning. It reflects the philosophy of "shaping steel with our hands," symbolizing the strength, craftsmanship, and dedication behind our production. Therefore, the term "Çelikel" does not refer to a literal steel hand but conveys a figurative expression emphasizing labor and quality.

Trademark Description

The mark consists of the stylized word GUEST stacked on top of the stylized word PATH with a star shaped design to the top right of the T in GUEST, with a smaller star shaped design to the top right of the larger star. GUEST PATH is surrounded by five curved triangles, fitting together in a pinwheel configuration around GUEST PATH. Inside each triangle is a smaller triangle pointing to the next in a clockwise motion. Each triangle contains a different graphic and is arranged next to a word outside of the triangle. The top triangle includes a side view of the outline of a persons' right hand in a cupped position, above the hand is a stylized cogwheel. Above and outside this triangle is the stylized word STANDARDS. To the right of that triangle is another triangle which includes the outline of two people next to each other, their inner arms replaced by arrows pointing outward. To the right and outside of this triangle is the stylized word TRAINING. To the right of that triangle is another triangle which includes a side view of the outline of a persons' right hand in a cupped position, above the hand is an ascending bar graph. To the bottom right of this triangle is the stylized word MEASUREMENT. To the right of that triangle is another triangle which includes the outline of a rosette ribbon, the center being the outline of a star. To the outside left of this triangle are the stylized words REWARDS & RECOGNITION. To the right of that triangle is another

triangle which includes the outline of a person's head and its upper body surrounded by two arrows pointing in the clockwise direction and together forming an unconnected circle. To the outside left of this triangle are the stylized words GAP ANALYSIS.

asbestos removal; asbestos removal services; asphaltting; asphaltting services; assembly of prefabricated houses; assembly services relating to the installation of furniture; assembly services relating to the installation of machines, machine tools and automatic systems for treating and processing metals; assembly, maintenance, repair, restoration, refuelling, charging and cleaning of electric boats and parts therefor; assembly, maintenance, repair, restoration, refuelling, charging and cleaning of electric water vehicles and parts therefor; auto body repair services; automobile and vehicle repair and maintenance; automobile body shop services; automobile buffing and polishing; automobile cleaning; automobile cleaning and car washing; automobile customization services; automobile detailing; automobile greasing; automobile lubrication; automobile painting; automobile panoramic roof installation; automobile performance upgrade services; automobile pinstripping; automobile polishing; automobile reconditioning services; automobile repair and maintenance; automobile sunroof installation; automobile undercoating services; automotive collision repair services; automotive oil change services; automotive upgrade services, namely, supercharging, turbocharging and performance upgrades of automobiles; aviation engine cleaning services; aviation infrastructure construction; balcony and mezzanine installation and repair; barbecue grill cleaning services; basement waterproofing; bathtub and bath boiler cleaning; battery charging service for motor vehicles; bicycle lubrication services; bicycle repair; bio-hazard biological clean-up services; biogas fuelling stations for vehicles; blade and knife sharpening services for tools and cutting machine parts; blasting services; block laying; boat buffing and polishing; boat sanding services; boiler cleaning and repair; boiler repair services; book repair and restoration; brick paving services; bricklaying; bricklaying services; bridge construction services; buffing and polishing of castings; buffing of metals; building and installing public artwork; building and plant construction management; building and vehicle disinfecting services; building caulking services; building construction; building construction and repair; building construction contracting services; building construction of residential communities; building construction services; building construction services, namely, installation of panelling for buildings; building construction services, namely, installing panelling systems for buildings; building construction supervision; building damp-proofing; building demolition; building disinfecting; building improvements and repairs; building inspection in the course of building construction; building insulating; building maintenance and repair; building of canal locks; building of fair stalls and shops; building of shops; building reinforcing; building restoration; building skid-mounted and modular oil and gas processing equipment; building skid-mounted and modular oil and gas processing units; burglar alarm installation and repair; burner maintenance and repair; cabinet refacing; cabinet repair; cable laying; calligraphy work restoration services; camera repair; car detailing services; car maintenance and repair; car wash; car wash services; car wash services on demand; car washes; carpentry; carpentry services; carpet and rug cleaning; carpet cleaning; carpet deodorizing; carpet disinfecting services; catch basin cleaning services; ceiling cleaning services; cell phone battery charging services; cellphone battery charging services; cellular tower maintenance; cement parging of interior and exterior stone block and concrete foundations; cementing services for oil and gas wells; ceramics polishing; charging of electric vehicles; charging of electric vehicles and hybrid vehicles; charging station services for electric vehicles; charitable services, namely, providing building materials to rebuild homes and businesses; charitable services, namely, providing maintenance and repairs on the homes of those in need; chimney construction; chimney sweeping; cleaning and disinfection of allograft bone and tissue samples; cleaning of aeroplanes; cleaning of airplanes; cleaning of barrels; cleaning of boilers; cleaning of building exterior surfaces; cleaning of building interiors; cleaning of buildings; cleaning of commercial premises; cleaning of drums being containers; cleaning of escalators; cleaning of exhibition stands; cleaning of external surfaces of buildings; cleaning of facades; cleaning of food manufacturing and food processing facilities; cleaning of grease traps; cleaning of industrial premises; cleaning of laundry washing

machines; cleaning of packaging materials, packing containers and transport pallets; cleaning of range hoods; cleaning of residential houses; cleaning of restrooms; cleaning of shoes; cleaning of vehicles; cleaning of venues before and after events; cleaning of wells; cleaning services of industrial and commercial premises using mobile vacuum truck; cleaning services, namely paint, gum and grease removal; cleaning services, namely, mechanically removing scale and sludge from tubes in steam generators in nuclear power plants; cleaning-up of trash found in and around the ocean; clearing and cleaning gutters; clearing of wells; clock and watch maintenance; clock and watch repair; clock and watch repair and maintenance; clock repair; clock repair and maintenance; clothing repair; clothing restoration; coating of concrete with protective sealants; cobbler's services being footwear repair; combustion engine cleaning services; combustion engine repair; commercial building construction consultation; commercial property maintenance; comprehensive preventative maintenance service for electrical systems; computer and telephone battery recharge services; computer hardware installation services in the field of information security and cybersecurity; computer installation and repair; computer repair services; concrete cleaning services; concrete grinding services; concrete leveling services; concrete paving services; concrete polishing; concrete pouring and forming for buildings and other commercial or public concrete structures; concrete pouring services; concrete pumping services; concrete raising services; concrete repair services; concrete resurfacing services; concrete surface preparation; constructing retail outlets; constructing retail outlets in the field of restaurants; construction and erection of exhibition stands, stages and booths; construction and installation services for gazebos and garden sheds; construction and maintenance of apartments, studios, bungalows, villas and cottages; construction and maintenance of dikes; construction and maintenance of electricity and steam plants; construction and maintenance of fire breaks; construction and maintenance of holiday homes, holiday camps, temporary accommodation, hotels and residential hotels; construction and maintenance of hydroelectric power plants; construction and maintenance of natural gas cogeneration plants; construction and maintenance of seawalls; construction and maintenance of slaughterhouses and abattoir; construction and maintenance of solar power plants; construction and maintenance of sports centers, health clubs, leisure centers and recreational complexes; construction and maintenance of wastewater treatment plants and lagoons on indigenous reserves; construction and maintenance of water treatment plants on indigenous reserves; construction and maintenance of wild rice cultivation and processing plants; construction and maintenance of wind power plants; construction and maintenance services relating to water irrigation; construction and renovation of buildings; construction and renovation of residential and commercial buildings; construction and renovation of residential and commercial properties; construction and repair of buildings; construction and repair of movie and theatrical sets and scenery; construction dewatering, namely, the removal of surface waters and groundwater to facilitate the construction of structures and pipelines; construction of airports; construction of amusement parks; construction of apartment buildings; construction of buildings; construction of buildings incorporating residential, retail and commercial units; construction of chemical plants; construction of commercial properties; construction of condominium units; construction of conservatories and greenhouses; construction of cruise ships; construction of custom homes; construction of dams; construction of decks; construction of fair stalls and shops; construction of floors; construction of galleries; construction of geothermal power plants; construction of greenhouses; construction of houses; construction of hydroelectric factories; construction of hydrogen generation installations for generating power; construction of landfills; construction of medical establishments; construction of mines; construction of modular homes; construction of multi-unit dwellings; construction of natural gas infrastructure, pipeline infrastructure, civil electrical underground infrastructure, underground utilities, trenches, and boreholes; construction of pipelines; construction of porches; construction of ramparts; construction of residential and

commercial properties; construction of residential apartment units; construction of residential apartment units, apartment buildings, condominium units and multi-unit dwellings; construction of residential buildings; construction of residential condominiums; construction of residential properties; construction of saunas; construction of sewerage systems; construction of shopping centers; construction of sports arenas; construction of stables; construction of sunrooms; construction of swimming pools; construction of telecommunication towers; construction of trade fair and exhibition stands; construction of transmission lines; construction of walls; construction of wave energy power plants; construction of wild rice paddies; construction of wind power plants; construction project management in the field of installation of windows; construction project management services; construction services, namely, concrete paving; construction services, namely, custom construction of commercial communities; construction services, namely, excavation; construction services, namely, grading; construction services, namely, installation of environmental containment systems; construction services, namely, manhole adjusting; construction services, namely, site clearing; construction site preparation; construction, erection, installation, repair, renovation, servicing, maintenance and dismantling of wind farms; construction, installation and repair of sports fields made of artificial or natural grass; construction, installation and repair of steel frames and metal buildings; construction, maintenance and repair of buildings; construction, maintenance and repair of conservatories and greenhouses; construction, maintenance, and repair of autonomous underwater vehicles; construction, maintenance, installation and repair of doors, garage door openers and garage doors, electrical work; construction, renovation, repair and maintenance of decks and patios; consultancy and advisory services relating to the repair and maintenance of vacuum pumps and parts thereof; consultancy in the field of basement waterproofing; consultancy relating to painting of buildings; consultancy relating to sanitizing food preparation facilities; consultancy relating to sanitizing industrial or commercial food processing equipment; consultancy relating to sanitizing industrial or commercial kitchen worktops for preparing food; consultancy relating to the installation of computer hardware; consultancy relating to the installation, maintenance and repair of windmills and wind turbines; consultancy relating to the maintenance of computer hardware; consultancy relating to the repair and reconditioning of bearings for machines; consultancy relating to the repair of computer hardware; consultancy relating to vehicle repair; consultancy services relating to the construction of buildings; consultation in building construction supervision; consultation in the development and construction of commercial real estate; consultation in the development and construction of offices; consultation in the field of applying coatings to vehicles; consultation in the field of cleaning of clandestine drug lab sites; consultation in the field of construction and building of horse-riding arenas; consultation in the field of gas turbine and combustion engine restoration; consultation in the field of gas turbine engine restoration; consultation in the field of repairing and maintaining home appliances; consultation in the field of upgrades for gas turbine and combustion engine efficiency; consultation on the construction of commercial properties; consulting in the field of commercial construction and renovation; consulting in the field of deck and patio construction, renovation, repair and maintenance; consulting in the field of general building and infrastructure contractor service; consulting in the field of handyman services, namely, home maintenance and home repair services; consulting in the field of hospital construction; consulting in the field of residential renovation; consulting services for offshore oil and gas facility construction; consulting services in the field of construction of wind energy facilities; consulting services in the field of lighthouse and lightship preservation; consulting services in the field of mining extraction; consulting services in the field of windstorm damage protection of structures, in particular buildings, using wind flow control devices, shields, and deflectors; conversion and tuning of production automobiles and their engines; conversion of diesel vehicles and buses to environmentally-friendly vehicles; crane rental for the purpose of tree removal; crime scene clean-

