## NEW PUBLICATIONS (July – December 1974)

### 11: General

**11-507 Perspective Canada.** Occasional. E. and F. 321 pp.

Presents information on such basic social issues as health, education, work and cultural diversity. Contains 200 tables, 145 charts and a brief text. It describes some of the fundamental social concerns, reviews some of the statistical measurement problems involved and suggests sources of further information on each subject.

**\$6.75**

### 13: Comprehensive Studies

**13-204 Income Estimates for Counties and Census Divisions.** Annual. Bil. 41 pp.

Estimates of aggregate employment income and non-employment income for counties and census divisions, the data covering the reference year. Reconciliation with National Accounts at the provincial level and notes regarding the methodology employed.

**70¢**

**13-556 Economic Returns to Education in Canada.** Occasional. Bil. 32 pp.

Micro-economic data from the Survey of Consumer Finances taken in 1968 are used to measure the social economic returns to education in Canada. Regression analyses are carried out within education classes, examining the effects of characteristics other than education which are related to income. Average age-income profiles, adjusted for the influence on income of these relevant variables, are then derived with differences reflecting both the direct and indirect effects of education on income.

**70¢**

**13-558 A review of Recent Proposals for Modifying and Extending the Measure of GNP,** by Professor Oli Hawrylyshyn. Occasional. Bil. 54 pp.

Examines the major recent proposals made to modify the GNP with a view to deriving a measure of economic welfare, and provides a possible framework for further examination of these proposals.

**\$1.05**

## **21: Farm Income, Values and General Production**

- 21-514 Handbook of Agricultural Statistics, Part VI: Livestock and Animal Products, 1871-1973.** Occasional. Bil. 126 pp.

A handbook of major livestock statistical series covering numbers on farms, values, output and disposal, production and disappearance, slaughterings, marketings and prices; Canada and the provinces. Data start from the earliest year for which records are available. Supersedes report number 21-508. **\$2.10**

## **31: Manufacturing**

- 31-519 Inventories, Shipments and Orders in Manufacturing Industries, Historical Supplement, 1970-1973.** Occasional. Bil. 66 pp.

Contains estimated monthly values of shipments by industry group and province, and estimated monthly values of shipments, orders and inventories in selected individual industries, 1970-1973. Free to subscribers of 31-001.

## **61: Business Conditions**

- 61-513 Inter-corporate Ownership, 1972.** Occasional. Bil. 1,138 pp.

Indicates the ownership of Canadian corporations and links corporations into ownership complexes. Includes an alphabetic index of corporations. **\$18**

## **62: Prices and Consumer Expenditure**

- 62-007 Construction Price Statistics, Monthly Bulletin.** Monthly. Bil. 28 pp.

Contains detailed residential and non-residential construction input price indexes, as well as periodic articles relating to new or revised construction price statistics. Supersedes Catalogue No. 62-006. **40¢ a copy, \$4 a year**

## **72: Employment and Earnings**

- 72-602 Accommodation, Food and Recreational Services, Employment Earnings and Hours of Work, 1972.** Annual/Variou. Bil. 126 pp.

Contains data on employment, earnings and hours of work of male and female employees in accommodation and food services and amusement and recreational services components of the services industry division (1970 Standard Industrial Classification). These statistics are broken down into full-time, part-time and casual employees under four occupational groupings. Data are given for Canada, provinces and the metropolitan areas of Montreal, Toronto, Winnipeg and Vancouver. Separate data for large (20 + employees) and small (under 20 employees) are also given. **\$2.10**

## 81: Education

- 81-242 **Salaries of Teachers in Degree-granting Institutions – Part II – Salaries Related to Experience.** Annual. Bil. 32 pp.

Shows the relationship between salaries and experience as measured by years since award of first degree and years since award of highest degree for full-time teachers in Canadian universities. These figures are also related to sex, field of teaching and region. 70¢

- 81-250 **Elementary and Secondary Education – Financial Statistics.** Annual. Bil. 42 pp.

Presents financial statistics on elementary and secondary education in Canada. Included are total expenditures by source of funds, federal and provincial expenditures (fiscal year basis), school board finance (calendar year basis) and revenue and expenditure of private schools and kindergartens (academic year basis). Except for the grouping of private schools and kindergartens in the Atlantic Provinces, the data are presented by province. \$1.05

- 81-255 **A Guide to Canadian Community Colleges.** Annual. Bil. 30 pp.

A joint project of the Association of Universities and Colleges of Canada and Statistics Canada, this publication contains various reprinted sections of the publication *Universities and Colleges of Canada* (Catalogue 81-230). It includes an article on the development and present structure of community colleges, and a list of colleges with mailing addresses, and some statistical tables. 70¢