up services; custom built-in installation services for residential and commercial buildings; custom installation of automobile interiors; custom laying and construction of plastic pipe sewer liners; custom light fixture installation; custom painting of designs or text on clothing and bags; custom shipbuilding; customization of bows and arrows; customization of sewing machines; customized conversion services of motorized vehicles to motorhomes; damp proofing services; deck and patio construction contracting services; deck renovation, repair and maintenance services; decorative painting services; demolition of bridges; demolition of buildings; demolition of dams; demolition of roads; demolition of transmission lines; demolition services; deodorising of upholstery; deodorizing of upholstery; development and construction of commercial real estate; development and construction of hotels; development and construction of industrial real estate; development and construction of mixed-use properties; development and construction of movie theaters; development and construction of multi-family housing units; development and construction of offices; development and construction of residential and commercial properties; development and construction of residential and commercial real estate; development and construction of restaurants; development and construction of shopping centers; development of hydrocarbon properties; development of oil and gas properties; development of residential and commercial properties; development of residential, institutional and commercial properties; diaper cleaning; diaper service; directional drilling of oil and gas wells; disinfecting of medical waste; disinfecting of surgical instruments; disinfecting of telephone hand-sets; disinfecting of telephone handsets; disinfection of tableware; drain and sewer cleaning and rooting services; drain cleaning services; drapery deodorizing; dredging services; drill bit refurbishment services; drill bit sharpening; drilling and pumping of oil; drilling for crude oil; drilling for oil and gas; drilling of deep oil or gas wells; drilling of oil wells; drilling of wells; dry cleaning; drywall contractor services; earthworks services in the nature of building of embankments; electrical contracting services; electrical repair and installation of air conditioners; electrical repair and installation of electrical motors; electrical repair and installation of heaters; electrical repair and installation of lighting; elevator installation and repair; elevator repair services; emergency roadside assistance services, namely, responding to calls for roadside assistance, flat tire changing, emergency fuel supplying, and battery jump starting; emergency roadside vehicle repair services; engineering services, namely, transportation engineering in the field of construction of transportation facilities; engineering services, namely, transportation engineering in the field of construction project management of transportation facilities; engineering services, namely, transportation engineering in the field of maintenance of transportation facilities; environmental spill clean-up services via dryvac excavation; erosion control services; excavation of ruins, other than for archaeology; excavation services, namely hydro excavation services; excavation services, namely trenching; exchanging, replacing and refurbishment of carbon dioxide cylinders for preparation of soda water and sparkling beverages; exploitation of oil and gas fields; exterminating consultation; exterminating services; extraction of natural gas; factory construction; fence installation, hvac installation, kitchen and bathroom countertop installation, ceiling fan installation; film projector repair and maintenance; fire alarm installation and repair; fire extinguisher recharging services; fireproofing of existing structures; floor buffing and polishing services; floor cleaning; floor polishing; floor sanding; floor sanding services; foundation contractor services; fracking services; fracturing services for the treatment of oil and gas wells; framing contracting services; freezing equipment installation and repair; fumigating services; fumigation for pest control, other than for agriculture, horticulture and forestry; fur cleaning, care and repair services; furnace and smelter installation and repair; furnace installation and repair; furnace repair; furniture maintenance; furniture polishing; furniture refinishing; furniture repair; furniture restoration; furniture restoration consultation; furniture varnishing; gallery and museum lighting installations; garment embellishment services, namely, applying beadwork to clothing and costume items; gas drilling; gas pipeline evacuation services; gas stations; gas

turbine engine cleaning services; gas turbine engine repair; gasoline refuelling service for motor vehicles; gem and jewelry repair and cleaning services; general building and infrastructure contractor services; general building contractor services; general contracting services in the field of excavation; general contracting services in the field of flooring; geological expert services for stabilizing and rehabilitating works, lands, structures and grounds; glass glazing; glazing, installation, maintenance and repair of glass for building windows; grouting services; hand tool sharpening; handbag repair and restoration; handyman services, namely, home maintenance and home repair services; harbor construction; harbour construction; harbour construction services; hardscaping services; hardwood floor coating services; hat repair; hat restoration; heat insulation of windows; heating equipment installation and repair; home building construction services; home renovation; home renovation and construction services; home security installation advisory services; house building and repair; house painting; housekeeping; husbanding services being repair and maintenance of ships; husbanding services being repair and maintenance of vessels; husbanding services being ship fueling services; husbanding services being vessel fueling services; HVAC contractor services; hydraulic fracturing services; hydrogen gas fueling services; hydrogen gas fueling stations for vehicles; hydrovac excavation services; inflatable furniture repair; information concerning rental of equipment for building construction; information pertaining to aircraft construction, repair and maintenance; information technology consultancy relating to installation, maintenance and repair of computer hardware; insecticide spraying in businesses; insecticide spraying in homes; inspection of aircraft operating systems prior to maintenance; inspection of automobiles and parts thereof prior to maintenance and repair; inspection of water vehicles prior to maintenance; installation and construction of bathrooms; installation and construction of doors; installation and construction of kitchens; installation and construction of windows; installation and maintenance of digital signage; installation and maintenance of hydrogen fuel cells for vehicles; installation and maintenance of interior and exterior custom seasonal decorations for others; installation and maintenance of irrigation systems; installation and maintenance of photovoltaic installations; installation and maintenance of power generation equipment; installation and maintenance of road signs; installation and maintenance of security systems for security guarding of buildings and property; installation and maintenance of shelving, brackets, drawers, cupboards, baskets and other storage and organization systems; installation and maintenance of solar energy based power plants; installation and maintenance of solar thermal installations; installation and maintenance of traffic barricades; installation and maintenance of traffic signs; installation and maintenance of water storage tanks and water treatment tanks; installation and repair of air conditioners; installation and repair of automotive glass; installation and repair of cellular telephone hubs; installation and repair of computer hardware; installation and repair of concrete borders; installation and repair of door frames; installation and repair of doors, windows and window coverings; installation and repair of extractor hoods for kitchens; installation and repair of farm equipment; installation and repair of fences; installation and repair of flood protection equipment; installation and repair of heaters for baths; installation and repair of large format battery-based energy storage systems; installation and repair of LED displays; installation and repair of machinery for use in the food industry; installation and repair of metal barricades; installation and repair of metal retaining walls; installation and repair of plastic pipe sewer liners; installation and repair of plate glass; installation and repair of prefabricated accessory dwelling units; installation and repair of railings; installation and repair of stairs; installation and repair of structural lintels; installation and repair of stucco on commercial, industrial, and residential buildings; installation and repair of telephones; installation and repair of television set-top boxes and television entertainment programming controllers; installation and repair of televisions; installation and repair of vending machines; installation and repair of water tanks for live fish; installation and repair of window blinds; installation and repair of window frames;

installation and replacement service for water heaters; installation of advertising signage; installation of air conditioners; installation of audiovisual equipment; installation of awnings; installation of banners and flags; installation of below ground cables; installation of boilers; installation of building insulation; installation of building scaffolds; installation of cable television systems; installation of cables for Internet access; installation of car alarms; installation of clean room systems; installation of clocks; installation of computer hardware; installation of concrete arches; installation of concrete blocks; installation of concrete box culverts; installation of concrete bricks; installation of concrete buildings to house communication equipment; installation of concrete buildings to house power generation equipment; installation of concrete coping; installation of concrete cornerstones; installation of concrete curbs; installation of concrete decorative columns; installation of concrete distribution poles; installation of concrete door surrounds; installation of concrete footings; installation of concrete inlet catch basins; installation of concrete interior and exterior stairs; installation of concrete light poles; installation of concrete lintels; installation of concrete maintenance holes; installation of concrete masonry banding; installation of concrete patio stones; installation of concrete pavers; installation of concrete paving tiles and paving stones; installation of concrete post caps; installation of concrete posts; installation of concrete retaining wall blocks; installation of concrete screen fencing panels; installation of concrete sewer pipes; installation of concrete sign supports; installation of concrete signs; installation of concrete sills; installation of concrete slabs; installation of concrete stair treads; installation of concrete storm pipes; installation of concrete structural columns for building; installation of concrete utility poles; installation of concrete wall caps; installation of concrete wall panels; installation of concrete window surrounds; installation of custom cabinetry for residential homes and commercial buildings; installation of custom drawers for residential and commercial buildings; installation of decals and labels; installation of door closers; installation of door fittings; installation of door openers; installation of doors and windows; installation of draught proofing for sash windows; installation of electric and electronic equipment in automobiles; installation of electric furnaces for industrial purposes; installation of electrical and generating machinery; installation of electrical control systems for lighting systems; installation of electrical systems; installation of electrical wiring; installation of electronic and digital connection to a call centre; installation of elevators; installation of environmental control systems for clean rooms; installation of exhibits and displays; installation of facsimile machines; installation of factory automation equipment, namely, machinery, numerical controls, servos, lasers and robots; installation of fencing; installation of fire alarms; installation of fire extinguishers; installation of fire prevention equipment; installation of floor tiles; installation of foundry equipment; installation of furniture; installation of geothermal energy based power plants; installation of geothermal-based HVAC units; installation of glass in conservatories, windows, doors and greenhouses; installation of grain storage and seed processing plants; installation of hardware for computer networks; installation of hazardous material storage buildings of concrete; installation of headwalls for drainage; installation of headwalls of concrete for drainage; installation of heating elements; installation of heating equipment; installation of home appliances; installation of home theatres and related structured wiring; installation of hot blast furnaces for industrial purposes; installation of HVAC systems; installation of HVAC systems for commercial buildings; installation of HVAC systems for residential buildings; installation of HVAC systems for vehicles; installation of hydropower systems; installation of ice rinks; installation of industrial furnaces; installation of interactive signs and graphics; installation of kilns; installation of kitchen cabinets; installation of kitchens; installation of lighting control panels; installation of lightning conductors; installation of lock fittings; installation of machines and machine tools for treating and processing metals; installation of machines for sawing and parts thereof; installation of melting furnaces for industrial purposes; installation of metal panelling systems for buildings; installation of metalworking machines; installation of

mouldings; installation of non-metal floating docks and modular floating docks; installation of outdoor privacy screens; installation of panelling for buildings; installation of pergolas; installation of pet containment systems; installation of photovoltaic cells and modules; installation of pipe insulation; installation of pipelines; installation of plasterboard panels; installation of plumbing; installation of point of purchase displays; installation of portable concrete storage shed buildings; installation of pre-cast concrete products for building; installation of presses for processing metals; installation of protective films for vehicles; installation of radon mitigation fans; installation of radon mitigation systems; installation of railing systems for buildings; installation of railings for buildings; installation of rain gutters; installation of rainwater collection systems; installation of rainwater drainage systems; installation of rainwater tanks; installation of ready-to-apply lettering; installation of residential furnaces; installation of roof gutters; installation of satellite dishes; installation of septic tanks; installation of sheds and prefabricated garages; installation of ship interiors; installation of siding on residential and commercial buildings; installation of signs for personal messages in the field of birth announcements; installation of solar panels; installation of solar power systems; installation of sound insulation for buildings; installation of sports equipment; installation of sports floors; installation of store fixtures, namely, display cases, walk-in coolers and freezers, lighting systems, shelving, and checkout counters; installation of swimming pools; installation of synthetic grass; installation of telephone equipment; installation of telephone lines; installation of tents; installation of theatre lighting; installation of three dimensional letters and signage; installation of trade show displays; installation of utilities in construction sites; installation of vehicle graphics and wraps; installation of venetian blinds; installation of ventilation and dust extraction systems; installation of wallboards; installation of water pipes; installation of wind power systems; installation of window coatings; installation of window films; installation of window fittings; installation of window protective films; installation of window systems for buildings; installation of windows; installation of windows in residential new construction; installation of wood flooring; installation of working and building platforms; installation of yard signs; installation services for bath cabinets; installation services for bath fixtures; installation services for countertops; installation services for flooring, carpeting and floor coverings; installation services for kitchen fixtures; installation services for lighting fixtures; installation services for window coverings; installation services for window treatments; installation services of building scaffolds, working and building platforms; installation services of elevators and lifts; installation services of metal reinforcing materials for building purposes; installation, changing, replacement and repair of locks; installation, maintenance and electromechanical and mechanical repair of machinery and apparatus for the manufacture of armoring line machines, namely, metal tape pay-off, tape accumulator, seam welder, corrugator for corrugating tapes, rollformer and smooth tape forme; installation, maintenance and repair of air analysis apparatus; installation, maintenance and repair of air filters; installation, maintenance and repair of air pumps; installation, maintenance and repair of air purification systems; installation, maintenance and repair of anemometers; installation, maintenance and repair of apparatus for authentication of documents; installation, maintenance and repair of apparatus for checking the authenticity of banknotes; installation, maintenance and repair of automated teller machines; installation, maintenance and repair of automatic apparatus for opening and closing fanlights; installation, maintenance and repair of automatic apparatus for opening and closing skylights; installation, maintenance and repair of automatic apparatus for opening and closing ventilation flaps; installation, maintenance and repair of automatic apparatus for opening and closing windows; installation, maintenance and repair of automatic doors and barriers; installation, maintenance and repair of automatic doors and gates; installation, maintenance and repair of automatic emergency exits; installation, maintenance and repair of ballast apparatus for ships; installation, maintenance and repair of blow molding machines; installation, maintenance and repair of blow moulding machines; installation, maintenance and

repair of building automation equipment; installation, maintenance and repair of card readers; installation, maintenance and repair of cash registers; installation, maintenance and repair of catalytic converters; installation, maintenance and repair of circuit breaker panels; installation, maintenance and repair of cogeneration plants; installation, maintenance and repair of compressors; installation, maintenance and repair of computer hardware; installation, maintenance and repair of computer hardware for electrical charging stations; installation, maintenance and repair of computer peripherals; installation, maintenance and repair of computer servers; installation, maintenance and repair of container filling machines; installation, maintenance and repair of control equipment for heating, ventilation and air-conditioning; installation, maintenance and repair of doors; installation, maintenance and repair of doors and fences; installation, maintenance and repair of drilling and mining tools; installation, maintenance and repair of duct work; installation, maintenance and repair of electric battery systems for controlling the storage and discharge of stored electricity for use in connection with vehicles; installation, maintenance and repair of electric generators; installation, maintenance and repair of electric household appliances; installation, maintenance and repair of electric vehicle charging stations; installation, maintenance and repair of electrical control panels; installation, maintenance and repair of electrical generator sets being generators and their parts; installation, maintenance and repair of electrical network monitoring systems; installation, maintenance and repair of emergency lighting systems; installation, maintenance and repair of energy generation equipment; installation, maintenance and repair of escalators; installation, maintenance and repair of extracting machines for chemical processing; installation, maintenance and repair of fiber optic networks; installation, maintenance and repair of fire and smoke barriers; installation, maintenance and repair of fire detection systems; installation, maintenance and repair of fire pump and standpipe systems; installation, maintenance and repair of fire sprinkler systems; installation, maintenance and repair of fire suppression systems; installation, maintenance and repair of fire, smoke and heat alarms; installation, maintenance and repair of flare stacks for use in the oil industry; installation, maintenance and repair of freestanding lattice towers; installation, maintenance and repair of gas detection systems; installation, maintenance and repair of heating, ventilating, and air conditioning equipment and systems; installation, maintenance and repair of high pressure lines, hosing and pipelines for hydraulic systems; installation, maintenance and repair of industrial breathing air systems; installation, maintenance and repair of ink metering apparatus for printing presses; installation, maintenance and repair of ink rollers for printing presses; installation, maintenance and repair of internal combustion engines; installation, maintenance and repair of kitchen equipment; installation, maintenance and repair of labeling machines; installation, maintenance and repair of laminar air flow systems; installation, maintenance and repair of loading and unloading machines; installation, maintenance and repair of machinery and apparatus for the manufacture of armoring line machines; installation, maintenance and repair of machines for processing plastics; installation, maintenance and repair of mechanically operated apparatus for opening and closing fanlights; installation, maintenance and repair of mechanically operated apparatus for opening and closing skylights; installation, maintenance and repair of mechanically operated apparatus for opening and closing ventilation flaps; installation, maintenance and repair of mechanically operated apparatus for opening and closing windows; installation, maintenance and repair of meteorological masts; installation, maintenance and repair of money counting and sorting machines; installation, maintenance and repair of moving sidewalks; installation, maintenance and repair of office machines and equipment; installation, maintenance and repair of oil and gas processing equipment; installation, maintenance and repair of oil separators; installation, maintenance and repair of packaging machines; installation, maintenance and repair of passenger bridges; installation, maintenance and repair of pressure regulators; installation, maintenance and repair of printing machines; installation, maintenance and repair of printing

presses; installation, maintenance and repair of protective coatings for floors; installation, maintenance and repair of pumps and pumping stations; installation, maintenance and repair of radio interference suppression equipment; installation, maintenance and repair of railroad tracks; installation, maintenance and repair of refrigeration equipment; installation, maintenance and repair of remote control apparatus for changing printing plates; installation, maintenance and repair of remote control panel for printing machines; installation, maintenance and repair of remote monitoring for coating machines; installation, maintenance and repair of remote operation panel for packaging machines; installation, maintenance and repair of rolling mills; installation, maintenance and repair of security camera systems and central monitoring systems; installation, maintenance and repair of sewerage systems; installation, maintenance and repair of solar collectors; installation, maintenance and repair of solar installations for generating power; installation, maintenance and repair of stairway lifts; installation, maintenance and repair of street lights; installation, maintenance and repair of trigeneration plants; installation, maintenance and repair of vacuum pumps; installation, maintenance and repair of water treatment equipment, namely, water filtration units and reverse osmosis units for commercial and residential use; installation, maintenance and repair of wind towers; installation, maintenance and repair of windmills and wind turbines; installation, maintenance and repair of windows and blinds; installation, maintenance, and repair of consumer electronics and household appliances; installation, maintenance, and repair of machines for compressing, generating, storing, and dispensing hydrogen fuel to air, land, and marine vehicles; installation, maintenance, and repair of outdoor automated mist systems for insect and pest control; installation, maintenance, and repair of siding, soffits, and fascias; installation, maintenance, repair and removal of holiday light decorations for others; installation, maintenance, repair of computer networking hardware; installation, maintenance, repair of electrical charging stations; installation, repair and maintenance of clean room facilities and equipment; installation, repair and maintenance of computers; installation, repair and maintenance of heat pumps and air conditioners; installation, repair and maintenance of pharmaceutical processing machines; installation, repair and maintenance of residential and commercial natural gas pipeline systems; installation, repair and maintenance of warehouse distribution machines; installation, repair and refurbishment of household appliances; installation, repair, and maintenance of non-metallic paving tiles and paving slabs, paving tiles, rubber floor tiles, rubber flooring, and rubber floor mats; installing drywall panels; installing siding; installing, servicing and repairing of fuel cell systems; installing, servicing and repairing of hydrogen generators; interior and exterior staining services; interior and exterior window cleaning services; ironing services; irradiation of medical instruments; irrigation system installation services; janitorial and housekeeping services; janitorial services; jewellery cleaning; jewellery remounting services; jewellery repair; jewelry cleaning; jewelry remounting; jewelry repair services; joinery services being repair of woodwork; kitchen equipment installation; kitchen exhaust cleaning services; knife sharpening; land development; land development for residential and commercial use ; land development services; land reclamation; landfill waste management, namely cleaning of waste in landfills; landscape lighting installation; laptop computers battery charging services; laundering; laundering and disinfecting of linen; laundry services; lawn edging services; laying and construction of pipelines; laying of artificial turf; laying of cable; laying of carpet; laying of foundations; laying of oil pipelines; laying of pipes; laying, repair, maintenance, replacement and refurbishment of gas pipelines; leasing of construction equipment; leasing of heavy equipment; leasing of heavy equipment for roofing and siding; leather car seat repair; leather care, cleaning and repair; leather cleaning; leather truck seat repair; lift installation and repair; linen ironing; lining the interior of pipes for others by spraying on a fluid impervious barrier in the nature of a mixture of polyurethane and epoxy resin; lock repair services; lubrication of machinery; luggage repair; maid services; mail irradiation services; maintenance and installation of hydrogen refueling stations for

vehicles; maintenance and repair of aeroplanes; maintenance and repair of agricultural machinery; maintenance and repair of air conditioning units; maintenance and repair of air humidifiers; maintenance and repair of air purification units; maintenance and repair of automatic door equipment; maintenance and repair of automatic transmissions; maintenance and repair of bicycles; maintenance and repair of boats; maintenance and repair of buildings; maintenance and repair of buses; maintenance and repair of chronometric instruments; maintenance and repair of continuously variable transmissions; maintenance and repair of corers used for seafloor sampling; maintenance and repair of debarking tooling and machinery; maintenance and repair of dual-clutch transmissions; maintenance and repair of electric furnaces for industrial purposes; maintenance and repair of furnaces; maintenance and repair of gears; maintenance and repair of hardware for computer networks; maintenance and repair of heat and energy recovery ventilators; maintenance and repair of heat pumps; maintenance and repair of heating elements; maintenance and repair of heating installations; maintenance and repair of heavy machinery; maintenance and repair of hot blast furnaces for industrial purposes; maintenance and repair of hot water heaters; maintenance and repair of HVAC systems; maintenance and repair of hybrid transmissions; maintenance and repair of hydrodynamic transmissions; maintenance and repair of hydrostatic transmissions; maintenance and repair of kilns; maintenance and repair of land vehicles; maintenance and repair of landfill leachate collection systems; maintenance and repair of laser systems for ablating, cleaning, welding and cutting; maintenance and repair of lightning rods; maintenance and repair of manual transmissions; maintenance and repair of melting furnaces for industrial purposes; maintenance and repair of motor vehicles; maintenance and repair of motorcycles; maintenance and repair of parking lots; maintenance and repair of pipelines; maintenance and repair of railway vehicles; maintenance and repair of recreational vehicles; maintenance and repair of shopping centers; maintenance and repair of skis; maintenance and repair of starters for motors and engines; maintenance and repair of synchronized transmissions; maintenance and repair of thermostats; maintenance and repair of timepieces; maintenance and repair of turbines, compressors, impellers, conveyor belts, mining shovels; maintenance and repair of vehicles; maintenance and restoration of works of art; maintenance and servicing of medical imaging apparatus used in medical imaging centers; maintenance of 3D printers; maintenance of aquariums; maintenance of archery bows, namely, custom bow tuning services; maintenance of augmented reality glasses; maintenance of bath tubs; maintenance of bathtubs; maintenance of closed landfills; maintenance of computer hardware; maintenance of electric hot plates; maintenance of electric hotplates; maintenance of grain storage and seed processing plants; maintenance of hearing aids; maintenance of hearing protectors; maintenance of intruder alarms; maintenance of jewelry ornaments; maintenance of machines for sawing and parts thereof; maintenance of motor vehicles; maintenance of non-electric cooking heaters; maintenance of non-electric hot plates; maintenance of non-electric hotplates; maintenance of passenger elevators via remote monitoring systems; maintenance of passenger lifts via remote monitoring systems; maintenance of plumbing; maintenance of quantum computers; maintenance of roofing; maintenance of safes; maintenance of septic systems; maintenance of signboards; maintenance of trailers; maintenance of welding machines and equipment; maintenance services for heavy equipment and machinery, namely filtration of hydraulic fluid; maintenance, repair and construction of tidal barrages; maintenance, repair and overhaul of building exteriors, namely, exterior painting, exterior siding, retained walls, gutters, and decking; maintenance, repair and rebuilding of furnaces; maintenance, repair and refueling of marine vehicles; maintenance, servicing and repair of aircraft components and electronic components; maintenance, servicing and repair of weapon systems; management and realization of public transport infrastructure construction projects by light rail; marine construction; masonry; mechanic services; mechanical lifting services for the construction industry; medical waste disposal for others being a cleaning service; medical waste,

blood and bodily fluid disinfection services; mending clothing; mending clothing and provision of information relating thereto; mending of textiles; mine reclamation services; mining exploitation; mining extraction services; mining for diamonds; mining for precious metals; mining for precious stones; mining of cobalt; mining of graphene; mining of lithium; mining of uranium ore; minor repair work on buildings; mobile automotive oil change services provided at the customer's location; mobile telephone battery charging services; motor vehicle detailing; motor vehicle greasing; motor vehicle maintenance; motor vehicle maintenance and repair; motor vehicle painting; motor vehicle undercoating services; motor vehicle wash; moulding of concrete for construction purposes; municipal road and sidewalk maintenance services; musical instrument tuning services; natural gas extraction; natural gas refuelling service for motor vehicles; natural gas refuelling services for motor vehicles; natural gas, electricity, propane fuel, and hydrogen gas refuelling service for motor vehicles by means of pumps, charging stations and dispensers; natural stone and tile restoration services; naval shipbuilding; office cleaning services; office machines and equipment installation, maintenance and repair; offshore construction; offshore drilling; oil and gas drilling; oil and gas well downhole coring services; oil burner regulation and repair; oil drilling; oil pipeline construction; oil pipeline laying; oil pumping and extraction; oil well boring services; oil well casing, tubing, and drill pipe installation; oil well drilling; oil well drilling and pumping; oil well wirelining; on-site construction of prefabricated houses; on-site servicing of portable toilets in the nature of sewage removal; operating washing and laundry facilities; outer and inner cleaning of aircraft; paint stripping services; painting and application of coatings to vehicles; painting and repair of signs; painting of aircraft; painting of buildings; painting of furniture; painting of signs; painting of window frames; painting, interior and exterior; paper hanging; paper hanging services; parasol repair; passenger elevator installation and repair; passenger lift installation and repair; patio construction, renovation, repair and maintenance services; pavement construction; pavement marking services; pavement sealing services; pavement striping; pavement stripping services; pest control services for residential use; pest control services in businesses; pest proofing services; petrol refuelling services for motor vehicles; photographic apparatus repair; photographic restoration; physical clean-up of exploration and drilling project locations to restore them to their original condition; pier breakwater building; pier construction; pile driving services; pipeline construction; pipeline construction and maintenance; pipeline construction services; pipeline laying; plastering; plastering and painting of building interiors; plastering services; plasterwork restoration; plumbing; plumbing contracting services; plumbing installation advisory services; plumbing maintenance advisory services; plumbing repair advisory services; plumbing services; pond maintenance services; power flushing services using steam; pressing of clothing; pressing services; pressure washing services; project management in the field of building and infrastructure construction; project management in the field of building construction; project management in the field of deck and patio construction, renovation, repair and maintenance; project management in the field of handyman services, namely, home maintenance and home repair services; project management in the field of residential and commercial construction and renovation; project management services in the field of building construction and renovation; project management services in the field of construction of railings for buildings; propane tank painting; providing advice and information in the field of environmentally sustainable building practices; providing advice in the field of installation of insulating materials; providing advice on how to rebuild damaged homes, buildings and public infrastructure in order to be climate resilient; providing advice on the alteration of building structures; providing advice on the repair and maintenance of building structures; providing advice regarding construction of franchise locations in the field of restaurants; providing aircraft construction, repair and maintenance information; providing consultation on the installation and maintenance of public utility meters; providing consultation services to extend engine maintenance intervals; providing information about real estate development via a website; providing information

and commentary in the field of real estate development; providing information in the field of application of coatings to vehicles; providing information in the field of deck and patio construction, renovation, repair and maintenance via a website; providing information in the field of electric vehicle charging station locations; providing information in the field of handyman services, namely, home maintenance and home repair services, via a website; providing information in the field of home renovations via a website; providing information in the field of mobile hydraulic construction equipment in the nature of winches, gear boxes, and load systems; providing information in the field of residential and commercial construction and renovation via a website; providing information in the field of vehicle repair; providing information on aftermarket parts solutions relating to repair and maintenance of trucks; providing information on building construction and repair; providing information on building maintenance and repair; providing information on house building and repair; providing information on repair services in the aviation sector; providing information on the topics of building of disaster and extreme weather resilient commercial structures to businesses via the global computer information network; providing information on the topics of building of disaster and extreme weather resilient homes to insurers via the global computer information network; providing information on the topics of rebuilding of disaster and extreme weather resilient buildings to individuals via the global computer information network; providing information on the topics of repair of disaster and extreme weather resilient commercial structures via the global computer information network; providing information on the topics of repair of disaster and extreme weather resilient homes via the global computer information network; providing information on the topics of the building of disaster and extreme weather resilient buildings via the global computer information network; providing information on the topics of the improving of disaster and extreme weather resilient buildings to reinsurers via the global computer information network; providing information on the topics of the improving of disaster and extreme weather resilient commercial structures via the global computer information network; providing information on the topics of the rebuilding of disaster and extreme weather resilient commercial structures to businesses via the global computer information network; providing information on the topics of the rebuilding of disaster and extreme weather resilient commercial structures via the global computer information network; providing information on the topics of the rebuilding of disaster and extreme weather resilient homes via the global computer information network; providing information on the topics of the renovating of disaster and extreme weather resilient buildings via the global computer information network; providing information on the topics of the renovating of disaster and extreme weather resilient homes to individuals via the global computer information network; providing information on the topics of the renovating of disaster and extreme weather resilient homes to insurers via the global computer information network; providing information relating to bathtub and bath boiler cleaning services; providing information relating to building cleaning; providing information relating to building demolition; providing information relating to building renovation; providing information relating to chimney sweeping services; providing information relating to clothing repair services; providing information relating to floor polishing services; providing information relating to fur care and repair; providing information relating to furniture restoration; providing information relating to laundering services; providing information relating to repair and maintenance of trucks; providing information relating to roofing installation and repair; providing information relating to septic tank cleaning services; providing information relating to storage tank cleaning services; providing information relating to street cleaning services; providing information relating to the cleaning of carpets and rugs; providing information relating to the disinfection of telephone handsets; providing information relating to the maintenance and repair of safes; providing information relating to the maintenance of bath tubs; providing information relating to the pressing of clothing; providing information relating to the rental of electric washing machines; providing information relating to the rental of floor cleaning machines; providing information relating

to the rental of mops; providing information relating to the repair and maintenance of furnaces; providing information relating to the repair and maintenance of spectacles; providing information relating to the repair of bags or pouches; providing information relating to the repair of bath tubs; providing information relating to the repair of bathtubs; providing information relating to the repair of bicycles; providing information relating to the repair of billiard equipment; providing information relating to the repair of land vehicles; providing information relating to the repair of tatami mats; providing information relating to the repair of toys or dolls; providing information relating to the repair or maintenance of agricultural machines and implements; providing information relating to the repair or maintenance of automobiles; providing information relating to the repair or maintenance of boilers; providing information relating to the repair or maintenance of burners; providing information relating to the repair or maintenance of chemical plants; providing information relating to the repair or maintenance of clocks and watches; providing information relating to the repair or maintenance of cooking pots and pans; providing information relating to the repair or maintenance of electric motors; providing information relating to the repair or maintenance of fire alarms; providing information relating to the repair or maintenance of firearms; providing information relating to the repair or maintenance of fishing tackle; providing information relating to the repair or maintenance of gas water heaters; providing information relating to the repair or maintenance of gasoline station equipment; providing information relating to the repair or maintenance of industrial dishwashing machines; providing information relating to the repair or maintenance of industrial washing machines; providing information relating to the repair or maintenance of machines and apparatus for manufacturing glassware; providing information relating to the repair or maintenance of machines and instruments for making shoes; providing information relating to the repair or maintenance of machines and systems for manufacturing integrated circuits; providing information relating to the repair or maintenance of mechanical parking systems; providing information relating to the repair or maintenance of metalworking machines and tools; providing information relating to the repair or maintenance of musical instruments; providing information relating to the repair or maintenance of nuclear power plants; providing information relating to the repair or maintenance of photographic machines and apparatus; providing information relating to the repair or maintenance of power generators; providing information relating to the repair or maintenance of power-driven floor cleaning machines; providing information relating to the repair or maintenance of printing machines; providing information relating to the repair or maintenance of pumps; providing information relating to the repair or maintenance of railway rolling stock; providing information relating to the repair or maintenance of semi-conductor manufacturing machines and systems; providing information relating to the repair or maintenance of sewing machines; providing information relating to the repair or maintenance of signboards; providing information relating to the repair or maintenance of storage tanks; providing information relating to the repair or maintenance of tobacco processing machines; providing information relating to the repair or maintenance of two-wheeled motor vehicles; providing information relating to the repair or maintenance of vehicle washing installations; providing information relating to the repair or maintenance of vending machines; providing information relating to the repair or maintenance of waste compacting machines and apparatus; providing information relating to the repair or maintenance of waste crushing machines and apparatus; providing information relating to the repair or maintenance of water pollution control equipment; providing information relating to the setup or repair of locks; providing information relating to umbrella repair; providing information relating to vehicle repair; providing information relating to window cleaning services; providing lighting installation for heritage building rehabilitations; providing of information in the field of automotive cleaning, washing and detailing; providing on-line information to assist customers in selecting appropriate foundations for constructing and supporting street lighting structures; providing self-service automotive cleaning,

washing and detailing facilities; providing technical advice on tire installation; providing technical information in the field of mining extraction; providing washing and drying laundry facilities; provision of industrial construction support services, namely, hydrovac, water truck and environmental cleanup services; provision of information relating to clothing mending services; provision of laundry facilities; public utility maintenance consulting services in the field of outage management; public utility maintenance consulting services in the field of public utility efficiency upgrades; pumicing; pump repair; pump repair and maintenance; pumping crude oil; quarry services; quarrying services; railroad truck repair and maintenance, freight car cleaning, and locomotive repair; railway construction; rat exterminating; re-tinning; real estate development; real estate development services; real estate development services in the field of energy efficiency; rebricking and rebuilding of furnaces; rebuilding engines; rebuilding engines that have been worn or partially destroyed; rebuilding of machines for building construction that have been worn or partially destroyed; reconditioning motors and engines that have been worn or partially destroyed; reconditioning of vacuum pumps and parts thereof; reconditioning services for carbide and diamond cutting tools; recovery of human remains, namely, excavation to recover human remains, other than for archaeology; recreational vehicle maintenance services, namely, recreational vehicle upgrades; recreational vehicle upgrade services, namely providing and installing exterior upgrades for recreational vehicles; refilling of empty containers of body care products; refilling of empty containers of facial care products; refilling of empty containers of hair care products; refilling of empty containers of household cleaning products; refilling of empty containers of laundry detergents; refilling of empty containers of teeth cleaning preparations; refilling of empty toner cartridges; refilling of gas cylinders used for making carbonated beverages; refilling of ink cartridges; refilling of toner cartridges; refinishing of automobiles; refinishing of boats; refinishing of floors; refinishing of furniture; refinishing of porcelain; refinishing of silver; refrigerator repair services; refueling of automobiles and buses; refuelling and maintenance vehicle service stations; refurbishment of buildings; refurbishment services for power tools; regrouting services; remanufacture of circuit boards; remanufacture of computers; remanufacture of engine parts; remanufacturing of automotive transmissions; remote maintenance and repair of computer hardware, for the diagnosis, correction and recalibration of malfunction; removal of debris from buildings; removal of glue, paint and mastic from concrete surfaces; removal of graffiti; removing birds from residential and commercial buildings; renewable natural gas fueling stations for vehicles; renovation and restoration of buildings; renovation of artworks; renovation of buildings; renovation of residential homes and commercial buildings; renovation, repair and maintenance of electrical wiring; rental of aerial work lifts; rental of air compressors; rental of aluminium scaffolding towers; rental of battery chargers; rental of building scaffolds, working and building platforms; rental of bulldozers; rental of car washing installations; rental of carpet cleaning machines; rental of clothes-washing machines; rental of concrete mixers; rental of concrete mixing machines; rental of concrete pumps; rental of construction equipment; rental of cranes; rental of degreasing machines; rental of dish drying machines; rental of dish washing machines; rental of dishwashers; rental of dishwashing machines; rental of dishwashing machines for industrial purposes; rental of drainage pumps; rental of drilling platforms; rental of electric washing machines; rental of excavators; rental of floor buffers; rental of floor cleaning machines; rental of gas compressors; rental of hand and power tools; rental of hand tools and power tools; rental of industrial robots for bricklaying; rental of laundry dryers; rental of laundry washing machines; rental of lighting apparatus and lighting systems for use in construction; rental of machinery for building construction; rental of metal and non-metal fences, gates, and barricades; rental of mops; rental of oil well drilling tools; rental of pneumatic and hydraulic machines; rental of portable battery chargers for electric vehicles; rental of portable power chargers; rental of road sweeping machines; rental of robots for building construction; rental of robots for installing drywall; rental of snow blowers; rental of spin dryers for

clothes; rental of steel scaffolding towers; rental of sterilisers for medical instruments; rental of sterilizers for medical instruments; rental of tools for use in construction; rental of trench shoring and shielding equipment; rental of vacuum cleaners; repair and cleaning of pallets and transport containers; repair and insulation of window joints; repair and maintenance of 3D printers; repair and maintenance of agricultural machines; repair and maintenance of agricultural machines and implements; repair and maintenance of air-conditioning apparatus for industrial purposes; repair and maintenance of aircraft; repair and maintenance of airplanes; repair and maintenance of audio frequency amplifiers; repair and maintenance of automobiles; repair and maintenance of axles and parts thereof; repair and maintenance of bicycles and motorcycles; repair and maintenance of boilers; repair and maintenance of booster pumps; repair and maintenance of building scaffolds, working and building platforms; repair and maintenance of buildings in case of demolition; repair and maintenance of chemical plants; repair and maintenance of chemical processing machines; repair and maintenance of chick brooders; repair and maintenance of cinematographic machines; repair and maintenance of computers; repair and maintenance of construction machines; repair and maintenance of conveyors; repair and maintenance of cooking pots and pans; repair and maintenance of cultivating machines and implements; repair and maintenance of egg incubators; repair and maintenance of electric handheld grinders; repair and maintenance of electric motors; repair and maintenance of electrical systems; repair and maintenance of elevators lifts; repair and maintenance of exercise treadmills; repair and maintenance of feed pumps; repair and maintenance of fire alarms; repair and maintenance of fire extinguishers; repair and maintenance of firearms; repair and maintenance of fodder cutters; repair and maintenance of fodder mills; repair and maintenance of fodder mixers; repair and maintenance of fodder presses; repair and maintenance of garden tools; repair and maintenance of gas water heaters; repair and maintenance of gasoline station equipment; repair and maintenance of glassware manufacturing machines and apparatus; repair and maintenance of harvesting machines and implements; repair and maintenance of hot tubs and whirlpool baths; repair and maintenance of household water purifiers; repair and maintenance of industrial air-conditioners; repair and maintenance of industrial dish washing machines; repair and maintenance of industrial furnaces; repair and maintenance of industrial washing machines; repair and maintenance of integrated circuits manufacturing machines and systems; repair and maintenance of machines for processing foods or beverages; repair and maintenance of machines for use in beauty salons or barbers' shops; repair and maintenance of machining centers; repair and maintenance of medical machines; repair and maintenance of metalworking machines and tools; repair and maintenance of milking machines; repair and maintenance of mining machines; repair and maintenance of motor vehicle cooling systems; repair and maintenance of motor vehicles; repair and maintenance of motorcycles; repair and maintenance of movie projectors; repair and maintenance of musical instruments; repair and maintenance of nuclear power plants; repair and maintenance of optical laboratory machines; repair and maintenance of overhead projectors; repair and maintenance of plant fiber processing machines and implements; repair and maintenance of plastic processing machines; repair and maintenance of power generators; repair and maintenance of power-driven floor cleaning machines; repair and maintenance of printing or bookbinding machines; repair and maintenance of public transport vehicles; repair and maintenance of railway rolling stock; repair and maintenance of road making machines; repair and maintenance of semiconductor manufacturing machines; repair and maintenance of sericultural machines and implements; repair and maintenance of sewing machines; repair and maintenance of shoe making machines and instruments; repair and maintenance of smartphones; repair and maintenance of spectacles; repair and maintenance of storage tanks; repair and maintenance of swimming pools; repair and maintenance of textile machines; repair and maintenance of tobacco processing machines; repair and maintenance of toys; repair and maintenance of transport containers; repair and maintenance of trucks; repair and

air; containers of metal for liquid fertilizers; containers of metal for liquid fuel; containers of metal for liquid gas; containers of metal for stock feed; containers of metal for storage of feminine products for household or domestic use; containers of metal for storage, transport and packaging; containers of metal for storing acids; containers of metal for the storage and transport of CDs and DVDs; containers of metal for the storage and transportation of goods; containers of metal for transport; containers of metal for transport and storage of liquid hydrogen and compressed gaseous hydrogen; containment systems for large scale liquid spills or releases, namely, berms made of metal; copper alloys; copper and its alloys; copper bars; copper cathodes; copper clad laminates for use in the manufacture of printed circuit boards; copper coil; copper concentrate; copper ingots; copper ores; copper plates and sheets for industrial use; copper rings; copper rods; copper tubing for HVAC, automotive, oil and gas, fluid power, power generation and recreational vehicle industries; copper wire, not insulated; copper, unwrought or semi-wrought; copper-base alloy ingots; cornices of metal; cotter pins; cotter pins of metal; cotters made of metal; cotters of metal; couplings and joints of metal for pipes; couplings of metal for chains; couplings of metal for fire hoses; couplings of metal for pipes; cove bases of metal; coverings of metal for ceilings; covers specially made for handling and transport of metal bottles for compressed gas; cowbells of metal for animals; crampons; crampons for climbing; crampons of metal; cramps of metal; crash barriers of metal; crash barriers of metal for roads; crayfish traps of metal; crowd control barriers of metal; crowd control posts of metal; crucibles of common metal and their alloys; crucibles of common metal and their alloys for industrial purposes; crucifixes of common metal, other than jewellery; crucifixes of common metal, other than jewelry; cup hooks of metal; curtain walls of metal; cut nails; cylinder locks of metal; cylinders for compressed gas or liquids, sold empty; cylinders of metal for gas; D-ring fasteners of metal; dado rails of metal; dead bolts of metal; deadbolts of metal; deck fillers of metal; decking boards of metal; decorative boxes made of metal; decorative boxes made of non-precious metal; decorative boxes of metal; decorative centerpieces of common metal; decorative crosses of common metal; decorative crosses of common metal, other than jewelry; decorative floor tile inserts of metal; decorative metal boxes; decorative metal cornices for roofs; decorative metal mailbox covers; decorative metal profiles for use in further manufacturing; decorative panels made of galvanized steel; decorative spheres of common metal; desktop statuary made of non-precious metal; directly reduced iron; dispensers of metal for cotton balls; dispensers of metal for dog waste bags; dispensers of metal for facial tissues; diving boards of metal; diving platforms of metal; diving springboards; dock cleats of metal; dog doors of metal; dog flaps of metal; domestic shrines of metal; door bells of metal, non-electric; door bolts of metal; door casings; door casings of metal; door closers of metal, non-electric; door fasteners of metal; door fittings of metal; door flaps of metal; door frames of metal; door frames of metal for refrigerating rooms; door handles of metal; door hinges of metal; door jambs of metal; door kick plates of metal; door knobs of common metal; door knockers of metal; door latches of metal; door leaves of metal; door locks of metal; door locks of metal, non-electric; door nameplates of metal; door openers of metal, non-electric; door panels; door panels of metal; door runners of metal; door scrapers; door springs of metal, non-electric; door stops of metal; door surrounds of metal; door weather stripping seals made of metal; doorknobs of common metal; doorknobs of metal; doorknockers; doorplates of metal; doors and windows of metal; doors of metal; doors of metal for indoor use; doors of metal for safes; doors of metal for strong boxes; doorway barriers made of metal; dowels of metal; downpipes of metal; downspouts of metal; drain pipes of metal; drain traps of metal; drainage pipes of metal; drains of metal for use in the construction of basement waterproofing systems; drawer guides of metal; drawer handles of metal; drawer knobs of metal; drawer latches of metal; drawer pulls of common metal; drawer pulls of metal; drawer sliders of metal; drill pipe attachments, namely, metal drill collars; drywall corner bead of metal; duckboards of metal; ductile iron piles; ducts and pipes of metal for central heating installations; ducts of metal

for air conditioning installations; ducts of metal for air-conditioning installations; ducts of metal for central heating installations; ducts of metal for ventilating and air conditioning installations; ducts of metal for ventilating and air-conditioning installations; ducts of metal for ventilating installations; duraluminium; dust proof strikes of metal; dustbins of metal, other than for household purposes; ear tags of metal for livestock; elbows of metal for flexible pipes; elbows of metal for pipes; elbows of metal for pipes including those from alloy steel and titanium; elbows of metal for pipes, including those made from alloy steel and titanium; elbows of metal for rigid pipes; electric resistance welded (ERW) tubes of metal for the supply of oil and gas; electrolytic copper; electrolytic lead; electrolytic nickel; electronic safes; elevator counterweights; empty coffee capsules of metal; enclosures of metal for tombs; end caps of metal for pipes; end caps of metal for tubes; engine stands of metal; escutcheons of metal; espagnolettes of metal; expansion joints of metal for bridges; expansion joints of metal for roadways; expansion joints of metal for use in buildings; exterior roller blinds made of metal; extruded aluminium sections for doors and windows; eye bolts; eye nuts; fascias of metal; fasteners of metal for casement windows; fasteners of metal for scaffolds; fasteners of metal for windows; faucets of metal for casks; fence panels of metal; fence posts of metal; fence stays of metal; fences of metal; ferroalloys; ferrotitanium; ferrous metals; ferrules of metal; ferrules of metal for canes and walking sticks; ferrules of metal for canes and walking-sticks; ferrules of metal for handles; ferrules of metal for walking sticks; figures of common metal; figurines made of common metal; figurines of common metal; figurines of non-precious metal; filings of scrap metal for reclaiming and refining; films and sheets made from metal for use in the manufacture of circuit boards; finger plates of metal; fire doors of metal; fire-resistant panels of metal for building; fire-resistant safes of metal; firedogs; fireplace grates of metal; fireplace mantels of metal; fireplace mantles of metal; fireplace surrounds of metal; fish cages of metal for commercial use; fitted covers for metal gas bottles; fitted covers for swimming pools of metal; fitted liners for metal baskets; fittings of metal for beds; fittings of metal for building; fittings of metal for coffins; fittings of metal for compressed air ducts; fittings of metal for compressed air lines; fittings of metal for flexible pipes; fittings of metal for furniture; fittings of metal for panelling; fittings of metal for pipes; fittings of metal for railings; fittings of metal for rigid pipes; fittings of metal for ventilation ducts; fittings of metal for windows; fixed dispensers of metal for cellulose wipes; fixed dispensers of metal for pet waste bags; fixed napkin dispensers of metal; flagpole structures of metal; flagpoles of metal; flanges of metal; flashing of metal for building; flat bolts; flexible metal foil for use in the manufacture of pouches, bags and lids; floating docks of metal; floating docks of metal, for mooring boats; floating floor boards of metal; floor boards of metal; floor hinges of metal; floor panels of metal; floor tiles of metal; flooring of metal; floors made of metal alloys; floors of metal; floors of metal alloys; floors, floorings and floor tiles of metal; fluid storage tanks of metal; foil of metal for packaging; foils of metal for packaging; foils of metal for wrapping; foils of metal for wrapping and packaging; folding doors of metal; foot-operated door openers of metal; foundry chill-molds; foundry molds of metal; foundry moulds of metal; frames of metal for sliding doors; freestanding metal dividers for shelves not being furniture parts; fuel oil hoses of metal; furnace fireguards of metal; furniture casters of metal; furniture catches of metal; furniture fittings of metal, namely, drawer slides; furniture leg levelers of metal; gabions of steel wire; galena; galvanized iron plate; galvanized steel clip with molded rubber used to attach drywall to walls or ceilings; galvanized steel sheets; garage door rollers of metal; garage doors of metal; garbage cans of metal, other than for household purposes; garden shed frames of metal; garden sheds of metal; garden stakes of metal; garment hooks of metal; gas bottles of metal; gas storage tanks of metal; gate hooks and eyes of metal; gate latches of metal; gate stops of metal; gates of metal; gates of metal for car parking facilities; gates of metal for car parks or parking lots; gazebos of metal; gazebos primarily of metal; gazebos, portable, of metal; gazebos, portable, primarily of metal; general purpose metal storage bins; general purpose storage bins of metal; general purpose

storage containers of metal; german silver; germanium; girders of metal; glucinium; gold solder; grab bars of metal; gratings of metal; grave markers of non-precious metal; grave slabs of metal; grease nipples; greenhouse frames of metal; greenhouses of metal; greenhouses of metal, transportable; grilles of metal; grinding beads of common metal for use in wet milling; ground tubes of steel; guard barriers of metal; guard rails of metal; guard rails of metal for railways; guide rails for elevator cars; guide rails for elevator counterweights; guide rails of metal; gun safes; gutter brackets of metal; gutter pipes of metal; gutters of metal; guy lines of metal; hafnium; hand bells of metal; hand-held flagpoles of metal; hand-held supermarket shopping baskets of metal; hand-operated metal garden hose reels; handcuffs; handles of metal for doors; handles of metal for windows; handling pallets of metal; handrails of metal; handrails of metal for stairs; handrails of metal for swimming pools; handrails of metal for use in buildings; handrails of metal for walkways; hangars of metal; hangers in the nature of metal hooks used to hang a purse or bag from a table; hard solder; hardware nails; hardware springs; harness of metal for handling loads; harness of metal for load handling; hat hooks of metal; hat-hanging hooks of metal; heating ducts of metal; heavy-duty chain slings; helical pile foundation posts of steel; hidden fasteners of metal for ventilated facades; hinge pin door closers of metal; hinges of metal; hinges of metal for doors and windows; hinges of metal incorporating a spring; hobnails of metal; hog ring fasteners of metal; hole plugs of metal for use in building construction; holiday ornaments of bronze, other than tree ornaments; holiday ornaments of common metal, other than tree ornaments; hollow steel bars; hooks of metal for clothes rails; hooks of metal for roofing slates; hoop iron; hoop steel; hoppers of metal, non-mechanical; horseshoe nails; horticultural frames of metal; hose clamps of metal; hose clips of metal; hose fittings of metal; hose hangers of metal; hot-rolled steel bars; house numbers of metal; house numbers of metal, non-luminous; household water tanks of metal; hunting traps; ice crampons; ice molds of metal; ice moulds of metal; identification bracelets of metal; identification bracelets of metal for hospitals; identification bracelets of metal, for hospitals; identification tags of metal; identity plates of common metal; identity plates of metal; indium; industrial packaging containers of metal; industrial water storage tanks of metal; industrial water tanks of metal; ingots of common metal; inner doors of metal; insect screens of metal; insulated doors of metal; insulated pipe supports of metal; insulating bars made of steel for the thermal insulation of windows and doors; interior metal shutters; internal floating lids of aluminium for use with gas or liquefied gas storage tanks; iron; iron and steel; iron beams; iron gates; iron ores; iron pyrites; iron scraps; iron slabs; iron wire; iron, unwrought or semi-wrought; irons and steels; ironwork for doors; ironwork for windows; jalousies of metal; jerrycans of metal; joinery fittings of metal; joints of metal for pipes; joists of iron or steel; joists of metal; junctions of metal for pipes; junctions of metal for pipes including those from alloy steel and titanium; junctions of metal for pipes, including those made from alloy steel and titanium; karabiners of metal; kegs of metal; key blanks; key cylinders for doors; key cylinders of metal; keys; keys of metal; knobs of metal; labels of metal; ladder stand-offs of metal; ladders of metal; ladders of metal for libraries; landscape edgings of metal; latch bars of metal; latches of metal; laths of metal; latticework of metal; latticework of metal for tomatoes; lawn edgings of metal; lead alloy ingots; lead and its alloys; lead concentrate; lead for pouring of figures; lead ingots; lead ores; lead, unwrought or semi-wrought; lead-free solders for the electronics industry; letter boxes of metal; letter-box flaps of metal; letters and numerals of common metal, except type; licence plates of metal; license plates of metal; lids of metal for cans; lifting chains; lifting eyebolts; lifting eyenuts; limonite; linings of metal for building; linings of metal for building purposes; lintels of metal; liquefied gas storage tanks of metal; liquid storage tanks made of metal; load handling chains of metal; load lifting straps of metal; loading and unloading pallets of metal; loading dock shelters of metal; loading gauge rods of metal for railway wagons; loading pallets of metal; lobster traps of metal; lock bolts; lock bolts of metal; lock boxes of metal; lock cylinders of metal; locks of metal for bags; locks of metal for doors; locks of

metal for handbags; locks of metal for vehicles; locks of metal for windows; locks, other than electric, of metal for trolleys; locks, other than electric, of metal for vehicles; locks, other than electric, of metal for windows; low copper carbon-steel scraps; machine belt fasteners of metal; magnesium; magnesium alloy ingots; magnesium alloys; magnesium and its alloys; magnesium ingots; mail boxes of metal; manganese; manganese ores; manganese powder; manhole covers of metal; manifolds of metal for pipelines; mantelpieces of metal; mantelpieces of metal; manually operated ball valves of metal; manually operated butterfly valves of metal; manually operated diaphragm sampling valves of metal; manually operated metal valves for operation of paint sprayers; maple syrup taps of metal; marine anchors; marmatite; marquees of metal; masts of metal; materials of metal for funicular railway permanent ways; materials of metal for funicular railways; materials of metal for railway construction; materials of metal for scaffolds; mechanical metal door bells; memorial plaques of metal; memorial plates of metal; metal above-ground swimming pools; metal adapter plates; metal aerosol containers sold empty; metal air intake hood; metal alloys for further manufacturing; metal alloys for use in manufacture; metal anchor bolts; metal anchor bolts for bridge connection; metal anchor shackles; metal anchors for pool covers; metal arbour structures; metal arches for supporting plants; metal artificial fish reefs; metal automatic bifolding doors; metal automatic revolving doors; metal automatic security revolving doors; metal automatic sliding doors; metal automatic swing doors; metal aviaries; metal bale net wrapping; metal ball lock pins; metal balustrades; metal banisters; metal bank vaults; metal baracades; metal barrels; metal barricades; metal barricades for roads; metal barriers for pedestrian traffic control; metal bars for further manufacture; metal bars for use in manufacture; metal baseboards; metal bathroom vents; metal bathtub rails; metal beam clamps; metal beams; metal beverage cans; metal bicycle locks; metal bicycle storage racks; metal billets; metal binding screws for cables; metal bleachers; metal blind flanges; metal bollards; metal bolts; metal bonding fasteners for mounting and demounting of ceiling and wall panels; metal boot scrapers; metal bottle caps; metal bottle stoppers; metal bottles for compressed gas; metal bottles for liquid air; metal bottles for the storage of fuel; metal braces for handling loads; metal brackets for use in the construction and assembly of decking; metal brads; metal branching pipes; metal brazing rods; metal building flashing; metal bump keys for locksmithing; metal butane fuel canisters sold empty; metal cabinet stops; metal cable ladder and metal cable tray for the support of electrical wires and cables for lighting, electrical communication, and telecommunication; metal cable trays used in building construction; metal cable wire; metal cage supports for climbing flower plants; metal cage supports for climbing fruit plants; metal cage supports for climbing vegetable plants; metal cage supports for plants; metal cage supports for tomatoes; metal cages for HVAC units; metal cages for wild animals; metal cam clamps and parts therefor; metal cans, sold empty; metal caps for bottles; metal carabiners; metal cash boxes; metal casting forms for concrete; metal castings for turbines; metal catch basins for attachment to sewer pipes to trap debris; metal ceiling medallions; metal ceiling supports; metal ceiling tiles; metal chain door guards; metal chain-link fences; metal chain-link fencing; metal chainlink fences; metal chainlink fencing; metal chains; metal chains for keys; metal chests; metal chimneys; metal cladding; metal clamping and positioning studs; metal clapboard; metal clasps for door security hardware; metal clips for cables and pipes; metal clips for holding identity cards; metal closures for containers; metal clothes hooks; metal clothes line spacers; metal clothesline wire; metal collars for fastening pipes; metal connections for tubular drill pipe components, namely, rotary shoulder pipe connections; metal connectors for decking and decking joists; metal connectors for pipes; metal construction materials, namely, exhaust vent hoses for external ventilation of furnaces, heaters, stoves and boilers; metal containers for compressed gas or liquid air; metal containers for storage and transport; metal containers for the storage and transportation of goods; metal cornices; metal cotter pins; metal cotters; metal couplings for fire hoses; metal couplings for pipes; metal cove bases; metal coverings for ceilings;

metal crash barriers; metal cup hooks; metal cylinders for compressed gas or liquids, sold empty; metal dasher boards; metal dead bolts; metal debris guards for gutters; metal dispensers for shoe covers; metal diving boards; metal dog tags; metal door and window screens; metal door bolts; metal door frames; metal door frames for refrigerating rooms; metal door hardware being keys and key cylinders; metal door hardware being non-powered door actuators; metal door hinges; metal door latches; metal door panels; metal door trim; metal door units; metal door viewers; metal doorknobs; metal doorplates; metal doors; metal dowels; metal dowels and metal dowel pins; metal down spouts; metal downpipes; metal drain pipes; metal drainage pipes; metal drains for use in the construction of basement waterproofing systems; metal drawer trim; metal drill pipe components, namely, heavy weight drill pipe and drilling subs in the nature of pipe connectors; metal drill pipes for use in well boring; metal duckboards; metal ducts for gas conduits; metal ducts for gas pipelines; metal dust proof strikes; metal ear tags for livestock; metal elbows for pipes; metal ember retainer for use on fireplace grates; metal exhaust air vent; metal expanding screws; metal expanding sleeves for affixing screws; metal expansion joints for floors and walls; metal expansion joints for piping and ducting; metal exterior blinds; metal exterior roller blinds for guiding light; metal facade panels for construction purposes; metal fascias; metal fastener bolts; metal fastener nuts; metal fastener screws; metal fasteners for casement windows; metal fasteners for fastening roof panels; metal fasteners for screens; metal fence rail clamps; metal fence wire strainers; metal fence wire tensioners; metal fences; metal filtering tubes used to prevent storm water runoff pollutants from entering sewer systems; metal fire-resistant safes; metal fish plates in the nature of hardware for fastening rails; metal fitting for air ducts; metal fittings for compressed air lines; metal fittings for flexible pipes; metal fittings for metal cable ladder for cable management system, comprised of a central box to support cables and cords; metal fittings for metal tray for cable management system, comprised of a central box to support cables and cords; metal fittings for rigid pipes; metal fittings for windows; metal fixture plates, locater plates and subplates; metal flanges; metal floor decking; metal floor panels; metal floor tiles; metal floor trusses; metal flooring; metal floors; metal fluid storage tanks; metal foil; metal folding doors; metal for railway tracks; metal formwork; metal frame to support and accommodate use of leaf bags; metal frames for holding and securing trash bags during clean-up; metal frames for swimming pool construction; metal furnace grates; metal furnace screens; metal furniture casters; metal furniture sliders; metal garage door rollers; metal garage doors; metal garden sheds; metal gates; metal gates and fences; metal gates and fencing panels; metal gates for car parking facilities; metal gazebos; metal girders; metal glazier points; metal grain bins; metal grates for holding firewood during burning; metal gratings; metal greenhouses; metal guard barriers; metal guard rails; metal guardrails; metal gutter guards; metal gutter pipes; metal gutters; metal guy wire; metal handles for cabinets; metal handwheels and finger wheels; metal hardware bolts; metal hardware for luggage; metal hardware for mountaineering equipment; metal hardware for use in descending ropes, namely, belay devices; metal hardware for use in descending ropes, namely, descenders; metal hardware for windows and doors; metal hardware nuts; metal hardware screws; metal hardware, namely, double-end swivels; metal hardware, namely, spacers used in the installation of flooring; metal hardware, namely, springs; metal harnesses for handling loads; metal hexagon head bolts; metal hinges; metal hinges for windows and doors; metal holders for signboards; metal holders for signs; metal hose clamps; metal hoses and metal tubes for machinery; metal hoses for agricultural use; metal hoses for machinery; metal hoses for plumbing use; metal hoses for swimming pools; metal identification bands for blood collection systems; metal identification bracelets; metal in-ground sewage and water run-off basins; metal insect screens for doors; metal jalousies; metal joinery fittings; metal joints for pipes; metal joists; metal junctions for pipes; metal karabiners; metal kegs; metal key blanks; metal keys for locks; metal knobs; metal knockers; metal ladders; metal ladders for libraries; metal laminated leaf-springs; metal latch bars; metal latch clamps and parts therefor;

metal latches; metal laths; metal lattices; metal latticework; metal leveling mounts and pads; metal licence plates; metal license plates; metal lids for cans; metal lintels; metal loading gage rods for railway wagons; metal locating and clamping shanks; metal locating keys; metal locating pins and metal liners therefor; metal lock boxes; metal locks for bicycle racks; metal locks for doors; metal locks for securing strollers; metal locks for windows; metal mail slots; metal mailboxes; metal mandrels, not being parts of machines; metal manhole covers; metal manways in the nature of fitted metal hatch covers for metal storage tanks; metal mats for use as load support surfaces in the construction industry; metal mold blocks for pipe corrugators; metal molds for forming cement products; metal mooring buoys; metal motorcycle stand that may be raised and lowered by non-powered means; metal moulds for forming cement products; metal mounting brackets for displaying animal skulls; metal mounting brackets for general use; metal mounting brackets for taxidermy use; metal mullions; metal multiuse hooks for hanging home accessories; metal name badges; metal name plates; metal nameplates and door nameplates; metal novelty license plates; metal number plates; metal nuts; metal oil cans sold empty; metal ores; metal packaging trays; metal packaging tubes; metal padlocks; metal palings; metal palisades; metal pallets; metal panels in the nature of aluminum and polyethylene of low density used for signage, ads, stands, as well as to cover and coat interior and exterior facades of walls and buildings; metal panels in the nature of suppressors for preventing vortex formations in liquids; metal pantiles; metal parking curbs; metal partitions for building; metal patio doors; metal paving slabs; metal pegs; metal penstock pipes; metal pet tags; metal pickets; metal pigsties; metal pillars for building; metal pipe couplings; metal pipe elbows; metal pipe fittings; metal pipes for liquefied natural gas transfer; metal plant cages; metal plaques for tombstones; metal plugs for baths; metal plugs for showers; metal plugs for sinks; metal podiums in the nature of prefabricated metal platforms; metal poles; metal pontoons and structural supports therefor, used to support decking; metal portable piers which extend from a shore line out over water; metal portable stairs for pets; metal positioning pins; metal powders for use in manufacturing; metal prefabricated garages; metal profiles for building; metal push-pull clamps and parts therefor; metal railings; metal railings for balconies; metal railings for bridges; metal railings for fences; metal railings for fencing, decking, handrails and banisters; metal railroad ties; metal railway crossovers; metal railway ties; metal railway turntables; metal ramps for use with vehicles; metal rebar; metal refuse bins for commercial use; metal reinforcement materials for building; metal reinforcing materials for concrete; metal reliquary for domestic use; metal rivets; metal robe hooks; metal rocket launching platforms; metal rods for brazing and welding; metal rolling window shutters; metal roof clamps; metal roof decking; metal roof flashing; metal roof vents; metal roofing; metal roofing incorporating solar panels; metal ropes; metal runners for sliding doors; metal safes; metal safes in the shape of a book; metal safety doors; metal sash lifts; metal sash locks; metal scaffolding; metal screen doors; metal screw anchors; metal screws; metal sewer pipes; metal shackles and hooks for lifting and rigging; metal shims; metal shingles; metal shoe dowels; metal shoe pegs; metal shutters; metal siding; metal silos; metal skid chains; metal skylights; metal slabs for building; metal slides for cabinet doors; metal slides for drawers; metal sliding doors; metal speed bumps; metal stables; metal stanchions; metal stands for barrels; metal stands for holding firewood during burning; metal stands for storage and transport of inboard, outboard and stern drive boat motors; metal staples for construction or industrial use; metal step blocks; metal step ladders; metal step-in fence posts; metal step-in removable fence posts; metal stepladders and ladders; metal steps and stairs for use in swimming pools; metal stilt leg extension attached to shoes for extending the vertical reach of workmen; metal stoppers for industrial packaging containers; metal storage boxes for general use; metal storage reels for electrical lights; metal storage sheds; metal storage shelters; metal storage tanks; metal storage tanks and roofs therefor; metal storm shelters; metal storm water dry wells; metal storm windows; metal strapping for packaging; metal strong boxes; metal structural beams; metal

structures for mounting solar panels; metal support for metal cable ladder for cable management system, comprised of a central box to support cables and cords; metal support for metal tray for cable management system, comprised of a central box to support cables and cords; metal support straps for holding planted trees in an upward position; metal supports for use as outdoor post foundations; metal suspended ceiling systems comprising panels; metal swimming pool ladders; metal swimming pools; metal swivel casters for furniture; metal T-posts for fences; metal taps for beer kegs; metal taps for casks; metal telephone booths; metal tent poles; metal tent stakes; metal thermowells; metal thread adapters for use with hydraulic and pneumatic systems; metal threaded receptacles; metal thresholds; metal throw weights for commercial or industrial use; metal tile trim; metal time capsules; metal toggle clamps and parts therefor; metal tomato cages; metal tomb plaques; metal tombs; metal tombs and metal tomb plaques; metal tooling columns; metal tracks for rail vehicles; metal train and bus ticket holders; metal tree steps; metal trellises; metal trim for buildings; metal trims for buildings; metal troughs for mixing mortar; metal tubes for machinery; metal tubular components having threaded connections; metal turnbuckles; metal turnpieces for doors; metal twist ties; metal upholstery tacks; metal utility poles; metal valves for controlling the flow of gases in cylinders; metal valves for controlling the flow of gases in pipelines; metal valves for use on gas cylinders; metal valves for water pipes; metal valves for water pipes, non-machine element metal valves; metal valves sold as a component of cylinders for compressed gas or liquids, sold empty; metal vent caps; metal vent covers for HVAC ducts; metal vent covers for HVAC ducts for use in laboratories; metal vent covers for use in cleanrooms; metal wainscoting; metal wainscoting; metal wall hooks for pipes; metal wall panel systems; metal wall tiles; metal wallboards; metal water pipes; metal water tanks; metal water-pipe valves; metal weather vanes; metal weatherboards; metal welding rods; metal welding wire; metal window cranks; metal window fittings; metal window jambs; metal window shutters; metal window trim; metal window trims; metal windows; metal wire clothes for protecting plants; metal wire fences; metal wire fencing; metal yokes; metallic armoured doors; metallic connections for metal pipes, tubes and casings in the oil and gas industry; metallic doors for strong boxes; metallic doors for strongboxes; metallic doors, windows, shutters and slatted shutters; metallic doors, windows, shutters, slatted shutters; metallic drain traps; metallic fire doors; metallic flanges; metallic frames for sliding doors; metallic letter combination locks in the shape of a cylinder; metallic materials for railway tracks; metallic molds for metal casting; metallic moulds for metal casting; metallic sheath for air ducts; metallurgy blooms; metals and metal alloys; metals composite materials; metals in foil and powder form for 3D printers; metals in foil form for 3D printers; metals in powder form for 3D printers; military identification tags of metal; milk churns being containers of metal; mirror hangers of metal; mobile boarding stairs of metal for passengers; mobile homes being manufactured housing of metal; mobile homes of metal; mobile metal boarding stairs for passengers; modular animal houses of metal for farm animals; modular chicken houses of metal; modular classrooms of metal; modular metal pigsties; modular pig houses of metal; modular pigsties of metal; modular poultry houses of metal; modular silos of metal; modular stables of metal; moldings of metal for building; moldings of metal for cornices; molds of metal for casting ceramic materials; molybdenum; molybdenum bonded with other metals in the form of sheets, plates and foils for further manufacture; molybdenum iron; molybdenum ores; monuments of non-precious metal; mooring bollards of metal; mooring buoys of metal; mooring cables of metal; mouldings of metal for building; mouldings of metal for cornices; moulds of metal for casting ceramic materials; mountaineering carabiners of metal; mountaineering pitons of metal; mounting frames of metal for solar panels; muffs of metal for pipes; mullions of metal; murals of metal; muselets in the nature of wire closures for bottles; nails; nails of metal; nameplates of metal; nickel; nickel alloy ingots; nickel alloys; nickel and its alloys; nickel concentrate; nickel ingots; nickel ores; nickel powder; nickel silver; nickel-silver; niobium; non-automatic turnstiles of metal; non-electric cable ties and wires of common

metal; non-electric cables and wires of common metal; non-electric cables of metal; non-electric conduit swivels of metal; non-electric door chimes; non-electric door closers of metal; non-electric door closers of metal; non-electric metal door bells; non-electric metal door bells; non-electric metal door closers; non-electric metal door closers; non-electric multi-strand wire; non-electric multi-strand wire; non-electric single-strand wire; non-electric single-strand wire; non-electrical elevator cables; non-electrical elevator cables; non-electrical guy wire; non-electrical guy wire; non-electrical lifting cables; non-electrical lifting cables; non-electrical wire fencing; non-electrical wire fencing; non-ferrous metal alloys; non-ferrous metal alloys; non-ferrous metals; non-ferrous metals; non-ferrous metals and their alloys; non-ferrous metals and their alloys; non-luminous and non-mechanical decorative street signs of metal; non-luminous and non-mechanical decorative street signs of metal; non-luminous and non-mechanical metal signs for decoration; non-luminous and non-mechanical metal signs for decoration; non-luminous and non-mechanical metal signs for use as social distancing markers; non-luminous and non-mechanical metal signs for use as social distancing markers; non-luminous and non-mechanical road signs of metal; non-luminous and non-mechanical road signs of metal; non-luminous and non-mechanical traffic signs of metal; non-luminous and non-mechanical traffic signs of metal; non-luminous and non-mechanical warning signs of metal; non-luminous and non-mechanical warning signs of metal; non-luminous beacons of metal; non-luminous beacons of metal; non-luminous metal beacon towers; non-luminous metal beacon towers; non-luminous traffic signs of metal; non-luminous traffic signs of metal; non-luminous, non-mechanical road signs of metal; non-luminous, non-mechanical road signs of metal; non-mechanical hoppers of metal; non-mechanical hoppers of metal; non-mechanical reels of metal for flexible hoses; non-mechanical reels of metal for flexible hoses; non-mechanical traffic signs of metal; non-mechanical traffic signs of metal; non-mechanical winding spools of metal for flexible hoses; non-mechanical winding spools of metal for flexible hoses; nonferrous metals and their alloys; nonferrous metals and their alloys; nozzles of metal; nozzles of metal; numbering tacks, namely, numbered metal tacks used to match removable windows to their window frames; numbering tacks, namely, numbered metal tacks used to match removable windows to their window frames; numberplates of metal; numberplates of metal; nuts of metal; nuts of metal; offshore drilling platforms of metal; offshore drilling platforms of metal; oil and gas casing and tubing of metal; oil and gas casing and tubing of metal; oil and gas drill pipes of metal; oil and gas drill pipes of metal; oil cans of metal sold empty; oil cans of metal sold empty; oil drainage containers of metal; oil drainage containers of metal; ore; ore; ores; ores; ores of metal; ores of metal; ornaments of metal for mobile telephones; ornaments of metal for mobile telephones; ornaments, namely, miniature car models of common metal; ornaments, namely, miniature car models of common metal; ornaments, namely, model aeroplanes of common metal; ornaments, namely, model aeroplanes of common metal; ornaments, namely, model animals of common metal; ornaments, namely, model animals of common metal; ornaments, namely, model cars of common metal; ornaments, namely, model cars of common metal; ornaments, namely, model figures made of common metal; ornaments, namely, model figures made of common metal; ornaments, namely, model vehicles made of common metal; ornaments, namely, model vehicles made of common metal; ornaments, namely, scale model cars made of common metal; ornaments, namely, scale model cars made of common metal; ornaments, namely, statues made of common metal; ornaments, namely, statues made of common metal; outdoor blinds of metal; outdoor blinds of metal; outdoor terrariums being planters made of metal; outdoor terrariums being planters made of metal; outdoor terrariums, namely, planters being metallic structures; outdoor terrariums, namely, planters being metallic structures; outer doors of metal; outer doors of metal; over-the-door hooks of metal; over-the-door hooks of metal; packaging containers of metal; packaging containers of metal; pad eyes; pad eyes; padeyes; padeyes; padlocks; padlocks; padlocks of metal; padlocks of metal; padlocks of metal, other than electronic; padlocks of metal,

other than electronic; paint cans; paint cans; paint spray booths of metal; paint spray booths of metal; paint spraying booths of metal; paint spraying booths of metal; palings of metal; palings of metal; palisades of metal; palisades of metal; palisading of metal; palisading of metal; pallets of metal; pallets of metal; pantiles of metal; pantiles of metal; paper towels dispensers of metal; paper towels dispensers of metal; parking curbs of metal; parking curbs of metal; partitions of metal; partitions of metal; partitions of metal for building; partitions of metal for building; parts and fittings for metal windows; parts and fittings for metal windows; patio doors of metal; patio doors of metal; paving blocks of metal; paving blocks of metal; paving slabs of metal; paving slabs of metal; pegs of metal; pegs of metal; pelletized iron; pelletized iron; penstock pipes of metal; penstock pipes of metal; pergolas of metal; pergolas of metal; pergolas primarily of metal; pergolas primarily of metal; pet collar accessories, namely, metal bells; pet collar accessories, namely, metal bells; pet doors of metal; pet doors of metal; pewter figurines; pewter figurines; phone number plates of metal, for automobile parking; phone number plates of metal, for automobile parking; phone number plates of metal, for car parking; phone number plates of metal, for car parking; picture hangers of metal; picture hangers of metal; pig iron; pig iron; pigsties of metal; pigsties of metal; pilings of metal; pilings of metal; pillars of metal for building; pillars of metal for building; pipe clamps of metal; pipe clamps of metal; pipe clips of metal; pipe clips of metal; pipe collars of metal; pipe collars of metal; pipe connectors of metal; pipe connectors of metal; pipe coupling of metal; pipe coupling of metal; pipe couplings of metal; pipe couplings of metal; pipe elbows of metal; pipe elbows of metal; pipe fittings of metal; pipe fittings of metal; pipe joints of metal; pipe joints of metal; pipe junctions of metal; pipe junctions of metal; pipe muffs of metal; pipe muffs of metal; pipelines of metal for the oil and gas industry; pipelines of metal for the oil and gas industry; pipes of metal for compressed air transfer; pipes of metal for compressed air transfer; pipes of metal, for central heating installations; pipes of metal, for central heating installations; pipework of metal including those from alloy steel and titanium; pipework of metal including those from alloy steel and titanium; pitchblende, namely, ores of metal; pitchblende, namely, ores of metal; pitons of metal; pitons of metal; placards made of metal; placards made of metal; placards of metal; placards of metal; plant hangers of metal; plant hangers of metal; plant markers of metal; plant markers of metal; planter boxes, fixed, of metal; planter boxes, fixed, of metal; plaques of common metal for use as awards; plaques of common metal for use as awards; plastic-covered stainless steel barrels; plastic-covered stainless steel barrels; plate frames of metal; plate frames of metal; plated steel; plated steel; plated steels; plated steels; plugs of metal for baths; plugs of metal for baths; plugs of metal for showers; plugs of metal for showers; plugs of metal for sinks; plugs of metal for sinks; poles of metal; poles of metal; poles of metal for electric lines; poles of metal for electric lines; poles of metal for power lines; poles of metal for power lines; porches of metal; porches of metal; porches of metal for building; porches of metal for building; portable gazebos of metal; portable gazebos of metal; portable gazebos primarily of metal; portable gazebos primarily of metal; portable ice fishing shelters of metal; portable ice fishing shelters of metal; portable metal levees; portable metal levees; portable metal risers for public performances; portable metal risers for public performances; portable metal storage containers; portable metal storage containers; portable mobile metal office buildings; portable mobile metal office buildings; portable stages composed of primarily metal materials; portable stages composed of primarily metal materials; portable stages of metal; portable stages of metal; portable trade show display booth made primarily of metal; portable trade show display booth made primarily of metal; posts of metal for power lines; posts of metal for power lines; pot hooks of metal; pot hooks of metal; poultry cages of metal; poultry cages of metal; poultry houses of metal; poultry houses of metal; pre-fabricated bridges of metal; pre-fabricated bridges of metal; pre-fabricated chicken houses of metal; pre-fabricated chicken houses of metal; pre-fabricated houses of metal; pre-fabricated houses of metal; pre-fabricated houses of metal for animals; pre-fabricated houses of metal for animals; pre-
